Boyne City took the kickoff and was well into Northmen territory when the final period opened.On one of the first plays of the final period, Gunderson went over from the one-yard line and then plunged for the conversion point. Later in the period he passed to John Braun who went in from the 14 to give the Ramblers a six-point lead. Gunderson went over right tackle to make the score 20 to 13 as time ran out.

East Jordan 7 Kalkaska 6

Playing at East Jordan, the Kalkaska eleven was in complete control during the first half of the game in which Fullback Leo Blaisdell scored on a 25 yard run after taking a 36-yard flat pass to put the ball in scoring position.

Early in the second half, the Red Devils found their stride as Tom Galmore romped through left tackle to score for East Jordan. Fred Malpass booted the conversion to give the Jordanites the winning margin in the meeting.

Chehoygon 18 Gaylord 6

Fullback Jim Johnson scored Gaylord's lone tally on a 15 yard run early in the game before Cheboygan assumed command of the situation and scored three touchdowns for the lopsided win.

Oscoda 28 Mancelona 6

At Mancelona, the Ironmen managed to score on a five-yard run by Left Halfback Bill Bushard in the second period before they were stopped cold by the visiting Oscoda outfit.

The visitors scored in the first period after intercepting a Maneelona pass; scored again in the third quarter on a 25 yard pass play and twice in the last period following concerted drives.

Harrison 14 Grayling 12

Successful conversion plays gave Harrison a win over the Grayling Vikings who tallied runs on a 15 yard end sweep by Jim Young and a 10 yard pass play from Bill Joseph to Danny Tinker but who were unsuccessful in their conversion kicks. Harrison scored touchdowns following long drives with Tom Wood going in from the one yard line in the first quarter and Jerry Schannells from the one-foot line in the final period. The latter added the points after touchdown which made the difference.

Petoskey St. Francis 19 H. S. 0

Playing at Harbor Springs, Petoskey St. Francis was in control all the way, scoring early in the game on a pass play that covered 20 yards when End Tim Wilson took a pass from Quarterback Dave Ranney.

The next two periods were scoreless but in the final period the Crusaders racked up two more tallies on line plays. Early in the period Fullback Jerry Donnolly bucked the line from eight yards out to score and later Halfback Dick Laur went over from 20 yards out.Dave Ranney scored a conversion point following the last touchdown.

Standard Oil To Sponsor Nov. Vote Campaign

Standard Oil Dealers in Michigan will sponsor their third "Get Out The Vote" campaign prior to the coming November 6 election.

Following their 1958 campaign when they received the Freedoms Foundation at Valley Forge Award and for their 1960 effort that brought them the American Heritage Foundation Award for the outstanding campaign in the country in "Getting Out The Vote"—Steve Theis, a Dealer in Detroit and Chairman of the Michigan Standard Dealers' Advisory Council said plans had been finalized for the 1962 campaign.

Theis said, "Our sole objective is to increase the number of people who will go to the polls and vote this fall. Vote as they please—but vote. We know without the drama of a presidential election many citizens may fail to cast their ballot. If the citizens would think of their vote in terms of their investment in good govenment perhaps they would cherish more the privilege of voting. Our campaign slogan, therefore, will be—'Invest in good government, vote November 6.'

Theis pointed out, 'This is a dealers' project. The planning and development of the campaign was done by the Standard Dealers under the guidance of the Michigan Standard Dealers' Advisory Council. We are making this unified effort to make a real civic contribution to the community in which we do business and in the interest of good government."

Standard Dealers will use hand-out materials at their stations. In keeping with their slogan of "Invest in good government"—motorists will receive a stock certificate of one share in our goverment. This certificate actually is a litter bag that can be retained for a practical use as a reminder to vote.

Dealers will also hand out bank books with entries of previous elections to permit customers to check themselves whether they had made "deposits" or "withdrawals" in their Bank of Good Citizenship in prior elections.

A full-scale advertising program in newspapers, radio and television commercials purchased by the Dealers themselves is scheduled.

They will conduct essay and art contests in their community.

Signs with 'vote' messages will be used at all Standard stations. Dealers will compete for the most unique and intriguing lay outs or displays at the stations that will encourage citizens to vote.

Milo Hector, Regional Manager for the Standard Oil division of American Oil Company, said in Detroit "this non-partisan effort of our Dealers in their 'Get Out The Vote' Campaign puts many of us to shame when we compare our own personal performance in getting out the vote or even voting ourselves. We are proud of this civic effort in good citizenship that our Dealers have undertaken again under the sponsorship of the Standard Dealers' Advisory Council and will give them every assistance we can."

The campaign dates are from October 1 to Election Day, November 6.

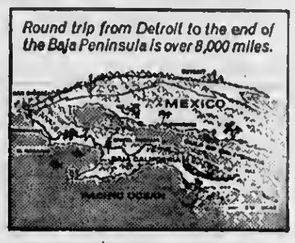
Tough new '63 Chevrolet Trucks are here!

...THE ONES THAT WHIPPED THE BAJA RUN...TOUGHEST UNDER THE SUN... TO SHOW THE WORTH OF NEW ENGINES, FRAMES AND SUSPENSIONS!

Sometimes the caravan crept along for hours in low gear. It took 17 days to go 1,066 miles! This is the road near Loreto.

Round trip from Detroit to the end of the Baja Peninsula is over 8,000 miles.



Millions of years ago nature fashioned a proving ground for trucks that man can never duplicate. Today it is known as the Baja (bah' hah) California Peninsula, Mexico.

These pictures give you only a bare idea of the place. The road is fine for 140 miles below the U.S. border. Then the beating begins. Rocks and hard-baked ruts bang, jab and jerk the trucks from atem to stern. Loose sand makes them struggle and strain. Dust chokes them. Heat roasts them. Rivers drench them.

The Baja Run took this Chevrolet truck caravan 17 days to go the 1,066 miles.

All the trucks performed magnificently. Not one was forced to drop out because of mechanical difficulty.

Trucks that can take this kind of beating can take on your toughest truck jobs. Come in now and see tough quality-built '63 Chevrolet trucks with all their new improvements.

VICTOR A. KNOX
MEMBER OF CONGRESS
Eleventh District, Michigan

Committee:
Ways and Means

Congress of the United States
House of Representatives
Washington, D. C.

September 20, 1962

Dear Friends,

This is the time in an election year when the voters seek to determine the qualifications of the congressman who will represent them in public office. This is important, and is done in various ways, one of which is talking to them personally and hearing them express their views in person at meetings and forums.

In past years, I have made a genuine effort to avail myself of every opportunity to do these things—to find out in person how the people of the 11th Congressional District feel about the many important issues and policies, both domestic and world wide, that affect us all so very much.

This year, due to the intention of the present Democratic majority in Congress to prolong the current session, I will find that my time for this will be restricted. I have a choice of coming home, or remaining in Washington doing the job for which I was elected—representing all of you. It is clear to me that properly representing you comes first.

As near as can now be estimated, Congress will remain in session until after October 3 of this year. After that, during the few short weeks remaining before election, I will make every effort to meet and talk with as many of you as possible and discuss your views on national affairs. Four weeks is not long, but I will visit each and every county in our district during that time.

I hope that this letter will serve to explain my absence from our district until October.

Very sincerely yours,
Congressman

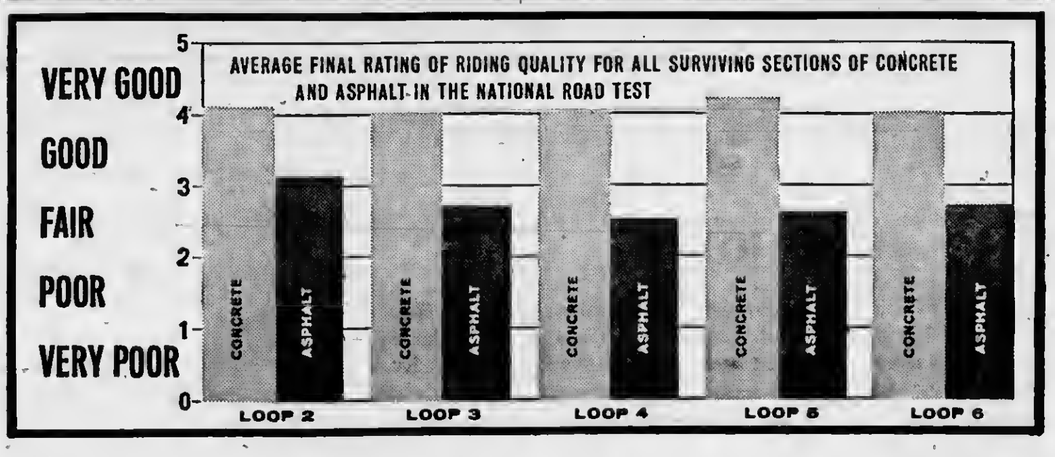
Concrete gives taxpayers riding quality that lasts... the National Road Test confirms it



Out of the recent 27-million dollar National Road Test comes significant new information on the performance of concrete and asphalt pavements.

Sponsored by the American Association of State Highway Officials, this road test was the most scientific ever conducted. Side by side on 5 loops near Ottawa, Illinois, concrete and asphalt test sections carried the same truck traffic for two years. Each loop carried light, medium or heavy vehicles.

To determine how well test pavements kept their riding quality, a special rating system called the serviceability index was used. Pavement surfaces were rated on a scale from "0" (very poor) to "5" (very good).

After two years of traffic and the impact of more than 1,100,000 loads, the surviving concrete still averaged "very good," while most of the surviving asphalt averaged "fair."

Here is further evidence that concrete performs better and gives taxpayers long-range riding comfort for streets, roads and Interstate highways.

Community Concert Ass'n Launches Annual Campaign

The Northern Michigan Community Concert Association will launch its sixteenth annual campsign at a workers' kick-off dinner at the Perry Davis Hotel in Petoskey according to campalgn chairman, Mrs. Allan McCune.

The campalgn will continue through one week with past and present members being asked to renew their membership and with new residents of the 20-community area which comprises the association being invited to join the association.

The Artists's Selection Committee has made an exciting announcement regarding the coming concert season.

Rise Stevens, famous Metropolitan Opera Star, has been booked to make an appearance at the Petoskey high school additorium where all concerts are held. Miss Stevens' name is one of tha most distinguished in tha world of art today, representing a hauntingly beautiful voice, rare artistry, exceptional personality, glamour and warm sincerity.

The second choice announced by the committee is the booking of the Lucerne Festival Strings which will make its second American tour during the forthcoming concert season. Known as one of Europe's most distinguished string groups, it was organized in 1955 by the eminent violinist, Wolfgang Schneiderhan and is composed of 13 of Europe's finest string players, each a virtuoso artist.

Mrs. Robert Tollas is a member of the nine-member Artists' Selection committee which is headed by Max Smith of Petoskey.

Conducting the membership campaign in the Charlevoix area will be Mrs. C. D. Geiken, Mrs. Charles Bellinger, Mrs Robert Tollas, Mrs. Wayne Woods, Mrs. Alun Bevan and Mr and Mrs. C. A. Odmark.

Season Here for Planting Wheat

Seeding of tha 1963 wheat crop is now in full swing reports Ed Rebman of the Cooperative Extension Service in Charlevoix County.

High quality seed, seed treatment, tested varieties and good rotations with recommended fertilizer rates are "musts" for a good crop. Certified seed is usually the best bet because it carries a guarantee of high varictal purity and other quality characteristics.

All seed wheat needs to be properly treated with an effective fungicide to prevent unnecessary ficld losses due to disease. Rebman cautions farmers to follow all directions of the manufacturer in using a fungicide—especially for the waiting period between the time of treating and planting.

Fertilizer applications should be based on soil tests. A general guide is to use 400 pounds of 6-24-12 or a similar analysis per acre on clay, silt loam and loam soils. About 300 pounds of 5-20-20 per acrc will suffice on a sandy loam or loamy sand soll.

Crop rotations can play an important part in the production of top-quality hikh ylelding wheat. A good rotation can aid in control of fungue diseases such as "take-all", foot or culm rot (strawbreaker) and scab. These diseases affect both the quantity and quanity of wheat.

Charlevoix High School Homecoming Set for Oct. 4-5

Plans for the annual Charlevoix high school homecoming scheduled for Oct. 4 and 5 have been announced by Joan Riley, president of the Pep Club which sponsors the event.

A homecoming queen will be named from among candidates from the Senior class to rule over the festivities, one of the highlights of the football season.

The coronation of the homecoming queen will be held at Kipke field at 7 p.m. Thursday, Oct. 4 following the traditional snake dance and bonfire.

The homecoming parade will be staged at 4 p.m. Friday Oct. 5, preceding the homecoming game between the Charlevoix Rayders and the Gaylord Blue Devils to be played at 8 pm. at Kipke field.

The halftime ceremonies during the game will include a special program by the Charlevoix high school band appearing under the direction of C. A. Odmark, presentation of the winning floats and the 'knighting' of the team captains by the homecoming queen.

The homecoming dance will be held at the Elementary school gymnasium following the game.

All alumni and friends of the school are invited to participate in the homecoming festivities.

Mrs. Romney to Be Guest of Honor At County Dinner

Mrs. George Romney, wife of the Republican candidate for governor of Michigan, will be the guest of honor Friday evening, Oct. 5, at a county-wide dinner to be held at the Dilworth hotel, Boyne City, Arthur Spletz, chairman of the county Republican committee has announced. The 6:30 p.m. dinner will be followed by an open meeting at the Boyne City gymnasium.

On the same date the gubernatorial candidate, Mr. Romney, is scheduled to address a convention of the West Michigan Resort and Tourists association at Boyne Mountain. Mr. Romney has been invited to attend the open meeting at Boyne City. This appearance has not been included on Mr. Romney's advance speaking schedule and as yet the county committee has not received official confirmation of the invitation.

Mrs. Romney has been receiving hearty welcomes at her appearances throughout Michigan and advance reservations for the dinner indicates Charlevoix county will extend its full hospitality.

City Approves Sanitary Land Fill, Re-zoning

The re-zoning of property located at the corner of Hurlbut ave. and State st. from Residential II to Commerical I was approved by the city council at its regular meeting Monday night.

The Charlevoix County Road Commission which owns the property requested the re-zoning in order to sell the parcel of land.

The council also adopted a resolution to enter into a contract for one year with William Marme who would take care of the refuse and garbage dumping needs of the city at a rate of $2,500 annually. This would permit the city to dispose of this type of garbage and refuse at a sonitary land fill located on the Marme property in Mation township. The present city dump will be closed effective Nov. 1.

Bills totaling $25,530.74 were approved and ordered paid. This includes $4,158 to Cities Service for diesel fuel oil; $8,576.28 to Yockey Construction Co. for triple seal of city streets. ($3,677.33 of this total is the city's share with the remainder being paid by the property owners along the streets); $6,332.85, payroll.

Charlevoix JV's Roll 33 to 0 Lead Over Mancelona

Charlevoix's Reserves rolled to a 33 to 0 lead over the visiting Mancelona J-V squad Tuesday night before the latter scored in the final minute of the game to prevent a shut-out.

Quarterback Ken Parrish scored from 15 yards out and then repeated the performance for a 7 to 0 lead early in the game. Later in the period, Jim Uhrick went in from the five and then ran the conversion over for a 14 to 0 first quarter advantage.

A 20 yard pass play from Parrish to Jim Uhrick for 20 yards and another from Parrish to Jack Uhrick for 45 yards with Terry Stewart scoring one conversion point put the game on ice for the local lads.

In the final period, Ray Wood scored on a 30 yard reverse to end the Rayder scoring attack.

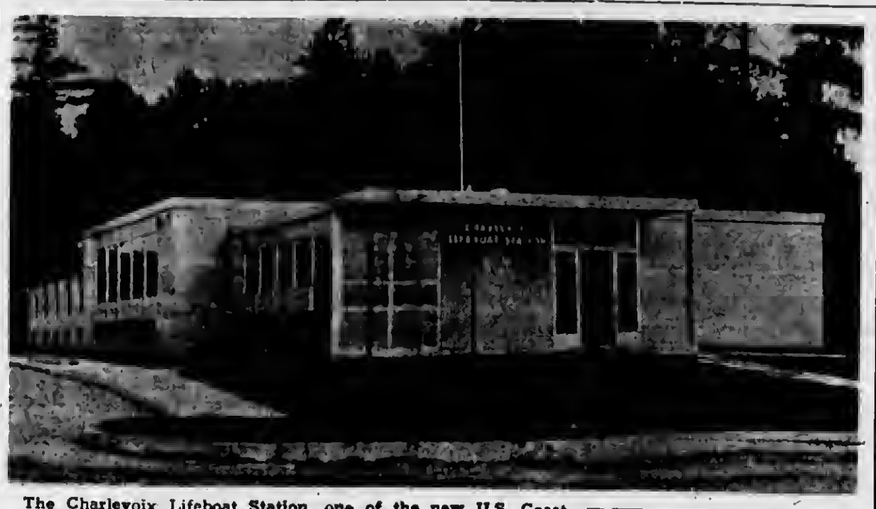
As time ran out, Jack Walsh scored from the 20 and Dale Alden converted to give the visitors 7 points.

Charlevoix will play at Boyne City next Tuesday.

Rebels Quartet to Present Program Of Sacred Music

The Rebels quartet of Tampa, Fla., nationally known singers of sacred music, will return to Charlevoix next Wednesday evening for their second engagement here this year. The program will be presented at the new high school gymnasium under the aponsorship of the Couple'a club of the Community Reformed church at 8 p.m.

In their first appearance here last spring, the Rebels attracted a capacity crowd and won whole hearted approval with their inspiring interpretaions of sacred music and Negro spirituals.



The Charlevoix Lifeboat Station, one of the new U.S. Coast Guard Facilities to be dedicated at a special ceremony at 2 p.m. Saturday.
The station is located south of Chicago ave. on the north bank of the channel between Round Lake and Lake Charlevoix.

Rear Admiral Willard J. Smith Named Supt. of U.S.C.G. Academy

The appointment of Rear Adm. Willard J. Smith as superintendent of the U.S. Coast Guard Academy at New London, Conn., has been announced by Adm. Edwin J. Roland, Commandant of the U.S. Coast Guard with headquartera in Washington, D. C.

Adm. Smith ,son of the late Captain and Mrs Smith, was Chief of Operations for the 13th Coast Guard District for two years before being named to his present post.

A native of Sutton's Bay, Adm. Smith received his early education at the Charlevoix high school and attended the University of Michigan for two years before entering the Coast Guard Academy in 1930. He was graduated in 1933.

After early duty aboard a cutter and as an aide to the Coast Guard's Commandant, he won his wings at Pensacola, Fla., in 1940.

His first aviation assignment was in connection with the construction and commissioning of the Coast Guard Air Station in San Franciso where he remained until 1944. His next assignment took him to Washington as aide to the Commandant.

In 1946 he returned to his native Michigan to command the Air Station at Traverse City. Then followed another tour of duty in Washington and a course of insrtuction at the Armed Forces Staff College at Norfolk.

In April 1951, he was named commanding officer of the Coast Guard Depot at Guam with collateral duty as Commander, Western Pacific Section. In 1952, he returned to Michigan, this time to take command of the heavy-duty icebreaker, Mackinaw, a cutter specially built for icebreaking on the Great Lakes, based at Cheboygan.

Then followed a three year tour of duty at Coast Guard headquarters as Chief, Administrative Management Division. He was Commandant of Cadets at the Academy prior to his recent assignment in Seattle.

He is married to the former Harriet A. Lary of Los Angeles. They have a daughter, Lary, and a son, Jeffrey.

Ormiston Neff Antrim County Pioneer Dies

Ormiston Neff, 79, pioneer resident of Antrim county, died Friday at Meadow Brook Hospital at Bellaire.

Funeral services were held Sunday at the Winchester Funeral Home here with the Rev. George Majors officiating. Burial was in Brookside cemetery.

Born in Canada Oct. 19, 1882, Mr. Neff came to Antrim county as a child and always resided there. He was employed as a farm hand in the Ellsworth area and for the past 22 years was employed at Meadow Brook Hospital where he was a patient for some time. He never married.

He is aurvived by several nieces and nephews including Gordon and Robert Neff, both of Charlevoix.

BULLTEIN

Mrs. George (Mae) Jardine, 86, lifelong resident of Charlevoix county, died Wednesday at the Grandvue Medical Facility near East Jordan where she had been a patient since August 1961.

The body is at the Winchester Funeral Home awaiting arrangements.

To Conclude NMCCA Membership Drive This Weekend

The Northern Michigan Community Concert Association membership drive is expected to reach its peak during the next two days, according to C. A. Odmark, vice president of the association.

Workers have been busy this week contacting former members and introducing the program to prospective new members.

Memberships entitle members to four concerts during the concert season scheduled to begin Nov. 6 with the appearance of the popular Metrolpolitan star and radio, concert and television artist, Risa Stevens. Admission to single concerts are not available.

The second concert that has been scheduled is the European string ensemble, the Lucerne Festival String, which has played to sold-out audiences throughout the country. This group will appear Wednesday Mar. 6, at the Petoskey high school auditorium where all concerts are presented.

The two remaining concerts in the series will be selected at the close of the membership campaign Saturday by the Artists Selection committee of which Mrs. Robert Tollas is a member.

It should be stressed that the campaign is this week only and that when the capacity of the Petoskey auditorium has been sold out the campaign will end at once.

Workers in Charlevoix are Mr. and Mrs. Odmark, Mrs. Tollas, Mrs. Alun Bevan, Mrs. Wayne Woods, Mrs Charles Bellinger and Mrs. C. D. Geiken.

They were among the workers and officials of the association who attended the annual kick-off dinner at the Perry-Davis Hotel in Petoskey Monday evening

Mr. Odmark served at toastmaster and introduced Mrs. Allen McCune, executive secretary and Mrs. Tiny Stacy, field representative of the Columbia Artists Management, directors of the association.

Mrs. Daniel Martin, Mother of Mrs. Wood Dies in Petoskey

Mrs. Daniel R. Martin, 96, mother of Mrs. Alexander Wood, died Monday at Pope's Convalescent Home in Petoskey where she had been a patient for three weeks.

Rites will be held Thursday at St. Joseph's Episcopal church in Joseph's Episcopal church in Chicago with burial in Mount Hope cemetery. The body was taken to the Fred D. Doty & Son Funeral Home in Chicago.

Mrs. Martin has been a resident of this community for the past year, having come with her son-in-law and daughter, Rev. and Mrs. Wood, from Yankton, N.D. Rev. Wood is vicar of Christ Episcopal church here.

Besides her daughter, she is survived by three grandchildren.

Community Chest Fund Lagging Anticipated Goal

Time is running out!

That is, if Charlevoix is to successfully complete its first three-week campaign in the history of the Charlevoix Community Chest.

At Tuesday's report luncheon, it was revealed that only 59.2 per cent of the goal of $11,278.00 had been collected and that only one of the six divisions had gone over the division goal set for the campaign.

This was the Industrial Division, headed by Byron Wright, which hit 113 per cent of goal.

All others are lagging far behind anticipated goals. The Special Gifts Division, with Robert Bridge and A. L. Livingaton as co-chairman, has reached only the 70 per cent mark despite the fact that this campaign was started earlier than the others. This division includes contributions from summer residents.

Other divisions, their chairmen and percentage of goal follow: Retail business, Don Anders and William Carey, 47 per cent of the goal set for the division; Professional, Max Novak, 43 per cent; Residential, Mrs. Robert Foss, 13.9 per cent and townships, Fran Martin, 87.1 per cent.

In reporting on the results of the drive to date, Dr. Robert G. Martin, campaign chairman, said that none of the above divisions are complete. He went on to say that all chairmen reported their workers appear to be doing an excellent job of covering the areas assigned to them. However, if their calls are not completed and reports turned in to Division Chairmen by Saturday, Sept. 29, it will not be possible to make the goal by the deadline, Oct. 1.

"If you intend to contribute to the current Community Chest fund drive but have not yet done so, or, if for any reason, you have not yet been called on, you may take or mail your contribution to either bank to the Charlevoix Abstract & Engineering Co. on Bridge at., or to Community Chest secretary, Mrs. C. A. Duerr at 209 Dixon ave. "Dr. Martin advised.

He concluded by saying that the 48 local, state and national agencies in our Chest need your help if they are to continue their services to the people of this community. Won't you give ... give as generously as you can and give now"

Ceremony to Mark Dedication of New Coast Guard Facility

The dedication of the new U.S. Coast Guard faeilities here, a Lifeboat Station and steel and concrete dock for use as a mooring for the CG Cutter Sundew, will be held at the site of the new faeilities at 2 p.m. Saturday, Albert G. Bates, ChBosn W-4, Commanding Offieer of CG Group Charlevoix, has announced.

The dedication, to which the public is invited, will be followed by a tour of the new Lifeboat Station and the Cutter Sundew.

Capt. Carl H. Stober, Commander of the Coast Guard Group and Captain of the Port at Chicago, will deliver the dedication address.

Others appearing on the program will be Edward P. Hansen, Mayor pro tem, representing the city in the absence of Mayor E. D. Hawley, William Carey, president of the Charlevoix Chamber of Commerce, Leo R. Norton BMC, Officer in Charge of the Charlevoix Lifeboat Station, and Lt. Cmdr. Francis J. Mann, Commanding Officer of the Cutter Sundew. Mr Bates will serve as master of ceremonies.

The Rev. George L. Majors will give the invocation and the Rev. E. Francis Denay the benediction. Special music for the program will be played by the 92 piece Charlevoix high school band directed by C. A. Odmark.

A tour of the cutter Sundew and the new Lifeboat Station will follow the dedication ceremony.

In behalf of the U.S. Coast Guard, Mr. Bates has extended an invitation to all area residents and visitors to the community, especially former Coastguardsmen and the families of present Coastguardsmen.

The construction of the new Lifeboat Station and bulkhead is part of a $300,000 project scheduled for completion in the near future. The remodeling of the present mooring station a part of the project, will be undertaken when the present Group Charlevoix headquarters are moved to their nef offices in the Lifeboat Station.

The new Lifeboat Station contains offices for both the Lifeboat Station and Group Charlevoix as well as complete living quarters for a crew of 24 men assigned to the Lifeboat Station.

Of concrete and steel construction, it contains a combination day room and dining hall, complete modern kitchen and related dry, cold and freezer storage rooms plus sleeping quarters for the officers and crew with other necessary facilities.

Instead of the conventional gray and white, colors have been used to advantage in all the rooms and furnishings. The dining room is furnished with attractive metal furniture with tables for four. The day room separated from the dining hall by a folding door, has equally attractive and comfortable furnishings. The drapes will be in a neutral shade in all rooms in the building.

The new Lifeboat Station will replace the present one on Palmer st. which was commissioned as a station of the U.S. Lifesaving Service in 1900. In its early years it was manned by seven surfmen from the first part of April until the end of November each year.

Koenig Construction Co. of Traverse City was the general contractor for the Lifeboat Station which was built at a cost of $135,428.31. This does not include the furnishings, electronic and other special equipment. The bulkhead or dock for the Cutter Sundew and berthing attached to the Lifeboat Station were built at a cost of $96,731.07 by the Northern Marine Construction Co. of Cheboygan.

Drug Stores Set Sunday Schedules

Beginning Sunday, September 30, Central Drug Store and Schroeder Drug Store will remain open on alternate Sundays from 10 a.m. to 1 p.m. and from 6 to 8 in the evenings.

For prescription refills, customers may call their pharmacist at the telephone numbers appearing in the advertisement on page five of the Charlevoix Courier.

Schedule Panel Discussion for First PTA Meet

A panel discussion on the problems of safety, alcoholism and narcotics in northern Michigan will be a feature of the first P.T.A. meeting of the school year to be held at the Charlevoix Elementary School Cafeteria at 8 p.m. Wednesday Oct. 10.

The meeting has been postponed from Oct. 3 because of the annual Teachers Institute.

Appearing on the panel will be Sheriff Glenn E. Rose, Probate Judge John Makel, Harvey C. Varnum, Charlevoix county prosecutor and Sgt. Glenn DaFoe of the Petoskey State Police Post.

Mrs. Robert O. Pearl has been named president of the P.T.A. for the 1962-63 school year, to fill the vacancy resulting from the resignation of Mrs Clayton A. Smith who has accepted a teaching position in the school.

The annual membership drive will be held Oct. 8, 9 and 10.

Sick American Tells Why

The following letter was written by a San Francisco resident to the Copley newspapers and published in a column by Lawrence A. Collins in the Independent-Press-Telegram, Long Beach, Calif. We doubt if many persons in our community could be classified as "Sick Americans" as described by the writer, but it might be enlightening to realize there are people in America who are "Sick Americans" and need your moral support to stand up and be counted as opponents of the present trend toward socialistic government which eventually will mean communism. We don't believe our American heritage has been outdated by ancient political schemes under a new dress.

The following letter was sent by a resident of San Francisco to Paul A. Terry, director of education of the Copley newspapers:

"I am one of the Americans who heard Mr. Krushchev tell our Nation that my great-grandchildren will grow up in a Communist world.

"For some time now this has bothered me.

"I am not a brave man—not even a big one.

"I suppose I would have to admit that I am, among my own neighbors and in my own culture, the typical, average, well-educated, genteel suburbanite to whom family, the mortgage, and security have been the all-important items.

"I am now 50, and soon my wife and I will see the first of our three children married.

"I paint my own house, repair my own car, grub my own devil grass, and nurse a modest savings account at the Bank of America. I am a law-abiding man on the quite side, and dissension makes me terribly nervous. Frankly, I am the kind who simply doesn't have it in him to fight anyone ever.

"My wife had me cleaning out an old trunk in the storage room the other day, and I ran across the huge old family Bible that I hadn't thought about for years. My great-grandmother had kept a journal of the trip across the Great Plains with a wagon and oxen when she and great-grandpa were youngsters coming out to settle in California in the great migration. Great-grandma wrote about it as the wild, new land rich and abundant in mythical proportions.

"On the trail she wrote of sickness and hunger, and heat and cold, and dust and thirst, and the deaths and births like beads strung together on a thread of hope of freedom and a land of plenty for their children yet unborn.

"And when she viewed the new land she wrote in simple word pictures of the cities and farms and schools, and happiness that would someday bloom in the greatness of the vast new land. She wrote of her tomorrow and my today.

"The ink was badly faded, but the message was clear.

"As I read, I began to think about America and being an American and what it all stands for; and I thought about our enemies and what they intend to do to America, to those rich lands and farms, to the cities and the people, to its freedom and its hope.

"And, suddenly, I realized that I am a sick American. I mean really sick.

"I am sick of panaceas and of backing up.

"I am sick of reactions where there should be initiative.

"I am sick of bureaucrats who tell me that my enemy is not really my enemy, and that I should live together with murderers and tyrants.

"I an sick of government that hasn't the guts to clean traitors out of its own offices.

"And I'm sick of being a nice, patient guy about it. I am sick of placidly accepting excuses instead of suecesses; of being a silent gentleman for fear of controversy.

"I am sick of my country being ridiculed all over the world.

"I am sick of pink-livered politicians who place personal career above the fate of the flag.

"I am sick of 40 years of relentless, creeping, cancerous, communistic godlessness that never once has wavered from its avowed purposes of conquering that flag and seeing it trampled in the mud under Russian boots.

"I am sick of my genteel desire to stand pat and pray while the enemy advances.

"I am sick of educators who teach tolerance of subversion and of clergymen who would have me quail at the specter of battle and turn my cheek in fear of what our enemies might do.

"In all honesty, the things of which I am most sick is the man who let these things come to me: myself.

"And by the living God who made me, sir, I am a sick American who intends to get well."

Are Consumers Idiots?

Government regulation of business and other groups can be beneficial and wise. It also can be destructive and malicious. And, on occasion, it can be plain foolish.

Take, for instance, a matter that recently came into the Oregon courts.

It has to do with the size of the pans bread is baked in by the commercial bakeries to produce a loaf of a certain size. Some of the bread has come from traditional one-pound pans. But numbers of consumers like a lighter and airier bread. So some one-pound loaves have been baked in one-and-a-half pound pans to meet this demand.

These larger loaves have been properly labeled as weighing only a pound. But legal action has been brought to stop this practice, under an Oregon regulation adopted some years ago and, apparently, widely disregarded. The argument is that the power of the state must be brought into play to protect the stupid consumer against the machinations of retailers.

Currently proposed federal laws would lead to comparable situations on a 50-state scale. These proposals—which must be based on the supposition that most consumers are idiots, and that most manufacturers and retailers are crooks—Would give a federal body sweeping regulatory powers over just about everything we consumers buy.

There is no question here of honest and accurate labeling, whether it has to do with weights, the ingredients used, or anything else. Such protections have long been in effect, and properly so. The long-term question is whether a far-off power hungry bureaucracy is ultimately to tell us what can and cannot be made, what can and cannot be sold and in what form, and what we can or cannot buy.

On behalf of the City Recreation Department, I wish to express our appreciation for the outstanding coverage the Courier gave to our program this past summer.

Much of the success that the newly expanded program enjoyed was due to the fine coverage you gave to all our various activities.

The success or failure of such a public program is determined by participation and an informed public. Your cooperation, articles, and pictures enabled our job to be a much easier one.

Looking forward to working with all of you again in 63.

SUNDEW REPORT

Tbe CGC Sundew has been busy making another of its regular tours of aii Aids to Navigation within its area of responsibility during the past three weeks.

The schedule operations were not quite completed when we were ordered to assist a Coast Guard 40 ft. utility boat which had been intenttonally beached during a gale while on an assistance cali.

After three tons of engines had been removed from the forty-footer, one of the Sundew's small boats, with the aid of a bulldozer operating from the beach, slid the lightened hull into the water. It was then towed to the ship and hoisted aboard, secured on the buoy deck and returned to Charlevoix for repairs.

The following Sunday, Sept. 16, was a day of rest for Monday and Tuesday the ship was to be inspected from stem to stern, administrativeiy, operationally and materially, by a group of officers who inspect every Coast Guard unit in tbe Northern United States once yeariy. The inspection team inspected ali accessible parts of the ship, put the ship's company through simulated emergency procedures and reviewed all our administrative practices to insure compliance with current directives. In this manner, the Coast Guard insures that its units are always ready to carry out their assigned missions and that they are in readiness to cope witb any possible emergency.

Tuesday afternoon the inspectors departed and so did the Sundew for we had yet to finish the Aid to Navigation work that had been interrupted. We steamed into northern Lake Huron where we delivered fuei to lighthouses, tested lighthose booms for load capabilities, checked floating aids for position and inspected every assigned lighted aid to insure that it was functioning properly and would continue to do so until decommissioned at the navigation season's end.

Sundew Scuttlebutt:

The crew lost a shipmate last Friday when Tom Mosing, Seaman Apprentice, stepped ashore for the last time to become a civilian ..... Jerrold Berrens, Seaman, was transferred to Group Ludington, Michigan, on the 16th. Upon arrival there, he will be assigned to one of the units within that group. Jerry was aboard the Sundew for five months ..... Bili Breitsprecher, Seaman, Coast Guard Reserve, reported aboard on Thursday for 45 days of active duty for training. He hails from East Gary, Ind.

Shell engineer uses stethoscope to help detect noise the ear alone can't hear. Super Shell fights three different engine noises to give you top performance.

How 3 of Super Shell's 9 ingredients fight engine noise—including one hard-to-hear form of knock that could lead to real damage

SHELL scientists will tell you that any good gasoline should reduce engine noise. That's why they include no less than *three* noise-fighters in Super Shell's 9-ingredient blend. Here's how they work to help give you a soft-spoken engine—and top *performance.*

How Super Shell fights high-speed knock

High-speed knock makes a sharp, high-pitched noise—like metal tapping against metal. Because it's most likely to occur in hot engines at turnpike speeds, high-speed knock is often difficult to hear.

But even though you may not hear it, high-speed knock can pound away at pistons—even lead to costly damage.

Fortunately, high-speed knock isn't too common. But Shell scientists have known about it for a long time. Ever since they pioneered the development of a substance called Alkylate to help control high-speed knock in aircraft engines. Today, Alkylate is an ingredient in Super Shell gasoline.

How Super Shell fights wild ping

Wild ping doesn't last long. It sounds like the erratic beat of a nervous drummer. *This clatter is actually a series of premature explosions. They're caused by glowing deposits that ignite the fuel too soon.*

Super Shell's famous TCP* additive tackles this problem. It acts to "fireproof" deposits that might glow. Result: chance of wild ping is greatly reduced.

How Super Shell fights ordinary knock

Most people have heard ordinary knock. It may sound to you like marbles dropping into an empty oil drum.

Super Shell's anti-knock mix is so powerful that a teaspoon per gallon is enough to raise anti-knock rating a full five points.

This anti-knock mix helps regulate the combustion of Super Shell. Thus, each piston gets a firm, even push. Not a sharp, jarring jolt.

Now, read how the other six ingredients in Super Shell's 9-ingredient blend help you get *top performance.*

How Super Shell's other ingredients help you get top performance

Cat-cracked gasoline helps your engine deliver smooth, even power.

Gum preventive helps keep carburetors clean inside.

Platformate is for extra mileage.

Butane is for quick starts.

Pentane mix is for fast warm-ups.

Anti-icer (added in cold weather) helps check carburetor icing.

Try a tankful of Super Shell today. Then, you'll know what *top performance* really is.

*Trademark for Shell's unique gasoline additive. Gasoline containing TCP is covered by U.S. Patent 2889212.

Personal Shower Honors Bride To Be

Mrs Robert Withers, Mrs. Orva Richardson and Mrs. Don Shook of Petoskey entertained with a personal shower at the former's home recently honoring Dolly Claus of Petoskey and Traverse City whose marriage to Donald Osborne of Petoskey will be an event of Oct. 6 at Traverse City.

Twenty guests gathered for a social hour with prizes going to Blanche Maki, Mrs. George Kelso and Madelyn Dickerson, all of Petoskey.

Refreshments were served after the bride-elect had opened her many lovely gifts.

Two Men Called For Induction

Two Charlevoix county men have been called for induction into the armed services to fill the October draft call, according to Mrs Mary Bourgoin, clerk of the local draft board.

They are Andrew D. Sutton and Joseph B. Beaudoin, both of Charlevoix and both volunteers. They will leave Oct. 10.

No one was called for preinduction physical examinations next month.

The county's draft call for November has been set at two men. The names of these to be called will be announced following a meeting of the draft board next month.

Former Resident Awarded Degree

Richard L. Boss was awarded a Bachelor of Science degree in Engineering at the close of the summer session at the University of Michigan. He was among the 411 students who received their degrees at that time.

He is a graduate of the East Jordan high school and the son of Mr. and Mrs. John M. Boss, former residents now living in Ann Arbor.

Mrs. Paul Foster Feted at Shower

Mrs. Paul Foster was honored recently at a cradle shower given by Mrs. Clayton Smith and Mrs. Carlton Smith at the latter's home.

A bassinet arrangement of pink and blue flowers and a bootie cake made by Shirley Stoel, sister of the honoree, decorated the refreshment table.

A social hour, games and refreshments were enjoyed by the 27 guests who were present.

Mrs. Foster waa presented with many lovely gifts.

Lions Club Views Colored Slides

Forest L. Fowler, former local resident who has retired to his home here after living in Grand Rapids for many years, took the members of the Lions club on a tour around Lake Superior during their regular luncheon meeting at the Weathervane Inn Monday.

Mr. Fowler showed colored slides to illustrate the scenic drive built through virgin country along the north shore of the largest of the Great Lakes and told of it during an interesting commentary.

Robert G. Lieberman presided at the business session at which plans to complete the painting of the Retarded Children's Center were discussed. The work will be done by volunteers on Wednesday and Saturday.

Dr. Robert Tollas was program chairman.

Set Booster Night At Barnard Grange

The Barnard Grange has set their Booster night for Sept. 28 at 8:30 p.m. This is a special meeting for all visitors and friends of the Grange.

All members are urged to attend. A special program is being planned followed by pot luck lunch.

Charlevoix Band To Begin Winter Rehearsals Mon.

The Charlevoix City Band will resume its winter rehearsal schedule Monday at the high school band room, according to an announcement by the executive committee of the group.

The rehearsal, the first since the conclusion of the band's summer concert season, has been scheduled for 7:30 p.m.

On Monday, the adult nucleus of the band met and formulated plans for the coming year including financial and related problems.

Rehearsals will be held weekly. Membership in the band is open to any interested adult in the community. After it has been determined what instrumentation is lacking, advance high school musicians will be invited to join the group in preparation for next summer's weekly concerts in the park and other appearances.

The best in band literature is examined by the band during the winter rehearsals. It is hoped that a concert or two will be presented during the so-called 'off-season' by the band.

One of the few community bands still in existence, the group is sponsored by the City of Charlevoix which supplies operating funds and by the local school system which provides the rehearsal facilities as an enrichment program for the high school musicians particpatng.

Ironton Couple Observes Fiftieth Anniversary

Ironton—Mr. and Mrs. Emil Lyngklip, former local residents who have returned here from Chicago to make their home, celebrated their golden wedding anniversary Wednesday.

A dinner party with friends in Traverse City marked the occasion.

The couple received many remembrances including cards and gifts.

Mr. and Mrs. Lyngklip were married in Grand Rapids Sept. 19, 1912, and made their home there for eight years before going to Chicago to live. Mr. Lyngklip was employed at the U.S. Cold Storage Corp in Chicago from 1920 until July, 1956 when he retired after 36 years with the same company, the largest cold storage firm in the country. At that time they returned to northern Michigan where they have spent about five months at their home on northern M-66. They spend the remainder of the year at their winter home 710 Roanoke, Dunedin, Fla..

Mr. Lyngklip is a member of the Masonic lodge.

Born at Ironton June 16, 1891, Mr. Lyngklip left here in 1911 to live in Grand Rapids. Mrs. Lyngklip, the former Lillian Bassett, was born at Northport July 3, 1891, and came here with her family at the age of seven years.

The couple has two sons, Robert of Chicago and Bruce of Chatfield, Minn. They also have two grandchildren and two great-grandchildren.

"People keep telling us that far more students will be trying to go to college than there will be places for them. Therefore the federal government must step in with financial help for the construction of facilities among other things. What was quite interesting to us was the fact that recent estimates by college authorities indicate 25,000 to 50,000 more places exist in colleges than are being filled. Thus it is interesting, if not a little distasteful, to hear all this bellering on the part of those who would seek to panic us into further extension of the already long arm of government aid."—ROSHOLT, S.D., REVIEW.

We don't quarrel with the basic idea of foreign aid—help for other freedom—seeking nations to enable them to grow stronger and more easily resist communism. But, when the United States goes deeper into debt to help build up a treasury surplus in other nations, something is wrong. This aspect of foreign aid deserves a great deal more investigation.—Charleston, Tenn., The Record.

"Our industrial plants may flourish, our universities may thrive, our commerce may crowd the markets of the globe; but all this will be sterile and finally lost unless love of country transforms material success into spiritual greatness."—Dwight D. Eisenhower

The Post Office department is operating at a deficit of $850 million a year. There are probably two major reasons for this . . . The first reason is that the Post Office Department is charged with a high proportion of costs that should be charged to other departments of government or which should be charged to public service . . . The other reason is that the post Office has failed to adopt the newer and more efficient methods and practices that private businesses have been forced to adopt—or face failure.—Port Huron, Michigan., Times Herald.

Ford Presents New Models for 1963

Three of the new Ford models are scheduled to be presented today (Thursday) by Erber Auto Co., Charlevoix dealer. Included will be the Ford Fairlane, the Galaxie and the Falcon.

A new addition to the Falcon line for '63, pictured at top, is the four-door Future sedan which sports a deluxe interior and exterior. The new roof and all-around styling refinements, give the Ford compact a lower, speedier look.

Pictured second from the top is the 1963 Fairlane. This series has been expanded to a complete line of hardtops, station wagons and sporty sedans. The line is said to incorporate many new engineering features, highlighted by elimination of the 1,000 mile inspection. Service-saving items are the 6,000 mile oil change and minor lube intervals, 36,000 major chassis lubrication and long-life self-adjusting breaks.

The Ford Galaxie for '63 (bottom picture) features complete re-styling, a new 260-cubic inch Challenger V-8 engine, 36,000 mile major lubrication intervals and "cushion-link" suspension. The four-door hardtop pictured is one of the 15 models in the '63 line. The line includes the Country Squire station wagon, a nine passenger car with all three seats facing forward.

Murdick's to Open At Winter Location

Murdick's Fudge Kitchen and Caramel Corn Stand will open Saturday in a temporary winter location in the former Krahnke building, corner of Bridge and Antrim sts., according to Jerold Murdick, proprietor.

For the present the popular candy story will be open only during the weekend afternoons and evenings. The decision to operate part-time in temporary quarters was brought about by the many requests from cusm the many requests from customers who send gift packages of candy to friends prior to the holiday season, Mr. Murdick said. The permanent store located at 221 Bridge st., will be open ated during the summer season as in the past.

Democrats to Fete Neil Steabler at Luncheon Meet

Neil Steabler, Democratic candidate for Congressman at large, will be honored guest at a luncheon to be held at the Holiday Terrace Hotel at 1 p.m. Thursday, Oct.4, George A. LaBlance, Charlevoix county Democratic committee chairman, has announced.

Mr. Staebler will visit Charlevoix county and attend the luncheon while on a tour through the state.

Democrats and others in the county are invited to take advantage of this opportunity to meet Mr. Staebler, former chairman of the State Central Committee.

Going Fishing

By Raymond E. Manchesler
Scenic Mutual Insurance

There is no limit to the future when a man is going fishing. He has the world by the coat-tails and he knows it. Capital and labor squabbles, politics, love and war are to him words and phrases of an unknown language. He is free and happy. His steps are quick and his energy beyond measure. If never again, he is now master of the situation, a slave to no man, a friend to all.

There must be something to this thing that jerks men out of bed at four in the morning, takes them into icy water up to their waists, gives them strength to walk endless miles, and inclination to row a boat over acres of water. It is a force to be reckoned with.

Fishing! Is it the mere possession of fish? Hardly, when tons of fish can be bought by telephone. No, it is something more, It is the adventure of the outdoor life. It is the playing of a game in which neither side has an advantage. It is the getting of a first-hand acquaintance with nature. It is the getting away from the crudeness of civilization.

Fishing is the most democratic of occupations. The rich man and the beggar are equal before the law of luck. An outfit made by the most skilled of mechanics is no more effective than a thread with a worm. Nature knows no lordship. Caste depends not upon birth or wealth, but rather upon a knowledge of things simple. The rag-tag boy with a homemade pole can get the maximum of enjoyment from an afternoon at the lake or river as easily as any man on Wall Street. Both know it, so democracy is inevitable. That is why all men enjoy it. There is a chance for a getting together without humiliation. The horny-fisted guide says to the millionaire, "Give me a match, pardner," and the millionaire is glad to be recognized. Fishing is an equalizer of men. It taketh away pride and makes us all just plain folks.

No. 12 of a series of selections from modern Americana.

Name Thomas Bleha Liason Officer

C. Thomas Bleha who is with the State Department in Washington, D.C., has been named to serve as a liason officer between the State Department and the Senate Foreign Relations Committee.

The appointment followed a request by Senator Fullbright, chairman of the Foreign Relations committee, for closer cooperation between his committee and the State Department.

The son of Mr. and Mrs. Charles Bleha, he will complete two years with the Department in December.

Grassroot Opinions . . .

An advertisement . . . sounds a local alarm about the latest leftist attack on capitalism in this country. The plan, now before the US Senate after passing the House to use the withholding principle to collect taxes on interest and dividends paid by banks is another step in a calculated campaign . . . Children, widows and the elderly retired with savings are all capitalists and all will be forced to recover the taxes deducted in advance, since the vast majority of these groups either pay no taxes or a rate under the 20 per cent to be deducted . . . . It seems a shame that with so many truly staggering problems needing attention our government must bring forth laws that penalize the thrifty, the widowed and the old.—SOUTHOLD, N. Y., TRA-

Representative Van Zandt of Pennsylvania asks a ban on St. Lawrence Seaway promotion using tax dollars or toll revenues. In his view, if the Seaway is benefitting Great Lakes port cities, "it is clearly detrimental to ports such as New York, Philadelphia, Hampton Roads, New Orleans and Galveston, as well as to the railroads with which the Seaway is in competition."

If President Kennedy's entire legislative program—including aid to education, medical care for the aged, public welfare and the rest—were approved in toto by Congress, what would the cost be? U.S. News & World Report has totaled up the tab and finds that increases would come to $2,538,000,000 in the fiscal year ending June 30, 1963 and $9,076,000,000 for the fiscal year ending in 1965.

Oil companies generally are intensifying their efforts to stimulate demand for petroleum products, and especially gasoline. It is reported that the use of one additional tankful of gasoline by each automobile owner during the year would more than wipe out the excessive gasoline inventories overhanging the market.

The American Medical Association points out that the main causes of blindness in the United States are glaucoma, cataracts and accidents. Most of the accidents could be prevented by the exercise of simple precautions on the part of children and their parents. Most cases of cataracts can be dealt with by surgery. Glaucoma, if recognized in its early stages, and if adequate and sustained treatment is given, can be checked and stabilized. One reliable estimate says that half the blindness in this country could be prevented or cured.

Pie For Buffet Dessert

Caramel Date Pie is just the finishing touch for your holiday buffet. The crust is party-special, for it's made so easily and perfectly every time with pie crust mix. And the creamy caramel filling is brimful of sweet date bits. You can make and refrigerate the pie hours ahead, all set to serve. The filling—and especially the flaky crust—will positively melt in your mouth!

CARAMEL DATE PIE
Makes one 9-inch pie

Crust:
½ package (1 cup) Flako Pie Crust Mix
2 tablespoons *cold* water

Filling:
¾ cup light brown sugar
¼ teaspoon salt
¼ cup cornstarch
¼ cup milk
1⅓ cups milk, hot
3 egg yolks, slightly beaten
2 tablespoons butter or margarine
1 teaspoon vanilla
1 cup chopped dates
½ cup chopped nutmeats
3 egg whites, stiffly beaten

Heat oven to hot (425°F.). Follow package directions for making a single crust pie (9-inch). Bake in preheated oven (425°F.) about 12 minutes. Cool. Fill with the tasty filling below.

Mix together brown sugar, salt and cornstarch. Moisten with ¼ cup milk; gradually stir into hot milk. (For best results in cooking use a double boiler.) Cook until thick, stirring constantly. Add egg yolks; cook 1 minute longer. Remove from heat; add butter, vanilla, dates and nutmeats. Cool partially, then fold in egg whites. Pour into baked pie crust. Let stand at room temperature until set.

33 varieties offered in

Chevrolet's 1963 Parade of New Cars

The Chevrolet parade of 1963 models includes four lines with a choice of 33 varieties which are being announced today. Heading the list is the new luxurious Impala Sport Coupe (bottom), Chevy II 4-door sedan (left center), Corvair Monza Club Coupe (right center) and the new and startling Corvette Sting Ray Sport Coupe the epitome of advanced styling. Chevrolet's wide choice of passenger cars includes 33 models in addition to six variations with special optional power-train combinations. On display now at the Charlevoix Oil Co., local Chevrolet dealer, are the Impala, the Chevy II and the Corvair. Other models will be in the showroom when available.

AGRICULTURE in ACTION .....
by M. L. Woell

Farm Policy Harvest

Harvest time and the weeks immediately following is the traditional time for farmers to gather in cooperative or farm organization annual meeting. Traditionally too, the Governor kicks off the season by recognizing October as "Cooperative Month"—with Governor Swainson recently carrying out this formality begun some years ago by Governor Williams.

What are some prime policy issues to be decided by farmers who are members of one or more of the approximately 300 Michigan farmer-cooperatives, or of one of the general farm organizations of the state? If recent reports are any indication, farmers list these major concerns.

Farm income, taxes,--government farm policies and programs, labor monopoly, farm marketing power, legislative apportionment, Japanese beetle infestation, animal disease control, and issues tied to roads; schools and health.

Frequently farmers display the same vigor in pursuing their interests in these areas as they do in working together on any other major project of community concern.

A day spent with the farmer-members of the Calhoun county Farm Bureau Resolutions committee is a case in point. The committee of farm men and women made appointments with major agricultural agencies in the county, and then devoted a full day of their time prior to any formal resolutions-writing session. They visited such offices as that of the County Superintendent of Schools, Road Commission, Department of Equalization, and sat in on a meeting of the county Board of Supervisors.

Other farm policy committees could do well to copy the Calhoun program of study and friendly interest. Committee members asked questions of genuine concern. They offered help.

Contrast this with the farmer-protests we sometimes hear about,—the all-too-frequent negative gripe and grumble sessions that accomplish little and do much to darken the image of agriculture.

'63 CHEVROLET IMPALA SPORT SEDAN

Tomorrow-GO JET-SMOOTH CHEVROLET for '63

If it didn't say Chevrolet on the flanks of the superb automobile you see here, you'd have a hard time proving it's a low-priced car. It offers luxurious styling, extremely comfortable, spacious and silent interiors . . . plus a lot of invisible ways to keep it looking and running like new when a lot of others have started to sag and sigh: new flush and dry rocker panels under the doors to guard against rusting . . . self-adjusting brakes . . . Delcotron generator for longer battery life. If you ever wondered why Chevrolet leads its field, a drive in this '63 should answer all your questions.

IT'S EXCITING!

'63 CHEVY II NOVA SPORT COUPE

GO CHEVY II for '63-IT'S EXCITING!

'63 CORVAIR MONZA CONVERTIBLE

GO CORVAIR for '63-IT'S EXCITING!

Hard as it may be to believe, this year's Chevy II is better, better than last year's and better than anything in its class. It combines all the new easy-care features of the big Chevrolet with its own wonderful attributes of parkable size, four- or six-cylinder fuel economy and interiors that'd do justice to cars with twice its price and half its charm.

CHEVROLET

Change it? Calm yourself, nobody's going to mess with a winner like this one! We did add self-adjusting brakes and a more fully aluminized muffler; interiors and outside trim are refined a bit, but the rest is pure Corvair with all the over-the-road goodness that implies. Oh yes, we changed the taillights so all those people you pass will know you're driving a '63.

Charlevoix Rayders Defeat Pellston, 13 to 12

★ ★ ★

Edwards' Conversion Wins Rayder Victory

The Charlevoix Rayders came through with a 13 to 12 victory over the favored Pellston Hornets in a game that opened in a driving rain making ball handling difficult for both teams.

This week the Rayders will travel to Mancelona to take on the Ironmen who racked up a 34 to 0 win over Grayling last week.

In Friday's game, the first period was scoreless but late in the second quarter the Hornets put on a concerted drive that resulted in a touchdown by Quarterback Mike Thompson. Later in the period Charlevoix countered with a pass play to knot the score at halftime.

A conversion by Larry Edwards following a second TD in the third period gave the Rayders the victory margin though Pellston did score as time ran out in the third period.

Pellston kicked off to Charlevoix who picked up two first downs only to have their drive bog down. Pellston took the Rayder punt on the 20 and marched to the 45 yard line where the Rayders took over on downs. Again Charlevoix lost the ball on downs, this time on the Hornets' 33 yard line. Two plays later Charlevoix recovered a Pellston fumble on the 26 yard before the ball handler was caught on the 31 yard line. An attempted pass failed to give the Rayders necessary yardage and the visitors took over on the 26 yard line. After failing to pick up yardage, Pellston punted on the last play of the quarter.

The second period opened with Charlevoix in possession of the ball on the Pellston 34. On fourth down the Hornets took possession on the 36 yard line. On a series of line plays the Hornets picked up three first downs, advancing to the Charlevoix five yard line where Mike Thompson scored on a quarterback sneak. The kick for the extra point was wide and the score stood at 6 to 0 with 3:09 remaining in the half.

Pellston then kicked off to Charlevoix with Al Wojan taking the kick and returning it 35 yards to the Pellston 32. A major penalty on Pellston after Frank Curtis had picked up three yards moved the ball to the 15 yard line where Quarterback John Pearl passed to End Brendan LaBlance to tie the score 6-all at the 1:35 mark. The kick was not good.

The Hornets took the kickoff snd after three tries punted out of danger as the half ended.

Charlevoix received the Hornet kickoff to open the second half and on a series of line plays by Curtis and Dave Smith and a short pass from John Pearl to Bruce Kroken picked up two first downs to put the ball in scoring position on the one yard line. Dave Smith then went over for the scoring play. Edwards conversion kick was good and was to provide the winning margin in the game.

Charlevoix kicked off to the Hornets who were forced to punt. The Rayders took over and were on the march when Pellston recovered a Charlevoix fumble on their own 27.

After six plays and two first downs, the Hornets' Ron Zulski went in from the one foot line to score. The attempted run for the point after touchdown was halted as time ran out in the period with the score at 13-12.

The final period found the defensive squads of both teams holding the action to the area between the 20 yard lines as neither offensive team made its way into pay dirt as time ran out.

Starting for Charlevoix were Smith, J. Pearl, Curtis and Herb Cummings in the backfield and Kroken, LaBlance, Dick Odmark, Charlie Mitchell, Mike Bost, Dave Rader, and Tom Browe.

Others who saw action were Wojan, Edwards, Joe Smith, Dan Pearl, Rick Miller, Jack Stockwell, Rick Grunch, Bob Bascom, Ban Cunningham, Howard Majors and John Ochs.

While mud-spattered white-jerseyed defensive players prepere to halt on-coming Pellston Hornets, Charlevoix Rayder Halfback Dave Smith (22) gets away for a gain in the Charlevoix-Hornet game Friday night.

Though the game was played in a steedy downpour, the Rayders came through with e 13-12 victory over the scrappy Pellston outfit.

This Week With Class "C"

Charlevoix will travel to Mancelona to take on the Ironmen Friday as the Northern Michigan Class C schedule goes into its second week.

In other games, Boyne City will travel to East Jordan and Harbor Springs will host Gaylord at 8 p.m. Friday and Pellston will entertain the Grayling Vikings in an afternoon game scheduled for 2 p.m. the same day.

Long end sweeps, line plunges and passes were the Ironmen's stock in trade against Grayling Friday night and chances are they will use the same offense against Charlevoix this week. Pat Dutcher, a junior who is playing his second year as first string quarterback, does an excellent job of selecting just the right play and of diagnosing the opposition's plans. With an assist from Sophomore Halfback Bill Bushard who has been the team's major ball carrier on both long runs and line plunges, the Ironmen look like a rugged outfit for a strong forward wall is a 'must' if the above mentioned plays are to work.

Charlevoix looked well against Pellston Fridsy, despite the heavy rains which came down in torrents throughout most of the game. Because of the soggy ground running was difficult for both teams. Despite this, both teams scored with the Rayders resorting to passes as their chief means of ground gaining when the ground attack was halted. This week the Rayders are expected to concentrate on pass defense as well as ways to bring down the speedy Mancelona backs.

This game will probably be the closest of the week ... pitting two evenly matched teams in a game which will decide the future of both squads.

The Boyne City Ramblers are on a title-bound rampage led by Quarterback Larry Gunderson and Halfback Bill Darbee with the other members of the squad doing yoeman's duty all the way. Last week they ran rough shod over Harbor Springs with every player seeing action.

East Jordsn will find themselves busy this week working on a defense to halt this versatile team which is not dependent on any one type of play to gain ground or score. The Jordanites are an outfit that could be tough if they would 'jell' for they have plenty of size and experience.

Unless they shape up this week, they are going to find themselves only a rung in the Ramblers' ladder as they climb toward another title.

Gaylord, with a complete new offensive attack, edged East Jordan by a six-point margin last week.

Coach Charlie Paige's young outfit got off to a flying start last week and were on their way toward a touchdown early in the game when a pass interception halted their march. This also dimmed their fighting spirit and ended any threat they might offer.

Unless, Coach Paige can convince them of their potential, they may find themselves trailing the Blue Devils where Jim Mongeau is taking advantage of a few returnees and a lot of newcomers who are anxious to play ball.

In their first appearance, the Pellston Hornets put up an excellent game against the Charlevoix Rayders. Mike Thompson did a good job, utilizing his swift backs and his experienced ends to advantage. The team, a little too anxious, was hampered by countless major penalties whch erased many of their sizable gains.

Mancelona licterally ran circles around the Grayling Vikings last week as they skirted the ends for long gains. If Coach Don Ferguson can tighten his defense and sharpen the potential in his offensive squad, the Vikings could move out of the loop cellar and perhaps start by halting the Hornets.

However this hardly seems likely sa the Hornets should make their way into the credit side of the standings for the first time

Charlevoix, Boyne, Gaylord and Mancy Score Opening Wins

The Charlevoix Rayders edged Pellston 13 to 12; Boyne City dumped Harbor Springs 47 to 0; Gaylord shut out East Jordan 6 to 0 and Mancelona came through with a 35 to 0 win over Grayling to open loop play in the Northern Michigan Class C league Friday.

Boyne City 47 Harbor Springs 0

The two veterans on the Rambler squad, Quarterback, Larry Gunderson and halfback Bill Darbee dominated the play in the Boyne City-Ram meeting which featured pass interception and long runs.

Darbee opened the scoring by intercepting a Harbor pass and romping 60 yards to score with Gunderson running the conversion point across the goal line. Later in the same period, Gunderson broke away for 35 yards and a tally and then re-traced his steps for the point after touchdown.

Early in the second quarter the busy quarterback pitched a pass to End Gary Beeman in a play that covered 25 yards for a third TD. Gunderson again scored the extra point. As the half drew to a close John Braun intercepted snother pass and went 25 yards to add another TD. Gunderson made the score 28 to 0 at halftime.

In the second half Darbee scored from 15 yards out; Beeman scored on a 25 yard pass play with Gunderson doing the passing; Darbee ran the conversion point over. With second stringers taking over in the final period, Halfback Don Guznizak broke away for an 18 yard run and the final tally of the game.

Harbor Springs threatened early in the game but Darbee's pass interception broke up the drive and the spirit of the young Ram outfit.

Gaylord 8 East Jordan 0

With 1:32 minutes remaining in the first half, the Gaylord Blue Devils took to the air to score their single touchdown to edge the East Jordan Red Devils.

Quarterback Ron Snell pitched a pass to Fullback Jim Johnson on a play that covered 25 yards with the latter scampering into pay dirt. A pass from Snell to End Rich Bottomley that covered 42 yards had put the ball in scoring position.

Gaylord threatened only one other time, midway in the third period when they advanced to the Jordanites five yard line but the latter's forward wall held and their march was halted. East Jordan never got inside the Blue Devils 20 yard line.

Mancelona 34, Grayling 0

Playing at Grayling, the Mancelona Ironmen romped over the Vikings with Halfback Bill Bushard and Quarterback Pat Dutcher doing the major part of the scoring.

The first period was scoreless but on the first play of the second quarter, Bushard went in from the five to score and later in the period plunged over from the one with Dutcher scoring the conversion point on an end sweep.

Dutcher added another tally in the third period on a 15 yard end run and then scored the conversion point. Late in the third quarter Bushard romped 50 yards to score with Dutcher pitching to End Dave Pruden for the point after touchdown.

Midway in the final quarter, Substitute Barry Moeke scored from six yards out and then went in again for the conversion point.

Review of Minutes

Charlevoix School District

Editors's Nota: Beginning this week the Courier will periodicelly publisb a summary report of the minutes of the Charlevoix Board of Education. The former policy of publishing minutes at school expense has been discontinued to reduce school costs. Although minutes of the meetings ere opan for public examination, it is not required by statute that they be published.

Arrangements bave been mada with the Board of Education to provide the Courier with a complete duplicate copy of tha minutes of ell regular meetings. A summary of these minutes will be published as a public sarvice. News releases which have bean previously published will not be included in the summary.

The Charlevoix Board of Education, at a recent meeting, approved a resolution requesting permission to borrow up to $40,000 against anticipated income from State Aid.

The estimated State Aid appropriation is approximately $147,000 for 1962-63. Earlier $51,000 was borrowed against anticipated income from this source.

It is necessary to borrow this money because State Aid payments do not come until Sept. 25 and the borrowed monies are needed to meet current needs. However, as soon as State Aid funds become available, the loan is repaid.

In other action, the board approved the continuation of the City Band program in cooperation with the city since the program contributes so much and is so important a part of the general school program. C. A. Odmark, director of the band, met to discuss the situation with the board.

Plans were made to meet with other school boards in the county to discuss finances and other problems shared by the schools following the recent decision of the State Tax Commission which reduced millage allocated to the schools from nine to eight, giving the one mill to the county. The Tax Commission decision was handed down following a hearing which was called after the County Board of Supervisors appealed the action of the County Allocation board.

The new membership of 1,068 (as compared with 1,014 last year) was discussed because of its financial implications and the Kiwanis Club was granted permission to use the high school cafeteria for its weekly meetings for the current year for $200.00 plus the cost of the food and its preparation.

Following the approval of the ½ mill tax levy to underwrite the cost of what is commonly known as the Public Library, it was suggested that an assistant librarian be engaged to work with Miss Floranz Milner librarian, the assistant to be in the high school after 1 p.m. on school days; to keep the library open two evenings a week and Saturday afternoon and that $1,000 be spent immediately for public library books when textbook money becomes available.

The bid of Maxbauer Creamery for milk needs at the school was approved by a 5-0 vote with two members absent at an earlier meeting. Maxbauer's had submitted two bids: ½ pt. homogenchocolate milk, .065 per paper carton less five per cent and prices of .055 and .0625, respectively, less three per cent, on the same milks with the understanding that the prices would not be raised during the school year but lowered if there was a drop in market prices. The Valley Lea Dairy distributor entered the following bid: ½ pint homogenized milk, .0575 per paper carton for milk containing 3.5 per cent butterfat.

The hiring of Rolland Daugherty as a combination bus driver and maintenance man and Russell Dohm and William Marme as full-time bus drivers was approved. The former was engaged to fill a vacancy on the maintenance staff.

A report was made on the hearing held by the Workman's Compensation regarding Martin Elzinga. A recommendation was made that no cash settlement be considered at this time and that the Board of Education pay only the precentage of the salary for Mr. Elzinga, based on that part of the usual work that he can do, any other to be paid separately as a disability allowance.

The Coast Guard's request for special admission prices to school events and the use of the gymnasium for basketball was discussed but no decision reached.

Burr Blanchard, secretary of the board, stated that he definitely belived that newspaper articles should be used to present the school's financial situation and position, accurately and regularly. He also felt that an indopendent agency would be more effective than the school's personnel in preparing these articles.

At the Sept. meeting bills totaling $9,774.75 were approved. This figure included the payment of a loan and interest to the Charlevoix County State Bank in the amount of $5,464.40 and a payment of $1,479.50 on a school bus. Bills for $3,488.13 were approved at the Sept. 17 meeting. This included a payment of $1,000.00 to Post Fixture Co., for dishes and other equipment for the cafeterias.

Other actions taken by the ooard were reported earlier in separate stories. Among these was the acceptance of the results of the special election for operational funds for the library; the hiring of J. R. Veenstra as a science teacher and decisions regarding bus routes and admissions to games.

St. Mary's School Plans Parents Meet

A 'get acquainted' meeting for the parents of the more than 170 youngsters who are enrolled in St. Mary's school will be held at the school hall at 7:30 p.m. Friday.

A special invitation has been extended by Sr. M. Emiliana, school principal, to the 30 parents whose children are enrolled in the school for the first time. The majority of these are newcomers to the community.

A film of physical fitness will be shown and refreshments will be served.

USDA Makes Hay

USDA Makes Hay
(Guast Editorial by Jack Angall)

That this is the 100th year that the United States Department of Agriculture has been in business, anyone with eyes and ears can hardly fail to note.

Seldom, if ever, has such public promotion been conducted on such grand scale by any agency of the government. By pamphlet, publication, newspapers and broadcasts, by day and by night, we have heard all about it.

One can quite sincerely join the cheers for USDA on the 100th anniversary, but still feel oncomfortable that the cheerleaders are leading so many cheers for themselves.

Ignored, it appears, is "the team"—that combination of age-old farmer gumption-and-grit plue the magnificant discoveries of science and mechanics that have unfolded through the 100 years and more.

All honor to USDA for a distinguished contribution to all this. Still, one's thoughts while going through a rapidly-expanding bookshelf of centennial material are understandably mixed.

For one thing, much of the pruely promotional material now making the rounds was printed at public expense.

For another, the USDA carefully avoids describing its own growth during the past 100 yeers, to upwards of 100,000 full or part-time employees.

Most of the material falls within the loosely described area of "farm public relations," and surely farmers cannot be opposed to that. What does disturb them is that their industry is used as a kind of tractor to attach the "political plow" of the present Secretary of Agriculture.

Still, among the material exceptionally well conceived, is a pamphlet entitled, "Way Back When,"—describing life on the land in the old days and bearing some fine throughts inside, including one that is timeless. There is a landscape of a country church and a caption that reads, "Country life meant more than cows and corn. It also produced people who were individuals to the core, resourceful and independent, . . . they trusted in God, helped their neighbors and relied on their own efforts."

The USDA—with all of its burgeoning bureaucracy could do no better than to take this as "scripture" for their next 100 years.

The oldest incorporated trade association in the country, the United States Brewers Association, was organized in 1862 . . . the same year that

IN MICHIGAN, hearing of the gallant fighting of the 1st, 4th, 5th and 7th Michigan ragiments against the Confederacy, folks all ovar tha state toastad their troops' bravary with foaming steins of bear.

For then as now, beer was the traditional beveraga of modaration. But beer means more than enjoyment to our state. The Brawing industry paya more than 16 million dollars in taxes to Michigan each year, money that helps support our parks, hospitals and schools.

TODAY, in its centenniel yaer, the United States Brewers Association still works constantly to assure meintanance of high standerds of quality and propriety wherever beer and ale are served.

Businessmen Fly To Charlevoix on Goodwill Mission

Charlevoix was the destination Tuesday for a group of flying enthusiasts from Traverse City who have been making goodwill missions around the north country for luncheon or dinner throughout the summer months.

Tuesday's visit to Charlevoix was the second of the season for this group of Traverse City businessmen and others, several of whom fly their own planes. Others in the group are guests of the fliers on the trips to communities within a radius of approximately 100 miles of Traverse City.

On Tuesday the group was met at the airport by Robert Winchester and Joseph McPhillips who joined them for lunch at the Coffee Cup. Immediately following the luncheon; they returned to their respective business or jogs in Traverse City.

The group, which averages about 15 including several nonfliers have also flown to communities which have lighted fields for dinner during the summer.

Floyd Bartholomew Retired Farmer Dies Unexpectedly

Floyd J. Bartholomew, 81, retired Hayes township farmer and service station attendant, died unexpectedly at his home at 112 E. Hurlbut ave. Thursday morning.

Funeral services were held Saturday at the Winchester Funeral Home with the Rev. Raymond McBratnie officiating. Burial was in Brookside cemetery.

Born at Weberville Oct. 12, 1880, Mr. Bartholomew came to Charlevoix county at an early age. In 1900 he was married to the former Lillian Smith. They made their home in Hayes township until moving to their present home in 1928. For the next 15 years he was employed at the Wallace Sinclair Station. He attended the First Metrodist church and was a former member of the Charlevoix I.O.O.F. lodge.

Besides his wife, he is survived by one son, Clair of Detroit; three grandchildren and 10 great-grandchildren

New Life Guard Facility Dedicated at Public Ceremony

Courier Photo

Capt. Carl H. Stober (left), Commander of Group Chicago and Captain of the port at that city, is pictured presenting the restored commendation issued by the city of Charlevoix in 1906 to Leo R. Norton, CBM, officer in charge of the Charlevoix Lifeboat Station. The commendation was made by the city for the heroic efforts of the crew of the former Lifesaving Station in rescuing more than 500 persons from the S.S. Illinois after it had gone aground north of the harbor's entrance here. In the background are Rev. George L. Majors and the Rev. Fr. E Francis Denay who participated in the program.

New U. S. Coast Guard Facilities including a new Lifeboat Station and docking facilities for the CG Cutter Sundew were dedicated here Saturday in a simple but impressive ceremony held at the site of the new station.

Capt. Carl H. Stober, Commander of CG Group Chicago and Captain of the Port in that city, was the guest speaker at the dedication. He reviewed the history of the Coast Guard in Charlevoix, called attention to the commendations which have been earned by the men who have served in this station and concluded by presenting to Leo R. Norton, CBM, officer in charge of the station, the restored copy of the commendation given to the Station in 1908 by the City of Charlevoix for its work in rescuing more than 500 passengers and crew from the steamer "Illinois" after it had gone aground north of the pierheads here.

Others who spoke briefly were Edward P. Hansen, mayor pro tem, William Carey, president of the Charlevoix Chamber of Commerce, Lt. Cmdr. Francis J. Mann, skipper of the Cutter Sundew. Chief Norton, and Albert J. Bates, ChBosn W-4, commanding officer of CG Group Charlevoix, who also served as master of ceremonies. He concluded the program by presenting to Chief Norton the key to the new Lifeboat Station.

The Rev. George L. Majors gave the invocaiton and the Rev. Fr. E. Francis Denay the benediction.

The Charlevoix high school band played a program of traditional marches preceding the program and also played several selections during the program including the Coast Guard hymn, Semper Paratus.

During the program, four veteran members of the Coast Guard who had served at the old lifeboat station, were introduced by Mr. Bates. They were Capt. William Fisher who retired in 1947 after more than 39 years of active duty and who had inducted Mr. Bates into the service at South Haven in 1937; Joseph Etienne who had retired in December, 1960 after 27 years of active duty; Fred Looze who had retired in June, 1953 after 27 years in the services and Robert Somerville who had left the service in May, 1957 after 23 years of active duty.

Visiting officials from the Traverse City air station and the Sault Ste. Marie base and the officers of the Cutter Sundew were also introduced.

Immediately following the program, attended by more than 200 area residents plus service personnel, an even larger crowd toured the new station and the Cutter Sundew.

The personnel of the Charlevoix lifeboat station moved to their new quarters Monday from the station at the entrance to the harbor which had been in use since it was commissioned in 1000. The Group office had already been moved into its new offices in the new station from the nearby former Charlevoix mooringa building.

Make First Nuclear Test at Big Rock Plant

Officials of Consumers Power Co. and guests wait at the gate for a tour of the Big Rock Nuclear plant immediatley following the first teat of the nucleer reactor system. The tour included entrance to the big sphere in which the reactor vessel is located.

★ ★ ★

Consumers Power Company Big Rock Point nuclear plant went "critical" last Thursday afternoon while directors of the company and invited guests were seated in the information building listening to a briefing on the operation.

The initial test proved satisfactory, according to company spokesmen. Following the initial criticality test, company officials and their guests were conducted on a tour of the plant, including the sphere in which the reactor vessel is located.

Further tests will be made to varify the calculations of the engineers and scientists who designed the system before the plant is put in full operation. This is expected to be accomplished some time in November.

When fully loaded for production the reactor vessel will contain 56 fuel bundles of uranium oxide, sufficient to produce the necessary heat energy to operate the 50,000 watt gencrating system. Only seven bundles are being used presently to test controls and instruments.

It was a coincidence that directors of Consumers Power Co., and their invited guests which included city officials and members of the press in the county, were present at the opportune moment to get the word that the initial tests of the nuclear system had been completed and proven satisfactory.

Prior to visiting the Big Rock Point plant, Conaumers Power Co. officials entertained their guests at a luncheon at the Weathervane Inn.

Safety, Narcotics Alcholism to be Topic at PTA Meet

The problems of safety, alcoholism and narcotics in northern Michigan will be the theme of the panel discussion which will open the P.T.A. program for the 1962-63 school year, Mrs. Robert O. Pearl, president, has announced.

Appearing on the panel will be Sgt Dafoe of the Petoskey State Police post, Harvey C. Varnum, Charlevoix county prosecutor, Probate Judge John Mekel and Sheriff Glenn E. Rose.

The meeting will be held at the elementary school cafeteria Wednesday at 8 p.m.

Mrs. Jennie Gasco Former Resident Dies in Petoskey

Funeral services for Mrs. Jennie Gasco, 53, former local resident, will be held at St Mary's church at 9:30 a.m. Friday. Burial will be in Lakeview cemetery at Harbor Springs.

The body is at the Winchester Funeral Home where the Rosary will be recited at 8 p.m. Friday.

She died Wednesday at Lockwood General Hospital in Petoskey following a brief illness.

Mr. Romney to Meet Mrs. Romney Friday At Boyne City Rally

Mrs. George Romney is scheduled to have an assist Friday night when she speaks at a public meeting at the Boyne City gymnasium to promote the campaign of her husband who is the Republican candidate for governor of Michigan. Mr. Romney is speaking the same day at the fall convention of the West Michigan tourist association at Boyne Mountain and he has assured Arthur Spaltz, Republican county chairman, that he will be in Boyne City in time to close the meeting.

Congressman Victor A. Knox has advised the county chairman that he plans to be present for the Friday evening meeting at Boyne City.

Prior to the open meeting at the gymnasium, Northern Michigan residents will have an opportunity to meet Lenore at a "Say Hello to Mrs. Romney" dinner at the Dilworth hotel. Although Mrs. Romney's primary objective at these "Say Hello" gatherings is to familiarize Michigan women with her husband's qualifications for governor, the men, too, seem to want to meet this vivacious 52 year-old grandmother.

Rites Held Friday For Mrs. Geo. Jardine Lifelong Resident

Mrs. George B. Jardine, 88, lifelong resident of Charlevoix county, died Wednesday at Grandvue Medical Facility near East Jordan where she had been a patient for 13 months.

Funeral services were held at the Winchester Funeral Home Friday with the Rev. A. Robert Harrison officiating. Burial was in Brookside cemetery.

Born in South Arm township July 23, 1875 the former Mac McDonald was married to Mr. Jardine at East Jordan in 1895. They resided on a farm in Eveline township until moving to Charlevoix in 1925. She ewas a member of the First Congregational church and its Margaret Parker circle.

She is aurvived by a daughter, Mrs. Earl (Ann) Harrington of Charlevoix; one son, Glenn Jardine of Harbor Springa; eight grandchildren and 16 great grandchildren.

Charlevoix Rayders Defeat Mancy 14 to 6

The Charlevoix Rayders racked up their second victory of the current season Friday when they defeated the Mancelona Ironmen by a score of 14 to 6 on the latter's gridiron.

This week the Rayders will host the Gaylord Blue Devils for possession of first place in loop standings.

In Friday's game the Rayders took the kick off and marched 40 yards to the 25 where Quarterback John Pearl took to the air for the scoring play which put Charlevoix ahead early in the game. Their second scoring play came early in the final period on a run after Mancelona had managed a single tally midway in the third quarter.

Charlevoix took the kickoff on their own 35 yard line and with Dave Smith and Frank Curtis carrying the ball moved to the 25 in six plays. Here Pearl pitched to Herb Cummings for the touchdown. Larry Edwards booted the conversion to put the Rayders ahead 7 to 0.

Mancelona took the kickoff following the scoring play and advanced from their own 33 yard line to the Rayder 26 after picking up three first downs, only to have Pearl intercept an Ironman pass on the 41. The Rayders were again on the march when a fumble gave Mancelona the ball on the Rayder 40 late in the period. However, the Rayder defense tightened and Mancelona was forced to punt as the quarter ended.

Costly fumbles, exchange of punts and strong defensive play marked the action in the second quarter when Charlevoix scored only to have the touchdown nullified by a penalty. Immediately following this play, the Ironmen recovered a Rayder fumble on their own four yard line to halt the Rayders offense as the half ended.

Mancelona took the kickoff at halftime on their own 37, and were forced to punt. Another exchange of punts was followed by fumbles with first Mancelona and then Charlevoix recovering the ball.

A third fumble in the period was recovered by Mancelona at midfield where they began a march which carried them to the 11 yard line. On the next play, Pat Dutcher, who with Bill Bushard, was doing the major part of the ball carrying, went in to score. The attempted run for the extra point was short and the score stood at 7-6 with less than a minute remaining in the third period.

Charlevoix took the kickoff following the scoring play and was on the Mancelona 45 yard line as the period ended.

With Pearl, Smith and Curtis carrying the ball and a pass from Pearl to Curtis for 24 yards, the Rayders moved to the 21 yard line where Curtis carried the ball over for the touchdown. Edwards made the conversion point with a kick for a 14 to 8 lead early in the last period.

Mancelona took the kickoff and marched from their own 35 to the Rayder 12 in 14 plays only to have their offense set back to the 18 yard line where they lost the ball on downs.

Charlevoix, running out the clock, moved from the 18 to the 45 yard line in five plays as time ran out.

Versatile offensive play by the Rayders and sharp defensive attacks marked the action in this game.

Frank Pamper Sr. Eormer Resident Dies in Chicago

News of the daeth of Frank Pamper Sr. in Chicago on Sept. 21 has been received here.

Mr. Pamper resided at 306 Burns St. from the early 1930's until about 1960 when he returned to Chicago to make his bome with relatives.

He is survived by one son, George Pamper Jr. of Chicago; four grandchildren; three great-grandchildren and a sister, Mrs. Mary Neubauer, also of Chicago.

VFW to Stage Oyster Supper

The annual oyster supper which marks the opening of the membership campaign for the coming year will be held Saturday evening at the Veterans of Foreign Wars post home, according to Commander Joseph Etienne.

Oysters will be served "the way you like 'em" and for those who are allergic to oysters, there will be plenty of chili con carne. That is the word from Mr. Etienne. Entertainment is being planned for the evening. Supper will start at 8: 30 p.m.

An invitation is extended to all veterans eligible for membership in the VFW.

Community Chest Fund Within $276.46 of Goal

The Charlevoix Community Chest campaign is within $278.58 of reaching its goal of $11,278.00 was the good news announced Wednesday by Dr. Robert G. Martin, campaign chairman.

"Because we are so close to making our goal, Robert Hilty of Consumers Power Co., A. L. Livingston of the Charlevoix State Savings Bank and Robert Bridge of the Charlevoix county bank have agreed to extend the deadline from Oct. 1 to the end of this week in order to give us time to raise the remaining $276.56" Dr. Martin said.

Assuming that the goal can be met by the weekend, the victory celebration will be a chicken supper at the Holiday Terrace Hotel at 6 p.m., Oct. 17. All campaign workers will be the guests of the above memtioned businesses.

The results to date follow: Special gifts (summer residents and organizations contacted by mail), 86 per cent of division quota; Retail business (seasonal and year-around businesses), 73.7 percent; Industrial (company gifts and employee contributions), 146 per cent; Professional division (professional offices, school, hospital, Coast Guard, city hall and county building), 113.2 per cent; Residential division (nine areas), 103.1 per cent and Outlying Areas Division (Marion, Norwood, Hayes, and Charlevoix townships and the Ironton district of Eveline township), 135.8 per cent:

The original quotas for the various divisions were based on the results of previous campaigns.

Salute to Pharmacy

Next week is National Pharmacy Week and an excellent time for us to consider for a moment the role the pharmacist plays in our society.

Our usual contact with the pharmacist is in the community pharmacy. It is to him we take our prescription orders for the dispensing of our prescribed drugs. His pharmacy serves our community as a health center and his education and experience makes him an excellent source of information regarding the use, handling and storage of our health needs. Questions concerning sick room supplies and first aid needs as well as drugs can be readily and expertly answered by our community pharmacists, whose services are available on an around-the-clock basis.

Another role of the community pharmacist, is as an authoritative drug advisor to our physician. The pharmacist serves the physician as an immediate source of information regarding the latest advances in drug therapy. Over 400 new drugs are introduced each year. It is therefore essential that our physicians have someone to whom they can turn for the necessary information about these drugs.

Although most of the 120,000 licensed pharmacists in this country are engaged in community practice, we must realize that there are many other important fields of endeavor in which pharmacists have an important role.

Senator Bennett of Utah says: "Congress has been too willing to buy votes by making changes in social security benefits which just were not financially feasible. We must not compound the mistakes of the past by making similar mistakes today. Those who say that participation in the social security medical care proposal will establish a right based upon the money the participant has paid in are misleading the public. The benefits will bear no relationship to participation, and we will be saddling our future generations with a terrible burden, one which may threaten the destruction of the social security system itself."

BETWEEN YOU AND ME

- By Harold E. Kohn -

Healthy Trees and Wholesome Minds

From the window where I write I see where white birches ring the meadow and brighten all the forest openings with their grace. In the cooling air of autumn their finely tapered boughs toss softly to and fro, and their yellow leaves fall slowly, gently to the forest floor. Now, as the dense foliage thins in the forest, revealing the trunks of trees, the visitors to the woods can see that the lithe body of even the loveliest of birches is afflicted with blackish lateral scars and with roundish, dark-colored pits where limbs of yesteryear were broken off and where injuries caused by falling trees, insects, and fungus infections have left their marks. No birch is without its scars. Each one has been hurt, and then thick gums were exuded and deposited to salve the sore, and living cells around the margin of the wound formed a rim of callus that closed up a trifle each growing season until at last the hurt was healed. By this constant healing process, by its inner capacity for renewal, the birch stays alive and prospers.

Man, at his best, is somewhat like the birch growing at the edge of our woods. He cannot remain in this kind of world and avoid injury. No child reaches adolescence without his share of bumps, bruises and cuts. Everyone is subject to occasional infections of small or great degree. We cannot completely avoid danger: therefore our well-being depends upon recovery from hurt and renewal.

If you are healthy your bloodstream is well guarded by a vigilant army of microscopic soldiers which wage war against all manner of infections. Germs of unnumbered kinds bombard your body, but they usually are unavailing because the defensive hosts of white corpuscles rush to destroy them, and the renewing forces of the body remedy and heal damage done by germs and cuts and bruises. The healthy body has strange and miraculous restorative powers.

The healthy mind, too, has well developed powers of recuperation. Hurtful things happen to it. The most wholesome person on earth cannot avoid slurs and slights, misunderstandings and abuse. Christ could not. A healthy-minded person maintains mental soundness not by seeking to escape all injury, but by forgiving, and allowing the grace of God to heal the hurt.

The people in our homes, clubs, offices, shops, and churches who cannot forgive the real or imagined hurts they have received are to be pitied more than censured. They are emotionally sick, or their wounds would mend. They are unaware of how forgiving they ought to be.

If we are mentally, spiritually healthy we can afford to be hurt occasionally. We need not always be on our guard nor overanxious to defend ourselves against a careless world. The scratches, cuts and bruises will heal.

Mrs. Victor Pierce underwent eye surgery at Ford Hospital in Detroit recently and was to return there early this week for further treatment for several days. Mrs. Pierce, the former Charlene McFarland, is with her mother, Mrs. William West and Mr. West

Mr. and Mrs. George A. LaBlance and son, Steven, and daughter, Georgia and a guest, Kathy Schenck of East Jordan spent the weekend at Marquette where Mr. and Mrs. LaBlance visited relatives and the others attended a function at Northern Michigan College.

Mr. and Mrs. Allen Arnold of Birmingham visited here Saturday enroute to Harbor Springs to attend the annual convention of the Michigan Photographers Association. The couple returned recently from a European tour.

Mrs. Alfred Gill returned home Sunday from a two weeks visit in Milwaukee. Her son-in-law and daughter, Mr. and Mrs. Vernon Snyder brought her home and remained for a brief visit.

Mr. and Mrs. Clarence Rabach were in Sturgeon Bay, Wis., recently to attend the wedding of the former's brother, Ralph Rabach and Judy Bosman. Their daughter, Mrs. Stanley Harwood and infant son accompanied them and was joined there by Mr. Harwood, a student at Michigan Tech in Houghton. They accompanied him to Houghton.

Louis Edwards returned home recently from an 11-day vacation trip through the southeastern States including stops at Charleston, W. Va., Greensborro, and Kitty Hawk, N.C., Norfolk, Va, Reading, Philadelphia and the Amish country of Pennsylvania.

Plan Training Course for Girl Scout Leader

Plans for a basic training course for Girl Scout adult leaders to be held during the month of October were announced this week.

The first session will be held at the First Congregational church here Tuesday.

The session will begin at 9 a.m. and continue until 3 p.m. There will be a 1½ hour luncheon break. Visitors may bring a nosebag lunch. Coffee will be furnished.

The second and third sessions will be held at the First Methodist church in Petoskey at the same hour on Oct. 16 and 28. An outdoor session is planned for Oct. 20.

The training course will present the history, organization and operation of the Girl Scout program.

The course is open to all adults interested in all phases of Scouting including troop leaders, committee members and consultants in various activities.

Adults from Walloon Lake, Boyne City, Petoskey, Harbor Springs Ellsworth, East Jordan, Bellaire, Mancelona and Charlevoix are eligible to attend.

The course will be conducted by Mrs. Hugh Warner, executive director of the Crooked Tree Council. Mrs. Miles Gingrich of Mancelona and Mrs. Lloyd A. Arnold of Charlevoix will assist.

Adults may register by calling Mrs. Leland Warner, Mrs. Ben Gill or Mrs. Arnold. Baby sitting services will be available at all training sessions.

GOP Candidates To Speak Saturday At Color Festival

With the trees blazing in autumn colors in Antrim County, the Bellaire Chamber of Commerce will sponsor a Color Festival October 5, 6, and 7 at Bellaire, Michigan.

The festival will open with a mile long parade at Bellaire, Michigan, at 11 o'clock in the morning October 6th. The parade will be composed of floats, bands and costumed marchers.

In an attempt to add to the color of this occasion the following Republican candidates for State offices will appear in the parade: Norman O. Stockmeyer, Secretary of State; Robert J. Danhof, Attorney General; and L. William Seidman, Auditor General. All of the local Republican County officers running for election will also participate in this gala event.

All of the State candidates mentioned above will speak at Richarki Park located on the main street of Bellaire, immediately after the parade.

Caravans of automobiles from Mancelona, Elk Rapids, and the Townships in the County will converge on Bellaire to view this event.

It is seldom that so many candidates for State offices are in this area all at the same time. Every one is invited to Bellaire on October 6, at 11 o'clock, so they can hear and meet the candidates.

On Sunday, October 7, in conjunction with the Color Festival, the Chamber of Commerce will have a chicken barbecue at Craven Park.

Girl Scout Rally Scheduled Oct. 11

A Girl Scout rally will be held Thursday, Oct. 11, to launch the 1962-63 Scout year.

Girls in the second through the sixth grades who wish to become Brownie or Girl Scouts this year are invited to attend the rally.

A session for older girls in the seventh through the 12th grades will be held the same day.

Both meetings will be held immediately after school at sites to be announced in notices to parents.

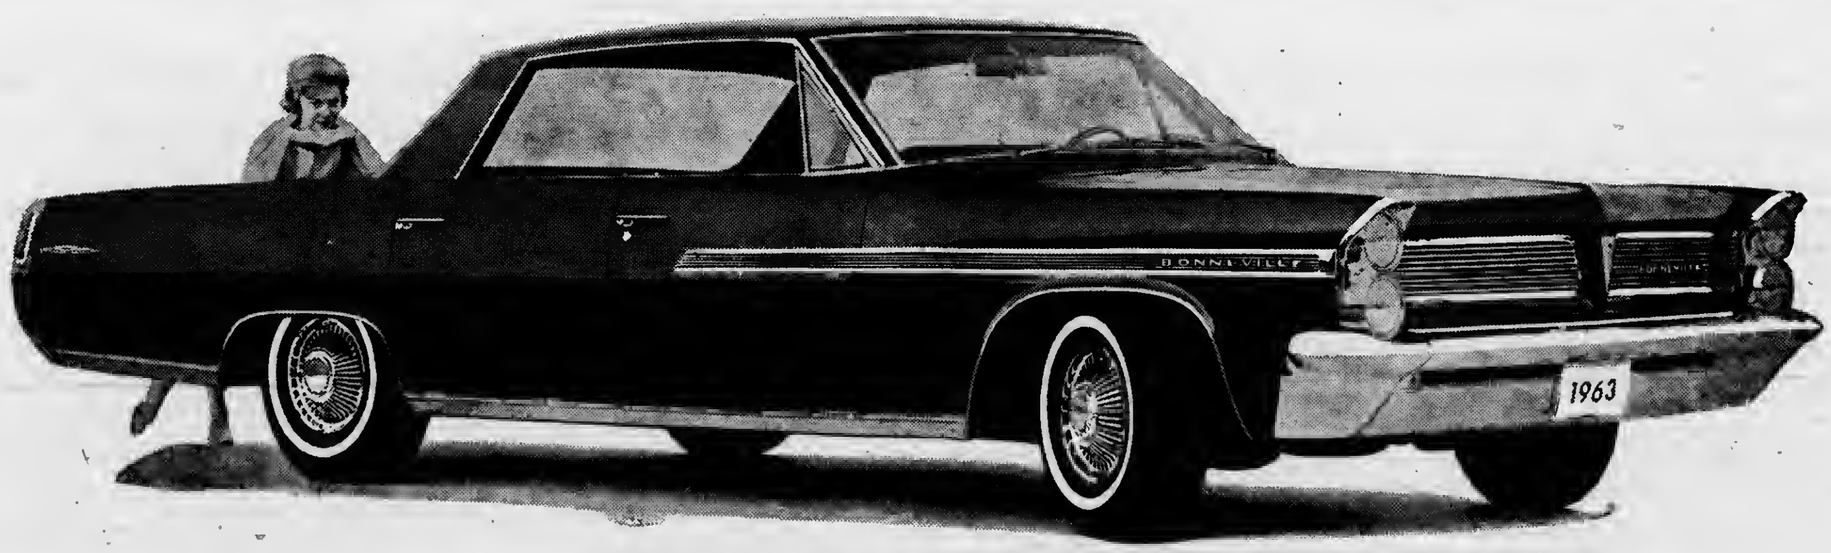
Here's what the other '63's wish they looked like.



Today—Wide-Track Pontiac '63

Obvious, isn't it, that Pontiac's come up with another beauty this year. Fresh over-and-under headlights, clean profile—but you can see that. There's a wider Wide-Track, too, and a full line of Trophy V-8's. [That ought to be enough to make those other cars turn green.] And we haven't mentioned such happy touches as self-adjusting brakes. So what, pray tell, could be keeping you from a new Pontiac of your own? A small suggestion. Don't run down to see one. Gallop! *Wide-Track Pontiac*

TOP — This is the 1963 Starfire, Oldsmobile's full-size sports car. With its crisp, youthful styling theme, fresh new roofline and concave rear window, the Starfire is further identified by the tailored aluminum band along the sides. It has its own grille. Bucket seats, center console, Hydra-Matic transmission, power brakes and power steering are standard equipment. Produced in both coupe and convertible models, the Starfire is powered by Oldsmobile's ultra-high compression 345 horsepower Starfire engine equipped with dual exhausts.

BOTTOM — A complete styling change including a fresh new roofline gives the 1963 Oldsmobile Super 88 Holiday Sedan a sheer new look. Interiors in this series are more impressive with greater emphasis on luxury in fabrics and appointments. Door armrests are set in brushed aluminum panels and the Holiday Sedan is equipped with a center rear seat armrest. All Super 88 models feature greater series identification in exterior appearance. For example, wheel openings are tastefully outlined by stainless steel moldings. Powering all Soper 88 models is Oldsmobile's 330 horsepower Skyrocket engine.

Cub Scouts Hold First Pack Meeting

The first pack meeting of Cub Scouts Pack No. 111 was held at the community room of the city hall Wednesday evening.

The meeting was the first of the current school year and attracted a large number of Cub Scouts and their parents.

Phil Martin spoke to the group on "Conservation" emphasizing the need to protect natural resources.

Uno Suomela, awards chairman, presented awards to Cubs who had learned them last year and explained how the award syatem works.

Douglas Wilkers, assistant cubmaster assisted with the flag ceremony and led the Scouts in group singing.

Don Anders, president of the Cub Scout Committee, presided at the meeting.

Theme for the month of October will be "Heroes and Books". The program for the October Pack meeting will include akits and costumes built around this theme. There will also be a uniform inspection at that time.

Girl Scouts Plan Camping Trip to Upper Peninsula

Girl Scoot Troop 15 and their leader, Mrs. Orlin Cunningham, planned to leave Wednesday for a four-day trip to the upper Peninsula.

They were to camp at Brevort Lake Wednesday night and on Thursday proceed to Net River where they plan to spend the next four days at the cottage of Kay Etienne's grandparents.

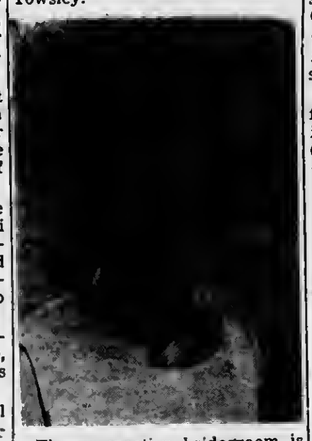
Their schedule will include visits to the Iron Mountain ski jump, Seeney Wildlife Ssnctuary, Porcupine Mountsins and Northern Michigan College eampus at Marquette. They plan to return home Sunday.

Making the trip are Jane Norton, Ruth Bogart, Kathy Etienne, Nancy Rader, Linda Williams and Rona Henley.

Mrs. Joseph Etienne will serve as guide and adult assistant to Mrs. Cunningham.

Betrothed

Mr. and Mrs. Louis Drost have announced the engagement and approaching marriage of their daughter, Loretta M., to Allan Towsley.



The prospective bridegroom is the son of Mr. and Mrs. Harold Towsley.

The wedding will be an event of October 6 at the Assembly of God church.

The bride-elect is a 1961 graduate of the Charlevoix high school. Mr. Towsley attended the Charlevoix high school and is a veteran of two years in the U.S. Army, 18 months of which were spent in Korea.

Mr. and Mrs. Maurice Dixon To Make Home in Massachusetts

Following a wedding trip to Bermuda and Michigan, Mr. and Mrs. Maurice G. Dixon will make their home in Quincy, Mass.

The couple was married Sept. 8 at St. Mary's church in Quincy.

The bride is the former Theresa Marie Gosselin, daughter of Mr. and Mrs. Rene G. Gosselin of Quincy. Mr. Dixon is the son of Mr and Mrs. Curtis Dixon of this city.

The bride, given in marriage by her father, chose a princess gown of white peau de soie with lace appliques and her mother's silk illusion veil arranged from a jeweled lace tiara. She carried a marker of orchids and stephanotis on a prayer book.

Mrs. Raymond Dixon of Quincy, sister-in-law of the bridegroom as matron of honor, wore a sheath of old gold peau de soie, floral headdress and carried an old-fashioned bouquet of autumn flowers. Mrs. Bernard Gosselin of Pembroke and Mrs. Robert Gosselin of Quincy, as bridesmaids, wore identical costumes of jade green and carried old fashioned bouquets. Glenda Gosselin of West Peabody was flower girl for her aunt.

Raymond Dixon of Quincy assisted his brother as best man. Seating the guests were the bride's brother, Bernard Gosselin and Robert Gosselin of Pembroke and Quincy, respectively.

A reception followed at the Cochato Club in Braintree.

The bride was graduated from Archbishop Williams high school and National School of Aeronautics in Kansas City, Mo. She is employed in the Louise Duffey Travel Agency, Inc. of Quincy and Hingham. Mr. Dixon attended the Charlevoix high school and is a veteran of two years in the U.S. Army. He is employed by the G. and L. Contractors of Quincy.

Bill Carey About This Question

"It was a relief to be housed comfortably in a motel when our home burned out. Our Homeowners Policy pays all expenses—room, meals, Laundry—Mom's really getting a rest. Will this insurance also pay the complete 'replacement cost' rather than depreciated value' in rebuilding our home?"

Charlevoix JV's Dump Boyne City Ramblers 26 to 12

The Charlevoix Reserves, playing at Boyne City, dumped the Ramblers J-V squad by a score of 26 to 12 Tuesday night.

This week the young Rayders play at East Jordan at 7:30 p.m.

Two bad passes from center on fourth downs gave the Rayders possession of the ball which they turned into scoring plays early in the game. The first touchdown was scored from the 30 yard line by Ken Parrish on the first play after the young Rayders gained possession of the high pass from center. The second TD was also scored by Parrish from the three, this time on the third play after recovering the ball on the 25 yard line. Mike Crain added the conversion point on a line play following the first scoring play.

The second period was scoreless. The third, however, saw the young Ramblers in command with Mark Bryan scoring on a 20 yard end run and Dan Koteskey going 35 yards after intercepting a Rayder pass to make the score 13 to 12.

The Rayders got back in the game in the final period when Jim Racignol put the ball in scoring position on the three yard line following a 30 yard run. Crain scored on the next play.

Midway in the period, Ted Weidman put the game on ice when he romped 25 yards on a reverse. Jim Uhrick added the extra point on a line play for the 26 to 12 victory.

BURSTING WITH NEWS...'63 MERCURYS

NEWS-MAKING ROOF FROM MONTEREY. The advantages of Monterey's distinctive styling go far beyond its beauty. This is elegance that works. See how the recessed rear window slants inward? It stays clearer in rain or snow. On hot days, it opens for breezeway ventilation. The overhanging roof shades rear-seat passengers from the sun, gives more headroom, keeps glare off the rear window for better rearview visibility. More good news: a Mercury Marauder 390 V-8 is Monterey's standard engine.

SPARKLING NEW MODELS FROM METEOR. For 1963, Meteor is the hot brand. Meteor is the sparkler with a whole new line of models in the low-price field—sleek new low-to-the-road hardtops, sedans, and three new station wagons. Feel sporty? Try the racy Meteor S-33 hardtop, with individually adjustable bucket seats and a handy console. For brilliant performance to match Meteor's sparkle, a new Lightning 260 V-8 is available in every model. And you save on upkeep with Mercury service-savers.

THE LID'S OFF COMET. Now a jaunty new convertible joins Comet's all-fun line. This sleek, rakish beauty comes in two models: the Custom and the dashing S-22, with bucket seats and optional stick shift. All Comets now have a complete package of service-savers like self-adjusting brakes. And Comet still heads its class with the largest trunk, longest wheelbase, and best resale value record. See Comet's whole happy '63 line-up: convertibles, sedans, station wagons. Fun-test your favorite Comet now!

COMET • METEOR • MONTEREY: PRODUCTS OF Ford MOTOR COMPANY • LINCOLN-MERCURY DIVISION

* Lincoln-Mercury Division, Ford Motor Company, warrants to its dealers, and its dealers, in turn warrant to Mercury owners as follows: That for 24 months or for 24,000 miles, whichever comes first, free replacement, including related labor, will be made by dealers, of any part with a defect in workmanship or materials. Tires are not covered by the warranty; appropriate adjustments will continue to be made by the tire companies. Owners will remain responsible for normal maintenance services, routine replacement of maintenance items such as [illegible] and normal deterioration of soft trim and appearance items.

Graveside Services Held Monday for Miss Alice Zylstra

Atwood—Graveside services were held for Miss Alice Zylstra, 74, of Zeeland at the Atwood cemetery Monday with Rev. John Hamersma officiating.

Earlier services were held at 9:30 a.m. Monday at the Yutema Funeral Home at Zeeland.

Miss Zylstra, formerly of Barnard, is survived by several nieces and nephews and a cousin, Mrs. Wesley Veenstra of Atwood.

Atwood News

Mrs. Henry Burns

Mrs. Art DeVries and daughter, Mrs. Erwin Holecheck, have returned from Grand Rapids where they spent two days with the former's son-in-law and daughter, Mr. and Mrs. Robert Houtman and family. They also attended the funeral of the latter's father, Morris Houtman who died unexpectedly Tuesday.

Mr. and Mrs. Henry Schriever of Grand Rapids spent the weekend with her parents, Mr. and Mrs. Gerrit Hoeksema. On Friday evening Mr. and Mrs. Hoeksema were pleasantly surprised at a family party on the occasion of their 25th wedding anniversary. The honored couple received many gifts.

Mr. and Mrs. Peter Vander Slik will celebrate their 25th anniversary Saturday night. A party in their honor will be hosted by their sons, Richard and Percy, at the Ellsworth Community Hall.

Gerrit Lampen of Overysel and his sister-in-law, Mrs. Bert Vander Slik and her daughter, Jean of Zeeland spent from Tuesday until Thursday at the home of Mr. and Mrs. Tom Vanderslik. They also visited other relatives.

Mr. and Mrs. Walter Kass spent the weekend with her parents, Mr. and Mrs. Henry Smith.

Mr. and Mrs Douglas Way spent the weekend in Detroit.

Mr. and Mrs. John Ritsema and son, David, were Sunday evening lunch guests at the bome of Mr. and Mrs. Art Devries.

Mr. and Mrs. John Bos were Sunday dinner guests at the home of her brother and sister-in- law, Mr and Mrs. Edward Klooster of Charlevoix.

Miss Theola Veenstra and her parents, Mr. and Mrs. Wesley Veenstra spent the weekend at the George Wiersema home in Jenison and at the Paul and Lambert Veenstra families in Grand Rapids. On Saturday they all attended the Zylstra family reunion at the Community Hall in Borculo.

Bob Jones of Norwood was a Sunday evening supper guest at the home of Mr. and Mrs. John Bos.

Ken VanderSlik spent a couple of days with Burt Doctor while his parents, Mr. and Mrs. Paul Doctor were on a trip.

Mr. and Mrs. Bob Veenstra of Hudsonville who have been staying with her mother, Mrs. Dwight Banister and Mr. Banister of Central Lake, were Sunday evening visitors at the home of Mr. and Mrs. John Wolgamott and family. They also visited at the Henry Burns home.

Mr. and Mrs. Paul Doctor, Mr. and Mrs. Harold DeYoung, Mr. and Mrs. Henry Elzinga, Mr. and Mrs. Ralph Klooster and Mr. and Mrs. Marion Sitzema enjoyed a two day sightseeing trip to Porcupine Moutains, Bond Falls and other points of interest.

Mr. and Mrs. Mike Bos of East Jordan spent Saturday evening at the home of his grandparents, Mr. and Mrs. John Bos.

Mr. and Mrs Miner Veenstra and two sons of Ellsworth and their daughter, Mrs Ken Boss and two children of Charlevoix were Sunday afternoon lunch guests at the home of Mr. and Mrs. Art DeVries and son, Bernie.

Peter Gibbons left recently for East Lansing where he was enrolled at Michigan State University. Joseph Gibbons is enrolled at the University of Detroit and Michael Gibbons at Wayne State University in Detroit. They are the sons of Dr. and Mrs. Gerald C. Gibbons.

Red Devils Stage Upset in C League

The East Jordan Red Devils upset the high flying Boyne City Ramblers hy a score of 14 to 13 to headline the action of the Northern Michigan Class C league Friday night.

Charlevoix edged Mancelona 14 to 6; Gaylord won over Harbor Springs 6 to 0 and Pellston roared over Grayling 66 to 7 to round out the night's games.

East Jordan 14, Boyne City 13

The inspired East Jordan Red Devils racked up a 14 to 0 halftime lead over the Boyne City Ramblers and in the second half concentrated on a defensive game as they edged the defending champions by a one-point margin.

The Jordanites got off to an early start in their game, marching to the 12 yard line where a fumble recovered by Boyne City halted their march.

It was early in the second period when the Red Devils stopped the Ramblers as Don Roberts intercepted a Rambler pass and returned it to the four yard line where he slipped and fell. On the next play, he broke away and romped 96 yards to score as End Fred Malpass ran through the block on the Ramblers 25. Malpass then booted the conversion key block on the Ramblers 25. Malpass then booted the conversion as the Jordanites went ahead 6 to 0.

Later in the period, Sophomore Steve Poole blocked another Rambler pass, knocking the ball into the hands of Fullback Dave Donaldson at midfield. Donaldson then broke away and rambled the distance to score. Malpass again booted the conversion point to put East Jordan into a 14 to 0 halftime lead.

The Ramblers first scoring opportunity came in the third period when a bad punt gave them possession of the ball on the Red Devils 35 yard line. Following a concerted drive, they moved the ball to the one yard line where Quarter back Larry Gunderson carried into the end zone. The attempted run for the extra point was stopped short and the score remained 14 to 8.

In the final period, Boyne City gained possession of the ball at midfield and picked up three first downs to the 20 where Don Guznicnak went around end to score. Gunderson passed to Gary Beaman for the conversion point.

East Jordan's Don Wilson was taken to Little Traverse Hospital in Petoskey for treatment of a fractured nose and is expected to be lost to the team for a major part of the season.

Geylord 12, Harbor Springs 0

Harbor Springs managed to hold the Gaylord Blue Devils scoreless in the first half of this game but in the last half, the visitors offensive attack started to click.

Fullback Bob Still tallied the Blue Devils first TD when he broke loose to score on a 15 yard run.

Halfback Bill Borst put the game on ice he romped 75 yards in the final period.

Fumbles proved costly for the Rams who were on the march when they lost the ball on the 20 in their only major threat during the game.

Pellston 68, Greyling 7

The Pellston Hornets scored 11 touchdowns against the Grayling Vikings Friday to come up with a lopsided victory.

Fullback Stan Swiss accounted for four on runs of three, eight, 10 tnd 12 yards; Halfback Randy Bricker scored from five yards out and on a 70 yard kickoff return and then passed to Quarterback Mike Thompson for two more including plays that covered 20 and 40 yards each; Stan Bodzik went over on a 30 yard pass play from Thompson; Sophomore Halfback Ron Zulski broke through tackle to score from the six and a blocked kick which fell in the end zone where half the Hornet squad fell on it ended the team'e acoring. Vern Hair booted twc conversions.

Jim Iospeh scored Grayling'a single tally.

This Week With Class "C"

With the 1962 football aeason only three weeks old, only two teams remain undefeated in the battle for the Northern Michigan Class C title.

These are the Charlevoix Rayders and the Gaylord Blue Devils who will be pitted against each other in the homecoming game here at 8 p.m. Friday.

In other games the Pellston Hornets and the East Jordan Red Devils were scheduled to battle it out for possession of second place in a game scheduled for 2 p.m. Wednesday while Harbor Springs will play at Mancelona and Boyne City will travel to Grayling.

The Charlevoix-Gaylord game should me an interesting one. The Rayders came through in fine style at Mancelona Friday, playing a sharp offensive game with the entire backfield sharing in the groundgaining plays while the defensive team did an equally fine job on halting the Ironmen's running and passing attack.

Gaylord on the other hand, defeated the cellar-dwelling Harbor Springs Rams by a 12 to 0 score in a game that found the Rams fighting back for the first time.

With the Rayders intent on holding the league lead, the local lads will be favored for their wins to oate have been more impressive than the Blue Devils 6 to 0 win over the Jordanites and their 12 to 0 victory over the Rams. They will, however, have to play heads up ball all the way.

East Jordan and Pellston moved into the win column for the first time last week, the Red Devils with a 14-13 upset over Boyne City and the Hornets with a 88 to 7 win over Grayling.

This week's game should prove the capabilities of both teams.

The East Jordan outfit did an excellent job of halting the Ramblers backs while playing a good offeusive game with all the backs running well. End Fred Malpass who does the team's kicking came through with two fine conversions which made the difference in this game.

The entire Pellston scoring force got into the act against Grayling with six players carrying the ball into pay dirt.

Both these teams are big, both have good runners and both have good defensive teams. The Hornets, however, have shown a greater tendency to work as a closely knit team. the Jordanites have looked good, even in the Boyne City game which boasted six sophomores in the line-up. This youthfulness, however, may not hold up against the older, more experienced Hornet squad.

The Harbor Springs Rams are learning, as was shown against the Gaylord Blue Devils last week, but it is doubtful if they can hold the Mancelona Ironmen, bent on revenge, after their defeat at the hands of the Charlevoix Rayders.

The same is true of the Boyne City Ramblers who will journey to Grayling where they will take on the Vikings who show little scrap and therefore will be no match for the Ramblers who will be out to avenge their loss to East Jordan last week.

Charlevoix's defensive team, plsying their best game of the current seeson, held the Mencelone Ironmen to few long gains Friday night. Pictured here are some of the defensive pleyers halting Bill Busherd (37) before he could put much ground behind him. Brendan LeBlance (85) is the only identified pleyer in the picture.

A CONTINUING DISPUTE over the effectiveness of oral vaccines to combat polio leaves only one conclusion for the general public, according to State Health Commissioner Albert E. Heustis.

"The unquestioned effectiveness and safety of the salk vaccine speaks for itself," Heustis said. "There is no doubt of the need for a vaccine against polio and several other diseases, such as whooping cough, diptheria, tetanus and smallpox."

Heustis urged parents to check both their own immunization records and those of their children for all of the diseases for which immunization is available.

• • •

Polio case reports continue to drop every year. In 1962, Heustis said there were 3,912 reported cases of polio in Michigan. Last year there were only 33 cases and this year only six case reports were received during the first eight months.

"We have, however, had 1,167 cases of whooping cough reported, three cases of diptheria, and five cases of tetanus," he said.

"And while we have had no reported cases of polio deaths, we have had two deaths from whooping cough, two from diphtheria, and one from tetanus."

• • •

Heustis described the disease deaths as "needless".

"There is an effective vaccine against each of these diseases, and they can be combined into a single solution for one-shot immunizations," he said.

The health Commissioner said the expansion of Seaway transport and jet travel gives Michigan citizens "no choice but to maintain a constant vigil against disease."

WITHIN THE NEXT six months, a process of change started nearly three years ago will have gone its full cycle. All Michigan drivers will be carrying the new tamper-proof licenses issued by the state.

The old emulsion-process license issued until 1960 will become a matter of history in mid-April, said Secretary of State James M. Hare.

New licenses are printed on paper which cannot be altered. This form was praised by law enforcement agencies because it is easy to determine if alterations have been attempted.

Hare said the new form also was popular because it included the basic information about Michigan's driver "point system" and financial responsibility law.

• • •

AN ATTEMPT TO AVERT juvenile delinquency by making its consequences clearly known to young people is getting under way this year in at leost three school systems in Michigan.

A booklet entitled "You and The Law" will be used along with suggested films and a classroom guide in an attempt to acquaint teenagers with basic legal processes and the results of law violations.

The pilot test of the educational course is being conducted this year in Okemos, Ypsilonti and Gaylord schools. Officials of the Michigan Crime and Delinquency Council said the Fremont and St. Clair school officials also were considering the program.

"The booklet is designed to tell teenagers, in simple terms, what the law is, how it operates, and to use specific examples of law violation to demonstrate to juveniles how apparently innocent pranks can lead to arrest and a criminal record," the Council said.

State Police Commissioner Joseph A. Childs lauded the effort as an effective aid in making young people aware of their responsibilities and also the consequences in event laws are violated.

SOMETHING NEW IN university housing is causing widespread attention at Michigan State University.

A co-educational dormitory arrangement was initioliy viewed by many with pessimism but only good reports of the operation have been heard since it was started.

Last year 1,400 men and women lived in a single dorm unit. Another coed dormitory of the same size was added at the university this year.

• • •

University officials view the combination of acparated dorm units as a natural for an institution of its size.

While oombining the living units for men nnd women, classroom facilities and faculty offices also have been brought to the students in the same building.

This method of housing and learning is both practical and noble, officials said.

• • •

Better grooming and more maturity among the freshman students housed in the coed dorms were one feature praised by university spokesmen.

"The students, especially the women, felt they had to appear at their best in the lounge areas, study rooms and dining rooms," a survey of the first year operation concluded.

Men and Women live in acparate wings of the same building but eat in common dining quarters.

"The combination has shown us much better behavior on the part of the students, who seem to view this arrangement as much more normal to the traditions of society," said Don Adams, supervisor of the men's section of the first coed dorm.

The new silhouette of the Cadillac Coupe de Ville for 1963 results from this new roof design. It combines a more sporty look with an air of formality and is responsible for an additional seven inches in the rear deck which adds greatly to the appearance of greater length. In actuality the Coupe de Ville is only one inch longer than last year at 223 inches. The framed-in back window is 38 per cent smaller in overall area.

Queen Martha Reigns at Homecoming

Courier Photo by Mick Smith

Homecoming Queen Martha Coleman (with crown) pictured as she greeted her subjects during the halftime festivities at the homecoming game between the Charlevoix Rayders and the Gaylord Blue Devils.

With her are members of her court (l to r) Shirley Stoel, Doris McBride and Linda Neff. A fourth member, Diane Uhrick, was ill and unable to participate.

The Rayders made it a perfect event for their queen by defeating the Blue Devils 19-6.

A dance followed at the elementary school gymnasium.

Earlier Friday, the homecoming parade was held despite the threat of rain.

The float entered by the Senior class, a massive sewing machine with the theme of "Sew 'em up" won top honors with the Junior class entry, an equally large windmill with "Run 'em through the Mill" as the theme placed second and a big whale which actually spouted water using the theme "We have a whale of a team", entered by the sophomore class placed third.

All other entries were commended for their clever themes and workmanship by the judges, Mrs. Don Carey, Mrs Terry Rice, Robert Lieberman and Fritz Puffpaff.

The Charlevoix high school band led the parade and also participated in the pep rally and coronation ceremony Thursday night and the halftime program Friday night.

The homecoming is sponsored by the Pep Club. This year Joan Riley is president.

Old City Dump to Be Abandoned on Nov. 1

What to do with rubbish and garbage after the city dump is closed Nov. 1 can develop into a serious problem for residents of the community. Efforts of the city council to find a suitable location for a sanitary land fill have been blocked from every quarter.

The latest obstacle started to take shape at an informal meeting Saturday evening when the Marion township board was presented with petitions opposing the plan of the Charlevoix Garbage Service to use its property in Marion township for a sanitary land fill and operate a private disposal service for the community.

Petitions opposing the plan, were signed by residents of both Marion and Eveline townships. No action was taken by the board and none is expected until William Marme Jr., of the Charlevoix Garbage Service applies for a permit to enlarge his operation or attempts to expand without a permit, according to Charles Mascho, Marion township clerk.

For months the city has attenped to establish a sanitary land fill only to be blocked by objections from residents in the neighborhood of the proposed sites.

When it was apparent the city dump would have to be abandoned, the city council proposed an agreement with Lawrence Swanson to establish a sanitary land fill on his property in Norwood township. This brought objections from residents of that area and the township board upheld the objections.

The next proposed site was the city-owned gravel pit located about a quarter mile south of US-31 opposite the airport and in Charlevoix township. The township zoning board conducted a public hearing June 12 on a proposal to rezone this area for land-fill purposes. Petitions objecting to the plan were upheld by the zoning board.

On Sept. 24 the council approved, by resolution, on agreement with Mr. Marme to establish and operate a sanitary land fill on his own property located about three miles from Charlevoix on old M-66. The contract provided that Mr. Marme would receive all of the garbage, trash and waste material of all of the city operations including that picked up and hauled by city crews during the annual clean-up week. The cost to the city would be $2,500 for the year.

Since Mr. Marme was using his Marion township property for disposal purposes prior to the adoption of the Marion township zoning ordinance, he contends he is within his legal rights to continue to use it for such purposes. Some of the opposition has expressed the opinion that he will be violating the zoning ordinance when he carries out his contract with the city because he will be expanding his operation.

Plans are now being considered to call a meeting of the supervisors of the surrounding township in an attempt to formulate a plan acceptable to all. For years the present city owned and operated dump has provided a free disposal area for residents of all of the townships. If a satisfactory disposal area is not established by nov. 1, citizens throughout the area may he faced with the problem of providing their own individual disposal area.

Set October 22 For Annual C of C Dinner

Walter L. Couse, president of the Michigan State Chamber of Commerce, will be the guest speaker at the second annual Chamber of Commerce dinner meeting to be held ot the Weathervane Inn Monday, Oct. 22, Paul Kohler, secretary-manager of the local chamber, has announced.

Mr. Couse has been a director and charter member of the State Chamber of Commerce since its inception in December 1959. He served as president of the Greater Detroit Board of Commerce from 1957-59.

He holds B.S. and M.A. degrees in Civil Engineering from the University of Michigan and is president nf the Walter L. Couse & Co. of Detroit.

He has an illustrious background of executive activitiea in several state and national engineering societies. His many years of active service and experience in all phases of Chamber of Commerce work will be reflected in his message to those attending the annual dinner meeting.

Tickets will go on sale tomorrow (Friday) at the chamber office in the Brown building and at local stores and banks. Chamber directors will also have a limited number of tickets for distribution. The advance sale of tickets will, in all probability, preclude door sales as the seating capacity is limited to 200. Chamber members are urged to purchase their tickets early for the dinner which will feature roast turkey with all the trimmings.

Workers Clearing Two New Ski Runs At Mt. McSauba

The Mt. McSauba aki slopes will have a new look and offer new ski thrills this year with the completion of two new runs, according to Manager Charles A. Meier.

Diresters of the Charlevoix Recreation Corp. and members are holding work-bees every Sunday to clear the runways and grade the slopes. The north is completed except for a little grading of the terrain. Tho west runway, sloping to the shores of Lake Michigan is well underway, Mr. Meier reports.

A new rope tow for the west slope is being constructed by Jesse Penn. Approved safety features are to be built into the construction. The present rope tow on the East slope will also serve the new north slope which is layed out in a curve to bring the skiier back to the bottom of the tow.

Plans are being made to add necessary safety features to the present tows.

Directors and members of the committee assisting at the workbees include Mr. Meier, George Lusk, Maurice Foster, Robert Livingston, Greg Shadko, Robert Neff and Jack Rader.

BETWEEN YOU AND ME

- By Harold E. Kohn -

To be Prayed on an Autumn Day

Eternal Spirit,
Like muted leaves
Upon the amber air
of fall
The russet hours
of autumn
now
drift,
past.

Like the coming of leaves
in emerald May,
And their glorious going
in colorful October,
May my days
Gain luster as they linger,
And my hours
brighten
as
they
pass.

As countless plants
Now strew their varied seeds
upon the winds
That, in far-flung places
Where the flowers
themselves
can
never
be,

Their offspring
may beautify
and
grace the earth,
So spread what little good
that I can do
Far from my sight.

Let it spring up
and
yield abundant fruit
In places
never
known
to
me.

— Amen —

Campus Comments

Marilyn J. Novak, a sophomore at Central Michigan University last semester, was among the 459 students listed on the scholastic honors list for the second semester of the 1961-62 school year.

The honors students have cumulative grade point averages of 3.00 or higher.

She is the daughter of Mr. and Mrs. Max Novak and has returned to the campus at C.M.U. to begin her third year studies.

Lynette M. Mayne, a sophomore in the School of Pharmacy at Ferris Institute is among the students who pledged to one of the Greek letter organizations at the college during the recent rushing activities.

She pledged Lambda Kappa Sigma Sorority.

She is the daughter of Mr. and Mrs. Hugh Mayne.

Miss Patricia Ann Smith Is Bride of Jerry L. Drost

The Assembly of God church was the scene Friday afternoon of the wedding of Patricia Ann Smith and Jerry L. Drost.

Parents of the couple are Mr. and Mrs. James W. Smith and Mr. and Mrs. Cecil Drost.

The Rev. A. A. Austin officiated at the double ring service in the presence of more than 125 guests. Arrangements of pink gladioli and white carnations decorated the altar for the ceremony. Mary Jane LaCroix of East Jordan was the soloist. She was accompanied at the piano by Mrs. Ruth LaCroix, also of Esst Jordan. Mrs. Dawson Way, at the organ, played a program of traditional music and the wedding marches.

Given in marriage by her parents, the bride selected a ballerina length gown of white lace for her wedding. Fashioned with a fitted bodice, cap sleeves and scooo neckline, the gown featured a bouffant overskirt of net. A tear-drop crown secured her fingertip veil. She carried a bouquet of pink and white carnations.

Mrs. Willard Drost, aunt of the bridegroom, was matron of honor. She wore a light green sheath dress styled with a draped bodice and a clip hat and veil and carried a bouquet of light green tinted baby mums.

Mr. Drost assisted his nephew as best man. Seating the guests were David Austin and Joseph Clarke.

A reception followed at the home of the bride's parents.

Following a week'a wedding trip to Detroit, the couple will be at home on M-66 Charlevoix. For traveling the bride selected a navy suit and winter white accessories.

Both are graduates of the Charlevoix high school. The bride is employed at the Sugar Bowl reataurant and the bridegroom at the Kroger Co. store here.

Shakespeare Club Activites begin With Luncheon

A joint meeting of the Shakespeare and Dickens Study Clubs will be held at the home of Mrs. Malcolm MacDowell Tuesday.

Other officers who assumed their dutics for the club year were Mrs. Don Anders, vice-president; Mrs. Roy Raymer, secretary; and Mrs. Richard Edwards, treasurer. Mrs. Karl Erber is the retiring president.

The program for the coming year was discussed with thirty-five members present.

Heads County Womens Committee For Romney

Mrs. Gordon Freedman has been appointed Charlevoix county chairman of the Women's committee for Romney.

Working with her will be Mrs. Charles Bellinger, Mrs. Russell Curtis, Mrs. Don Anders, Mrs. Robert Wexstaff, Mrs. Ed Edwards, Mrs. Don Carey, Mrs. Alun Bevin. Annabelle Cunningham, Mrs. H. E. Paddock, Mrs. Hal Hill, Mrs. Lester Smith, Mrs. Robert Hamilton and Kay Fitch.

The aim of the committee is to get reaction to voters to the Romney campaign and forward suggestions to his headquarters.

Mr. and Mrs William Dunson Are Living in East Jordan

Mr. and Mrs. William S. Dunson have returned from a wedding trip to Niagara Falls to make their home in East Jordan. The couple was married Sept. 15 at Christ Episcopal church.

The bride is the former Lynn E. Leppa, daughter of Mrs. Louis R. Bathke of East Jordan. Mr. and Mrs. William S. Dunson Sr. are the parents of the bridegroom.

The Rev. Alexander Wood officiated at the double ring service. Mrs. Cheater Belfy was the soloist and Mrs. S. E. Coleman the organist.

Given in marriage by Mr. Bathke, the bride wore an Alencon lace and taffeta gown. Her fingertip veil fell from a crown of irridescent pearls. She carried a white prayer book topped with an orchid.

Dawn Moore and Betsy Ernst of East Jordan, as maid of honor and bridesmaid, wore gowns of blue chiffon and Alencon lace and blue floral headdresses and carried old-fashioned bouquets of blue and white mums. Kathleen Ferrington of Milan, cousin of the bride, was flower girl.

Eric Bsishlag of East Jordan assisted the bridegroom as best man. Robert Denise also of East Jordan, was the groomsman and Charles Boss of Ann Arbor, cousin of the bride, and Louis Dunson of East Jordan, brother of the bridegroom, seated the guests.

A reception followed in the church parlors with Mr. and Mrs. John M. Boss of Ann Arbor as master and mistress of ceremonies.

"Just for Everyday"

Are you one of the "It's just for everyday", girls? If so, may I ask just what "just for everyday" means to you?

I'm sure that the phrase refers to an item purchased to fill a need, to satisfy a desire, to look good, to feel wonderful, to fit well and to take plenty of good constant wear.

If this is your interpretation then I can go on to say that a "just for everyday wear" girl is one who shops intensely to get style, fit and wear from an allotted number of dollars; regardless of what the item may be. And this girl won't start with price first—she will measure price, after she has measured qualifications. This girl shops early, without pressures to get the most for her money.

To get into stylized, warm sleepwear now—is a bit early, But to plan, shop and select properly is right—right now.

Fay's selection of Stylized-Warm-Winter-Sleepwear is now the greatest. Be as good to yourself as you are to your friends. Get yourself a gift of cozy sleepwear—get your friends gifts of cozy Munsingwear Sleepwear—and everybody will be cozy this winter.

Crooked Tree Girl Council Organized to Serve Area

The staff of the recently organized Crooked Tree Girl Scout Council serving an 11-county area has been announced by Mrs. Clifford Lindstrom of Traverse City, president of the board of directors.

They are Mrs. Hugh Warner, executive director and Mrs. Louis Dunn.

Mrs. Warner comes to the new council with 25 years experience in Girl Scouting.

A graduate of Central Michigan University, she has done graduate work in education and group administration at the University of Michigan, Northwestern University and the University of California.

While teaching art and handicrafts at the Coldwater State School for the mentally retarded, she was a leader of the Girl Scout troop for five years. She also worked as a camp staff worker in area recreation and Y.M.C.A. camps and at the school.

In 1941, she attended Camp Edith Macy, the Girl Scout National training school in New York on a campership for leadership training and returned in 1942 for professional training. She has served as executive director in Muskegon, a member of the professional staff in San Francisco, volunteer senior leader and part-time professional trainer at Grand Haven and all of lower Michigan on assignment from the regional office. For the past three years she has been a staff worker in the Grand Rapids office of the Michigan Trails Council as district advisor, camp director and program and training advisor, specializing in adult education assignments.

Mrs. Dunn has been a professional worker as district advisor for the past six years for the former Traverse City Council. Her professional training includes the initial training course, institutes and conferences. She is now district advisor for Grand Traverse, Benzie and Leelanau counties.

Before entering professional scouting, she taught in both upper and lower peninsula schools, having majored in music at Eastern State University. She has been a counselor at a health camp and on the staff of a Farm Bureau camp.

For the past six years, she has directed the Girl Scout project of working with migrant girls in the area and in 1961 was coordinator for the council's part in the color movie "This is Girl Scouting" recently released for use all over the country.

Mrs. Lindstrom, president of the Crooked Tree council, is a former teacher in the School for the Deaf in Flint and has served as a volunteer in the various phases of Girl Scouting. A native of Baltimore, she attended Friend's School and is a graduate of the University of Michigan and Ward-Belmont. She came to Traverse City in 1952.

She is presently on a European trip where she plans to visit Girl Scouts and Girl Guides in France, the Girl Scout Chalet in Switzerland, Belguim and the Girl Guide 'Ark' in England before returning home in November.

Counties included in the Crooked Tree Council are Emmet, Grand Traverse, Antrim, Kalkaska, Leelanau, Benzie, Manistee, Wexford, Missaukee, Mason and Charlevoix.

Ramblers for 1963 Newly Styled

The 1963 Ramblers look much longer with their all-new styling, but actually are more than an inch shorter than past models. Overall height is reduced three inches without sacrifice of interior room and wheelbase is increased to 112 inches. A naw body construction technique is used on tha '63 Ramblers for the first time. Curved side glass is standard on the 1963 Rambler, the only low-priced car to have this custom feature. Shown is tha Rambler Classic 770 four-door sedan with 138-horsepower six-cylinder engine. Tha standard Six engine develops 127 horsepower. Tha E-Stick automatic clutch transmission is availabla on the Classic for 1963. The Ambassador V-8 powerplant is rated at 250 horsepower with an optional 270-horsepower version available. Tha Double-Safety braka system and lifetima ceramic-armored muffler and tailpipe are standard on all models. Thay go on sala October 5.

NCMC Students to Sponsor Celebrity Lecture Series

Ticket sales for the 1962-63 North Central Michigan College celebrity Lecture series started Wednesday, according to Dean A. D. Shankland.

Sponsored by N.C.M.C. Student Government and M.S.U. Continuing Education Center at Traverse City, the series is for the purpose of making available unusual lecture programs to students and adults in the area.

Three lectures plus an afternoon bonus lecture will be presented this year. Willie Ley, a German-born scientist who came to this country in 1935 will launch the series with his talk on "Conquest of Space". He is regarded as a foremost authority on rockets, missiles and space travel.

At 1:30 p.m. Wednesday, Nov. 14 Salom Rizk will speak on the topic of "Syrian Yankee", presenting an unusual view of America and Americanism as seen through the eyes of a foreign young adult.

Denis Warner will present "Is Southwest Asia Lost to the West?" As Australia's most famous correspondent, he lives in Melbourne but spends at least four months of the year in the far East in search of background stories that make headlines around the world. He has visited most parts of the world including Moscow.

The final presentation will be John Mason Brown, Book of the Month club judge and editor-at-large of The Saturday Review, who will be speaking Apr. 1 on "Seeing Things". He has won wide acclaim as lecturer, author and critic. He is working on a biography of Robert Sherwood at the present time.

All lectures will be at the Petoskey high school auditorium at 8:15 except for the Nov. 14 lecture which will be at 1:30 p.m. Tickets may be obtained at the college office, Kilborn's book shop or from a college student.

Review of Minutes

Charlevoix School District

Millage to underwrite the last payment on the $225,000 bond issue approved in 1951 to build the four-room addition to the elementary school and the structure now used as the elementary school cafeteria and classrooms will appear on this year's tax bill following action taken at the regular meeting of the board of education Monday.

One-fourth mill will be levied with the resulting revenue to be combined with monies from delinquent taxes to retire the final $5,000.00 bond. Other bonds due in 1963, '64 and '65 had been retired earlier. The millage to retire this bond issue has not appeared on the tax bill for two years.

Clarence Rabach of Charlevoix township, Lee Sneathen Jr. of Hayes, Clyde Warner of Norwood and Clyde Cunningham of Marion townships and Lawrence Feindt, city assessor, appeared before the board to receive an explanation of the levying of the ¼ mill which they had considered paid. It was explained that the five $1,000 bonds due this year had not been called and that the remainder of the reserve fund and delinquent taxes which had come in during the two years lacked $4,000 of making the final payment. Thus the levy of ¼ mill for 1962 was necessary to meet the debt obligation. With the redemption of these bonds the 1951 bond issue will be retired.

The adoption of an insurance plan which would give coverage of full replacement value to five units including the elementary and high schools, library, garage and shop in the amount of $1,719,528 and costing an average premium of $886 a year was approved. The program, known as Plan III of the Public and Institutional Property Insurance, was presented by the Carey Insurance Agency.

A report was given on the plan for playground supervision at the elementary school during the noon hour. Supt. R. G. Bennett said Jill Stewart had been engaged to supervise the playground; that Mrs. S. E. Coleman had been engaged for one hour each noon to assist with the clerical work connected with the elementary hot lunch program; that several applications were being considered for library assistant for the public and school libraries and that another bus for the Norwood and Marion Center and southwest section of town in order to transport kindergarten youngsters had been placed in operation.

Mr. Bennett also presented the details of the guidance and counselling program and the need that it be extended and also the need for developing a more complete remedial program in the high school.

The question of proper dress for students in the high school was discussed, with a feeling that slacks and blue jeans are not appropriate dress in school. Also considered was the possibility of having a place to change in dress from slacks to dresses for those who, because of weather conditions, might find it practical to wear slacks to and from school. A final decision as to the requirement was posponed until the next meeting.

Darrell Dinwiddie, president of the board, reported on a recent meeting between representatives of the bonding company, architect, contractors and the board of education. As a result it was decided to file an answer to charges of claims made by Wallace N. Bjorklund. He also reported that the insurance company was investigating and stating the final claims of all of the claimants against Bjorklund Construction Co. The board was in agreement that no settlement be made with the insurance company until the possibility of suit against the board of education be eliminated. This issue was in regards to the construction of the new high school.

A report was made on the sidewalk needs. The issue was left for further study with the City Superintendent. Steve Paterka appeared before the board to ask that the school bus route be changed so that youngsters boarding the bus at US-31 N at the Will-Flow Co. factory would not have to eross the highway in the face of heavy traffic. The bus will not turn the corner before taking on or discharging passengers. The payment of delinquent taxes for 1960 in property where the school bus was constructed was approved. The amount was $63.88 less the amount paid by the previous owner before the transfer of property.

Bills totaling $3,414.72 were approved and ordered paid. Among the 48 bills included on the list were $665.15, county treasurer; $455.07, Lakeshore Tire and Supply Co.; $313.25, Michigan School Services Inc.

SUNDEW REPORT

The CGC Sundew made another of its oft-repeated tripts to Sault Ste. Marie the 24th of last month. This trip included an excursion through the Soo Locks into Lake Superior where 'off Whitefish Point light, we calibrated our Radio Direction Finder.

We then returned through the Locks to Coast Guard Base Soo where we loaded the first nine of our new electrically lighted buoys. The few acetylene gas burning buoys still guarding their stations will be removed from our area of responsibility for the last time this fall, to be replaced next spring with the new buoys. Those and other outdated aids to navigation equipment are slated for more service in Indonesia and other new and developing nations as a part of our country's assistance program.

Upon our return from Coast Guard Base Soo, we had to make haste unloadinw our new buoys to ready the ship for an important occasion, the commissioning ceremonies for the attractive new Charlevoix Life-boat Station which were held on Saturday, 29 Sept. Speeches were given by Charlevoix's mayor pro tem, Ed Hansen; Bill Carey, president of the Chamber of Commerce; Capt. Carl Stober, Captain of the Port, Chicago, and the man who keeps the tankers going during the winter ice season; Lieutenant Commander Francis J. Mann, Commanding Officer of the CGC Sundew; Chief Boatswain Albert J. Bates, the Group Commander of all Coast Guard light stations and Lifeboat stations from Grand Traverse Bay north through the Straits into northern Lake Huron; Chief Boatswain's Mate Leo R. Norton, who is the Officer-In-Charge of Charlevoix Lifeboat Station. All the talks were centered on a common theme: the role the Coast Guard plays in maritime safety of the whole area and the importance of Coast Guard personnel in the community of Charlevoix. Throughout the program were interspersed delightful and entertaining interludes performed by the Charlevoix high school band under the able direction of C. A. Odmark. Following the ceremonies, residents of the Charlevoix area visited the new station and the CGC Sundew.

The following week found us on a logistics run to Coast Guard Base Milwaukee. The cruise allowed ample time for emergency drills to insure a high level of unit readiness. After a brief stay in Milwaukee and an uneventful return cruise we arrived home in Charlevoix late Thursday night. As always, the familiar pierhead lights looked infintely more beautiful as we entered Charlevoix than they looked as we departed.

The Sundew is presently preparing itself for the busy buoy decommissioning season which begins the 15th of October. Thirty-seven lighted buoys and many more unlighted buoys must be removed before the ice starts in. In many cases, unlighted buoys will replace the lighted buoys for the winter season. Recently added to our agenda is a towing operation involving the movement of a Coast Guard barge from Muskegon to St. Clair flats near Dteroit.

Sundew Scuttlebutt

Chief Boatswain's Mate Robert D. Lucas has joined the Sundew crew to direct the buoy deck operations. He moved here last month from Ludington, Mich., with his wife and their five children.

Jim Lewicki, Commissaryman Second Class, and his wife, Lorrie, are the proud parents of a son born Oct. 4.

Bill Schulte, Storekeeper Second Class, departed the Sundew on Friday on transfer to the headquarters of the Ninth Coast Guard district in Cleveland. Two other membera of the Sundew's crew departed the same day. Dick Porm completed his 45 days' reserve training period and deported for home in Mishawaka, Ind., and Frank Stouffer, Electronics Technician Second Class, was discharged to civilian life having completed his first enlistment.

Recent arrivals are William (Scoop) Felkner, his wife and their three boys. "Scoop" reports here from CG Base Detroit.

The Wm. Parsons To Greet Guests at Open House Sunday

Mr. and Mrs. William Parsons will greet their guests at an open house honoring their silver wedding anniversary from 2 to 5 and 7 to9 p.m. Sunday at their Norwood township home.

Hosting the event will be Mrs. Ivan Parsens, Mrs. William Jolliffe assisted by Mrs. Gail Brintnall of Hudsonville and Mrs. Archie Murphy of East Jordan.

Charlevoix Upsets Gaylord Blue Devils 19 to 6

★ ★ ★

Rayders Hold First Place In Northern Michigan C League

In a hard-played game in which they showed increased initiative on offense and sharp, clear-cut play on defense, the Charlevoix Rayders took over sole possession of first place in Northern Michigan Class C standings by upending the Gaylord Blue Devils 19 to 6 Friday night.

This week the Rayders will travel to Harbor Springs to take on the rejuvenated Rams who led Mancelona until midway in the final quarter in an unexpected show of strength last week.

In Friday's game, the Rayders gained possession of the ball early in the game after jarring a Gaylord player loose from the ball and recovering the fumble. With the game only 3½ minutes old, John Pearl went over from the one-yard-line to give Charlevoix a 6-0 lead. Frank Curtis plunged over from the one-foot line on the first play of the second quarter to score, giving the Rayders a 12-0 halftime advantage. Pearl scored again in the final period before Gaylord got their single tally in the final minute of play to prevent a shut-out.

Charlevoix's Larry Edwards kicked off to Gaylord who took the ball on their own 12 and moved it to the 16 where the Blue Devils fumbled and the Rayders recovered on the 11 yard line. With Curtis, Pearl and Dave Smith carrying the ball, the Rayders advanced to the one yard line on four plays. Pearl then plunged over for the touchdown with 8:29 remaining in the game. Edwards kick for the conversion was wide.

Charlevoix again kicked off to the Blue Devils who picked up 12 yards to the Rayders' 48 yard line for a first down before being forced to punt after failing to pick up necessary yardage on the next series of plays. A pass from Pearl to Brendan LaBiance and running plays by Herb Cummings, Smith, Pearl and Curtis resulted in three first downs, as they moved the ball from the Rayder 30 to the Gaylord one foot line as the quarter ended.

On the first play of the second quarter, Curtis went in to score behind the Charlevoix line which consistently opened holes in the Blue Devils defensive line to permit Rayder backs ground gains on almost every play.

The Rayders kicked off to Gaylord who took the ball on their 37 and moved to the Charlevoix 27 where their attack bogged down and Charlevoix took over on downs. Charlevoix advanced to the 41 where they fumbled and Gaylord recovered on the 35 yard line. Later in the period the Rayders regained possession of the ball on downs, picked up one first down and seemingly were on their way to another touchdown when Gaylord intercepted a Rayder pass at midfield. The Gaylord passing attack started to click as they moved to the 35 where they fumbled on the final play of the half.

The Rayders took the kickoff to open the second half and, despite a 15 yard penalty, marched from their own 30 to the Rayder 22 where they fumbled with Gaylord recovering. Gaylord failed to capitalize on the break, however, and were forced to punt. The Rayders took the ball on their own 39 and marched to the Gaylord 39 although two major penalties made the going rough.

The Rayders were then forced to punt but regained the ball two plays later when Rick Miller intercepted a Gaylord pass on the Gaylord 29 yard line. Smith picked up three yards and Curtis 24 in three ground plays to put the ball on the four yard line. Pearl then went over on a quarterback sneak with 7:40 remaining in the game. This time Edward's kick was good and Charlevoix went ahead 19 to 0.

Gaylord took the kickoff but lost possesion of the ball on the first play from scrimmage when Bruce Kroken interecepted a Blue Devil pass. After picking up a first down and moving to the Gaylord 19, Gaylord intercepted a Rayder pass and started a march as the Rayder second and third string squads failed to hold the Blue Devil offense to put the ball in scoring position with a minute remaining. A pass from Ron Snell to Tom Measell on a five yard play gave the visitors their single touchdown.

Charlevoix had the ball on the Gaylord 34 after taking the kickoff and picking up 18 yards on four plays as the game ended. ....

Others who saw action for the Rayders were Al Wojan, Dick Odmark, Mike Bost, Charlie Mitchell, Tom Browe, Del Terrill, Joe Smith, Dave Novotny, Dan Pearl, Jack Stockwell, Pete Ance, Howard Herriman, Gerry Anderson, Bob Odmark, Nick DeYoung, Andy Loe, John Ochs, Lewis Poole, Ray Bascom, Terry Geer, Ben Cunningham, Dale Sanford, Jim Stewart, Howard Majors and Bob Weislik. Dave Rader and Rich Grunch have been out of the line-up with injuries and did not aee action.

Courier Photo by Mick Smith

The Rayder defensive squad is pictured in action here with an unidentified Rayder, Dave Smith (22) and Herb Cummings (11) responding to the order to "Stop that man". The defensive team held the visiting Blue Devils to one TD scored late in the game.

This Week With Class "C"

The Charlevoix Rayders will travel to Harbor Springs Friday to take on the Rams in the Ottawa stadium while Boyne City will be hosting Pellston and Gaylord entertaining Mancelona in battles for possession of second place in league standings. A fourth game will find Grayling playing at East Jordan.

The Charlevoix Rayders, holding down first place in loop standings, will be defending their hard-earned position when they go against a rejuvenated Rams squad Friday.

The Rayders, fresh from a 19-6 win over Gaylord, played sharp, heads-up ball in their meeting with the Blue Devils and will have to play equally good ball from now on if they are to retain their lofty position. Dave Rader isn't expected to be back with the team for this game and may be lost for the remainder of the season so Ben Cunningham, who replaced him in the line-up Friday will be expected to take over his duties, a difficult task for an understudy. Unless injuries hit the squad during the week they should be at full strength for this game.

At Harbor Springs, Coach Charles Paige has managed to whip a young inexperienced lot of youngsters into shape in a short time. Although they occupy the cellar position with Grayling, the Rams held their own for a good part of the game against Mancelona, leading until the final six minutes of play when the Ironmen went ahead for the first time, 19-14. A 200 pound freshman, George Kilborn, has taken over the quarterback position when not alternating at the fullback spot. Tom Pifer alternates between the quarterback and halfback positions and George Lauer holds down the other backfield slot. Dave Reyner and Jim Cassidy also share backfield duties with the above mentioned players. The defensive team led by Mickey Heinz, the only veteran on the squad, has done a good job of holding off the opposition which has had to skirt the line rather than go through it.

Charlevoix will be favored over the Rams but these youngsters are a determined lot and victory will not come easily.

The big game of the week will be the meeting between Boyne City and Pellston. The defending champions won over Grayling (25-0) without the services of Bill Darbee who is recuperating from a leg injury. Coach Paul Pahler is hopeful that the young back will be able to play this week, thus giving the backfield much-needed depth. If Darbee returns the team will be at full strength.

The big, versatile Pellston Hornets, remembering humiliating defeats at the hands of the Ramblers, will be out, en force, to topple the former champions. The Hornets can run, through and around the line, and pass to halfbacks or ends, all behind a forward wall that most opponents have been unable to penetrate. Their experienced backs have speed and 'savvy' making them a threat on every play.

Though the Ramblers have played some excellent ball this fall, they will go into this game as slight underdogs because of the Hornets size and experience.

Gaylord and Mancelona, tied with the Hornets and the Ramblers for second place, will also be battling for possession of their current standing. Mancelona will find themselves trying to contain the explosive Blue Devils backs while Gaylord will have to halt Pat Dutcher and Bill Bushard. This will probably be the closest game of the night with the outcome a toss-up.

Grayling showed more spunk than they had all season when they held the Boyne City Ramblers to four TDs' last week. Coach Don Ferguson said Sunday that Gary Luckstead would be back in the line-up but that Harvey Merrithew, who hurt his knee in Friday's game, might see only limited action. Though they played their best game of the season and were badly bruised, the Vikings are expected to give the Jordanites a good game.

The Red Devils, stinging from their lopsided loss to Pellston, will be out to even the score when they take on the Vikings. With big Don Roberts and his scrappy team-mates getting back in stride, the Jordanites should come through with a win to hang on to their third place standing.

Last Week With Class C

Four of the eight teams in the Northern Michigan Class C loop are tied for second place in league standings following Friday's action during which Charlevoix dumped Gaylord 19 to 6; Pellston rolled over East Jordan 26 to 6; Mancelona edged Harbor Springs 19 to 14 and Boyne City upended Grayling 25 to 0.

Pellston 26, East Jordan 6

A fumble by East Jordan on the first play from scrimmage following the kickoff with Ed Clear recovering for Pellston set up the first Hornet touchdown as Randy Bricker scored from 16 yards out after moving the ball from the 35 on two line plays.

East Jordan came back later in the period when Don Roberts plunged over from the one to knot the score. However, the tie was soon broken as a second recovered fumble accounted for the Hornets second TD as Bricker passed to End Stan Bodzik for 40 yards and a touchdown with 3:30 remaining in the half. After getting the ball on downs, Pellston marched to the 12 where Mike Thompson pitched to halfback Roland Lempke for a touchdown. This time Vern Hiar ran the ball over for the conversion after scooping up a bad pass from center.

As the final period got underway, Doug Lavasson intercepted an East Jordan pass on the 40 and returned it to the 35 to set up the Hornet's final touchdown. A pass from Thompson to Bricker moved the ball to the three where Stan Swiss took it over to score. Hiar booted the conversion as the game ended.

Mancelona 19, Harbor Springs 14

In a surprise move, the Harbor Springs Rams led the Mancelona Ironmen for most of the game before the latter got off a pass play for the winning margin.

The Rams' 204 pound freshman quarterback George Kilborn went over the five on a sneak and George Lauer booted the conversion to give the visitors a 7-0 lead early in the game.

Summer Recreation Program Attracts 8,058 Participants

Charlevoix's city-sponsored recreation program during the recent summer was the most successful in the community's history with a total of 7,058 active participants and an estimated 19,542 non-active participants, a report by the director, Dean Davenport, reveals.

The number of active participants in the program include the following: Softball, 409; teen dances, 450; swimming instruction, 164; swimming races, 90; shuffleboard, 5,758; track and field day, 150 and tennis school, 26.

Nonactive participants based on a beach count between 2:30 and 3:30 p.m. daily and a nightly estimate of softball attendance included 12,282 at the three beaches where lifeguards are stationed and 7,280 attendance at softball games.

This adds up to a total of approximately 26,800 people of all ages who are benefiting in various ways by the recreation program.

A breakdown of the totals follow: Softball: Men's league, four teams, 56 participants; Senior or Blooper, four teams, 60; Junior, five teams, 75; Peanut, seven teams, 112; Women's, four teams, 52; Girls, two teams, 30 and PeeWee, two teams, 24 participants.

Teen Dances: Venetian weekend, 325, and Aug. 16, 125 or a total of 450 participants.

Swimming: Red Cross instructional program: 103 beginners; 27 advanced beginners; 21 intermediates and 16 swimmers for a total of 164.

Swim races: boys, 50 including 27 juniors and 23 seniors; girls, 40 including 22 juniors and 18 seniors.

Beach attendance at the three major beaches follow: June: Depot, 485; Ferry ave., 350; Lake Michigan, 400. July: Depot, 3690; Ferry ave., 1942; Lake Michigan, 4165. August: Depot, 3720; Ferry ave. 2485; Lake Michigan, 6045. Totals: Depot, 7895; Ferry ave, 4777; Lake Michigan, 9610, or a grand total of 12,282 for the summer season.

There were no drownings or near-drownings reported by the lifeguards stationed at the city-supervised beaches. However, there was a total of four saves made during the year, three of which involved infants in shallow water.

The shuffleboard program attracted 1410 paying players in July and 4339 during August and first week in September for a total of 5,758 participants. The annual tournament was held late in August.

The tennis school had 28 enrollees including 11 in the 10-11 year age group; eight in the 12-13 age group and nine over 14 years of age.

The track and field meet had a total of 159 participants including 52 junior and 45 senior boys for a total of 97 and 37 junior and 25 senior girls for a total of 62.

State Requires Truck-Trailers to Be Reweighed

Operators of commercial vehicles and trailers applying for license plates after Nov. 1 will be required to submit current weight certificates, according to George LaBlance, manager of the Charlevoix branch office of the Secretary of State.

Full year and half year license plates for 1963 will be placed on sale Nov. 1 throughout the state. Commercial, farm commercial and trailer license applications are now available. The reverse side of these applications contain a space for a weightmaster's certificate.

Passenger car plates for 1963 will be a tab to be attached to the 1962 plates, Mr. LaBlance said.

EXCEP-TIONAL CHILD

In the education of handicapped children, there are two concepts, fundamental to all education, which are so basic that they are frequently overlooked. The first of these is that public education is one of the inalienable rights of every child. This concept allows for no exceptions, even among the handicapped. The second is that handicapped children are essentially like so-called normal children. They are children first, and handicapped children second.

Any plans for the education of handicapped children must be based on recognition of both their basic needs as children and their special needs as handicapped children. Frequently, the special needs of these children are such that they can be met best with those services we term "special education."

Sound educational principles dictate that these special education services should be applied only when they are demanded by the needs of the child. The regular classroom is the best educational environment for any child to meet his basic needs. Achieving social and emotional maturity is not easy even for a child without disabilities; it is frequently very difficult for the handicapped child. It can be attained only through relationships which build mutual confidence and respect.

This is one of a series of Michigan Press Association Education features published as a public service by the Charlevoix Courier in cooperation with the Michigan Education Association.

how's this for exploding the myth that cars have to be expensive to look it! Tempest '63

Maybe you can tell the difference between Pontiac's Tempest (especially that Le Mans) and the high-priced jobs. Besides having a 4 that acts like a V-8, Tempest sports a new 260-hp V-8* that acts like nothing you ever got your hands on before. And besides its beautiful balance, Tempest has Wide-Track this year. And self-adjusting brakes and a tachometer* and fetching style and all kinds of niceties that'll make your Tempest smoother and tougher. About all it doesn't have is a big fat price tag. of plays, scored on a five yard plunge but the kick was wide and the Rams held to a slim lead.

Before the quarter was over Kilborn got off for a 25 ward run and Lauer added the conversion point for a 14 to 8 halftime advantage.

The third quarter saw the Ironmen trim the Rams' margin to one point when quarterback Pat Dutcher pitched to end Berry Moeke for a TD on a 10 yard play. Dutcher then passed to end Dave Pruden for the conversion to make the score 14 to 13.

It wasn't until the six minute mark in the final period that the Ironmen went ahead for the first time on a 20 yard sweep by Dutcher, He then passed to Pruden for the conversion and the victory.

Boyne City 25, Grayling 0

Quarterback Larry Gunderson was again the big gun as he romped to three Rambler touchdowns against the Grayling Vikings who player their best game of the acason Friday.

Gunderson, on a roll-out, scored on a 25 yard run to put the Ramblers ahead. Bob West scored from the eight in the second period for a 12 to 0 halftime lead.

Gunderson added two more in the third period on a 45 yard run and one yard plunge with Ron Hausler scoring the conversion point on a pass from Gunderson.

The Ramblers played without the services of Bill Darbee who is recuperating from a leg injury.

Grayling's Carl Luckstead was hospitalized following the game with a possible concussion.

Citations Awarded at Dinner For Community Chest Workers

Community Chest campaign workers, numbering more than 140 from throughout the Charlevoix area, were honored at a victory celebration, a chicken supper at the Holiday Terrace Hotel Wednesday to mark the successful conclusion of the 1962 drive to raise $11,278.00 for 12 local and 48 state and national agencies.

An outstanding feature of the program was the announcement that three residents of the community had been selected for Honorary Members of the Charlevoix Community Chest organization. The announcement, made by Mrs. Dean Davenport, president of the board, cited Robert Bridge, Gordon Freedman and Miss Frances Martin for their "outstanding service to the public welfare, especiolly to the Community Chest".

While making the presentations of Honorary Members, Mrs. Davenport unveiled a framed scroll on which the names of the three members were inscribed. The scroll is to be displayed in the City Hall. The names of future citizens selected by the board of directors for honorary membership are to be inscribed on the scroll.

Hosting the victory dinner were Consumers Power Co., Charlevoix State Savings Bank and the Charlevoix County State Bank.

Members of the Community Chest board of directors expressed their appreciation for the excellent job done by the volunteer workers by donning aprons and assisting with the serving of the dinner, the first event of its kind ever held in Charlevoix.

Guests, in addition to the workers, were B. D. Hilty of Traverse City, representing Consumers Power Co., Robert Bridge of the Charlevoix County State Bank and P. D. Campbell representing the Charlevoix State Savinga Bank.

Others present representing local industries and the U. S. Coast Guard were: Gordon L. Freedman of Freedman Artcraft, John Lachman of the Hoskins Co, Hal M. Hill of American Mold, Leland Hausler of Consumers Power Co., Don Johnson of the Bechtel Corp., Cmdr. Francis J. Mann of the U.S.C.G. Cutter Sundew and Albert J. Bates, ChBosn W-4, of Coost Guard Group Charlevoix.

Mrs. Charles A. Duerr, executive secretary of the Community Chest, was mistress of ceremonies, outlined the results of the drive, quoting the totals raised by each division and commending the volunteers on their excellent performance during the campaign.

Mrs. Robert G. Martin, substituting for Dr. Martin, campaign choirman who was unable to attend, also commended the workers on their thoroughness in moking every call and their promptness in completing the campaign in record time and not allowing it to drag along for weeks. She concluded by saying that Dr. Martin was hopeful that everyone would be on hand for a "repeat performance" at campaign time next year. Mrs. Martin also gave the invocation.

A surprise feature of the dinner was the "Candid Camera" presentation of various workers from all divisions of the campaign. These pictures, many of them old photographs or unusual ones, came as complete surprises to the workers. The audience was asked to identify the worker as the picture was flashed on a screen.

The Linnaires composed of Byron Wright, Phil Wright, Fritz Puffpaff and Bill Carey, sang several selections.

Bechtel Corp. Presents Model Of Atomic Plant to C.H.S.

Charlevoix high school science students will have a greater understanding of the structure and operation of the Big Rock Nuclear plant following the presentation of a scale model of the spbere complpete with equipment and shielding structure by the Bechtel Corporation of San Francisco, contractor and builder of northern Michigan's first nuclear power plant

The presentation was made at a special assembly Fridoy by William C. McKinley, project superintendent, and John Wight job engineer, for Bechtel.

In the foreground is the model, with the plexiglas top removed, with H. E. Bingham, high school principal, Mr. Wight, John R. Veenstra, science teacher, Mr. McKinley and Supt. R. G. Bennett examining the blue prints for the sphere section of the $27 milllon plant which accompanied the model.

In presenting the gift to the school in behalf of the Bechtel Corp., Mr. McKinley told the students he hoped that the model would aid them in learning more about nuclear reaetors, the pawer source of coming generations. Mr. Bennett in accepting the gift, expressed the gratitude of the school for the model stating it would be placed in the school where it would be accessable to all students in order to better acquaint them with this type of power plant. He added that it had been a pleasure to have representatives of the Bechtel Corp. in the community during the time the plant was being constructed and to have them become so much a part of Charlevoix during their stay here.

Following the presentation and acceptance, Mr. McKinley and Mr. Wight answered questions asked by the students.

The model was built in San Francisco for the express purpose of aiding engineers in designing the plant. When the plans were completed, Mr. McKinley asked to have it sent to the plant site where it aided greatly in building the sphere, especially in the early stages of construction.

As the project nears compiebon, Mr. McKinley requested and received permission from the San Froncisco office of the compony to present it to the Charlevoix high school.

Make $11,000 Cut; Approve Pensions

Austerity was the keynote of the Charlevoix county board of supervisors as its members sought to balanee the budget without eutting the services of the various departments.

After six days, the board adopted a budget of $284,045.85 for 1963 before adjourning late Saturday. The adopted budget was $11,304.90 less than the 1962 budget of $295,350.75 and $79,247.40 less than the tentative budget set up in April, County Clerk Fenton R. Bulow reported.

Largest single appropriation trimmed from the budget was $20,000 for airport improvement in the county which would have run for four years.

The six mills allocated to the county and levied on the state equalized valuation of $47,195,986 will raise $283,175.92 toward the 1963 budget, leoving the remainder to come from fees and other sources.

The largest appropriation in the budget remains the welfare department which was given $72,500 for 1963, a decreose of $2,500 from the $75,000 given the department in recent years.

Increases in the budgets of the verious departments allowed only for the anticipated 'cost of living' increase and not for any new equipment, salary increases (except in three cases) or any 'extras', Lee Sneathen Jr., chairman of the board, said regarding the board's efforts to balance the budget. Monies to estoblish the retirement program for all county employees are not already covered by it will come from the budgets of the respective departments. This program was adopted in lieu of salary increases.

No allowances were made for new equipment, repairs on equipment or buildings. Expenditures for these will have to come from the special sinking fund in which monies fram fees and rentals are deposited. The fund was established orginally to underwrite the cost of remodeling the jail when this became necessary.

In an effort to better acquaint the public with the problem of operating the county, the Charlevoix Courier is printing the budget, as approved for 1963, using the 1962 budget figures for contrast. (See itemized budget on page 12).

Parent-Teachers Hear Discussion on Law Enforcement

A panel discussion relating to narcotics, alcoholism and safety was a feature of the first meeting of the P.T.A. held Wednesday at the Elementary School Cafeteria.

Participating in the panel type program were Harvey C. Varnum, Charlevoix county prosecuting attorney, Sheriff Glenn E. Rose, Probate Judge John Makel and Sgt. Glen Dafoe of the Petoskey State Police Post.

Judge Makel pointed out that his court had jurisdiction over children only after they beeame delinquents. He urged that the community establish an organization to aid these children before they reach a point where they came into his court. He said other communities had been successful in operating such an organization.

He also stated that there was a great need for boarding homes of all kinds and said that interested persons could contact his office.

Sheriff Rose outlined his responsibilities as sheriff and sighted examples of his work. He said there had been only one narcotics violation in the area in 10 years.

Mr. Varnum outlined the new laws concerning the obligation of drivers in regard to school buses and said that violations would be prosecuted.

Sgt. Dafoe told of the work of his agency, the State Police, and complimented the other law enforcement agencies on their fine cooperation.

Municipal Golf Report Reveals Steady Increase

The growth of the Charlevoix Municipal golf course during the past 10 years is revealed in an annual report to the Charlevoix City Counoil by Mr. and Mrs. Keith Carey who have managed the course since 1954.

This year a total of 4,279 single tickets (for 9 holes of play) were sold including 517 in June for a new record, 1,597 in July and 2,165 in August and through Labor Day in September.

The record set in 1960 for the month of July and August and for the aeason still stands. This featured 1,729 players in July and 2,188 in August and early September for a season total of 4,385.

It is interesting to note that the number of golfers purchasing daily tickets during the season has grown from 3,213 in 1953 to 4,279 in 1962.

There has also been a marked increased in the number of all-day tickets. Records on this show the number of these sold has grown from 478 in 1958 to 548 this year.

Until 1958 all 'day tickets' were $1.25 and students tickets 50c. In 1958 through 1960 prices were $1.25 for nine holes and $2.00 for all day and no student tickets were sold.

Until 1058, anyone could play as many holes as he cared to in one day for only $1.25. With more and more golfers patronizing the course, the first tee became overcrowded on busy days. In order to relieve this situation and to increase the revenue, the price of the all-day tickets wos increased by 75c to $2.00. In 1961, the all-day fee was raised to $2.50.

A result there has been a marked increase in the revenue fram this source which has increased from $958 in 1958 when 476 tiekets were sold at the new rate for an increase of $358.50 in

To Include County Employees in Mich. Retirement Plan

Charlevoix county employees will come under the Michigan Municipal Employees Retirement Act effective Jan. 1. 1963, fallowing action taken by the board of supervisors before it adjourned its October session Saturday.

All officers, tbeir deputies, clerks and other employees ond all employees at the Grandvue Medical Facility for the Aged which is operated by the County Department of Social Welfare will be included in the retirement plan. A person must be employed by the county to the extent of 50 per cent or more of his or her livelihood.

The plan, which had been uuder discussion for more than a year, was approved by a 25 to 0 vote and was given in lieu of a salary increase.

Both the county and the employee will pay into the retirement fund. The employee moy retire at the age of 80 years. If he or she should leave the employ of the county before this time, the amount paid into the fund by the individual will be returned to the employee.

Charlevoix county Road Commission employeea have been under this program for a number of years.

C of C Membership Shows Increase Of 11.7 Percent

Nineteen additional business people in the Charlevoix area have added their names to the growing list of business and professional leaders who are now members of the Charlevoix Chamber of Commerce.

Their name, marked with an asterisk, will be found in the 1962 Chamber of Commerce Membership list appearing on another page in this week's issue of the Charlevoix Courier. Not identified on the list are four reinstated members making a total membership increase of 23 or 11.7 per cent.

To Name Three New Directors to Chamber Board

The 153 members of the Charlevoix Chamber of Commerce have received ballots for the annual election of directors to the Chamber board.

Three directors are to be elected for terms of three years each. The ballots must be marked and returned to the Chamber office by 5 p.m. Oct. 29.

Candidates for the three posts are Jack Erber, Stanley Fiedorek, George LaBlance, Philip Lawrence, Robert G. Lieberman, Thomas H. Loeb, Robert Miles and John Schroeder.

The newly elected directors will succeed William R. Carey, who has served as president for the past two years, Lee Moerland and Glenn Kenney.

Two Local Hunters Bring Home Bear

Two local beor hunters returned home Sunday from the Millstrand area near Munising with a black bear which weighed more than 200 pounds.

The animal was one of seven taken during the week by a party of 15 huntera from northwestern Michigan. The group had approximatley 15 bear dogs.

The Bergmann brothers joined the party on Saturday and shot their bear that afternoon.

Mr. and Mrs. Fred Willis left Wednesday to attend a Farm Bureau meeting at Angola, Ind., before going on to Ramsey, N.J., to visit their son-in-law and daughter, Mr. and Mrs. Richard Lennox and family. They plan to return home Oct. 27.

Apples And Men

While buying apples
I've often observed
that
the big apples
are
on top of the bushel.
What keeps them on top?
The little apples do!

•

So in all human affairs:
when we are
"on top of the heap,"
when we occupy positions
of
trust, responsibility, prominence
or
glory,
we should recognize
the
"little apples" who keep us
there
and
thank God for them.

Everbody up and down the street Monday was enjoying the unusually warm autumn day until the chronic town kicker took his seat on the sidewalk bench and warned all passers-by that it's "just another danged weather breeder."

I never yet have worked on a job that was all milk and honey, including editing a newspaper. But I can truthfully say there has been a lot of "honey" the past two weeks and my partner (in marriage) will concur.

It all started with a presentation of puff ball mushrooms from our neighbor, Ray Kipke. Next Alfred "Cap" Brow presents us with a huge mushroom of the umbrella type. I wouldn't know the variety but it gave that added touch to a piece of steak.

Next came a treat we had never tasted. I blew into the house one night last week and asked, "what's for supper (dinner)." "Moose roast", was the answer. I reserved comments because I had seen some of this dark red moose meat being processed down at Neff Bros. I also remembered that I had mentioned to Earl W. Miller that I had never eaten moose meat. Apparently he decided I should try it. The wife only cooked a moderate sample but we're ready to go after the rest of that roast like gluttens.

Maybe I still looked undernourished last Friday. I took a proof out to the new J. Ellis Meat Packing Co., 1300 S. Bridge st, for an O.K. Mr. Ellis, the manager had left word with "Woody", the butcher in charge, to give me a sample of their steaks when I arrived. That sample of T-bone steak two inches thick would have been a dinner for four if we were figure conscious, which we weren't. Along with that sample were some other samples of sliced meats and frozen sausage. Bring on the sodium bicarbonate.

When readers want to dispose of an editor and make him like it, here is an idea. But don't all rush in at once.

Let It Be Cold!

Cold is only what cold is allowed to do. If our home is well insulated; if our fuel supply comes regularly and our T.V. is turned on to entertaining channels—well, let it be cold!

But comes a time when venture forth we must. And still again if our bodies are well insulated by good health and warm clothing—who worries?

We at Fay's can't supply the fuel or the good health but we most certainly can supply the needs for stylized warm clothing, whether you be woman or child Lovely dresses in heavier cottons to fine wools. The much sought after fur hat and the wonderful softness and warmth of a style coat.

Loretta Drost and Mr. Towsley Wed in Church Ceremony

Mr. and Mrs. Allan Towsley have returned from a brief wedding trip to Mackinac Island to make their home at RR Charlevoix following their recent wedding at the Assembly of God church here.

The bride is the former Loretta Drost, daughter of Mr. and Mrs. Louis Drost. Mr. and Mrs. Harold Towsley are the parents of the bridegroom.

The Rev. Arthur A. Austin officiated at the double ring service on Oct. 6 before an altar decorated with arrangements of pink gladioli and white mums and lighted tapers. Mrs. Arnold Potts was the organist and Kenneth Boss the soloist.

Given in marriage by her father, the bride chose a full length gown of white lace and ruffled net over taffeta for her wedding. Her fingertip veil fell from a seedpearl tiara and she carried a bouquet of pink roses and white carnations.

Judy Clarke, as maid of honor, and Sonya Drost, sister of the bride, as bridesmaids, wore identical gowns of light blue nylon over taffeta and carried bouquets of pink and white pompoms.

Corri Case of Grand Rapids niece of the bridegroom was flower girl and Bobby Ouderkirk, cousin of the bride, was ring bearer.

Vernon Mathews Jr. assisted the bridegroom as best man. Charles Elzinga brother-in-law of the bride, and Ross Case of Grand Rapids brother-in-law of the bridegroom, seated the guests.

A reception was held at the Bethany Lutheran church dining room immediately following the service. Mrs. Floyd Henley of Walloon Lake aunt of the bride, served the wedding cake. She was assisted by Barbara Clarke and Eilene Elliott. The refreshment table was decorated with mums in autumn shades.

Both are graduates of the Charlevoix high school. The bridegroom is a veteran of two years in the U.S. Army.

Charlevoix Rolls Over Harbor Springs 33 to 0

★ ★ ★

Friday's Win Makes 4 in a Row for Rayders

The Charlevoix Rayders made it four in a row last week aa they rolled over the Harbor Springs Rams 33 to 0 to spoil the latter's homecoming festivities.

Runs of 79 an 89 yardh plus another for 11 were acored by Frank Curtis with John Pearl scoring another and then passing to Herb Cummings in a play that covered 70 yards to account for the touchdown plays.

Harbor Springs kicked off to Charlevoix who took the ball on the 36 yard line. A major penalty moved them back to the 21 where Frank Curtis took off for a 79 yard run on the second play from scrimmage to put the Rayders ahead 6 to 0.

Harbor Springs picked up one first down but then falled to move the ball as Charlevoix took over on their own 26 yard line. With Curtis, Dave Smith and Pearl carrying the ball, the Rayders moved to the Rams 11 yard line in eight plays. Curtis then went over and Larry Edwards booted the conversion point to have the Rayders a 13 to 0 lead.

A recovered fumble on the rams six yard line immediately following the kickoff gave the Rayders the ball which they converted into a touchdown from two yards out with Pearl going over on a quarterback keep for a 19 to 0 advantage as the quarter ended.

The Rayders regained possession of the ball at mid-field early in the second period after the Rams attack bogged down. On the next play, Pearl passed to Bruce Kroken who went the distance only to have the scoring play nullified by a major penalty which moved the ball to the Rayders 35.

On the next serieh of playa, Charlevoix fumbled with Harbor Springs recovering on the Rayder 38. The Rams then advanced to the Rayder 11 yard line, only to be pushed back to the 18 where Charlevoix took over on downs.

Smith moved the ball out to the 30 on a running play for a first down. On the next play, Pearl pitched a beautiful pass to Cummings who broke away for a long run to score on the play which covered 70 yards. Edwards added the conversions to make the score 26 to 0 with a minute remaining in the half.

Harbor Springs took the kickoff on their 20 and picked up a first down to the 30 as the half ended.

The Rams took the kickoff and were forced to punt where their passing attack falled to click. Two major penalties set the Rayders back to their own 11 on the next two plays. Curtis then took the ball and romped around end for an 89 yard run and the Rayders' final TD of the game. Edwards made it 33 to 0 as he booted the conversion.

As Coach Don Carey started to substitute freely, the game moved more slowly with an exchange of punts giving the Rams the ball on their own 34 where they starte a drive whlch resulted in three first downs as they moved the the Rayder 15 where they fumble with Charlevoix recovering as the third quarter ended.

Early in the final period, Harbor recovered a Rayder fumble but failed to move and the Rayders took over on the Rams 37.

The remainder of the game was uneventful as first one team and then the other took over However, the Rams seemly were on the march and had moved the ball to the Rayders seven as the final gun sounded.

Again, everyone in uniform saw action

This Week With Class "C"

With the Northern Michigan Class C football season going into the home stretch, Charlevoix will entertain the East Jordan Red Devils in a crucial game here Friday.

Elsewhere, Pellston will entertain Gaylord in a game scheduled for 2 p.m. Friday while Mancelona will invade Boyne City and Harbor Springs will travel to Grayling for night games.

The Pellston-Gaylord meeting can be expected to be a battle all the way with the Hornets, stinging from their defeat at the hands of Boyne City, out to avenge the loss and the Blue Devils fighting all the way in an effort to retain their second place standings. But the Hornets are a rugged bunch and they will enter the game as the favorites, however slight.

Mancelona quarterback Pat Dutcher is expected to be back in the line-up this week when his team travels to Boyne City but missing will be three regulars, Halfback Steve Ottgen who was also out last week with a severe hip bruise, End Dava Pruden who received a serious ankle sprain early in the Gaylord game and Tackle Leroy Hood who suffered an eye injury in tne same game.

Boyne City is expected to be at full strength after dumping the favored Pellston Hornets (27-18) and, behind the signal-calling of Larry Gunderson who also is the team's top scorer, they should take the short-handed Ironmen.

There will be one less cellar-dweller following this week's game between the Grayling Vikings and the Harbor Springs Rams and chances are it will be the host team. The Rams, paced by big George Kilborn, quarterback-turned fullback when the going gets rough, should move out of last place. This is, unless the Vikings shape up in a hurry.

The Rayders, in top spot with four wins in league play, will meet the Red Devils who may play tha role of spoiler when they play at Kipke field this week. The Jordanites upset the defending champions, the Boyne City Ramblers, earlier and would like nothing better than to cut short the Rayders title aspiration. This is not an impossibility for tne Red Devils have the biggest line in the loop as well as two fine runners in Don Roberts and Tom Galmore. The team has shown signs of becoming a tough adversary at various times this fall.

Last week, the Rayders ran rough-shod over the Harbor Springs Rams (33-0) but they will find tha way rougher this week. The Rayders line will miss the serviees of Dave Rader, regular tackle, benched for the remainder of the season with an injury. But Ben Cunningham is shaping up as a replacement and with two games behind him is doing a good job in the spot. The Rayders backfield has shown plenty of initiative, on both offense and defense, and, barring injuries, should be able to make their way around the Red Devils forward wall.

By virtue of hteir record, the Rayders are favored in this meeting but an upset can not be ruled out, especially if the local lads should become over-confident.

Last Week With Class C

The Boyne City Ramblers snapped back Friday night to dump the favored Pellston Hornets 27 to 18 to highlight the action of the evening.

Elsewhere Charlevoix was rolling over Harbor Springs 33 to 0; Gaylord was downing a crippled Mancelona eleven 24 to 12 and East Jordan was romping over Grayling 55 to 6.

Boyne City 27 Pellston 18

The first time the Ramblers got the ball they marched 70 yards to the five where Larry Gunderson went through the line to put the defending champions ahead 6 to 0.

The lead was short-lived, however, as Stan Swiss went in from five yards out to knot the score and later in the first period Mike Thompson pitched a pass to Roland Lempke to put Pellston ahead 12 to 6 as he scored on the 40 yard play.

Midway in the second period Gunderson again hit pay dirt, this time on a roll out from 10 yards out. He then ran the ball over to give the Hornets a 13 to 12 halftime lead.

From then on Boyne City was in control with Halfback John Braun scoring from the 20 yard line and Gary Beaman adding the conversion point in the third period and center and defensive halfback Randy Price intercepting a pass and romping 70 yards in the final period with Beaman again adding the conversion point.

The Hornets, whose powerhouse was halted by the younger less experienced Ramblers, scored their final TD early in the final period when Stan Bodzik scored from 10 yards out.

Gaylord 24 Mancelona 12

The Mancelona Ironmen, weakened by the loss of regular quarterback Pat Dutcher who has a slight concussion and Halfback Steve Ottgen who has been benched with a hip bruise, fell victim to the revenge-seeking Gaylord Blue Devils Friday night.

Gaylord's Ron Snell scored from one yard out on a quarterback sneak to put Gaylord ahead 6 to 0 in the first quarter.

But the Ironmen, fighting back, scored on a 64 yard pass play with substitute quarterback Bob Dean, a sophomore, pitching to End Barry Moeke to knot the score. Before the half ended Tom Measell had put Gaylord in the lead again on a four yard run around end.

The longest run of the game came onthe kickoff as Bill Bushard took the ball and romped 75 yards to put Mancelona back in the game.

A seesaw battle developed until the 2:33 mark when Snell got off a pass to End Art Teboe who scored on the 38 yard play. With time running out Halfbacg Bob Still scored over left tackle from nine yards out to wrap up the victory.

East Jordan 55 Grayling 6

The meeting between these two teams wasn't much of a game but it did get off to a god start with Don Roberts scoring on a 40 yard run, only to have Grayling counter with a 45 yard run by Dan Tinker to tie tha score.

From then on it was more or less a matter of going over the goal line as Coach Wes Fleet emptied his bench.

Following the Viking TD, Don Wilson galloped 65 yards on the kickoff to score before Tom Galmore went 66 yards with Fred Malpass booting the conversion for a 19 to 6 first quarter advantage.

Galmore scored again, this time on a 20 yard run and Jim Sturgeel on a one-yard line play for a 31-6 halftime lead.

Malpass scored on a 26 yard run; Wilson went over on a 45 yard pass play with Jim Goebel doing tha pitching; Dan Nachazel scored from the 16 and Roberts intercepted a pass on the Vikings' 25 to conclude the Red Devils' scoring.

Homemakers Club Holds Regional Meet at Atlanta

Twenty-eight members of the Charlevoix chapter of the Future Homemakers Club, a national organization for high school girls, attended a regional meeting at Alanta Saturday.

The Charlevoix group and their faculty advisor, Mrs. C. A. Odmark, and 23 East Jordan club members and their advisor, Mrs. Norman Cook were among the more than 200 F.H.A. members from 12 schools throughout northern Michigan who attended the conference. The local and East Jordan group made the trip together.

"Climbing by Degrees" was the theme of the conference which was designed to stimulate interest in self-improvement.

Cindy Cunningham, president of the Charlevoix club and regional F.H.A. song leader, and Eileen Elliott, regional reporter, participated in the installation of new officers.

Barbara Clarke was elected regional reporter for 1962-63.

The chapter is presently selling ball-point pens with the 1962-63 basketball schedule printed on them. Proceeds from the project will be used to send chapter delegates to the state convention

Plans Underway For Pharmacists June Meet Here

Regular meeting of the North Michigan Pharmaceutical Association was held last evening at Holiday Terrace hotel. In addition to the regular business and social meeting, the agenda included preliminary plans for the annual state meeting which is scheduled to be held here next June.

The pharmacists of Charlevoix, East Jordan, Boyne City, Petoskey and Harbor Springs make up the membership of the North Michigan Pharmaceutical Association. Officers are: President, John Schroeder of Charlevoix; vice president, Frank Ochs of Charlevoix; secretary, William Cox of Petoskey, and treasurer, C. Irwin of Harbor Springs.

Complete Plans For Veterans Day Dinner Nov. 5

Plans for a Veterans' Day supper to be held at the American Legion post home at 6:30 p.m. November 5 were made at the regular meeting of the American Legion Auxiliary held Monday at the bome of Mrs. William Flynn.

Mrs. Flynn was named chairman of the event for American Legion members and their wives and Auxiliary members and their husbands.

The local auxiliary has been asked to send a total of 17 gifts valued at $3.00 each, complete with wrappings and gift cards, to Battle Creek where they will be placed in the gift shop. Hospitalized veterans select Christmas gifts from the shop for their families at holiday time. A committee composed of Mrs. Martin Pedersen, Mrs. Eva Smith and Mrs. Leo Allard was named to select the gifts. Several gifts have already been donated. Anyone wishing to contribute gifts may call any members of the committee.

The current membership drive scheduled to end Nov. 4 will be conducted by a committee composed of Mrs. George Hallam, Mrs. Edgar Smith and Mrs. Allard.

At the business session conducted by Mrs. John Johnson, a report on the recent district meeting was given by Mrs. John Johnson, who with Mrs. Mary Howe and Mrs. Edgar Smith, attended the meeting. Mrs. Smith and Mrs. Frank Poole reported on the fall round-up at Boyne City which they attended.

A social hour and refreshments followed by the business session.

Girl Scout Council Plans Training Program for Leaders

The next two training sessions of the basic group leadership course for Girl Scout leaders will be held at the First Methodist church in Petoskey Oct. 16 and 23 with the final session in the series to be held at Boyne City Oct. 30, Mrs. Hugh Warner, executive director of the Crooked Tree Council, has announced.

All meetings will be held from 9 to 11:30 a.m. and 1 to 3 p.m. All Girl Scouts leaders are urged to attend and receive training certificates.

The first two sessions were held in Charlevoix where up to 20 leaders enjoyed training in a variety of fields. Among them were demonstrations and use of the patrol system of troop government, use of various equipment, proper dress, games, songs and handicrafts for leaders of all age groups.

Attending the local training course which will culminate in a leader's certificate were Mrs. Steve Paterka, Mrs. George Hutchinson, Mrs. Leland Warner, Mrs. E. Darrell Dinwiddie, Mrs. Arthur Emmons, Mrs. Jack Rader, Mrs. Ben Gill and Mrs. Russell Mieras. There were seven from Petoskey and four leaders from Boyne City also enrolled in the course which will be continued over the next three weeks

Mrs. Lloyd Arnold, volunteer trainer, is assisting Mrs. Warner in presenting the course.

Mrs. Allers Hosts Past Noble Grands

Members of the Past Noble Grand club were guests Thursday evening of Mrs. Hazel Allers for the October dinner and business meeting.

At the business meeting, conducted by Mrs. Jerold Murdick, the club voted to contribute to the organ fund for Grandvue Medical Facility. A social hour followed the business meeting.

The November meeting will be held at the home of Mrs. Grace Geneit.

Unique Use of Stone Impresses Visitors To Charlevoix

The use of stone for building construction has long been a popular material in areas of the country where stone is readily available. Some of the results have been pleasing and some have been grotesque.

Earl A. Young has been one who has the knack of using stone construction with a pleasing result. It has long been evidenced by the visitors to Charlevoix who have been impressed with his use of stone for construction purposes.

One of the most recent commentaries, uniquely illustrated, appeared in The Sault (Canada) Evening Star. The Star carried a near full page of pictures illustrating Mr. Young's unusual use of stone for construction of both residential and commercial buildings. The commentary for the Star pictures was written by Ann Baker. Following the Star feature a delegation of Sault, Canada residents visited Charlevoix to view the real objects of the feature story, according to Mr. Young.

Capt. and Mrs. H. E. Paddock left Monday enroute to Venice, Fla., where they plan to spend the winter months. Enroute they plan to visit their sons-in-law and daughters, Dr. and Mrs. Roger Postmus and family of Ann Arbor and Mr. and Mrs. Rudy Scharschmidt and their son and daughter-in-law, Mr. and Mrs Vane Smith of Belding.

RECORD OF THE COUNCIL

The Common Council of the City of Charlevoix met on the above date with Mayor Hawley presiding. Aldermen present: Staley, Donaldson, Fochtman, and Hansen. Absent: Grubaugh and Neff.

The Minutes of the September 10, 1962 meeting were approved as presented to the Council in writing.

Enter Alderman Grubaugh.

Enter Alderman Neff.

The following ordinance was offered by Alderman Hansen and supported by Alderman Grubaugh.

ORDINANCE NO. 285

An ordinance to amend Sections 2102 and 2104 of Article XXI of the Zoning Ordinance, being Ordinance Number 203 of the Ordinances of the City of Charlevoix, as amendod, by excluding certain designated lands from residential district II and including said lands in commercial district I and to repeal all ordinances or parts of ordinances inconsistent herewith.

The City of Charlevoix ordains:

Section 1. Section 2104 of ARTICLE XXI of Ordinance Number 203, as amended, is hereby amended by adding thereto and including in Commercial District 1 the following described lands, viz:

"In MASON'S ADDITION to the Village (now City) of Charlevoix, Michigan; beginning at the Southwest corner of Block 1; thence East to the West line of Lot 1 of Block 1; thence North to the North line of Lot 1 of Block 1; thence West to the East line of State Street; thence South along the East line of State Street to the point of beginning."

Section 2. Section 2102 of ARTICLE XXI of Ordinance Number 203, as amended, is hereby amended by excluding all of the aforesaid lands from Residential District II.

Section 3. All Ordinances or parts of Ordinances inconsistent with the provisions hereof are hereby repealed.

Section 4. This Ordinance shall take effect twenty days from and after the date of its adoption.

Ordinance adopted by the following yea and nay vote. YEAS: Aldermen Staley, Donaldson, Fochtman, Grubaugh, Hansen and Neff. NAYS: None. ABSENT: None.

Alderman Staley offered the following resolution and moved its adoption, supported by Alderman Neff:

RESOLUTION

WHEREAS, the Common Council of the City of Charlevoix, by Resolutions heretofore duly adopted, has determined that the Charlevoix City Dump in Charlevoix Township, which for several years has been overfilled, over-flowing upon adjoining land, no longer usable for dump purposes and a serious health menace if continued to be used, should be closed and the land conveyed to Crescent Stone Company under an agreement providing for an exchange of land to enable the expansion of the Charlevoix Airport and the land is to be presently conveyed to Crescent Stone Company in accordance with said agreement; and

WHEREAS, it is now advisable and necessary to close said Dump; and

WHEREAS, the City has for months attempted to establish a Sanitary Land Fill as a substitute for said Dump for the disposal of garbage and waste materials of its citizens but has found the same impossible to do because of objections of neighboring property owners; and

WHEREAS, William Marme, Jr. has established a privately owned and operated Sanitary Land Fill facility on land in Marion Township off old Highway M-66 about three miles southeasterly from Charlevoix available for use by the public on a fee basis for the disposal of garbage, rubbish and waste and has offered to enter into a contract with the City of Charlevoix to receive all of the garbage, trash, and waste materials of all of the operations of the City of Charlevoix ,including that picked up and hauled by the City crews during the annual "Clean Up Week" on a yearly bases, payable in monthly installments, for the sum of Twenty-five Hundred ($2500.00) Dollars per year, and the Common Council deems it necessary and expedient to enter into said agreement for a period of one year:

THEREFORE BE IT RESOLVED, by the Common Council of the City of Charlevoix that the old City Dump in Charlevoix Township shall be closed and feneed off on November 1, 1962, and further dumping prohibited therein after said date;

BE IT FURTHER RESOLVED, that the City Superintendent be authorized and directed to arrange for a program to exterminate all rats and vermin in the old Dump and to grade the area as well as possible to reasonably prevent their recurrence; and

BE IT FURTHER RESOLVED, that the City of Charlevoix enter into a Contract with the said William Marme, Jr. for the term of one year from and after November 1, 1962, for the disposal at the said privately operated Sanitary Land Fill facility of all of the garbage, rubbish and waste materials of the City operations, collected and hauled by the City crews in their normal operations as outlined above for the sum of Twenty-five Hundred ($2500.00) Dollars, to be paid in monthly installments of $300.00 on November 1, 1962, and $200.00 on the first day of each and every month thereafter during the term of the Contract;

BE IT FURTHER RESOLVED ,that the Mayor and Clerk be, and they are hereby, authorized and directed to execute and deliver said Contract on behalf of the City; and

BE IT FURTHER RESOLVED, that the City Superintendent give notice of the closing of the Dump by publication in the Charlevoix Courier and erecting suitable signs at the site.

Resolution adopted by the following Yea and Nay vote: YEAS: Aldermen Staley, Donaldson, Fochtman, Grubaugh, Hansen and Neff. NAYS: None. ABSENT: None.

The financial Committee having examined bills totalling $23,530.74, find them correct and recommend they be allowed.

Moved by Alderman Fochtman and supported by Alderman Hansen that the bills be allowed and orders drawn for their amount.

Motion adopted by the following Yea and Nay vote: YEAS: Aldermen Staley, Donaldson, Fochtman, Grubaugh, Hansen and Neff. NAYS: None. ABSENT: None.

On Motion, the Council adjourned.

HUGH MAYNE, City Clerk

Congressman Johansen of Michigan views the Cuban problem: "If, in the phrase being heard in Washington these days, we must hesitate to act in Cuba because Russia has 'a rope around our neck in Berlin,' how long will it be before we dare not act in self-defense anywhere in the world because Russia has ' a dagger at our heart' in Cuba?"

To Hold Open House Sunday At Children's Retarded Center

Plans for an openhouse at the recently completed Charlevoix Retarded Children's Center at 205 E. Garfield ave. have been announced by John Sutherland, president of the Charlevoix Retarded Children's Association Inc.

The new building, located a short distance off M-66 at May st will be held from 1 to 4 p.m. Sunday so that residents of the area may see what this community is doing for its retarded children. Refreshments will be served following a tour of the building.

The one-story fireproof structure was completed early last month at the cost of $7,500 after the school had had difficulty finding suitable quarters in the community. The Lions club painted the building and others have contributed time toward other phases of work on the structure.

Eleven children from Charlevoix, Antrim and Otsego counties are enrolled at the Center which is supported by contributions through the Community Chest the Charlevoix county Board of Supervisors, tuitions individual donations and various fundraising pprojects sponsored by the Association.

The Center has been in operation for eight years, Mrs. Robert O. Bergmann has aerved as teacher-director of the Center for five years.

The youngsters attend the Center three full days weekly. They are taught to care for their own needs, to train them to be responsible individuals as much as possible and to do simple tasks.

The Association officers are Mr. Sutherland; Mrs. Mearl Scott, vice president; Mrs. Bergmann, secretary and Mrs. Frank Olcksy, treasurer. The Association boasts 20 active members.

The advisory board is composed of Rev. George L. Majors, Glenn B. Snider, Dean Davenport, William Carey and Frances Martin.

IT WASNT TOO MANY years ago that the first women became active in political circles.

The number of women in public offices still is relatively .ow today, but the part women play in campaigns and party organizations is considerable.

Mrs. Nancy Williams, wife of Michigan's only six-term governor, was one of the first women to hit the campaign trail on behalf of her husband This year, both governor candidate's wives, and the wives of many other candidates are making rounds of public gatherings for their spouses.

Doubling the strength of a campaign by having both husband and wife solicting voter approval seems to have some effect. The full impact of such a campaign cannot be measured, however.

Now that her youngest child is getting older, Mrs. John B. Swainson is doing a considerable amount of campaigning for her Democratic husband.

Mrs. George Romney, wife of the Republican candidate, hopes to set a new record in the field of petticoat politics this month by finishing her tour of Michigan's 83 counties, the first woman to cover the entire state.

WINTER IS COSTLY in many ways in Michigan. It usually results in an increase in traffic accidents and deaths, the dollar cost of which is difficult to measure.

To the State of Michigan, the cost can be pinned down relatively well from one standpoint, however. This is in what it takes to keep snow and ice removed from highways.

"The cost of ice and snow removal is the largest aingle expense in our highway maintenance program," said Harold J. Rathfoot, Chief Highway Department maintenance engineer.

During an "average winter," snow and ice removal will run about $5.5 million, Rathfoot said.

Then, every few years, Michigan will be assaulted by a winter similar to last year. A record $7 million was spent last year during the severe winter.

Planning for the winter onslaught starts in the highway offices across the state in the fall, when most people are thinking of color tours and football games.

The approach of winter also brings a hash of accidents. State Police and other officials had strong hopes until a few weeks ago for a decrease in the traffic fatality toll from last year.

A sudden series of multiple-death crashes, however, boosted the toll above the 1961 count with little hope for returning below that figure again.

Wet leaves on roadways, rain, and the sure-to-come snow make everyday driving require extra alertness and caution.

The AAA "Bring 'em Back Alice" campaign supported by national and local safety councils of the summer months should be kept in mind even more when the road hazards increase in the late months of the year.

MICHIGAN WEEK, still seven weeks away, is already being given primary consideration by a number of residents who have been named to plan the 10th annual observance.

Herbert G. Daverman, Grand Rapids, was named chairman and has selected two deputy general chairman. Woodward C. Smith, vice president of Central Michigan University in Mount Pleasant, was appointed to work with regional chairmen in the northern two thirds of the state, and Paul Penfield, Detroit, was asked to assist in programs in the southern third.

Then came the job of selecting the 16 regional chairmen. This, too, has been done.

Planning for the May 19-25 "brag week" now is being fed down to chairmen at the county level. Michigan Week officials said all county chairmen are expected to be named and local organizations set by Dec. I. This would be the earliest start in the history of the event.

Michigan Week has grown by leaps and bounds during its 10 years. Further growth is expected to continue as more individuals become concerned with the business and economic future of the state, Daverman said.

Auction Sale to Benefit E.J. Band

The East Jordan Band Boosters will sponsor an auction sale on the main st. at 1:30 p.m. Saturday to raise funds for new uniforms. Residents of the Charlevoix area have been invited to attend the auction of furniture, produce, clothing and white elephants.

Charles Dean has returned to Pontiac following a visit with his brother and sister-in-law, Mr. and Mrs. Datus Dean.

Llons Club Hears Mrs. Lloyd Arnold On Girl Scouting

Mrs. Lloyd Arnold, representing the Girl Scouts, was the guest speaker at the regular luncheon meeting of the Llons club held Monday at the Weathervane Inn.

She presented an interesting and informative talk on the Girl Scout program in the Charlevoix area where 145 girls including 80 Brownie Scouts, 58 Intermediato and seven Senior Scouts are participating in the program.

She said that five adults were needed to carry on the local program. Anyone interested in becoming a leader or assistant leader is esked to call Mrs. Arnold. She also announced that alides and movies of the International Senior Girl Scout Round-up at Button Bay, Vt., will soon be available for group showing.

Richard Edwards, program chairman, introduced Mrs. Arnold.

Lion Clifford Lagerman of the Traverse City club was a guest.

There will be no regular luncheon meeting Monday, Oct. 22, so members and their wives may attend the annual Chamber of Commerce dinner meeting as a group.

County Boasts Three Women Notaries

In two out of every five states there are no female notaries.

However, this is not true in Michigan where the list of recently appointed or reappointed notaries public in Charlevoix county includes the names of three women including Mrs. Ada Y. Golden, Mrs. George A. (Edna R.) LaBlance and Mrs. Drew (Jean V.) Young, all of Charlevoix

Other names on the list are Leonard B. Brooks and Harold L. Price, both of Boyne City.

In releasing his quarterly report, Secretary of State James M. Hare pointed out that in 19 states women are not eligible to hold this office. The states include Colorado, Delaware, Idaho, Kansas, Louisiana, Minnesota, Mississippi Montana, New Mexico, North Carolina, Rhode Island, South Carolina, South Dakota, Texas, Utah, Vermont, and West Virginia as well as the District of Columbia.

Ass'n Committee Names Community Concert Artists

The Artists Selection committee of the Northern Michigan Community Concert association reports that it has completed the bookings for the 1962-63 concert season.

Two most recent choices announced are Edmund Karlsrud, bass-baritone, scheduled to appear in concert at the Petoskey high school auditorium Jan. 9, the Lenaud Sisters, duo-pianists. Evlyn and Hazel Lenaud, native Chicagoans, are popular entertainers who have won renown as concert entertainers.

Earlier it was announced that Rise Stevens, Metropolitan opera star, would appear in concert Nov. 6 and the Lucerne Festival Strings will present a concert March 6.

A few memberships are still available. In Charlevoix interested persons may call C. A. Odmark.

OPEN HOUSE

We wish to thank all of the people who made our Retarded Children's Center possible. It is beautiful and we would like to invite the public to our open house from 1 to 4 p.m., Sunday, Oct. 21st at 205 E. Garfield Ave.

Refreshments will be served.

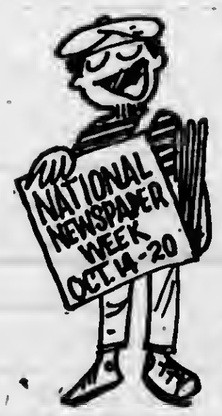
A SHORTAGE OF PHONE NUMBERS? That's what would happen in the future if the present 2-letter, 5-numeral system of telephone numbers were continued. Because of growth in population and the increasing demand for telephones, there just wouldn't be enough usable letter-numeral combinations to go around in the years ahead. So Michigan Bell, along with other telephone companies throughout the nation, is gradually adopting the new "All-Number Calling" system of 7-numeral phone numbers. This will insure enough telephone numbers for our ever-growing population, as well as a uniform numbering system.

STORMY WEATHER'S ON THE WAY. And more than ever on those bitter cold days ahead, shopping by phone is the convenient thing to do. What could be faster, easier, and just plain cozier than ordering whatever you need by a few flicks of the telephone dial? So if the weather's the give-you-the-sniffles variety, or you just can't get away from the house, let your telephone do your running around for you. The Shop-by-Phone habit saves you time, saves you steps, saves YOU.



WE'RE PROUD TO SALUTE the men and women in the newspaper industry this week. National Newspaper Week, October 14-20, serves to remind us of their dedicated work in the endless job of keeping us a nation of well-informed citizens. And Michigan Bell is also proud of its own role in helping the newspapers in our state get the news to you quickly... for modern telephone equipment and facilities are an essential part of the newspapers' job of gathering and publishing the news.

Charlevoix JVs To Host Ramblers Tuesday Night

Charlevoix's young Rayders will host Boyne City in a return game at Kipka field at 7:30 p.m. Tuesday and finish out their season in a home game against Petoskey on Oct. 30.

Last week the J-V's romped over East Jordan 33 to 6 with Ken Parrish acoring on a 45 yd. punt return, on a 19 yd. end sweep and a line plunge for four yards and then passing to Ted Weidman on a 34 yard pass play.

Jim Uhrick started the acoring attack on a six yard quarterback keep. Later in the game Jim Racignol romped 48 yards to acore. Racignol, Mike Crain and Parrish ran the ball over for three P.A.T.'s.

East Jordan's single touchdown came in the third quarter on a 25 yard run by Jim Williamson.

To Accept Weights Of B. I. Vehicles

A recent directive from the Michigan Department of State requiring new weight certificates with applications for 1963 license plates for trucks and trailers will not apply to such commercial vehicles on Beaver Island, according to Edna LaBlance, manager of the branch office in Charlevoix.

The branch office here has been authorized to issue the new plates for commercial vehicles that are permanently on the Island without presenting a new weight receipt.

EVEN NEWER BEHIND THE WHEEL!

You'll never know how really new a 1963 Cadillac can look until you've seen it from the driver's seat. For only in *action* does this great car reveal all its secrets.

Here's a hint of what you have in store: A newly refined engine so silent you won't be quite sure it's running—until you touch the accelerator pedal.

And then! The instantaneous response will bring you quickly up to date on Cadillac's new true-center drive line. For as the big car glides away from the curb and down the road, you'll experience a wholly new sensation in smoothness. The exclusive design and precision assembly of the new Cadillac drive line makes the flow of power from engine to rear wheels incredibly smooth under all load and road conditions.

And while you're at the wheel, be sure to adjust it to your favorite angle. This year, the new Cadillac adjustable steering wheel moves easily to six different positions. It's an extra-cost option, convenient for the family and especially refreshing on long journeys.

But these are only a few of the seventy ways in which Cadillac performance, ride and handling have been advanced in 1963. Make an early date with your authorized dealer to sit at the wheel of a new Cadillac. It's the world's nicest place to sit.

Named to Enter Nuclear Field

The three B's pictured above, (l to r), Donald Berg, Joe Garrity of Pittsburgh, Pa., Bruce Bartlett and James Bergmann, have been selected as candidates for nuclear submarine training offered by the U. S. Navy.

The trio, all 1962 graduates of the Charlevoix high school, recently completed boot training at the U. S. Naval Training Center Great Lakes, Ill., and after spending a leave here have returned for training as machinist mates before entering the nuclear field. The training is given over a three year period and is comparable to a college training.

Donald is the son of Mr. and Mrs. Leo Berg and is a cousin of Bruce who is the son of Mr. and Mrs. Bruce Bartlett. James is the son of Mr. and Mrs. Ted Bergmann. Garrity was their guest during their recent visit here.

State Draft Board Directed to Review Classification

Michigan draft boards have been directed to review classification of 116,000 registrants now in Class IV-F to determine if they would be eligible for military service in time of national emergency.

Registrants who might be available for military service in case of national emergency will be re-classified into Class 1-Y. This new classification was created to identfy these registrants who are qualified for military service only in time of war or national emergency. All registrants reclassified into Class I-Y will be mailed a notice by their local boards.

Approximately 50 per cent of the registrants currently being examined for military service are being disqualified on physical, mental or moral grounds under rigid acceptance standards now in effect. Many of the disqualified registrants would be acceptable for service in time of war. The new I-Y classification will put such registrants on notice that they have a continuing liability for military service.

Class IV-F will continue to be used by local draft boards to identify registrants who are not qualified for any military service, such as those with previous dishonorable discharges from the armed forces.

Approximately three-quorters of these registrants are expected to be found eligible for Class I-Y and have a potential liability for service in time of war. The review of registrants in Class IV-F will be completed by December.

Justice Court News

Justice John Connolly reports the following cases which appeared in his court recently.

Chester T. Anderson, 26, of Kewadin, charged with being drunk and disorderly, was ordered to pay $15.00 costs and $10.00 fine and sentenced to 10 days in the county jail. If fine and costs are not poid, he must serve on additional 15 days. Summons was issued by the City Police.

Dennis A. Nankivell, 35, of Walled Lake, charged with speeding and having no operator's license, was ordered to pay $15.00 fine and $4.30 costs on the first charge and $5.00 on the second charge. Summonses were issued by the State Police.

Also charged with speeding were Joan E. Hudson, 21, of Grand Rapids, who paid fine and costs of $5.00 and $4.30 and Lester C. Boylan, 55, of Kalamazoo, $15.00 fine and $4.30 costs. Both summons were issued by the State Police.

Robert Zitka, 26, who earlier pleaded not guilty to a charge of non-support on a citizen's complaint, was found guilty and was sentenced to 90 days in the county jail.

Lawrence Maurer, charged with failure to yield roght-of-way involving a collision, was ordered to pay $5.00 fine and $4.90 costs. Summons was issued by the Sheriff's Department.

Harvey Cornstalk, 38, Wallace Napont, 26, and Nelson Napont, 27, who had pleaded not guilty to charges of furnishing alcoholic beverages to a minor on a citizen's complaint, were found not guilty and the case was dismissed.

Steady Increase At Golf Course

additional revenue. In 1962, 548 tickets were sold to bring in $1,370.00 or $481.75 additional revenue.

The income from season tickets has increased more rapidly than any other source of income, mainly because more and more families are enjoying this sport. For instance, in 1953 the income from season tickets was only $556.50 as compared to $3,886.00 in 1962 with an increase shown each year during that time.

In his report to the council, Mr. Carey also included the gross income for the past 10 years. This has increased from $4,812.55 in 1953 to $11,091.00 this past season.

Weather is probably the greatest single item which determines the number of players. If tha weother is good, that is, hot and sunny, it brings summer visitors to the area. Once the visitors are in the area, the only thing that will keep them off the course is rain.

Mr. Carey reported that the course was in fine condition all summer despite the dry, hot weather in July. He credited Walter Henley, the greenskeeper, and his assistants for keeping the greens, tees and fairways in top shape at all times.

Council Assured Landfill Could Solve Problem

Sanitary land fills to replace the city dump was the chief issue discussed ot the regular meeting of the Charlevoix city council Mondoy night.

John Reynolds, sanitarion for the District Health Deportment, and Fred Kellow, Sanitary engineer for the Division of Environmental Health for the State Health Department, appeared before the council and representatives of surrounding townships to show slides and to discuss the levoix's problem. The city-operated sanitary lond fill. Mr. Kellow said that in his opinion there was no reason why a properly operated land fill would not be the satisfafctory solution to Charlevoix's pproblem. The city-operated dump in Chorlevoix township is to be abandoned and closed Nov. 1.

The bids of the Max Novak Agency for fleet insurance and comprehensive commerical liabillty insurance were approved and accepted. The former was in the amount of $711.10 with a floater of $92.70 for the fire department equipment and $1,067.59 for the comprehensive commereial liability policy.

Highway Accident Kills Two East Jordan Women

Courier Photo

★ ★ ★

In one of the worst highway accidents in the Charlevoix area in recent years, two East Jordan women, enroute to their homes from a shopping trip in Petoskey, were killed Thursday afternoon when their car collided almost head-on with a Turnapul, a large piece of earth moving equipment, 2½ miles north of here on US 31. The accident occurred on the straight-away at the entrance to the Charlevoix Rod and Gun club.

Dead are Mrs. Allen J. Walton, 59, driver of the car, who was killed outright and Mrs. Edward Lehrbass, 49, riding in the left rear seat, who died enroute to the Charlevoix hospital. Both received multiple head and chest injuries.

Mrs. Veronica Budnik, 73, mother of Mrs. Lehrbass, who was riding in the front seat, received a fractured right arm, severe lacerations of the left hand and cuts and bruises. She was discharged from the Charlevoix hospital Saturday.

Paul Lambert, 53, driver and owner of the Turnapul, was uninjured.

The accident, which occurred about 2:30 p.m. in clear weather, is still under investigation by the Charlevoix county sheriff's department and the State Police of the Petoskey post according to Sheriff Glenn E. Rose.

Funeral services for the victims were held in East Jordan Saturday.

Services for Mrs. Lehrbass were held at St. Joseph's church with Rev. Joseph Malinowski officiating.

Burial was in St. Joseph's cemetery.

She is survived by her husband; five daughters, Mrs. Fred Holland and Nancy of Lansing; Mrs. Robert Pearsall and Mrs. Alan Somerville and Mrs. Glenn Kowalski of Norfolk, Va.; 12 grandchildren and her mother, Mrs. Budnik, who made her home with her daughter.

Services for Mrs. Walton were held at the Watson Funeral Home Saturday afternoon with the Rev. Walter Buck of Onaway officiating. Burial was in Sunset Hill cemetery.

Born in Elm Creek, Neb., the former Myrtle David was married to Mr. Walton at Toledo, Ohio, in 1925. They had lived in East Jordan since then. She was a member of the First Baptist church of Charlevoix and was a deaconess and organist.

Besides her husband, she is survived by one daughter, Mrs. John Carrel of Grand Rapids; a foster daughter, Lee Soon Joo of Seoul, Korea; four grandchildren; a sister, Mrs. Lawrence Goddard of Pontiac and two brothers, George David of Cummings and Lawrence Dovid of Bloomfield Hills.

Two Men Given Prison Sentence

Two men were sentenced to Southern Michigan prison, five other persons were arraigned and several other criminal cases disposed of during the opening days of the October term of circuit court here with Judge Charles L. Brown presiding.

Robert E. Zitka, 26, was sentenced to two to 10 years in Southern Michigan prison for violation of probation on an earlier charge of indecent liberties.

William Douglas Harter, 20, was sentenced to two to five years on a charge of unlawfully driving away an automobile.

Two other men were sentenced to serve up to six months in the county jail. They were Robert C. Shawa, 35, charged with unlawfully driving away an automobile and John W. Case, 33, charged with driving while under the influence of intoxicating liquor. Both were sentenced to five to six months in the county jail. A charge of driving while his license was suspended against Showa was dismissed.

Leon E. Zitka, 18, of RR 1 East Jordan, was ordered to pay $85 fine anod costs and restitution of $75.00 and was placed on two years probation on two charges of breaking and entering in the nighttime. He had pleaded guilty earlier to breaking and entering Archer's service station on the Deer Lake road and Renwick's store at Walloon Lake.

Daniel S. Egry, 17, of Detroit was also placed on two years probation and ordered to pay $85.00 fine and costs and $50.00 restitution. He had pleaded guilty earlier to breaking and entering the Renwick store at Walloon Lake during the night.

Arraigned were Titus Sinewoy, 56, and his wife, Gladys, 49, both of East Jordan, charged with child neglect; Kenneth Gardner, 23, of Boyne City, charged with indecent liberties; Patrick L. Mahar, 17, and Ronald Benz, 17, both of East Jordan, charged with breaking and entering in the nighttime. All pleaded guilty and their cases referred to the probation department for investigation.

Lyle H. Woodcox, 29, of Traverse City, pleaded guilty to a charge of assault and infliction of serious injury and his case referred to the probation department for investigation.

Outline Work of State Chamber At Dinner Meet

Walter L. Couse of Detroit, president of the Michigon Chamber of Commerce, was the guest speaker at the second annual Chamber of Commerce dinner held at the Weathervane Inn Mondoy evening.

A sell-out crowd of approximately 200 local members and their guests heard Mr. Couse outline the work of the state chamber and to ask the law makers of the state to consider what is best for Michigon when considering legislation ond action at Lansing.

He said the chief duty of the stote orgonization was to serve as a liaison or clearing house for information coming from a national or state level to the local group such as Charlevox's chamber.

What happens to Michigan happens to its residents, he continued in urging that the law mokers consider what is good for their constituents and to work to accomplish progressive things rather than to have these things cought up in polltics.

He added that Michigan was at the crossroads of the nation by virtue of its location and industries and urged that everyone keep this in mind at all times.

Paul Kohler, secretary-manager of the local chamber, gave a brief resume of the work accomplished by the local council, emphasizing how the cooperation of area chambers had kept US 31 north from Traverse City open during the construction period after area representatives had contacted the Michigan Highway Commission. He said that more and more chambers were uniting to bring about action that would benefit a given area. He mentioned the efforts of west Michigan chambers to obtain directional markers at highways leaving the new highway, I-75 and other action being taken by local chambers to benefit Charlevoix.

William Carey, president of the local chamber, spoke briefly and urged that members consider not only what the Chamber of Commerce can do for them but what they can do for the chamber, adding that what is good for the majority is good for the individual.

He also introduced Robert Bridge, a director of the Michigan Chamber of Commerce, and Mrs. Bridge; Ned Tanner, secretary of the Petoskey chamber and Mrs. Tanner; Walter Thorsen, secretary of the East Jordan chamber, and Mrs. Thorsen and Rev. Harold E. Kohn, who gave the invocation, and Mrs. Kohn.

Members were presented with mimeographed copies of the annual report which listed the membership and outlined the activities of the Charlevoix Chamber complete with a financial report.

Members were urged to return their ballots before the deadline Monday to elect three new directors to the Chamber board.

Leaders Attend 4-H Workshop

Mrs. Blanche Paul, Charlevoix Elementary school teacher, was ot Camp Kett recently for the third annual Conservation (4-H) workshop attended by more than 50 teachers from throughout northern Miebigon.

The event was for 4-H conservation leaders and teachers, extension agents and resource people who are involved in the county Extension program in 4-H conservotion.

The workshop was sponsored by the Michigan Bell Telephone Co. through the Michigan 4-H Club Foundation and 4-H Club program Cooperative Extension Service at Michigan State University.

Chamber of Commerce members are urged to vote for three new directors and return their ballots to the Chamber office before the deadline at 5 p.m. Monday.

On Wednesday, Paul Kohler, secretary-manager of the chamber, said that only half of the membership had returned their ballots.

Charlevoix JV's Roll 20 to 0 Win Over Boyne City

Charlevoix's Little Rayders rolled up a 28 to 0 win over the Boyne City Reserves in a game played Tuesday night in the first snow storm of the season.

All four touchdowns were scored on pass plays, despite the snow and cold, with Ken Parrish on the pitching end of the pigskin.

His first pass was to Jim Uhrick who scored on the 20 yard play with Mike Crain running the ball over for the conversion. Later in the first period, John Ferguson scored on a 50 yard pass play.

In the second quarter it was a 25 yard pass play to Tom Maxwell and in the final period a 12 yard pass to Jim Racignol.

Parrish scored the conversion points on runs.

The local Reserves will finish out their season when they host the Petoskey Reserves here ot 7:30 p.m. Tuesday.

Honor Three at Community Chest Dinner

Courier Photo

Mrs. Dean Davenport (left) is pictured with the plaque bearing the names of three local residents who have been named to honorary membership on the Community Chest board of directors "in recognition of outstanding and unselfish service to the public welfare". With her are the first three local residents to be honored. They are (l to r-, Frances Martin, Robert Bridge and Gordon L. Freedman.

Three local residents were honored at the Community Chest victory dinner held Wednesday evening at the Holiday Terrace Hotel to celebrate the successful conclusion of the 1962 fund campaign to raise $11,278 for 12 local ond 48 state and national organizations.

Named to honorary membership to the Charlevoix Community Chest board of directors "in recognition of outstanding and unselfish service to the public welfare" were Robert Bridge, Gordon L. Freedman and Miss Frances Martin.

All have served as members of the local Chest board. Mr. Bridge is presently a member of the Michigan United Fund board of directors. Both Mr. Bridge ond Mr. Freedman were instrumental in orgsnizing the state group and the local Community Chest opproximately 15 years ago.

This year Mr. Bridge wos cochairmon with A. L. Livingston of the special gifts division and Miss Martin was chsirman of the township division and was in charge of publicity for the campaign.

The announcement made by Mrs. Dean Davenport, president of the board of directors, climaxed the victory celebration sponsored by the Charlevoix County State Bank represented by Mr. Bridge, Charlevoix State Savings Bonk represented by P. D. Campbell of the board of directors and Consumers Power Co.

More than 120 volunteer workers were served dinner by the members of the Community Chest board of directors.

At the brief program which followed Mrs. Charles A. Duerr, executive secretary of the board, served as master of ceremonies, introducing the division chairman and others including Mrs. Robert G. Martin who appeared in behalf of Dr. Martin, chairman of the 1962 fund drive and Mrs. Davenport.

"Candid Camera" pictures of various workers chosen at random, were shown by Robert Pearl with commentary by Mrs. Duerr.

The Lionaires, a quartet composed of William Carey, Phil Wright, Fritz Puffpaff and Byron Wright, entertained the group with several barbershop selections.

Unanswered Questions

Just what are the issues in the November 6 election when the electors must decide what kind of future administration they want in the state and county government.

It appears the Republicans are advocating programs designed to promote the best interests of all of Michigan and develop the potential of the state as a whole. On the other side, the strategy of the Democratic candidates seems to be centered on the President's pet project "Medicare" which has all the earmarks of a plan that will sound rosy to the many voters who will never take the time to read the "fine print". Nor will many of the voters take time to compare the benefits proposed in Medicare with the benefits now available in Michigan through the Kerr-Mills act.

While the Republicans have been centering their vote getting tactic on selling the voters on a positive program, they have been negligent in bringing forth a few explanations from their Democratic opponents. One example is the recent attempt by the Democratic administration to rob Northern Michigan of its representation in the state senate by permitting August Scholle to decide the state senatorial districts, as established by an amendment to the constitution in 1952 and approved by a majority of the voters, was in violation of the U. S. constitution.

How come Governor Swainson, Attorney General James M. Hare or other members of the state administrative board made no attempt to protect the mandate of the people. When they took their oath of office they pledged to uphold the constitution of the United States and of this state. We don't recall that any of them attempted to uphold the constitution when the suit instigated by Scholle was taken to the Supreme Court. We do recall that the Supreme Court, voting on straight party lines, ruled for Gus Scholle and instructed the legislature to redistrict senatorial districts on a population basis within 20 days.

We also recall that the justices who ruled in favor of Scholle were either nominated or appointed by the Democratic party. It all dovetails into a plan that would give Scholle and his gang more control of the Democratic party and the state government. The answer to such tactics is to elect justices to the Supreme Court who are not beholden to any minority faction. We believe Michael O'Hare and Louis McGregor quallfy for that responsibility.

We also question the apppearance of Warren P. Cleary in the 11th Congressional District to oppose Congressman Victor A. Knox. Is Mr. Cleary a "plant" by the Democratic party to get more support for the Kennedy administration. We understand Mr. Cleary was for some time a career man in the U. S. foreign service. Recently he changed government jobs to reside in the 11th District and then entered the race to unseat Mr. Knox whose seniority in the congress puts him in line for the chairmanship of the powerful ways and means committee. Mr. Knox's ability and leadership is recognized and respected by both Democrats and Republicans in the Congress. He also is familiar with problems of the 11th District and Michigan. We question the sincerity of the representation we would get from a "transplant".

It would be sensible to get the facts on these and other questions before you vote at the November 6 election.

Exciting Uncertainties

One of the most intriguing advantages of taking a walk through fields or forest is that all of nature is stuffed with surprises and crammed with exciting uncertainties. The rambler never knows what lies just ahead. Something wholly unexpected is always leaping into ones awareness as if to cry a gladsome "Surprise."

When I walk through our meadow, I never know what step may startle a whitetail buck from his daytime resting place in the shadow of a fallen tree. When I stroll through the gaunt autumn woods where October banks her fire with leaves against the cold of winter, any footfall may cause a snowshoe hare to burst from cover. Ruffed grouse unexpectedly thunder from underneath the apple trees in our wild orchard as I pass by. Where our small stream sparkles as it runs amber over its gravel-bed brook trout take the watcher by surprise, none being expected at this time of day, in this season, in these particular shallows.

So it goes. Shore birds, not seen before on our pond's edge, suddenly appear and disappear. Indian pipe plants grow where none were ever found before. Bare maples and barren beech reveal nests where we've had near neighbors whose presence was unsuspected until autumn stripped away a thick veil of leaves. Nature is a realm of surprises, astonishments and uncertainties.

Life, like a walk through meadow or woods, is most exciting when it is abundant with the unknowns, the unproven and the uncertain. We all know for sure that two times two equals four, and no one is excited over the fact. Four plus four equals eight. That is certain and annoyingly dull. But what will tomorrow bring, of success or failure, of joy or sorrow, of fulfillment or frustration? No one knows for sure. That makes tomorrow interesting.

We frequently complain about life's uncertainties, but how would we like to have all uncertainties removed from our existence? The plain fact is that we like a generous measure of uncertainty stirred into our days. If life is too tame, too secure for us, then we will add our own elements of doubt and mystery. We play mystery games to put some excitement into our days. Children play "Hide the thimble" or "Button button, who's got the button?" or Hide and seek." Older children and grown-ups, too, play baseball, football and basketball. Who would care to be a spectator, if everyone knew before the game began exactly how every move would be made and what the final score would be? The adventure in a game is in its uncertainties.

If excellence were guaranteed in every school examination, if success were promised when one undertook a profession, if exquisite happiness were automatic in every marriage, if a certificate of warranty of future perfection of character and personality were issued at the birth of every baby, if a "yes" answer were pledged to every prayer we uttered, how drab life would be!

Thank God for life's exciting uncertainties!

Rebuild With Romney

Proven Leadership . . .
Michigan needs a man with proven executive ability in the field of business and industry, as well as in politics. George Romney has proven himself a capable administrator in many fields.
Representation for the North . . .
In 1952, Michigan voters went to the polls to defeat a labor sponsored proposal that would have robbed us of 3 state senators. Once again the Gus Scholle gang is trying to steal our representation.
Real Prosperity . . .
Romney's program is based on more business for Michigan's industry, and not on give-away programs that are based on spending public money that can only result in levying more and more taxes.
Uncommitted to Any Group . . .
Romney can deal impartially with all "interests." As president of American Motors he gave unions their first profit sharing contract. Business likes Romney. The rank and file laboring man does too. Michigan needs a man who can be fair to all.
HE HAS JUST ONE CAMPAIGN PROMISE:
"I'll Do A Good Job For All of Michigan"

Rites Held Monday For John Potter, 80 Of Marion Townsnip

John Potter, 80, pioneer resident of Marion township, died Thursday at the Charlevoix hospital where he had been a patient for two days. He had been in failing health for several years.

Funeral services were held Monday at the Community Reformed church with the Rev. Charles A. Stoppels officiating. Burial was in the Barnard cemetery. The body was at the Winchester Funeral Home until the hour of the funeral.

Born at Jamestown Jan. 1, 1882, Mr. Potter came to the Atwood district of Antrim county as a child and in 1889 moved to the Barnard district in Marion township. In 1960 he was married to the former Jennie Klooster. They made their home on a farm in Marion township. She preceded him in death in 1944. In recent years he had made his home with his son-in-law and daughter, Mr. and Mrs. Ray Cunningham. He was a member of the Community Reformed church.

Surviving are two daughters, Mrs. Cunningham and Mrs. Howard G. Davis of Warren; one son, William of Charlevoix; eight grandchildren; a sister, Mrs. Albert Klooster of Charlevoix and three brothers, Hiram, Henry and Richard, all of Charlevoix.

Set Deadline to Obtain Absent Voter Ballots

Registered voters planning to vote via absent voter's ballot are reminded that they must do so at once if they hope to cast their ballot in the forthcoming Nov. 6 general election.

Applications may be obtained now at the office of the county clerk in the city hall or at the home of the township clerk if you live outside the city limits. You must then fill out the application in order to obtain a ballot which, in turn, must be returned to the headquarters of the precinct by Nov. 6.

If you live out of town you may write to the city clerk or the township clerk to obtain an application.

You may apply for an absent voter's ballot until 2 p.m. Saturday, Nov. 4.

NOTICE

NOTICE is hereby given that the Common Council of the City of Charlevoix, Michigan at a regular meeting to be held at 8:00 P.M. on Monday, November 5, 1962, at the Council Room in the City Hall in said City will hold a public hearing upon and take under consideration a proposed amendment to Ordinance Number 203, entitled "The Zoning Ordinance", wherein it is proposed to amend said Ordinance by amending Sections 2101, 2102, and 2104 of ARTICLE XXI thereof by removing the following described lands from Residential District 1 and Residential District II and including the same in Commerical District I, under said Ordinance, which lands are described as follows:

"Those parcels of land in the City of Charlevoix, Charlevoix County, Michigan, described as follows: 'Commencing at a point on the West line of Bridge Street 238 feet South of the South line of Dixon Avenue; thence West 148.5 feet; thence North 106 feet; thence West to the shore of Lake Michigan; thence Northeasterly along the shore of Lake Michigan to the intersection thereof with the South line of Dixon Avenue extended Westerly; thence East along the South line of Dixon Avenue to the West line of Bridge Street; thence South along the West line of Bridge Street to the point of beginning."

and also further amending said Ordinance by adding Sub-Section 7 to Section 901 of ARTICLE IX to read as follows:

"ARTICLE IX
Commercial District I
General Retail
Section 901. Uses Permitted.

7.Motels."

thereby including: "Motels" in the permitted uses in Commercial District 1.

You are further notified that the said land is located on the South side of Dixon Avenue and extends from Bridge Street West to Lake Michigan.

By Order of the Counell.
Date: October 15, 1962.

Mrs. Marie Blissett, who has headed the school lunch program in the Charlevoix public schools for the past 19 years, was pleasantly surprised last week when two groups, appreciative of the fine food she has prepared through the years, appeared to present her with checks and to wish her well before she departed for the 16th annual convention of the American School Food Service Association meeting in Cleveland this week.

Glenn B. Snider, president of the Kiwanis Club, and Mrs. Conrad Klooster Jr., president of the Teachers' Club, are pictured presenting her with checks in lieu of gifts, and Supt. R. G. Bennett. Not present was Mrs. C. A. Odmark, homemaking teacher, who works with Mrs. Blissett in planning the meals and who made the arrangements for her attendance at the five-day convention.

Designated as the "Carnival in Cleveland", the convention has a serious purpose with meetings covering the broad picture of school food service, its place in the educational structure and its relationship to the world at large.

This is the first time that the Charlevoix schools have sent a representative to the national convention.

Charlevoix county Democatic women hosted the wives of Democratic state candidates at an informal coffee at the home of Mr. and Mrs. Andrew Essenberg Jr. Monday morning.

More than 50 women from throughout the county gathered for the event at which Mrs. John Swainson, Mrs. T. John Lesinski, Mrs. Frank Kelly and Mrs. Sanford Brown, whose husbands are seeking re-election as governor, lieutenant governor ,attorney general and state treasurer, respectively, were introduced and spoke briefly. Also present were Mrs. Warren Cleary of Escanaba whose husband is a candidate for U.S. Representative from the 11th district and Mrs. Mary Farrell of the State Central Committee. They also spoke.

Mrs. George LaBlanee, wife of the Charlevoix county Democratic committee chairman, was mistress of ceremonies.

Immediately following the coffee, the group departed for a luncheon in Petoskey. Mrs. Swainson, however, left the party to return to Detroit where she was to greet Mrs. Lyndon B. Johnson at a reception Monday evening.

Members of the party were guests of the Essenbergs and Mrs. Russell Dundas Sunday night prior to beginning their trek through the north country in behalf of their husbands and the Democratic party.

School Board Bans "Unbecoming" Dress In Class Rooms

Slacks and blue jeans are not appropriate dress for girls in the classroom the Charlevoix board of education decided at its regular meeting Monday night.

As a result this apparel will not be permitted in the classroom. However, slacks may be worn to and from school with locker room facilities available for change to appropriate dress during the school day. Boys also must wear proper and appropriate dress.

Dale Boss and Darreli Dinwiddie were appointed a committee of two to meet with the city officials to work out a cooperative way of financing the use of the gymnasium by the U.S. Coast Guard.

Supt. R. G. Bennett was asked to meet with the Rev. Fr. E. F. Denay of St. Mary's school to work out plans for furnishing food for the hot lunch program at the school in a manner similar to the plan now used by the elementary school. Details were to be made such that the full cost of the operation would be borne by St. Mary's school.

Mr. Dinwiddie and Clarence H. Smith were named delegates to the Michigan Association of School Boards conference in Grand Rapids next month.

Mr. Bennett reported on the kindergarten situation and said there ware still two applicants to be interviewed. Efforts are being made to obtain a kindergarten teacher to replace Mrs. Clayton Smith who was forced to resign for reasons of health.

Mr. Dinwiddie impressed the board with the urgency of resolving a proper rogram and for the proper financing for next year.

District M.E.A. to Present Candidates At Dinner Meeting

"Meet Your Candidates" will be the theme of the program at the Charlevoix district M.E.A. dinner meeting to be hosted by Charlevoix public school members and held at the high school cafeteria tonight (Thursday).

Mrs. Louis Courtade, Charlevoix high school teacher and president of the county chapter, will welcome the fellow teachers from throughout the county as well as board of education members and news reporters who have been invited to attend.

Appearing on the program will be candidates for state senator from the 29th district, Thomas Schweigert of Petoskey, incumbent Republican, and A. M. Schneider of Indian River, Democrat, and for representative from the Charlevoix district, Don Gordon of Leland, Republican, and John Wolf of Charlevoix, Democrat.

Charlevoix Nips East Jordan 33 to 19

Rayders Keep Hold On Lead in NMCC Loop

The Charlevoix Rayders moved one step closer to the 1962 Northern Michigan Class C title last week by tripping up a major threat, East Jordan, by a score of 33 to 19.

However, it wasn't until late in the game that the Rayders put the game on ice.

In the first half the two teams traded touchdowns with the Rayders leading by a one-point margin as the first half ended. In the third period Frank Curtis scored the third of his four touchdowns to give the home team a little insurance as the minutes ticked off.

Bruce Kroken returning the levoix ot open the game. The Rayders took over on their own 37 and in a series of plays with Curtis, Dave Smith and John toting the ball marched to the 24 after picking up four first downs. With 6:11 remaining in the period Peral then pitched a high, lazy pass to Herb Cummings who fell into the end zone to score. Larry Edwards booted the conversion point for a 7-0 lead.

The lead was short-lived, however, for on the kickoff, hard-running Don Roberts took the ball on the Red Devils 15 and romped to the Charlevoix two where he was brought down. On the next play, Tom Galmore went in to score. The kick was blocked and the Jordanites trailed by one point with 4:35 remaining

East Jordan kicked off with ball to the Rayders 45. A pass from Pearl to Kroken moved the ball to the East Jordan 46 for a first down. Curtis and Pearl, in five plays picked up a first down and advanced to the 20 where Curtis went in to score at 2:16 mark. A bad pass from center nullified the conversion attempt as the Rayders led 16 to 6.

East Jordan took the kickoff and returned it to midfield where Roberts and Dave Donaldson started a march which moved the ball to the Rayder four in three plays. Donaldson then crossed over the goal line for a second Red Devil touchdown with 48 seconds left in the first period to make the score 13 to 12.

The defensive teams took over in the second period with Charlevoix losing the ball on downs on their own 15 and East Jordan being forced to punt from their own 33 after failing to pick up necessary yardage. Charlevoix took over on their own 28½ where they started a march which resulted in five first downs with the entire offensive backfield carrying the ball on a series of 12 plays. With 10 seconds remaining in the half, Curtis scored from the three and Edwards added a conversion kick for a 20 to 12 halftime advantage.

East Jordan took the kickoff to open the second half, picked up a first down and then were forced to give up the ball with Charlevoix taking over on their own 39.

Charlevoix again started to march and in a series of six plays picked up three first downs to move the ball to the five yard line where Curtis crossed over to make the score 26-12 with 6:40 gone in the period.

East Jordan fumbled on the fourth play after the kickoff with the Rayders recovering on their own 30. Pearl punted to the East Jordan 20 on the final play of the third period.

The determined Red Devils, on a series of running plays, picked up seven first downs to put the ball in scoring position on the one yard line where Jim Goebel went in to score with Roberts running the conversion point over.

Charlevoix took the ball on the 50 and moved along the ground to the seven yard line after picking up four first downs. With 32 seconds left, Pearl pitched a pass to Curtic who went in to score. Edwards' kick was good and the score stood at 33-19.

The game ended with Charlevoix kicking off to East Jordan.

Downed in his tracks after taking a short pass was Red Devil End Don Willson as Charlevoix's defensive team halted the Jordanites advance during the second half in Friday's game at Kipke field.

Last Week With Class C

Last wee's aetion in the Northern Michigan Class C league saw Pellston move into a third place tie with Gaylord after edging the Blue Devils 14 to 12; Boyne City take over sole possession of second place following a win over Mancelona 26 to 6 and Pellston's defeat of Gaylord; Harbor Springs climb out of the loop cellar after winning over Grayling 26 to 6 and Charlevoix defending its first place standing by stopping East Jordan 33 to 19.

Pellston 14, Gaylord 12

A Pellston fumble on the third play of their game with Gaylord set up the Blue Devils first touchdown following a recovering on the seven yard line. On the next play, Tom Measell bucked the line to score with less than two minutes gone in the game.

Later in the quarter a pass from Ron Snell to Rich Bottomly moved the ball from the 25 to the five yard line from where Bob Still went in to score on the next play. The conversion kicks were wide.

Pellston got back in the game when they recovered a Graylord fumble on the latter's 41 yard line. A 28 yard pass play from Mike Thompson to Randy Bricker went in to score. Thompron scored the conversion on a quarterback keep to make the halftime score 12 to 7.

It wasn't until early in the final period that the Hornets had another chance to score. This time speedster Stan Swiss skirted the end from two yards out to put the Hornets ahead. Bricker ran the extra point over for the two-point win.

Boyne City 26, Mancelona 6

Four pass plays with Quarterback Larry Gunderson doing the pitching gave the Ramblers a lopsided win over Mancelona.

A 20 yard pass play from Gunderson to Gary Beaman accounted for the first TD with Gunderson running the ball over for the conversion.

Mancelona came back to score from four yards out on a plunge by Pat Dutcher but the conversion kick was wide.

A 50 yard pass play with Beaman on the receiving end in the second period and another, this time a 10 yard pitch to Beaman made the score 19 to 6.

Early in the final period the Ramblers made it 26 to 6 with Gunderson passing to John Braun for 25 yards and the tally and then tossing one to Bob West for the conversion.

The Ironmen played without Dave Pruden, regular end, and with Leroy Hood also benched as the result of an eye injury.

Harbor Springs 26, Grayling 6

The Harbor Springs Rams finally climbed out of the cellar as they dumped Grayling.

All four scoring plays were on short runs The first came early in the game when Joe Pawlus went in from the seven and the second later in the first period when George Kilborn scored from the five yard line. George Lauer kicked the conversion.

Grayling's single scoring play came in the second period with Bill Joseph scoring on a one-yard line plunge.

The Grayling defense held until late in the game when the Rams made two more trips into pay dirt with Kilborn crossing from the two and Tom Pifer from the one. Lauer booted the conversion.

This Week With Class "C"

The battle for better positions in league standings as the season nears its close will highlight the action in the Northern Michigan Class C loop this week.

Boyne City, still hopeful of a share of the Northern Michigan Class C title they now hold, will travel to Gaylord to take on the Blue Devils; Pellston, tied with Gaylord for third place, will invade Mancelona where the Ironmen share fourth place with East Jordan; the Jordanites will travel to Harbor Springs and Charlevoix will journey to Grayling.

This week the Blue Devils are looking for a pass defense to halt the pitching of Larry Gunderson who passed for all four of the Ramblers touchdowns scored against Mancelona. How well their defense works will determine the outcome of the game.

The Ramblers have a share of the title at stake for they must win this week and stop Charlevoix the following week to successfuly defend the title they now hold.

Chances are they will come through with a win this week for the Blue Devils haven't seemed to have the punch necessary for a winning offense.

Pellston edged Gaylord last week (14-12) to take third place standing to Mancelona where the Ironmen are expected to be st full strength again after being short-handed for the past two games.

If Pat Dutcher and fellow backs are back together, the Hornets may find themselves in trouble for the Ironmen were coming along well until they were hit by injuries.

This game could be a very close one with the winning margin being a slim one if both teams are at full strength. In fact, Man-

San Francisco—Super Shell with Platformate has just delivered a mileage bonus of 4.33 percent. Platformate is Super Shell's mileage ingredient. Shell engineers test Super Shell for mileage in many different types of cars, in many different places. Here's how the test above was run. Exactly 250 cc (about half a pint) of a fuel blended *without* Platformate was fed into the test car's engine. The car was started, accelerated to 30 miles per hour, then held there until fuel ran out and the car rolled to a stop. Distance: 6186 feet (indicated by dotted line in background). Next, test was repeated, using Super Shell—the *same fuel as before but with Platformate added.* Precise same volume of fuel. Same car. Same speed. Same driver. Same conditions. Distance: 6454 feet. *That's 4.33 percent farther than the car traveled with non-Platformate gasoline.*

MILEAGE TEST

New documented tests prove that one of Super Shell's 9 ingredients packs extra mileage into every gallon

THE pieture above was snapped a few moments after Super Shell *with an extra mileage ingredient called Platformate* delivered a mileage bonus of 4.33 pereent.

That's a typical result from a series of mileage tests Shell engineers recently ran on the outskirts of San Francisco.

The tests compared two gasolines. One was a gasoline Shell scientists purposely blended *without* Platformate. The other was Super Shell—the same gasoline as before *but with Platformate added.*

Shell engineers used a 1962 convertible for the tests. You may be driving a similar car right now.

In test after test, Super Shell with Platformate consistently took the car about 4 percent farther than the gasoline blended without Platformate.

NOTE: For more details on these tests, see caption under pieture. And for technieal data, write to the Shell Oil Company, 50 West 50 Street, New York 20, N. Y.

Platformate gets its name from the *platinum re-forming* process used to make it.

Pressures up to 600 pounds per square ineh and temperatures up to 1000 degrees literally tear petroleum apart. A preeious platinum catalyst then helps re-form the petroleum into super-energy components.

RESULT: *Platformate can release more energy per gallon than the finest 100-octane aviation gasoline. Your engine can convert extra energy into extra mileage.*

Super Shell has 9 ingredients for top performance

Extra mileage is just one part of the top performance story. Super Shell's other ingredients complete the pieture. Here's what they are and what they do.

*TCP** for power, mileage, longer plug life.
Pentane mix—for fast "warm-up."
Butane—for quick starts.
Anti-knock mix—to resist all kinds of knock.
Alkylate—to help control "high-speed knock."
"Cat-cracked" gasoline—for power.
Anti-icer—added in cold weather to help check carburetor icing stalls.
Gum preventive—to help keep carburetors clean inside.

SHELL

Super Shell—the gasoline with 9 ingredients for top performance

*Trademark for Shell's unique gasoline additive. Gasoline containing TCP is covered by U.S. Patent 2859213.

celona, after two losses, could edge the vistors.

After being dumped by Charlevoix, the East Jordan Red Devils will be out for revenge when they travel to Harbor Springs to take on the Rams who made their way into the win column for the first time last week when they won over Grayling (26-6).

After seeing the Red Devils in action it is hard to understand why they have not made a better showing this season though they did upset Boyne City. Don Roberts, Tom Galmore and Dave Donaldson are explosive backs with Don Willson and Jim Goebel contributing to the ground gaining.

But this week the Red Devils should come up with a win over youthfulness and inexperience.

The Charlevoix Rayders, with five loop wins, will travel to Grayling to take on the cellar dwelling Vikings who have been disabled by injuries since the Boyne City game. Unless the Rayders suffer a complete letdown, they should move one step closer to a title they have not held since 1960. A victory this week will assure them of a share in the 1962 title.

The N.M.C.C.C. will close out the current season on Nov. 2 with Charlevoix playing at Boyne City, Mancelona invading East Jordan, Harbor Springs playing at Pellston and Grayling at Gaylord.

Cadillac C of C To Sponsor Passion Play

The Famous Black Hills Passion Play, with a cast of 100, will be unfolded in 22 scenes at the Cadillac Senior High School Auditorium, November 15, 16, 17 and 16.

The performance, lasts two and one-half hours.

Josef Meier, world-famous Christus portrayer, producer and director of the Black Hills Passion Play, has preserved the ancient beauty and splendor of the age-old story and heightened its dramatic power through the use of modern equipment.

Highlights of the 22 scenes are: A typical street scene in Jerusalem some 2,000 years ago, where the Triumphal Entry takes place at dawn of Palm Sunday; Farewell at Bethany; The Last Supper; the Oriental-splendored Court of King Herod. The Crucifixion Scene is created with the aid of several elevated platforms upon which the three crosses are erected.

Performances are scheduled for Nov. 15, 10, 17, at 6:00 p.m. and Sun. matinee at 2:30 p.m. Special student matinees will be presented Friday afternoon at 4:00 and Saturday at 2:00 p.m. Reserved tickets are available at the Chamber of Commerce, Passion Play Headquarters, telephone 775-3672.

Well, GEORGE ROMNEY,

what are you going to do about the mess in Lansing?

First, let me say that only the people lose from all the bickering in Lansing. All the people.

Why all the bickering? The answer is that there is no leadership in Lansing. The legislature cannot lead. No committee can lead. Only the man in the governor's chair has the authority and the responsibility to lead the state government.

But no man, regardless of his authority and responsibility, can lead unless he has developed the ability to get people thinking and acting together. He certainly cannot get cooperation by blaming the other fellow when things go wrong and taking all the credit when things go right.

We all lose when there is no leadership. We either get lop-sided legislation which suits no one, or we get deadlock. The people can't win when we have deadlock and division in Lansing.

LEADERSHIP is necessary to get all sides working together to provide a government that can get things done for all the people of Michigan. I'd like to put my experience in leading people with diverse ideas to work for you.

Will you give me a chance to PROVE what a new team in Lansing can do?

concrete roads keep their riding smoothness!"

The National Road Test confirms for taxpayers that concrete provides lasting riding quality.

Concrete and asphalt were tested side by side on 5 loops in the recent National Road Test, sponsored by the American Association of State Highway Officials. Loaded trucks traveled 17 million miles over the hundreds of pavement test sections.

At the end of test (two years of traffic), the surviving sections were measured for riding quality. Concrete averaged "very good." Asphalt averaged "fair."

It's with good reason that concrete is preferred for important roads such as state primary routes. The low upkeep cost of concrete saves taxpayers money year after year.

Three County Boards Of Education Approve One School District

A resolution favoring the consolidation of the Antrim, Charlevoix and Emmet county school districts into a single intermediate school distriet was approved at a joint meeting of the three county boards of edueation held here reeently.

The Proposed eombination would not affect loeal school district boundaries; neither would it ehange their present operations in any way. It would merely eomplement the present sehool program.

Charlevoix and Emmet counties are already operating under a comparable arrangement with Charles A. Robinson serving as county superintendent of schools for both districts.

Under the provisions of Public Act 190 of the Acts of the 1962 legislative session a maximum of three county school districts may combine into o single intermediate unit; all counties which do not have a minimum public school membership of 5,000 or more on July 1, 1964, will forfeit all state aid provided, however, that where three counties have consolidated into a single district they shall be considered to have met the minimum requirements of the Act.

Any consolidation must first be approved by the Superintendent of Public Instruction and would then be placed on the ballots of the annual school elections of the local school districts in the counties concerned.

In 1949 by an Act of the Legislature each county became a school district having a county board of education elected by representatives of the constituent school districts biennially in June of the odd numbered years. In the board was vested authority and responsibility for appointing the county superintendent of schools ahd for providing for the operation of his office.

The county school district, as an integral part of the public school system, is charged with the responsibility of performing those duties which are assigned by statute and those which may be directed by the Superintendent of Public Instruction and the county board of education.

More specifically, many services and special education programs can be made possible by consolidation into districts providing adequate numbers and financial stability. It was noted that Antrim, Charlevoix and Emmet counties together have approximately 10,000 in public school membership, with a valuation of approximately $130,000,000. The communities are linked by good highways and social economic ties are generally favorable. In total area the combined district would be no larger than some single Michigan counties or a number of two-county combinations.

Dr. John Rodger of Bellaire, president of the Antrim county board of education, pointed out that the proposed combination would not only relieve individual counties of providing increased support due to the forfeiture of state aid, but will also provide the opportunity to establish much needed special education programs for the area's children.

Attending the joint meeting at which the above action was taken were Dr. Rodger of Bellaire, president, Orville Walker of Alba, vice president, Dr. D. B. Rahilly of Mancelona, J. C. Young of Elk Rapids and Matthew Jacobson Antrim county superintendent of schools; Mrs. Amandus Evers, president, Harlon E. Ruback of Boyne City, vice president, Clayton Healey and W. G. Boswell of East Jordan representing the Charlevoix county board of education and Mrs. Louise Eppler of Resort township, Mrs. Mildred Lutz of Alanson, Carl Bush of Petoskey of the Emmet county board of education and Mr. Robinson representing both the Charlevoix ond Emmet county auperintendent of schools.

Funeral Services Held Tuesday for Ernest J. Foster

Ernest F. Foster, 61, Friend of the Court in the 13th Judicial Circuit since 1955 and a Lieutenant Colonel, Retired, of the U.S. Army Reserve, died Sunday at the Charlevoix hospital where he had been a patient for two months. He had been in failing health since January.

New Ski Runs At Mt. Mc Sauba Near Completion

With the first snows of the season reminding them tbat the skiing season is not far away, volunteer workers are rushing to complete the new slopes and other work being done at the Mt. McSauba winter sports park.

Two new runs are being cut into Mt. McSauba, one on the north side of the hill which can be serviced by the existing tow and a second, located on the northwest side of the hill, which will necessitate a new tow house which has already been installed and new engines which are now being bullt.

The runs and tow paths ore presently being graded and placed in shape for the coming ski season.

The beginner'a slope to the south of the established slope has bee regroomed and a new tow with a more satisfactory motor installed.

Workers are still needed for the weekly work bees held at 1 p.m. every Sunday. If you have some time ond would like to help in this most worthwhile project, join the crew at the warming house at the foot of the slope at 1 p.m. Sunday for your assignment.

The warming house area has also been cleaned up and the house itself painted.

Season tickets will be sold shortly for the forthcoming season. Parents, relatives ond friends of skiers are reminded that these moke excellent Christmas gifts.

Robert Goss is president; Jack Rader, vice president and Ralph Gillam, secretary-treasurer, of the Mt. McSauba recreation Corp.

An increase of 47 per cent in sales and earnings for the three months ended Sept. 30, 1962, following a record-breaking fiscal year was revealed at the annual meeting.

VSI President, Mason Phelps, stated tnc 47 per cent increase in sales and earning for the first quarter is not expected to continue at the same rate throughout the fiscal year.

Norwood Couple Married 25 Years

Mr. and Mrs. William Parsons celebroted their silver wedding anniversary recently with open house at their farm homo in Norwood township.

More than 140 friends and relatives came to congratulate them and were served refreshments from a buffet table decorated with an anniversary cake and silver candlea.

Mr. Parsons, son of the late Mr. and Mrs. George Parsons, and Bertha Pierce, daughter of the late Mr. ond Mrs. Harria Pierce were married Oct. 16, 1937 at the Methodist Church parsonage in East Jordan. They have four sons, Ivan, Dale, David and Floyd.

Hosting the event were Mrs. Ivan Parsons, Mra. Wm. Jolliffe, Mrs. Archie Murphy, Mrs. Gale Brintnall and Mrs. Raymond Stafford.

Guests came from South Bend, Ind., Hudsonville, Williamston, East Lansing, Boyne City, Jenison, East Jordan, Charlevoix Ellsworth, Norwood and Atwood.

Anticipate Big Vote At Tuesday's Election

Voters will go to the polls Tuesday to eleet a Congressman-at-large, a Representative to Congress, state officers, legislators, and members of the Supreme court and county officials following probably the most far flung and yet concentrated eampaigns by politieal eandidates seen in an off-year election.

The polls will open at 7 a.m. and close at 8 p.m. in an election which is expected to bring out a large, if not record, vote for the off-year balloting.

F. R. Bulow, county clerk, said that approximately 5,400 votes were cast for the office of governor and 5,200 for secretary of state in 1956 and that equally os many can be expected to vote this year. He added that in April there were 7,236 registered voters in the county and that all areas have reported increased registrations since then. He went on to say that the large number of new registrations and the interest in absent voters' ballots led him to believe that there will be a large turn-out in Tuesday's election.

For those who cannot get to the polls on Tuesday for reasons of health or because they will be out of town, obsent voters' ballots may be obtained until 2 p.m. Saturday and must be returned so that they orrive at the polls by Tuesday.

Voters will find when they visit the polls that they will be handed three ballots: a large one on which the national, state and county candidates will be listed according to parties, Democratic, Republican and Socialist Labor.

A second ballot, designated as a non-partisam judicial ballot, will bear the names of the candidates for Justices of the Supreme Court.

A third ballot, designated as a referendum ballot, will request a "yes' or 'no' vote regarding a proposed amendment to the present State Constitution authorizing the legislature to provide for general revision of the statutes. Voters are advised that this does not in any way refer to the new State Constitution compiled at the recent Constitutional Convention.

Michigan Farm Bureau to Meet November 7-9

The shaping of 1963 policies for Michigan's largest farm organization will be the objective as nearly 700 official voting farmer-delegates gather at Michigan State University on November 7-8-9 for the 43rd annual meeting of the Michigan Farm Bureau

An expected 1500 prominent farmers from all parts of the state will attend the 3-day meeting which will begin Tuesday November 7, with a welcome address by John A. Hannah, President of Michigan State University.

Voting delegates of the 70,000 farm-family-members organization will debate tax programs, review state and national farm policies and write their opinions on such matters os foreign trade, research, educaton ond disease control.

"This system of policy and program development by the members themselves, truly reflects the 'grass-roots' thinking of Farm Bureau", statea Walter Wightman, President of the Michigan Farm Bureau. Delegates to the annual convention represent 71 county Farm Bureaus on the basis of one delegate to each 100 members.

Several outstanding speakers, including Roger Fleming, Secretary-Treasurer of the American Farm Bureau Federation ond Lucas Miel, President of the Employers Association of Detroit, are acheduled to oppear on the various programs.

The public ia invited to attend ony part or all of this important meeting.

Charlevoix J-V's Slip Past Petoskey 21 to 7

Charlevoix's Little Rayders wrapped up their 1962 season Tuesday night with a 21 to 7 win over the young Petoskey Northmen to avenge their loss to the latter in the opening game in September.

The first period was scoreless but early in the second Jim Uhrick plunged over from the one on a quarterback keep. Ken Parish scored the conversion on a plunge to make the score 7-0.

Later in the period, Jim Racignol went oper from the eight yard line with Parish again scoring the P.A.T. as the half ended 14-0.

A five yard run by Ted Weidman in the third period concluded the Rayders scoring threat as the entire team saw action in this final game of the year.

John Johnston broke away for a 65 yard run late in the third quarter with Gary Dennis scoring the conversion point to give the visitors their only tally.

It's A Tantalizing Word

Did you ever see a youngster, or an adult trying to induce a dog to do some kind of act by pretending he had a morsel of food as a reward. The dog is enticed and then only gets a pat on the head for doing as told. We are not comparing people with dogs but it appears to us that some Democratic candidates running for office in Michigan are using that type of tactics.

They ask your vote to support President Kennedy's approval of the King-Anderson Medicare bill which has already been defeated in the U.S. Senate with a Democratic majority. That only indicates there are Democrats, as well as Republicans, who recognize this tantalizing bait.

Some Democratic office seekers in Michigan have been presenting "Medicare" as an utopia for all who may require medical attention. They have neglected to tell some of the stipulations in the proposed "Medicare".

First, it should be noted, that there will be about a 17 per cent additional deduction from your Social Security. That means you are going to pay for it but only benefit if you comply with the various deductible clauses.

For instance, do you know that under the proposed "Medicare" you must pay the first $20 for diagnostic services; you pay the first $90 of a hospital bill; your hospitalization is limited to 90 days; benefits are limited to persons 65 years or older who are on Social Security; you get only 90 days per year in a nursing home, only after hospital admission.

We can't see anything so tantalizing about "Medicare" when we get ALL the facts.

The Kerr-Mills act, passed by the Eisenhower adminstration and supported by Victor A. Knox is now in effect in Michigan to care for those who need help .The Democrats call that a welfare measure but in the United States the so-called welfare measures were established for those in distress and not for the professional chiseller who is looking for something for nothing.

Jeffersonian Democrats and Republicans seem to be agreed on government that fosters free enterpise, individual initiative and help for those who need it, but not a welfare state under which all of us would have the government completely control our existence. Those who presently control the Democratic party in Michigan apparently are tantalizing us with a feast whereby we will only get a morsel if we "jump the hoop".

It is our opinion, in view of the present diverse philosophies of government, to vote a straight Republican ticket. It's your best assurance to perpetuate the principles of democracy which have made it possible for the United States to surpass all nations in the history of the world with its high standard of living for citizens who want their individual freedoms. Voter straight—Republicain.

"Root Hog or Die"

During World War I, I had a tough commanding officer. We called him "Dynamite" because he wouldn't accept anything but perfection. If we stood at attention, we stood perfect, or else. When we passed in review, we were tops, or else. When we stood for inspection it was some more, or else.

Years later I learned some of his personal history. His parents were intent on giving him everything he might need to be a success. He, like most youth, rebelled, ran away and signed on an ocean going freighter.

He got stranded in Italy, went to the U.S. consulate who wired his parents. The reply he received was, "Root hog or die".

It sounds tough in this day and age. "Dynamite" wasn't about to die. He made it back to the U.S. Next he did a four-year hitch in the navy. That followed enlistment in the army and he climbed to the rank of captain by World War I.

He retired with the rank of major and went into the insurance business. Before his death he was an executive officer in a well-known automobile insurance company of Michigan.

Characters like "Dynamite" made the United States the country it is today. We had better think twice before we fall for all the gimmicks that only lead to a welfare state.

BETWEEN YOU AND ME

- By Harold E. Kohn -

Regardless of the Weather

Now, in November, when our fair-weather feathered friends have left the North for sunnier lands, the black-capped chickadee remains to cheer his neighbors with his goy, gallant song. No weather can depress his spirits. Winter winds will tease and tantalize him, poking icy fingers amidst his feathers. Biting frost will nip his toes. His dawn-to-dark hunt for eggs of moths, plant lice, katydids, and spiders must be unrelenting if the tiny fires of the chickadee's body are to be stoked and kept alive. Through the dark silences of northern nights and the bright stillnesses of snow-muffled days his plucky little heart will need to beat bravely to circulate warm blood through the delicate form if winter is to be kept outside the black and gray feathers and the pale white skin.

The chickadee will be here, singing his saucy song when spring returns bringing his less hardy friends back to the North. No matter how low the temperature or blustery the winds, winter can never destroy a chickadee as long as his brave heart and cheerful song keep winter on the outside of the high-spirited little bird.

Could it be that man's situation in the world is a little like that of a chickadee in a northern winter? Is it not true all the evil in the world cannot destroy a soul as long as it is kept on the outside?

Charles Robinsnn Speaks at Mental Health Institute

Charles A. Robinson, Charlevoix-Emmet county Superintendent of Schools, spoke on the recent Mental Health Institute held at Port Huron under the sponsorship of the National Association for Mental Health at the quarterly meeting of the Petoskey Area Child Guidance Clinic held recently at the Clinic headquarters in Petoskey.

"Mental Health in the Classroom" was the theme of the conference. Mr. Robinson reported on the talks by several national authorities on Mental Health and the beneficial effect on students of good mental attitudes in the classroom.

Members of the board and their guests toured the recently remodeled and re-decorated clinic headquarters following the business meeting.

Band Parents Make Plans for Annual Dinner

Plans for the annual Band Parents dinner to be held at the Charlevoix high school cafeteria under the sponsorship of the Charlevoix Band Parents Association Wednesday, Nov. 14, have been announced following a meeting of the sponsoring organization.

Proceeds from the event will be used to help underwrite the cost of 12 new uniforms for the Senior band. The additional uniforms are needed to outfit the band which has grown to 94 members this year.

The problem of the band size and the auditioning program now going in to form a concert band within the larger marching band was discussed at the recent meeting along with other proposed fund-raising projects including a Christmas candy sale and the possibility of an auction of donated items.

A xylophone and a Scotch bass drum shell have been purchased by the association for addition to the music department equipment.

Mrs. Harry Pearsall was named secretary to succeed Mrs. Bruce Bartlett.

The next meeting of the association will be held at the high school band room at 8 p.m. Nov. 28.

International Law Discussed at Kiwanis Meet

International law in connection with the recent quarantine of Cuba led by Cmdr. E. K. Shanahan was the program at the regular dinner meeting of the Kiwanis club held Monday at the high school cafeteria.

The entire club membership joined in the interesting discussion.

The Hallowe'en parade and movie for the youngsters of the community were discussed at the business meeting.

Fred deCastro who discontinued his membership during the summer months returned to the club.

Lions Club Hears District Governor

George Kempton, Governor of District 11-E, Region II, Lions International, was the guest speaker at the luncheon meeting of the Lions club held Monday at the Weathervane Inn.

He gave an interesting talk on the international convention held at Nice, France, earlier this year and attended by 25,000 Lions and their wives representing all the free countries of the world. He said that all available housing within a radius of 40 miles was required to house the delegates and their guests. He added that this was the first time the convention was held outside the Western Hemisphere and that the promotion of goodwill and friendly relations with foreign countries through Lionism is of inestimable value.

After attending the convention, he toured the continent during the next seven weeks attending Lions Club meetings wherever he went.

Mr. and Mrs. Ray Grunch returned home Friday from a two weeks vacation trip to Quebec City and other Canadian cities, northern New York and Niagara Falls.

Mr. and Mrs. Thomas Murphy had as their guests over the weekend their son-in-law and daughter, Mr. and Mrs. James Hurlbert and family of Muskegon who visited here while in East Jordan to attend funeral services Sunday for the former's step-father, Roy Wilson, a former local resident who died Thursday at his East Jordan home.

Mrs. Clark Coulter Hosts Garden Club

"The Miracle of the Bulb" was the theme of the lesson given at the regular meeting of the Garden club held Tuesday at the home of Mrs. Clark Coulter with Mrs. P. D. Campbell as assistant hostess.

Mrs. Ross Alexander spoke on the bulb and Mrs. Albert Edwards on its history, growth and cultivation.

The bussiness session was followed by a social hour and refreshments served at a table decorated with autumn flowers.

The civic committee composed of Mrs. Malcolm MacDowell, Mrs. Jack Rader, Mrs. Harold Geiken, Mrs. Karl Erber and Mrs. Carl Kohler announced plans for a tour of the community to view the beautification efforts of business places.

Couple Honored At Housewarming

Mr. and Mrs. Arthur Falting Sr. who have moved from their Marion township home to their new home on Division ave, were honored at a housewarming held recently.

Relatives and friends gathered for a social evening, games and refreshments. They were presented with several lovely gifts for their new home.

Among those attending were Mr. and Mrs. William Falting and family, Susie Falting, Mr. and Mrs. Arthur Falting Jr., Mrs. Benjamin Drost, Mrs. A. C. Mort, Mrs. Archie Brown, Mrs. William Schmidt, Mrs. Archie Himebauch, Mr. and Mrs. Eugene Drost, Mr. and Mrs. Joseph Powell, Mr. and Mrs. Gordon Capelin and daughter and Ray Speltz of Boyne City and Mr. and Mrs. Edward Korthase of Walloon Lake.

County Dairymen Have Their Listing Programs Available

Charlevoix County dairymen have a choice of three testing programs to check milk production and raise profits.

Production records provide the farmer with information on each cow in his herd so he can make more careful feeding and management decisions, according to Ed Rebman, County Extension Director.

The more than 88,000 cows enrolled in Michigan's Dairy Herd Improvement Association averaged more than 11,000 pounds of milk during 1981. The average Michigan cow only produced about 8,000 pounds of milk last year.

Dairymen intereated only in production records can aelect the lower cost, Owner-Sampler program. The dairyman takes his own milk welghts and samples. These are picked up by the local tester who determines the butterfat content of the milk and calculates the records. Cost is 31 cents per cow per month.

The simplest and lowest cost milk testing program is Welght-A-Day-A-Month. The dalryman records the mllk weights of his herd one day each month and mails them to the county extenslon office. No butterfat test is computed in thls program. Cost is less $1 per cow per year.

In each of these testing programs, records are computed on Modern electronic, data-processing machines at Michigan State University

Bring'em back alive every time you drive.

Rayders Romp Over Grayling Vikings 34-0

★ ★ ★

Charlevoix Cinches 1962 League Title

The Charlevoix Rayders, playing on a snow and mud covered gridiron, racked up a 34 to 0 victory over the cellar-dwelling Grayling Vikings Friday night to win the 1962 league title after Gaylord had upset Boyne City 13-12.

A victory would have assured the Rayders of a share of the title but Gaylord's win over the defending champions gave them possession of the championship without going against Boyne City as had been anticipated.

In Friday's game, the entire squad with the exception of Terry Geer who was benched with an injury and two youngsters, Andy Carcy and Jim Stewart, saw action.

Charlevoix kicked off to the Vikings who picked up a first down to the Charlevoix 40 before being forced to punt.

With Frank Curtis and John Pearl carrying the ball, the Rayders moved their own 13 to the Grayling five where Pearl went in to score with less than a minute left in the first period. Larry Edwards kicked the conversion to make the score 7-0.

The quarter ended with Grayling in possession of the ball on the Charlevoix 30 following a 47 yd. run by Gary Luckstead.

The Vikings penetrated to the Rayder 12, were set back to the 17 and then lost possession on downs.

On the second play from scrimmage, Pearl pitched 10 yards to Curtis who romped 74 yds. to score with Edwards adding the conversion point midway in the second period.

Grayling was threatening as the half ended after recovering a Rayder fumble on the 24 following a punt and bucking the line to the three as time ran out.

Charlevoix took the kickoff, advanced to the Viking eight, were set back to the 16 when the ball carrier slipped on the wet field and gave up the ball to Grayling.

A punt gave the Rayders the ball midway in the period after Grayling was forced to punt. Thus began a march which started on the Grayling 38 and ended in the end zone with Dave Smith scoring after moving the ball to the four on six plays. Edwards' boot was good to give Charlevoix a 21 to 0 lead.

Charlevoix kicked off and regained possession three plays later when Bruce Kroken recovered a Viking fumble on the Grayling 38. Smith picked up a first down to the 25 and Curtis went the remainder of the distance to score. Edwards' conversion kick was blocked.

The Rayders kicked off and regained possession on downs on the Grayling 45. Passes from Chip Terrill to Brendan LaBlance and Jack Stockwell and ground gains by Al Wojan moved the ball to the six where Terrill took it over to score. Edwards' kick was good as the score stood at 34-0. Wojan intercepted a Grayling pass on the final play of the game after the Vikings had taken the kickoff on the 32.

Starting for Charlevoix were Curtis, Dave Smith, Curtis and Herb Cummings in the backfield, LaBlanee and Kroken, ends; Mike Bost and Ben Cunningham, tackles; Tom Browe and Charlie Mitchell, guards and Dick Odmark, center.

Others who saw action were Al Wojan, Terrill, Stockwell, Joe Smith, Dave Rader, Lewis Poole, Dan Pearl, John Ochs, Dave Novotny, Gary Moore, Rick Miller, Howard Majors, Rick Grunch, Edwards, Nick DeYoung, Ray Bascom and Pete Ance.

Last Week With Class C

With an assist from the Gaylord Blue Devils who edged the Boyne City Ramblers 13 to 12, the Charlevoix Rayders wrapped up the 1962 Northern Michigan Class C title Friday night after dumping Grayling 34 to 0.

It was the Rayders first title since 1959 and their fourth under Coach Don Carey.

The loss by Boyne City threw the Ramblers into a three way tie for second place with Gaylord and Pellston Hornets who rolled over Mancelona 36 to 0. In the only other game Friday, Harbor Springs played East Jordan to a scoreless tie.

Gaylord 13, Boyne City 12

The determined Gaylord Blue Devils who had not won over the Boyne City Ramblers since 1959 romped to a 6 to 0 first quarter lead over the defending champions on a 24 yd. pass play from Quarterback Ron Snell to Left End Jim Sharp. The attemped conversion was not good.

The half ended 6 to 0.

It wasn't until the 1:17 mark of the third period that the Blue Devils had another scoring opportunity which developed when Mike Smith and Ron Jenkins recovered a high pass from center on the Boyne City one as the Ramblers prepared to punt out of danger.

On the next play Snell went over on a quarterback sneak and then re-traced his steps for the conversion which was the margin of victory.

It wasn't until the final period that Boyne City managed to score. The first touchdown came on a one-yard quarterback sneak by Larry Gunderson. The attempted run was stopped short as the score stood at 13-6.

The Ramblers second TD play followed the recovery of a free ball on the Gaylord 32 following the kickoff. A series of plays moved the ball to the one where Gunderson scored again at the 6:16 mark. The attempted pass for the conversion was incomplete.

Later in the period Gaylord was forced to punt with the Ramblers took over. In an attempt own 20 yd. line. On the first play from scrimmage Gaylord's Bill Kahler recovered a Boyne fumble on the 18 yd. line with 37 seconds remaining. Gaylord failed to move the ball and the Ramblers took over. In a attempt to get back in the game, the Ramblers took to the air and moved the ball to midfield, but costly penalties cut short their chances as time ran out before they struck pay dirt again.

Harbor Springs 0 East Jordan 0

These two teams, playing on a snow-covered field marked with sawdust, played to a scoreless tie in a game which saw the defensive teams of both squads playing heads up ball. The major threat in the game came with two minutes remaining when the Jordanites moved to the four yd. line. The Rams gained possession of the ball as the carrier fumbled on fourth down when be was tackled on the two yard line.

Pellston 36 Mancelona

Speedster Stan Swiss romped to three touchdowns on runs of 96, 65, and 23 yards as he accounted for 212 yards for the game.

Quarterback Mike Thompson passed to Randy Bricker for 35 yds. and to Stan Bodzik for 30 yds. to account for the other touchdown plays.

Bricker acored two conversions on runs and Thompson passed to Bodzik for two more while Vern Hlar trapped a Mancelona player in the end zone for a safety.

This Week With Class "C"

The final games on the Northern Michigan Class C league will pit long-time rivals against each other as the current season draws to a close.

Charlevoix will be playing at Boyne City in what might have been the title game had not the Ramblers been upset by Gaylord; Pellston will host Harbor Springs; Gaylord will entertain Grayling and Mancelona will invade East Jordan.

Despite the fact that Charlevoix has already taken the 1962 title, the meeting between the Rayders and Boyne City will be a hard fought battle for the entire 48 minutes of play. The two teams are old rivals and a win becomes a 'must', especially for the Rayders who feel they must prove their supremacy over the Ramblers by dumping them this week.

Boyne City, on the other hand, will be defending its second place standing now shared by Gaylord and Pellston and must win if they are going to finish with the Hornets and the Blue Devils who are almost assured of wins over their respective opponents.

Charlevoix's John Pearl, who has guided the Rayders to their first title in two years, may see only limited action this week after suffering badly brused ribs in the Grayling game. The remainded of the team, however, is expected to be at full strength.

Sheer determination on the parts of both teams will decide the outcome of this game, the renewal of the oldest and bitterest in the league. However, the Rayders, because of their record will be favored but they will have to hand in a top notch performance if they are to fee they deserve this year's title.

Pellston, fresh from a lopsided win over Mancelona, will host an old-time rival, the Harbor Springs Rams, this week in a game which could be a close one for the Rama have come a long way since the season opened. The Harnets, however, have finally found their stride and should come with a win.

Gaylord and Grayling are another pair of area rivals and this game is always a good one despite previous records. The Vikings are hungry for a viceory and should the Blue Devils let down after their fine showing eleven, paced by a fast running little back named Gary Luckstead might stage an upset.

East Jordan, stinging from their scoreless tie with the Harbor Springs Rams, and Mancelona, downcast because of a 36-0 loss to Pellston, will be out to avenge these humiliations when they collide head-on this week. East Jordan with a 3-2-1 record will be out to protect their third place in standings while the Ironmen, with a 2-4 record, will be out to better their lot as the season draws to a close. This should make for some good football, which both teams are capable of playing, with the outcome a toss-up.

Mr. and Mrs. W. F. Hinton Are Making Their Home in Petoskey

Mr. and Mrs. William F. Hinton are making their home at 923 Emmet st. in Petoskey following their recent wedding at the Barnard Methodist church.

The bride is the former Emily Lou Himebauch, daughter of Mr. and Mrs. Clarence Himebauch. The bridegroom is the son of Mrs. Hiram Hinton of Petoskey and Hiram Hinton of Jacksonville, Fla.

The Rev. Harold Cox of East Jordan officiated at the double ring service in the presence of more than 100 guests on Saturday, Oct. 20. Arrangements of yellow and white pompoms and other flowers in autumn shades formed a setting for the ceremony. Mrs. David Matchett of Ellsworth was the organist. Mr. and Mrs. Matchett sang "Because", "I Love You Truly" and "Saviour Like a Shepherd Lead Me".

Escorted to the altar by her father, the bride selected a ballerina length gown of white nylon chiffon and satin for her wedding. She wore a small hat with a short veil and white accessories. Her flowers were in a wrist corsage of white carnations and red sweetheart roses.

Susan Himebauch, as her sisters' only attendant, wore a soft pink dress and white accessories and had a wrist corsage of yellow and white pompoms.

Norman Starr of Petoskey assisted the bridegroom as best man. Robert C. Yops of Petoskey and Gordon L. Himebauch, brother of the bride, seated the guests.

A reception followed in the church parlors which were decorated in pastel shades. Mrs. Sanford Matchett, Mrs. Harry LaCroix of Lansing and the Misses Alice Himebauch, Cathy and Diane Himebauch assisted.

For traveling on the wedding trip to the Mackinac area the bride wore a teal blue shirtwaist dressand black accessories.

The bride is a 1960 graduate of the Charlevoix high school and is employed at the Hoskins Manufacturing Co. The bridegroom, a graduate of South Broward high school in Hollywood, Fla., served two years with the National Guard. He is employed at the Harris Lumber Co. and associated with the Hinton Upholstery Shop, both of Petoskey.

Area Christian Reformed Churches Hold Conference

Ellsworth—More than 200 young people representing the seven congregations in the Cadillac area, Rudyard, Atwood and Ellsworth churches attended a conference at the Ellsworth Christian Reformed church Friday.

Young Calvinist director Rev. James C. Lont of Grand Rapids spoke at both the afternoon and evening sessions using as his topics, "Life in Christ", and "One in Christ". Other features of the program were a Bible quiz and a film entitled, "Flight 107". Music was furnished by each church represented.

Supper was served in the Ellsworth Community school gymnasium under the auspices of the Jr. Ladies Aid of the Ellsworth church.

Bible Baptists to Hear Rev. Van Impe On Evangelism

The Rev. Oscar VanImpe of Detroit, Belgium-born evangelist, will be the guest speaker at the Bible Baptist church beginning Sunday and continuing through Nov. 11, the Rev. James Lugibihl, pastor of the church, has announced.

The Rev. Van Impe will speak at the 11 a.m. Sunday service and at the 7:30 p.m. services every evening.

A native of Flanders in Belgium he came to the United States in 1929 and was a night club entertainer until 1943 when he was converted. He is a talented accordionist and will be playing every night.

Passion Play Coming to Cadillac November 15-18

Interpreting the role of Mary, Mother of Jesus, in the Black Hills Passion Play coming to Cadillac High School Auditorium, November 15-18, is Clare Hume Meier, wife of Josef Meier who portrays the Christus in the world's oldest drama.

Mrs. Meier, although in the prime of life, has enacted this role for the past 21 years. She and Mr. Meier are parents of a beautiful and talented daughter, Johanna, who is preparing for a career in grand opera as a Wagnerian soprano.

In addition to being a serious dramatic actress, Mrs. Meier is an able journalist as well as a designer of note—a talent of inestimable value to this production which requires so many elaborate costumes. The 500 costumes created for the Play must harmonize with the startling lighting effects which irradiate the 22 dazzling scenes. This is a challenge to any designer, since Biblical authenticity and modern materials must be blended to achieve an undisturbed sense of realism. One of the most poignant scenes is the Last Supper, patterned after da Vinci's masterpiece.

All scenes are the creation of Josef Meier as the result of endless research into the events of 2,000 years ago, plus an innate intimacy with the theater of Europe and America.

In the last two years, the Michigan taxes you pay have increased more than $100,000,000 a year. Yet, despite this added income, we owe more than we did two years ago—with the State's deficit today standing at a whopping $85,000,000.

Well, GEORGE ROMNEY,

what are you going to do about our STATE FINANCES?

Tha real question here is not alone one of money—but, mostly, one of serving people.

Can a state government which is bankrupt, deeply in debt and poorly managed provide the right kind of services for the people of Michigan? Or can a state with a sound financial structure and which is well-managed provide better services? Under which kind of government will the people of Michigan benefit most?—

Better schools. Better mental health facilities. Better employment services. Better social services. All of these services, to be better, must be supported by a sound, well-managed atata financial program.

Sound financial management for Michigan atarts with apending reform. Spending reform does NOT mean the cutting of vital services. It does mean improving the quality of these services by eliminating waste and duplication. Then we need tax reform to maka sense out of our present crazy-quilt tax program. A new tax program must reflect tha wishes and the ability to pay of all tha citizens.

LEADERSHIP in Lansing is necessary to bring all sides together to work for a sound, equitable financial program that will benefit all the peopla of Michigan. I'd like to put my experience in leading groups of people with diverse ideas to work for you.

Will you give me a chance to PROVE what a new team in Lansing can do?

George Romney

Republican State Central Committee, George Van Peursen, Chairman Pd. Political Adv.

LEADERSHIP

...is a quality requiring foresight, experience, judgment, lack of vacillation, and, above all, freedom from any suspicion that what is done is motivated by politics or any other consideration than devotion to duty.

Al Bentley, said in 1958: "We talk about the Monroe Doctrine, but what are we doing about Communist infiltration and colonization in Latin America?"

Al Bentley repeated this same position in 1960.

On September 18, 1962, Al Bentley wired the President to urge "a sea blockade around Cuba expressly to keep war materials from being shipped to Cuba."

His Democrat opponent branded Al Bentley as "foolhardy" and guilty of "shallow thinking."

Al Bentley's opponent maintained his same position almost to the hour when the President took firm action on the Cuban situation . . . the sea blockade Al Bentley advocated . . . with the statement that "the greatest danger of all would be to do nothing."

Leadership? Who showed leadership?

Al Bentley proved his leadership again. His opponent? You judge.

Michigan needs Al Bentley's leadership in Washington.

Michigan needs Al Bentley's experience as a Congressman and a member for 8 years of the House Foreign Affairs Committee.

MOST VOTERS ARE relatively familiar with the top names which will appear on the Nov. 6 ballot in Michigan.

Lesser candidates, those below the office of Governor, often get lost in the shuffle, however. Ballot proposals take an even greater loss when voting time arrives.

Usually Michigan voters are diligent when voting for governor. Most people also vote for the candidates for Administrative Board posts. These include the Lieutenant Governor, Secretary of State, Attorney General, Treasurer, and Auditor General.

A great drop occurs in the count on votes for Supreme Court justices. These candidates are nominated at major conventions in August, but run on a non-partisan ticket. In a voting machine, the candidate names are far to the right of the machine; in paper precincts they are listed on a separate ballot.

The same thing occurs when a Constitutional amendment or other ballot question is listed, farther to the right on a machine and on still another separate ballot in paper districts.

This year, even more of a drop than normal is anticipated when votes are counted on a proposed Constitutional amendment. (Not to be confused with the proposed new Constitution to be voted on next April.)

A proposal to allow a general revision of the state laws was approved for ballot placement by the Legislature. Since then, however, its presence has gone almost unnoticed.

Because the proposal is of a rather technical nature, very few people are expected to take the time to familiarize themselves with its effects and vote on it, said State Elections Director Robert M. Montgomery.

The Constitutional change would allow the Legislature to provide for a general revision of the statutes.

Presently revision is prohibited. The Governor appoints a compilation commission which puts the laws together each year. This commission is prohibited by the Constitution, however, from making any corrections which might slip through during passage, such as misspellings.

• • •

Proponents of the amendment in both parties said it would greatly improve legislative effectiveness. Rep. Joseph A. Gillis, Jr., D-Detroit, and Rep. Henry M. Hogan, Jr., R-Birmingham, sponsored it.

They substituted a simple 24-word sentence for the 80-plus word section now in the Constitution prohibiting the revision. It would provide that "the Legislature shall provide by law for the general revision of the statutes at such time and in such manner as it shall determine."

Students to Attend Annual College Night at Petoskey

Junior and senior students of the Charlevoix high school will be among those from 16 area schools who will attend the annual college night program at the Petoskey high school Nov. 5.

The students will gather in the Petoskey high school auditorium at 7:30 p.m. Monday, Nov. 5, to hear Fred Nelson, assistant dean of academic affairs at North Central Michigan College, deliver the keynote address. Following this, there will be three 35-minute periods while the students may visit the college representatives of their choice and ask questions. There will also be a browse period at the close so students might visit other college representatives and pick up helpful literature. Thirty colleges, business schools and hospitals will be represented.

Parents of the students are being urged to attend the special College Night program and learn more about entrance requirements and examinations, tuition, and other important information pertaining to college.

The State Department of Social Welfare recently purchased a site at Pup Lake south of Houghton Lake in Roscommon County for the establishment of a youth conservation-rehabilitation camp for 50 boys between the ages of 15 and 17 years.

Creation of the camp was authorized by the Legislature. Its establishment was one of several proposals which resulted from a five-year study of probate laws and facilities for juvenile delinquents in Michigan.

• • •

The three buildings at the Pup Lake facility will provide a self-contained operational unit under the joint jurisdiction of the Social Welfare Department, the Conservation Department, and the Department of Public Instruction.

It happened 100 YEARS ago

The oldest incorporated trade association in the country, the United States Brewers Association, was organized in 1862 . . . the same year that

IN MICHIGAN, farmers were harvesting badly needed grain for the Union armies. Michigan was one of the Union's important suppliers during the Civil War. And, after the war, the State's grain farmers found a good market with Michigan's pioneer brewers.

For even then, beer was the traditional beverage of moderation. Beer still provides enjoyment for folks in Michigan and a good living for the many employees and suppliers of the Brewing Industry.

TODAY, in its centennial year, the United States Brewers Association still works constantly to assure maintenance of high standards of quality and propriety wherever beer and ale are served.

Petoskey Concert Goers To Hear Rise Stevens Nov. 6

Northern Michigan will have the opportunity to hear and see one of the greatest personalities of the music world on Tuesday evening, November 6, when Rise Stevens appears in concert at the Petoskey High school Auditorium.

This is to be the first in a series of four concerts in the 1962-63 Northern Michigan Community Concert Association.

Wherever she has appeared—in Italy, Paris, Vienna, Athens, London, Cairo, Buenos Aires Rio de Janiero, Moscow—Rise Stevens has been an ambassador of American culture. People all over the world have been amazed, indeed, that the ideal "Carmen" of today, is neither French nor Spanish, but a girl from the Bronx in New York City.

She can sing 40 roles in Opera, but is best known for her interpretation of "Carmen". Rise Stevens has appeared in most of the world's leading opera companies, such as the Metropolitan Opera. Co., The San Francisco Opera Co. and others.

Rise Stevens is regularly seen and heard on all the important Televisions networks, in such important shows as NBC-Specials, The Ed Sullivan Show, The Steve Allen Show, The Bell Telephone TV Hour, plus many more.

In motion pictures, Rise Stevens has been starred in several outstanding films, including the Accademy Award winner "Going My Way", "The Chocolate Soldier", "Carnegie Hall" and others.

Her first concert in northern Michigan will be at the Petoskey High School auditorium on Tuesday evening, November 6 at 8:30 p.m. Admission will be by membership only.

Farm Bureau Women Attend District Meeting

More than 100 Farm Bureau Women were in Petoskey recently for the annual fall district meeting of Farm Bureau Women.

The meeting, at which Mrs. Thomas Wieland, president, presided brought together rural area leaders from Antrim, Emmet, Cheboygan, Otsego and Charlevoix counties.

Stanley Powell of Ionia county, a recent delegate to the Constitutional Convention, spoke on "Comparison of the Old and New Constitutions" at the all-day meeting. He was introduced by Mrs. William Nulph of Boyne City, district vice chairman.

Following the cooperative luncheon, Mrs. Fred Kretchman of Cheboygan county reported on the American Farm Bureau Federation Convention in Chicago which she attended in December.

Other reports on activities in the various counties during the past year were given under the direction of the Regional Representative, Dawson Way, who then discussed the need for what he called "sensible" farm legislation.

Mrs. Charles Duerr and Mrs. Jasper Warner the late vice chairman of Charlevoix county's Farm Bureau Women's committee, portrayed together the Rural-Urban luncheon held here last April.

Mrs. Peggy Shoemaker, executive secretary of the Michigan Kidney Disease Foundation, explained the work of this recently-organized group which offers assistance to those afflicted with nephrosis. Mrs. Marjorie Karker, state co-ordinator of Farm Bureau Women's activities, discussed with the group the annual state meeting to be held in Lansing Nov. 7-9 and explained some of the issues which make next week's general election so vital.

Three former district chairmen were introduced by Mrs. Wieland. They were Mrs. Thomas Dockery and Mrs. Vernon Vance of Antrim county and Mrs. Hiram Brock of East Jordan. Mrs. Russell Blumke of Alanson, chairman of the Emmet county group, welcomed the members in behalf of the host county; She then led the pledge of allegiance which was followed by the invocation by Mrs. Roscoe Williams of Petiskey.

Charlevoix county was presented with the prize for attendance.

The April district meeting of the group will be held in Charlevoix county.

National V.F.W. Auxiliary Pres. To come To Lansing

Mrs. Merton B. Tice, national president of the Ladies Auxiliary to the Veterans of Foreign Wars, will make her official visit to Michigan in Lansing this month, according to Mrs. Albert Russell, president of the local Auxiliary.

Plans for her visit include a meeting on Nov. 23 and 24 at the Lansing Civic Center at which time she will be informed of the many activities being carried on by the members of the auxiliaries in Michigan. A reception for Mrs. Tice will be followed by a dinner Saturday evening.

The local auxiliary is planning to send a delegation to Lansing for the meeting.

The auxiliary of the V. F. W. is a service organization in that members annually give more than $3 million and devote thousands of volunteer hours to many other programs for hospitalized veterans and their families, community service, Americanism, education, youth groups, civil defense and veterans' legislation and contribute heavily to the multi-million V. F. W. National Home at Eaton Rapids for the children of deceased and disabled veterans.

Ceremony Marks Completion of G.S. Training Course

Nine local residents were among 31 adults from six northern Michigan communities who completed the Girl Scout Basic Training Course for leaders and troop committee members conducted under the direction of Mrs. Hugh Warner, executive director of the Crooked Tree Girl Scout Council.

They were Mrs. Steve Paterka, Mrs. George Hutchinson, Mrs. Leland Warner, Mrs. Darrell Dinwiddie, Mrs. Arthur Emmons, Mrs. Jack Rayder, Mrs. Benjamin Gill, Mrs. Russell Mieras and Mrs. Ralph Gillam.

The investiture ceremony concluded the training period with each adult receiving a certificate indicating the number of hours of training.

The outdoor training was given in two sessions, at Traverse City and Petoskey. The basic training course was held in Charlevoix and Petoskey.

Mrs. Warner was assisted by Mrs. Lloyd Arnold, volunteer trainer.

State Teachers Attend Workshop

More than 300 visiting teachers from throughout the state were at Boyne Mountain last week for a workshop to study and discuss "How the Visiting Teacher Program Identifies with New Directions in Education".

The 18th annual meeting was sponsored by the Michigan Department of Public Instruction which invited consultants and resource people from Michigan's major universities and representative school systems.

Among those requested as consultants by the department was William Ratigan, of the Charlevoix school system. He was assigned the responsibility of defining the role of the school counsellor in relation to the Visiting Teacher Program as well as in relation to other special education program such as school psychological, school nursing, speech correction services and overall guideance services.

The hour was midnight and the date was Feb. 17, 1962.

A determined young man was clinging to a rope stretched 285 ft. into the depths of the Gulf of Mexico, making a fast, penetrating observation of a troublesome cable in use by an offshore oil rig.

Suddenly he sensed a tinge of dizziness and, as he began hoisting himself to the diving stage 30 ft. above, barked into the phone "Pull me up."

Aboard the stage, he saw a loop of his air hose go over the side of the flooring. Forgetting for the moment that it was taped to the cable every 50 ft. to insure stability as he was lowered from the rig into the underwater depths, he made a circular motion to kick it free.

It was then Norman Ketchman, former local resident and commercial diver, blacked out, pitching off the stage the length of his air hose.

"I snapped on again half a minute later and went hand over hand up the hose to the stage," the Morgan City, La., diver related in describing the incident. He reported he was O.K. and the tender said he was out only half a minute " But that 30 seconds of silence went by awful slow" the tender, James Clifford of Morgan City, aaid.

Finally, at 3 a.m., Ketchman emerged from the water aboard his stage, the proper decompression levels having been observed, presented himself on the drill barge deck after resting as the stage had made its slow progress to the surfcae.

After reporting the cable trouble in detall, his report was verified by a fellow-diver, Norman Knudsen, who went over the side two hours later and, at a depth of 220 ft., completed the repair job in half an hour.

Can a diver work at a depth of 300 feet?

"They" say he can ride to that depth safely but that he can't work.

Ketchman feels that he has proved a diver can work at the deeper depths because of the exertion he made lowering himself down 30 ft. of air hose and hoisting himself back again.

"If I had had the air I could have done the work" he aaid confidently. "The 150 lbs. of pressure I was using should have been increased to 180 to 200 lbs. Of course, it is dangerous to work at this depth, but if a diver knows the danger and is well equipped, he can do some work at that depth".

Deeper drilling means deeper diving and Ketchman is convinced the diving business can keep pace with the needa of the drilling business.

That he has probably aet a record for deep diving in connection with offshore oil rig assignments has such positive signficance to Ketchman that he has had apecial equipment shipped in from London.

He should know what he is talking about for, at 28, he is a nine-year veteran of the commerciel diving business.

A native of this community and the son of Mrs. Lyle Miles, vealed that the cable trouble was below the 150 ft. mark, the maximum dive for the equipment he was using. After returning topside and conferring with the tool-pusher, the superintendents and engineers aboard the barge, it was decided that a deep dive would require special equipment and possibly a second diver.

"We radiced for Knudsen to go to Grand Isle and bring deepsea helmets, the heavy weight belts needed to keep you down at great depths and a five-ton decompressien chamber", Ketchman said.

At 11 p.m. Knudsen and his tender, James Bush, and the deep diving equipment arrived. The decompression chamber was set up on the four by four diver's stage on which Ketchman was to belowered: two 1000 watts underwater lights were lowered and three 1000 gallon air tanks, standard equipment on the drilling barge, tapped into the air hose in preparation for the descent.

Wearing 200 pounds of equipment including a breastplate, helmet, weighted belt and shoes and diver's sult, Ketchman went oved the side at 12:30 a.m.

The descent went slowly as attendants tapped the air hose to the cable every 50 ft. At the 26 ft. level, Ketchman said he sighted the cable trouble but wanted to look at it from underneath, going down the air hose, hand over hand, another 25 ft. for a better look.

"At this depth I felt the first warning of trouble, a slight sensation of dizlness, asked the tender to pull me up and scrambled back up the air hose to the stage. The exertion, however, was too much and when I kicked the air hose to unfold it, I blacked out. When I came to I found myself dangling at the end of the air hose. When I pulled myself back to the stage I found that I had been out for only 30 seconds" Ketchman recalled.

Upon his return to the barge, Knudsen was lowered to the 220 ft. level and repairs made within 30 minutes.

Ketchman aaid this clearly refutes the Navy'a maxim that "a diver can barely be trusted to come in out of the rain if he dives below 200 ft. and, that if he returns safetly, he can scarcely remember what he aecomplished at that depth".

He concluded by saying that deep drilling does not mean the end of commerical offshore underwater jobs at new depths. Then, with the convictlon of a pioneer, added that this is certainly a new frontier for all of us divers in the area but it is by no means a closed frontier.

Ketchman is married to the former Joyce Hardy. They have two daugbters The family reslides at Morgan City, La. He is the grandson of Mrs. Marie McCall.

He was graduated from the Charlevoix high school where he lettered in football and basketball.

Determined at an early age that he wanted to make commercial diving his career, he went to the west coast where he enrolled in the Sparling School of Deep Sea Diving at Wilmington, Calif.

He concluded his six-months course and went to Florida where he worked at a Navy shipyard doing underwater salvage before returning to Manistee where he was engaged by the Bultema Dock and Dredge Co.

For two years he worked on pipelines repair, dock building, underwater inspection and laying sewer lines across rivers. During this toughening up period he learned there were two "Can't's," in the diving industry: you can't do it and you can't stay.

"These two 'can'ts mean just what they say and a diver must make it his business to know when not to dive", Ketchman said.

He sited the problem confronting divers when a span of a railroad bridge over the Atchafalaya river, described as swift, black and dangerous, tumbled into the water.

In this aituation, diving had to be delayed until the tide went down for the swift current swept away the diver's cable and hose if he didn't hang on and hanging on meant he could not use his hands to work.

By contrast, Ketchman aaid, you have at least 50 ft. of visibility all over the Great Lakes which do not present the problem of current. He added that there is nothing as severe as the currents one finds in the Mississippi and Atchafalaya.

In the Gulf other hazards such as voracious baracuda and shark present themselves. "They're curious and will come up and inspect your work over your shoulder but unless you want to start an argument, they will give you no more trouble than a pack of sidewalk auperintendents", Ketchman said.

These underwater varmints occasionally spring surprises, he related, auch as the time a baracuda dived over his shoulder 'attacking' the air bubbles coming from his helmet or the time he was adjusting an underwater pipe when he felt his wrist lashed to the pipe by a 'rope' which turned out to be a baby octupus. Ketchman said he grabbed him by the back of his basketball-sized head to take him topside but he got away before they surfaced.

Last years's hurricane, Carla, apparently cleared the gulf waters of octupi as none have been observed in the area aince then, Mother Nature's way of improving working conditions for divers, he added.

But it was another set of working conditions he was thinking about when he answered the summons last February to make a routine shallowwater dive from a Bluewater Drilling Rig about eight hours by crew boat from Grand Isle, La.

An exploratory dive, using shallow water equipment, re-

Mr. & Mrs. Belfy Observe 50th Anniversary

St. James, B.I.....Mr. and Mrs. William A Belfy, pioneer residents of this community, observed their golden wedding anniversary Tuesday, October 23.

Plans for a formal observance of the event were cancelled when Mrs. Belfy fractured her hip in a fall last week. She is now a patient at the Charlevoix hospital.

Remember July 18?

Memories are short these days. So much is happening that we sometimes forget the events of only a few months ago.

But, when we vote on November 6, we'd better remember July 18.

That was the day when the Supreme Court of Michigan threw out, by a one-vote margin, the State Senate apportionment we voted for just 10 years ago. The court told us we had to take the kind of apportionment demanded by Gus Scholle, regardless of the fact that the people had overwhelmingly rejected it at the polls.

By that same one-vote margin, the Court also cancelled the primary election and told the people they might have to elect 32 Senators on an at-large basis.

This could easily have meant that all the Senators would come from one or two counties, depriving us of our voice—of any voice—in the Senate of Michigan!

Only action by the U. S. Supreme Court saved us! And the fight isn't over yet.

What does this mean to us on November 6?

Well, the present Governor has said that the Michigan Supreme Court decision, which almost cost us our representation in the Senate, was "A great victory for the people." *Which people, Governor Swainson?* Certainly not those of us who live here. Certainly not the 1,269,807 of us (a 294,289 majority) who voted for the present Senate plan that the Michigan Supreme Court threw out.

Fortunately, the Governor's opponent, Mr. George Romney, supports a Senate apportionment plan which provides effective representation for *all* the people. He also supports the right of the people to vote on the kind of legislative representation they want. Romney has called the Swainson-Scholle apportionment steamroller a "power grab." He's right.

When we vote on November 6 we ought to remember what John Swainson wants to do to our voice in the legislature. We ought to remember where George Romney stands.

We ought to remember that Governor Swainson's appointee, Attorney General Kelley, deserted the people and argued for Gus Scholle.

We ought to remember that two Justices of the Supreme Court are up for election, and that we can change the make-up of the Michigan Supreme Court by electing two *new* Justices.

Let's remember July 18 on November 6. Let's do what we can to see that we still have a voice in the State Senate.

AGRICULTURE in ACTION .....

by M. L. Woell
MICHIGAN FARM BUREAU

So,—What Else Is New?

Why are Americans surprised when a Communist acts like a Communist? Why flinch and appear startled when new evidence appears that the Reds intend to do exactly what they've always said they would do if they had half a chance?

Cuba, for instance.

One gets the impression that the build-up of super-armamen in Cuba by the Soviets was something less than what could normally be expected, that in fact, the State Department, the Defense Department, the President himself, were "shocked" because such actions were something less than fair.

Since when have Godless Communists played "fair"? And while we're examining the obvious,—why must farmers be first to point out the obvious?—Why not the communications industry, ... the educators, the politicians who make great shows of protecting our interests?

For more than two years, Michigan farmers looked at what had happened to Cuban farmers and asked for action. Why a protected sugar "quota" to Cuba—a nation which had nationalized the farming, and sugar industry?

A full year ago, the Michigan Farm Bureau adopted a resolution asking for an arms embargo against all Communist countries, and questioned the adcisibility of extending further aid to any country controlled by a Communist dictator.

Michigan farmers waged a ceaseless campaign to point out what it means to have a Communist country 90 miles from our own. More than 100,000 Michigan residents have seen one or more documented film reports during the past year, showing the encirclement of America through the world-wide spread of Communist activities. The effort was spearheaded by the Michigan Farm Bureau, assisted by the American Legion and militant church and civic groups.

Yet Michigan's Governor called it "scare talk,"—branded it as "defeatism." He refused to allow Michigan State Police to participate in the showings.

So now suddenly, Cuba is a big threat. Suddenly Cuba is part of Russia's scheme to bury us, alive or dead.

Now they tell us. So what else is new?

City to Levy 20.66 Mills Tax on Revised State Valuations

Tax statements scheduled to be mailed early next month to more than 1,470 property owners in the city will raise $160,881.74 or $8,470.76 more than was raised last year for county and school purposes, according to information released this week by J. Lawrence Feindt, city assessor.

This will require a tax levy of 20.66 mills on $7,801,350, the city's valuation adopted for tax purposes though the actual state equalized valuation is $7,936,431.

This year's valuation on which taxes are being levied is an increase of $617,159 over the 1961 valuation of $7,184,191 which required a levy of 21.22 mills to raise $152,410.98. However, on the tax statement the millage was listed as 28.837 mills which was levied on the county assessed valuation of $5,288,100.

The increase in the city's valuation is the result of the survey made by the State Tax Commission during 1961 and to new properties including homes and other buildings according to Russell Curtis of the county assessment-equalization department.

Appearing on the tax statement this year will be millage for county operational costs and for the Grandvue Medical Facility which is appearing on the statement for the sixth year. School millage includes that allocated to the schools plus special voted millages such as that to retire the 1951 bond issue for the elementary school addition and the building now used as a cafeteria and classrooms; millage approved last summer to support the library operated by the school for the public and millage to retire the bond issue school. This is appearing on the on the new junior-senior high statement for the fourth year.

In dollars and cents, property owners will be paying $20.88 per $1,000 valuation on their property. However, it must be remembered that the city received an overall increase of 10.47 per cent or $752,240, the difference between the 1961 state equalized valuation of $7,184,240 and the 1062 state equalized valuation of $7,936,431. As a result, the valuations of individual parcels of property were increased a comparable percentage.

See comparative tabulation on page 10.

Officials Study Community Shelter And Survival Plans

Charlevoix county, municipal and school officials met at the county building recently to discuss with Gen. George B. Ely, county Civil Defense director, survival plans and community shelters.

Gen. Ely reported that as a result of the county-wide survey conducted recently three buildings in the county meet the standards as required by the Corps of Engineers to be used as community shelters and to be marked as such and to be stocked with food, medical and sanitation supplies. There is one building in each of the major communities, Boyne City, East Jordan and Charlevoix. Licenses have been obtained for these buildings.

He went on to say that without any increase ventilation or preparation these buildings will furnish protection for a total of 278 persons out of total population of 13,000. If increased ventilation and standby electrical generation are provided for these and a few other buildings the total spaces could be increased to 1,690 or approximately 14 per cent of the population.

Efforts will continue to improve the available facilities but in areas with the geographical and economical characteristics of Charlevoix county, the best reliance for individual or group protection is that provided by the well-protected basement shelter.

The county survival plan approved earlier is now being revised because of changes in the international situation and in the weapons system. Since the plan is an outline for primarily the entire county, there is required more detailed plans for the county departments and facilities aa well as schools. These plans should detail just how each will implement their portion of the Survival Plan in time of an emergency.

A country can be only as great as her national reaourcea will allow.

Kiwanians View Space Age Film

The Kiwanis club, meeting at the high school cafeteria for its regular dinner meeting, saw the movie "Space Age", a film which showed the use of missiles and man's flight into space.

Plans were made to tour the Hoskins Manufacturing Co. plant following the dinner next Monday.

Award Charlevoix Hospital $46,200 Federal Grant

The Charlevoix hospital has been awarded a federal grant in the amount of $46,200 for hospital additions according to an announcement by Gov. Swainson's office.

The Department of Health, Education and Welfare approved the grant to the local hospital for addition to auxiliary hospital services.

Contacted following the announcement that the grant had been approved, Fred W. Willis, chairman of the hospital board, said that the grant had been given on a matching basis with the federal government paying 66 per cent and the local hospital the remainder of the cost of the proposed additions.

He said that the expansion program called for an addition to house a physical therapy department, enlargement the size of the laboratory and increased laboratory facilities and enclosure of the ambulance entrance. These programs have been recommended repeatedly by the American Hospital Association.

Schematic plans have been drawn up by Gordon Cornweli and Associates of Traverse City, architects for the hospital. Mr. Willis said that more complete plans will now be made and approved before the work on the expansion program can be started early next year, depending on the weather.

Citizens Object to Rezoning Property on West Dixon Avenue

Objections to the re-zoning of property bordered by Michigan ave. on the East and West Dixon ave. on the north were heard at the regular meeting of the city council held Monday at the city hall.

Three area residents appeared at the meeting to voice their objections to Robert Dyksterhouse's request that the property, located on the west of the north side hill, be re-zoned from Residential II to Commercial I. The issue was referred to committee for further investigation.

Approval was given the master plan for the municipal airport expansion program as prepared by the Brewer Engineering Co. of Owosso.

A hearing regarding a proposed trailer ordinance which would permit trailers only in Residential III sections of the city has been scheduled for Dec. 3. The proposed ordinance will be published in the Charlevoix Courier prior to the date of the hearing.

The city council and the school board entered into an agreement whereby the city street department would plow the front drive at the new high school and independent basketball teams would be allowed use of the elementary school gymnasium and would supply supervision.

Bills totaling $55,663.62 were approved and ordered paid. The figure includes a payment to Cities Service for diesel fuel oil in the amount of $7,278.50; Clifton Engineering Co., $27,329.90, for construction of sub-station to tie in the city with Consumers Power Co. lines; city-used utilities, $1,014.52; Fleet and commerical comprehensive insurance and property floater, $2,304,81; Crescent Stone Co., $5,000 for property to be used in the airport expansion program; payroll, $7,101.50.

Dan Mather, 71 Former Resident Dies at St. Joseph

News of the death of Dan Mather, 71, at St. Joseph Sunday has been received by his sisters-in-law, Mrs. Ida Welsheimer and Miss Lillis M. Flanders.

Mr. Mather had been employed at the Waller Farm, now known as Birchwood Ranch, from 1913 to 1917. During that time he was married to the former Lillian Flanders. They resided in St. Joseph for many years.

Besides his wife, he is survived by a son, Stanley, of Benton Harbor and four grandchildren.

Funeral services were held Wednesday at the Kerlikowske, Stark and Beatty Funeral Home in St. Joseph. Burial was at Saugatuck.

Now the Bottle May be Opened

"I'll not open this until Olivet beats Albion on this football field" vowed the headlinesman at an Olivet-Albion game in 1920.

"This" was a bottle of Black and White Scotch whiskey which that head linesman had acquired in the Prohibition days when a bottle of real Scotch whiskey was worth its weight in gold, more or less.

As the years went by and the old rivalry between the two colleges continued, the head linesman kept an eye on the annual scores from various places around this country and from even as far away as the China theatre during World War II. But somehow Olivet never accomplished the feat that would warrant opening the bottle.

Finally the day came when this head linesman, now a Brigadier General in the U. S. Army Reserves, retired and moved to Charlevoix county, bringing with him one bottle of Black and White Scotch.

On Saturday Olivet finally accomplished the impossible by defeating Albion for the first time since 1914 by a score of 15-7.

The bottle of Scotch was brought out of its storage place but after 42 years so many people have heard the story and been promised a drink from it that there would be only enough for everyone to have a 'whiff', according to its proud possessor, Gen. George B. Ely U.S. Army (Ret), who can't decide what to do with it.

When this all started, Gen. Ely was then in charge of the National Guard unit at Charlotte and Saturdays served as head linesman at home games at Olivet College.

What does one do with something that's become a part of a legend through the years? If you've any ideas, relay them to Gen. Ely, now director of Civil Defense in Charlevoix county.

U.S.C.G. Cutter Sundew Assists Stranded Vessel

The U.S. Coast Guard cutter Sundew departed for Detroit Thuraday with a 84 ft. C.G. Tug it had pulled off the beach on the southwest side of Beaver Island late Wednesday.

The wooden-hull tug was enroute from Milwaukee to Detroit where it was to be de-commissioned when it went aground a short distance west of the Beaver Head light station late Monday.

The Sundew was returning to Charlevoix after picking up Aids to Navigation and a small barge when it was ordered to change course and go to the assistance of the stranded vessel.

Winds up to 60 miles an hour and high seas prevented rescue operations Tuesday but the ship went to work Wednesday. However, the operation resulted in the snapping of three small hawsers before it was pulled from the beach Wednesday evening after a 12 inch hawser had snapped and been repaired. The tug was pulled from the beach at 6:30 p.m. Wednesday and returned here later that evening.

After unloading the buoys and barge Thursday morning the ship departed with the tug which had a bent screw that limited its speed to 10 knots an hour.

Pick Committees For Annual Band Parents Dinner

Preparations are well underway for the annual Band Parents dinner to be held at the Charlevoix high school cafeteria Wednesday.

Mrs. Clifford Riley has been named general chairman of the annual fund-raising event by the president, Jerold Murdick. She will be assisted by Mrs. Jeff Novotny.

Mrs. Marie Blissett and Mrs. A. D. Cunningham, regular school cooks, have been engaged to supervise the preparation of the meal.

Serving will begin at 5 p.m. and continue until all have been served. Preparations are being made to serve 500 dinners at the same popular prices as in the past.

Mrs. Riley has announced a partial list of band parents who will assist with the dinner. Mrs. Marvin Sugden, Mrs. Larrie Tuomela, Mrs. Clare Staley and Mrs. John Norton have been asked to set up the dining room; Mrs. James Gallagher, Mrs. Robert Neff, Mrs. Ray Wood, Mrs. Abe VerWys, Mrs. Jack Rader and Mrs. Gordon Freedman will be working in the dining room and will supervise the band members who will work as waitresses and bus boys; Mrs. Bruce Bartlett, assisted by Mrs. Rex Davis, will be in charge of the coffee and band fathers will man the dishwashers. Other parents in the organization will be asked to assist in various capacities but early this week the above committees were the only ones named by Mrs. Riley.

Mrs. Joseph Stutzman, treasurer of the association, will be in charge of ticket sales at the door.

C. A. Odmark, director of the music department, will supervise the distribution of tickets to the 165 senior and reserve band members.

Proceeds will be used to help underwrite the cost of 12 additional uniforms needed by the band due to the record enrollment of 93 students. The uniforms will cost an estimated $750.

Tickets will be available at the door but those who can are asked to purchase their tickets early in order to facilitate the planning for the event.

George Romney Wins In Gubernatorial Tilt

Unofficial results in Nov. 6 general election in Charlevoix county, in most instances, followed the trend set in the state with the G.O.P. winning after a 14 year reign by the Democrats.

In the Congressional and state legislative scenes as well as in the county offices where there were only two contests, the Republicans carried Charlevoix county.

In an election which brought out a record vote for an off-year election, the candidates and the number of votes each tallied with 22 out of 22 precincts reporting follows:

Governor: Romney 3336; Swainson 2059; Lt. Governor, Reid 3267, Lesinski 2020; Secretary of State, Stockmeyer 2094, Hare 2254; Attorney General, Danhof 3158, Kelley 2117; Treasurer, Allen 3168, Brown 2115; Auditor General, Seidman 3225, Farnum 2026.

Congressman-at-large, Bentley 3286, Staebler 2003; U.S. Representative 11th District, Knox 3324, Cleary 1880; State Senator 29th District, Schweigert 3228, Schneider 1940; State Representative Charlevoix District, Gordon 3394, Wolf 1956.

Constitutional Amendment with 19 of 22 precincts reporting: Yes 1860, No 1988.

Supreme Court Justices with 20 of 22 precincts reporting: Term expiring in 1967, Adams 1497, O'Hara 1922; Term expiring 1965, Smith 1471 McGregor 1654.

On the county level with 22 out of 22 precincts reporting incumbent sheriff, Glenn E. Rose won over Democratic candidate Merle Karlskin by a vote of 3457 to 1884 while Grover C. Geneit, incumbent register of deeds, polled 3395 votes to 1845 by his Democratic opponent, Arthur Osborn.

County incumbents who were returned to office without opposition and the number of votes each polled follows: Prosecuting attorney, Harvey C. Varnum, 3504; County Clerk, F. R. Bulow, 3569; County Treasurer, Lillis M. Flanders, 3559; Surveyor, Mary C. Feindt, 3520; Coroner, James Stackus, 3520.

C of C Housing Brochure Being Readied for 1963

The Charlevoix Chamber of Commerce housing brochure distributed by the Chamber during the year and mailed in reply to inquiries for accomodations is now under revision for the 1963 season, Paul Kohler, secretary-manager of the Chamber, has announced.

Owners of rentals whose listings presently appear in the brochure have been asked to make changes, if any, before Nov. 15.

Owners of summer rentals who wish to have their cottage, apartment or home listed in the new brochure may do so by calling the Chamber of Commerce office, LI 7-2101.

Requests for the new brochures have already been received not only from families interested in accomodations for next summer but from prospective participants and spectators for the two golf tournaments scheduled for next June.

Lions Club Plans Fruit Cake Sale

Plans for a sale of Christmas fruit cakes later this month were made at the regular luncheon meeting of the Lions held Monday at the Weathervane Inn.

A door to door solicitation will be made between 5:30 and 7 p.m. Tuesday, Nov. 20.

The fruit cakes, made at Fairbanks Pastry shop, will be available in one and 2½ pound sizes and will be attractively packaged.

Proceeds will be used principally for the Lions International Sight Conservation Fund.

Arrangements are under the direction of a committee composed of Alun Bevan, chairman, Jack Erber, Don Meggison, Fritz Puffpaff and Joseph Liston.

Charlevoix Pier Featured in Friends Magazine

A colored picture of Charlevoix's harbor entrance showing the sturdy lighthouse and pier buffeted by angry blasts of bitter winter winds and spray mist from heavy surf has appeared in the current issue of Friends publication published by the Chevrolet Co.

Taken by a Chevrolet owner from Sarona, Wis., William E. Southern, the picture was one of six appearing under the heading "Water's Edge". The photograph was the feature picture on the two page spread.

The magazine is released through Chevrolet dealers.

William Fochtman and Mrs. Gerald Gibbons called the attention of the Charlevoix Courier to the beautiful photograph.

The photographer, Mr. Southern, is the son-in-law of Mr. and Mrs. Fred Looze and now lives at DeKalb, Ill. The picture was taken three years ago.

Sentence Couple On Cruelty Charge

An East Jordan couple, charged with cruelty to children, were sentenced to two to four years in state prisons by Judge Charles L. Brown during the recent October term of circuit court.

They are Titus Sineway, 56, who will serve his sentence at Southern Michigan prison and his wife, Gladys, 50, who will go to the Detroit House of Correction.

The pair was arrested Sept. 12 and arraigned Oct. 22.

Charlevoix IN UNIFORM

Ronald J. Vandenberg and Christopher S. Campbell are undergoing nine weeks of basic recruit training at the U.S. Naval Training Center at Great Lakes, Ill.

Tbe sons of Mrs. John Klooster and Mr. and Mrs. Herbert A. Campbell, respectively, the pair enlisted recently for four years in the U.S. Navy.

During the training, recruits receive tests and interviews which determine future training and assignments in the Navy.

The former attended General Motors Institute for two years and the latter completed a two years course at Ferris Institute prior to enlisting in the service.

Capt. Gerald G. Gibbons, an instructor at the Department of Career Development, PMGS, Fort Gordon, Ga. has had an article published in the October issue of the Military Police Journal published by the Military Police Association Inc. The news organ is published for the benefit of its members and is not an official publication of the Department of the Army.

In the article, Capt. Gibbons, who is a member of the Military Police and who is presently receiving specialized training with the Royal Canadian Mounted Police, deal with the emotions of fear and panic and how it can be counteracted by good leadership.

In the article he whites that "the difference between success in accomplishing a mission or failure in panic and hysterical flight may well hinge on the quality of leadership ... Leaders must be constantly on the alert for aigns of fear and panic in their men and must have their units so well trained that unexpected problems are kept at a minimum ... Just as hysteria is contagious, so is courage."

The article was written in connection with nuclear weapons and radiation.

Middle Age Health

ARE YOU ONE OF the "neglected" segment of the American population where health is concerned?

"We're neglecting the middle-age segment of our population in our concern for the health of the very young and the very old," contends Dr. John A. Cowan, director of the State Health Department's Division of Tuberculosis and Adult Health.

What Cowan calls "health conservation" measures should be stressed among the 20 to 45 year age group. These measures primarily consist of periodic health examinations.

• • •

Many chronic diseases which afflict persons in their later years could be prevented by early detection and treatment in the younger years when the individual is apparently healtby and not concerned about the prospect of chronic disease, Cowan says.

A recent national health survey showed about 35 per cent of the population in the 20 to 45 age group has one or more chronic disease conditions, Cowan recalled.

"If we would only apply the knowledge that we have today in preventive and curative medicine, much of the chronic illness and disability present in today's aging population could be dissipated," he said.

THE USES OF ELECTRONICS in state government are becoming more and more varied almost daily.

Date processing units used by several departments are making record-keeping and other systems simpler and more efficient.

Now, officials relate, an electronic reporting system will be used extensively next year to keep members of the tourist industry informed on the demands being placed on the industry.

• • •

This new electronic reporting system was used briefly this past summer at State Highway Department Tourist Information Centers, reports department information officer, John Murray. "Information gathered by the system will be of real value to the tourist industry," he said.

Murray said use of the system would be expanded early next year, particularly during the summer season.

"This system provides a rapid profile of the Michigan tourist. It tells where he comes from, what he wents to do, where he stays and how long, and what kind of service he is looking for," said Murray.

• • •

Michigan is the first state to use such a reporting system and several other states have expressed an interest in the experiment.

"The tourist profile will be helpful to the tourist promotion agencies of the state as well as those who serve Michigan's growing tourist population," Murray said. "It will tell them what is happening in their industry in time to plan their advertising and promotional activities to take full advantage of current trends."

Information to be disseminated among tourists industry groups will be collected next year at five permanent Tourist Information Centers as well as two mobile information units which are circulated throughout the state.

More But Not Enough

OVERCROWDING AND WAITING LISTS in mental health facilities may soon lose their impact as a political tool.

Waiting lists for state institutions, particularly, have been a bone of contention between Republicans and Democrats for many years.

Democrats contended new facilities were badly needed to eliminate the waiting lists. Republicans said many on waiting lists could be accommodated if senile and merely old patients were placed in private facilities.

• • •

No one is actually winning their point by action taken recently, but the weight of the two arguments should be lessened considerably.

The Department of Health, Education and Welfare announced that public assistance grants would be available for persons in the older age groups who might be eligible for release from mental hospitals.

Care of "just plain old people" and senile citizens long had been a sore point with Michigan Mental Health Director Charles F. Wagg, who contended they had no place in institutions under his jurisdiction Commitments of many of these people were ordered, however, at the local level and Wagg had no choice but to take them.

• • •

Availability of public assistance grants meant release of these individuals would provide funds for their keep.

More than 500 such persons have now been referred to agencies and homes outside state government, Wagg said. It is estimated about 2,800 such persons will be placed in the near future.

The bed space made available by the discharge of old and senile patients will not, however, completely eliminate the waiting lists for the state institutions.

• • •

Many of the persons on waiting lists are for commitment to special facilities, such as homes for mentally retarded children or hospitals with programs for special types of mental illness.

Placing patients past the age of 65 who no longer require intensive phychiatric care should, however, make a large dent in the waiting lists of committed persons who can be taken into most state hospitals.

An Agricultural History of Michigan Being Published

An agricultural history of Michigan is being published and will be on the market early in 1963.

Centered around the Grange, which sought a better life for rural people for 90 years, the book, entitled, "The Grange in Michigan" traces the Grange's reaction to and leadership in many of the leading public issues. Written by Fred Trump, well-known agricultural writer, it will be the most complete agricultural histories of the state ever written.

Charlevoix Garden Club Commends Business Places

The Charlevox Garden club, which takes an actlve interest in making Charlevoix the Beautiful more beautful, recently toured the community to view the landscaping and plantings around public buildings and business places.

The executive commlttee of the organization, headed by the president, Mrs. Harley Ochs, has reported that public buildings such as the county building, city hall, post office, schools and hospital all have fine landscaping and some fine planters. Special mention was made of the new Community Reformed church where petunlas were used to line the walks.

They also commended the following business places for their beautification endeavors: American Mold Engineering Corp., Vlla Moderne, North Star and Ship-Shape motels, Lakeview Inn, Cashmere Shop, Campbell's Boot Shop, the Sugar Bowl, Polly Kay, the Turkey Wing, the Weathervane Lodge, the Charlevoix Lumber Co., the Weathervane Inn, Edwards Food Mart, Holiday Terrace Hotel and Style Beauty shop.

The city and Chamber of Commerce were also commended for their efforts to beautify the community which already abounds in natural beauty with its three lakes, channels, parks and beaches. The clean streets and sidewalks, the well kept parks and the hanging flowers baskets do much to complement the natural beauty of the communlty.

The Garden club does its share of beautifying the city by planting four plots including two on Mercer Blvd. and one each at the intersection of Petoskey and Michigan aves. and on Lake Michigan.

The club also conducts litterbug campalgns, encourages Christmas decorating and aids and advises wherever help is needed.

But there are also problems to be solved. This includes the erradication of ragweed which is also a health problem and the need of local residents to water their lawns in time of drought.

In conclusion, Mrs. Ochs urged that everyonc joln in making Charlevoix an even more beautifful community in which to live.

NCMC Enrollment Shows Increase

Enrollment figures for the fall semester at North Central Michigan College have been completed and show a record enrollment of 268 students with 218 being full-time students according to Dean A. D. Shankland. The figure represents an 8⅓ per cent gain over the fall semester last year.

Of the full-time student body, 123 are enrolled for the first time with 23 of these being transfer students from other colleges and universities. Ninety-five are returning students who have been enrolled at N.C.M.C. previous to this fall.

The students come from 15 different counties with 54 per cent coming from Emmett county, home of the college, 28 per cent from Charlevoix county, eight per cent from Cheboygan county, four from Otsego, two from Antrim and four from others.

Charlevoix had 17 students enrolled in the school.

This is the fourth year of operation for N. C. M. C. that now has a building program underway and will move to a new chemistry building and a library building on its campus for the 1963 fall term.

Last year Lake Michigan pollution in the Milwaukee area was so severe that two of tha 10 public beaches were closed.

Mr. and Mrs. Everett Crain Honored on 58th Anniversary

Mr. and Mrs. Everett Crain of Boyne City, former local residents, were honored at a family dinner Sunday on the occasion of their fofty-eighth wedding anniversary.

Forty-six members of the family including their six sons and daughters gathered at the Ellsworth Community Hall for the event.

The couple was married at East Kasson in Leelanau county Oct. 30, 1904, and lived in the Traverse City area until coming to Charlevoix county in 1922. They lived on the Ingalls farm south of here until moving to their present home in Boyne City in 1951.

Mr. Crain was born in Leelanau county Sept. 16, 1883. Mrs. Crain, the former Alberta Harvey, was born in Van West county, Ohio, Apr. 16, 1889, and came to Michigan with her parents as a child of elgbt years, making the trip by covered wagon.

Both Mr. and Mrs. Crain are in good health. Mr. Crain plants and tends a large garden of vegetables, flowers, raspberries and strawberries. Mrs. Crain spends her time doing her housework and sewing for her children, grandchildren and great-grandchildren. She remembers their birthdays and Christmas with articles she has made for them.

Present for the observance were their sons-in-law and daughters, Mr. and Mrs. Miles Russel of Charlevoix and Mr. and Mrs. Edward Denny and Mr. and Mrs. Delbert Ingalls of Ellsworth and their sons and daughters-in-law, Mr. and Mrs. Glen Crain of Charlevoix and Mr. and Mrs. Elmer Crain and Mr. and Mrs. Leslie Crain of Boyne City. The above were accompanied by their respective families.

Among their grandchildren who were present were Mr. and Mrs. Kenneth Russell, Mr. and Mrs. Richard Sutton and Mrs. Donna Pardee of Charlevoix and Mr. and Mrs. Keith VanderArk of Ellsworth and their respective families.

I See By the Courier

Mr. and Mrs. Robert Dickie planned to leave Wednesday enroute to Zephyrhills, Fla., where they will spend the winter at the Pinecrest Trailer Park.

Mr. and Mrs. Andrew Miller were to leave Wednesday for High Springs, Fla., where they plan to spend the winter. Enroute they plan to visit in Kalamazoo with the latter's son and daughter-in-law, Rev. and Mrs. W. D. Wood.

Mrs. Clarence Coblentz returned home Sunday from a month's visit in Oakland, Calif., with her sister, Mrs. P. K. Ellis.

Present Previews of Progress At Charlevoix High School

IT'S A CAR WITHOUT WHEELS
Martha Coleman, Dava Norton and Shirley Stoel are getting a firsthand look at the Air Car, a model that flies over ground or water on a thin cushion of air. Tha demonstration was a highlight in the Ganeral Motors sclence show, "Previews of Progress", narrated by Bill Winters, who is pictured here.

THIS TAKES A LOT OF PULL
Charlevoix High School students Tom Maxwell and Mike Arbuckle ara trying without success to separata two metal discs that hava been glued together with a new quick-drying adhesiva. Ted Morand, GM representative, is explaining to the boys and Ruth Ann Miller that the new glue could support several dozen mora of their classmates, since it has a binding force equal to 7 tons of weight.

The amazing Ground Effect Machine (a vehicle that skims over land or water on a cushion of air) was one of nine exciting demonstrations in Previews of Progress, General Motors world-famed science show, presented before Charlevoix high school students last week.

Among other demonstrations in the non-commercial science show were a model car powered by sunlight, a roaring jet engine and a fuel cell, a device that converts chemical energy into electrical power.

"We seek through Previews to inspire more young people to make science and engineering their career and provide the trained talent America must have to keep pace with the promise of the future," John F. Gordon, president of General Motors, declares.

The Ground Effect Machine is also known as an air-car or peripheral jet vehicle. The small model in the Preview show resembles a flying boat. It hovered over the table top as the lecturer, Bill Winters of General Motors public relations staff, explained its operation.

He told the students that the operation of the Previews GEM is simple. Air is pulled through the top of the vehicle and blown out at the bottom by a small propeller. The higher pressure under the craft keeps the vehicle floating on air.

Since 1948, Previews of Progress shows have been seen in the United States, Canada and 22 foreign countries. Total worldwide attendance is nearly 30-million students and adults. This year, nearly two million Americans will see the latest version of the 45-minute stage show.

Previews has won wide acclaim from educators for the role it has played in pointing out career opportunities in science and engineering to millions of high school students each year.

Catholic Women Set Dec. 2 for Bazaar And Smorgasbord

The event will feature a variety of booths including candy, gift items and novelties.

Forced to Swim When Canoe Capsizes In Two-Hearted R.

King Saunders is credited with establishing a new record for swimming the Two-hearted river in the Upper Peninsula on Nov. 1 while fully clothed in heafty winter woolens.

This came about last Thursday when Mr. Saunders and Joe Williams, using a canoe to cross the river, were thrown into the swift stream when the canoe capsized. Williams waded ashore but Saunders, carried into deeper water by the current, was forced to swim to the nearest shore, thus setting a record of covering the distance in 1½ minutes.

Witnessing the mishap were Dr. Robert Tollas and Dr. Robert G. Martin, who were wading down stream, and who watched the record setting swim through snow and sleet in temperatures in the low 30's.

Other than losing his pipe, Mr Saunders suffered no ill effects from the incident.

Youngsters Make Holloween A Mardigras

Charlevoix grade school students in Charlevoix have made Hallowe'en a virtual Mardigras with their colorful costumes and parade from the school to the Palace theater where they are guests of the Kiwanis Club of Charlevoix. More than 750 youngsters attended the movie this year. Following the show the students were given candy bars by members of the sponsoring organization.

Pictured above are some members of the fifth grade as they were leaving the theater with their teacher, Mrs. Conrad Klooster Jr.

Students in the foreground are (l to r) Susan Wight, Vicki Gustafson, Sandra Miller, Cindy Forbrig, Jeanne Smith, Karen Lewis, Tim Anders, Cindy Alspaugh, Bernard Holtzman, Sharon Boss, David Plum, and Kraag Lieberman. Adults are Don Anders, Mrs. Klooster (in costume), Russell Mieras and Rev. Alexander Wood.

MEN CAN BEAT NURSE SHORTAGE U-M EXPERT SAYS

Men can—and should—beat the nurse shortage.

More men are finding their true calling in the profession of nursing, long considered "woman's work," says Prof. Miriam L. Keller, assistant dean of the University of Michigan School of Nursing.

But a great many more male nurses are needed to help solve this nation's critical shortage of nurses, Professor Keller adds.

"Men can help stabilize the profession," Professor Keller notes. Women often leave to get married and raise families, but men usually work continuously.

Misscuri has the highest percentage of male nurses in the nation, and it's only six per cent. In most states, men account for less than one per cent of the nurses, she explains.

In Michigan, six $2,000 scholarships were offered in the fall of 1962 by the McGregor Fund to encourage men in nursing. The U-M, Wayne State University and Michigan State University co-operated in this scholarship program.

Despite the advances made in recruiting men in nursing, this trend has not really caught on. "Perhaps in the future it will," Professor Keller says adding that men must be encouraged to enter the nursing profession.

She outlined her views in an interview for the current Michigan Journalist, a laboratory newspaper of the U-M journalism department. The Journalist article was written fy Linda Joel, a senior, from 519 Taylor Ave. Scranton, Pa.

Breezeway window goes down—Mercury sales go up...up!

WHY DOES THIS BREEZEWAY REAR WINDOW help sell so many Mercury Montereys? This is styling that works! The recessed rear window stays clearer in rain or snow. It opens for controlled Flo-Thru ventilation. More wind, traffic noise and weather are shut out because the side windows can stay closed. The rear-window angle cuts glare, aids rear visibility. The extended Breezeway roof adds rear-seat headroom, shades passengers from the sun. See how practical elegance can be!

Charlevoix Blocks Out Boyne City 9 to 0

Rayders Finish Season Undefeated

A 9-0 victory over rach rival, Boyne City, was the frosting on the cake for the Charlevoix Rayders who earlier had wrapped up the 1962 Northern Michigan Class C conference title.

Determined to avenge the beatings they had taken at the hands of the Ramblers for the past two years, the Rayders wer in command of the game most of the way as they contained the Ramblers' top scorer Larry Gunderson.

Starting for the Rayders were Frank Curtis, John Pearl, Dave Smith and Herb Cummings in the backfield, Ends Bruce Kroken and Brendan LaBlance tackles Mike Bost and Ben Cunningham, guards Charlie Mitchell and Tom Browe and center, Dick Odmark.

Charlevoix took the kickoff and returned the ball to the 20 where play started. The Rayders, however, were forced to punt with the Ramblers taking possession on their own 47.

Charlevoix regained possession on their own 47.

Charlevoix regained possession on downs on their own 26 after the Ramblers had picked up two first downs. The Rayders were then on the march to midfield where they lost the ball on a fumble on the Rambler 46. The quarter ended with Boyne City in possession on the Rayder 39.

Boyne City moved to the Rayder 24 as the second period got underway but lost possession on downs. With Pearl and Curtis carrying the ball, Charlevoix moved from their own 24 to the Rambler eight where Curtis carried the ball in to score. Larry Edwards booted the conversion for a 7-0 lead midway in the second period.

Boyne City took the kickoff and was on the move when their march was halted by a pass interception by Bruce Kroken on the Rambler 46.

Three plays later, however, Charlevoix fumbled with Boyne City recovering on their 46. Boyne City failed to pick up yardage and lost the ball on downs on the Rayder 19 as Charlevoix took over and played out the clock.

Charlevoix kicked off to open the second half, recovered a Rambler fumble on the 24 and moved to the Rambler 12 only to have a pass intercepted.

The Ramblers, after three plays, were tempting to punt out of danger from their own seven when a bad pass from center went into the end zone where Charlevoix trapped Randy Price who was attempting to bring the ball out. The safety gave Charlevoix a 9-0 lead.

The Rayders kicked off to Boyne City who lost possession on the Rambler 41. They then picked up two first downs as they moved to the Rambler 10 as the period ended.

However, on the first play of the last period, Boyne City blocked a Rayder pass to take over on downs.

After moving from their own 23 to the Rayder 32, the Ramblers lost possession on downs and Charlevoix went about the business of running out the clock. A fumble on the 28 with Boyne City recovering gave Boyne City the ball.

In an attempt to get back in the game, Boyne City took to the air, moving from their own 26 to the Rayder 15 where Al Wojan intercepted a pass to halt the Ramblers drive.

Charlevoix picked up two first downs to the Ramblers 45 as the game ended.

Coach Don Carey may have been tough to bring through a championship team this year. However, the playors really roughed him up after winning the field conference game at Boyne City last Friday night. Identified in the picture above are Mike Bost (73), Al Wojan (10), Ray Bascom (84), Howard Majors and Bruce Kroken (88).

Courier Photo by Mick Smith

When the going looked too tough for the Boyne City Ramblers last Friday night, this loyal Rambler pooch decided it was time to get in the act. Rayder Dan Pearl (40) and Charles Mitchell (77) may have been temporarily distracted but not long enough to stop the Rayder victory.

Courier Photo by Mick Smith

The defensive team of Charlevoix's Little Rayder squad held the Petoskey Reserves to one touchdown in the final game of the season here last week.

Here an unidentified Rayder cuts short a Northman's advance while Rayder Jack Uhrick comes in to give an assist.

The young Rayders completed the season with a 5-1 record.

Last Week With Class C

The Charlevoix Rayders, defending their hard-earned new Northern Michigan Class C title, racked up a 9 to 0 win over arch rival, Boyne City, Friday night to post a 7 to 0 for the season.

It was the Rayders first title since 1960.

In other games Friday, Pellston tripped Harbor Springs 18 to 6; Gaylord dumped Grayling 24 to 6 and Mancelona rolled over East Jordan 20 to 13.

Pellston 18, Harbor Springs 6

Pellston's victory over the Harbor Springs Rams was a costly one for the Hornets whose Randy Bricker is a patient at Little Traverse Hospital in Petoskey where he underwent surgery Saturday for treatment of a knee injury suffered in the game.

It was a hard earned win for the Hornets who scored midway in the opening quarter on a five yard run by Roland Lempke for a 6-0 lead which was lost when Bernie Corpe put the Rams back in the game on a 54 yard punt return.

It wasn't until the final period when Stan Bodzik took a 25 yard pass from Mike Thompson that the Hornets got back in the game. With two minutes remaining, Bobzik scooped up a fumble and ran 30 yards to assure the Hornets of the victory and a tie for second place in loop standings as the season ended.

Gaylord 24 Grayling 6

The first period in this game was scoreless but midway in the second quarter Bob Still broke away for a 61 yard run. But the lead was short-lived as Jim Young countered with a 69 yard for the Vikings.

Late in the third quarter still put the Blue Devils ahead again, this time on a two yard plung. In the fourth period Gary Harris plunged over from the one and John Jenkins scored on a 46 yard run after intercepting a Viking pass.

Mancelona 20 East Jordan 13

East Jordan racked up a 13 to 7 halftime lead against Mancelona only to see Ironman quarterback Pat Dutcher pull the game out of the fire as time ran out.

Don Willson romped 32 yards in the first period with Fred Malpass booting the conversion to give East Jordan a 7-0 lead as the first period ended.

Bill Bushard put Mancelona back in the game when he went over from the two and then ran the ball over for the conversion to knot the score. It was just before the half that Don Roberts went 30 yards for a 13 to 7 lead for the Jordanites.

Pat Dutcher, however, had other ideas as he scored from the 10 as the second half got underway and then passed to Barry Moeke in the final period He added the P.A.T. on a pass to Dave Pruden for the victory.

NMCCC Seniors Bid Farewell To High School Football

Friday marked the close of the 1962 football season for the eight teams of the Northern Michigan Class C league. It also marked the final appearance on the gridiron of some 63 young high school athletes whose jersey numbers have become familiar to sports fans throughout the north.

At Charlevoix there will be 15 players including 10 regulars missing when Coach Don Carey issues his call for recruits next fall. Among them will be players who wore such jerseys as 10, 11, 20, 33, 40, 53, 70, 73, 77 and 82, all of whom played regularly on offense or defense or both plus five others who were in and out of the line-up when they were needed.

In fact, Charlevoix will be the heaviest loser to the 'cap and gown' parade next June. Elsewhere Harbor Springs counts nine seniors; Gaylord and Grayling, eight each; Pellston, and Boyne City, six each and Mancelona and East Jordan, five each.

At Charlevoix the seniors whose numbers appeared above are Al Wojan, Herb Cummings, John Pearl, Frank Curtis, Dan Pearl, Dick Odmark, Dave Rayder, Mike Bost, Charlie Mitchell, and Tom Browe. Others who joined with their more than 30 team-mates to bring Charlevoix its first title since 1960 are Ray Bascom, Terry Geer Howard Harriman, Howard Majors Dale Sanford and Joe Smith.

Among the seniors at Harbor Springs are Don Heinz, Jim Cassidy, Mickey Heinz, Dave Reyner, Tom Pifer, Jerry Chingwa and Jim Meyer, all regulars, Jim Borowski who played on defense and Jim Halter who Played only on offense.

At Gaylord, Coach Jim Mongeau, whose team finished in a two-way tie for second place, will lose Charles Howe, Bill Kahler, Dick Bottonley, Bob Still, Charles Malcolm, Art Teboe and Jim Sharp who missed the final game due to a fractured upper jaw, all regulars, and Jim Gray, a substitute end.

Grayling also loses eight players including four regulars, Tom Wright, Harvey Merrithew, Larry Milliken and Chris Kroll and Tom Duncan, Dick Trudeau, Norn Bancroft and Louis Gingrich.

Two teams are losing six players each but at Pellston the sextet includes six regulars including Ends Stan Bodzik and Roland Lempke, tackles Vern Hiar and Jerry Moore and backs, Stan Swiss and Richard Givens.

At Boyne City only three regulars are among the six seniors. They are Larry Gunderson, Gary Beaman and Randy Price and substitutes, Jim Eggers, Bob Boutiliere and Ron Girard.

At East Jordan, the list of seniors includes four regulars, Don

Agriculture ... *in Action*

Michigan voters have a once-in-a-lifetime chance this November 6th, to elect a Congressman to represent the entire state. All this because an election problem which first occured in Michigan a full half-century ago, poppped up again this year.

According to the Constitution of the United States, membership in the House of Representatives is based on population. Each ten yeors a new census measures population growth, and regulates the number of representatives to which each state is entitled.

The 1960 census showed that Michigan had gained enough population to allow one more Congressman, --the 19th. Since the Legislature and Governor were unable to agree on the best woy to divide the state to allow a new district, the new Congressman has no district and must be elected from the state as a whole, --becoming a "Congressman-At-Large."

In the general election November 6, Michigan residents will be asked to vote for two Congressmen, --one from their own district, and the other representing the state.

A parallel situation existed back in 1910 when the census of that date revealed Michigan hod enough ppopulation to allow a thirteenth seat in Congress. When the state legislature of thot era also failed to redraw district lines, the first ((Congressman-At-Large)) was picked in the election of 1912. Interestingly, both the Democrat and Republican nominees were unopposed in the primary of that date, --another parallel with the current situation.

Voting for the "Congressman-At-Large" in no way effects the duty of each person to also vote for the Congressman of his choice to represent his own district just as has been true in the past.

In short, each citizen should "vote for two in '62" —one Congressman to represent the voter's distric and one to represent the entire state

MICHIGAN FARM BUREAU

Christmas Trees

"Everyone should have a Christmas tree"—that's the strong feeling of tree farmer Calvin Lutz, of Kaleva, Michigan. "Pete," as his friends eall him, is busy at this time of year eutting and marketing his annual 4,000 or so Scotch pines, spruce, Norway pine and other assorted varieties.

Needy persons who visit his retail lots frequently discover that the price of the tree they want, but cannot afford, has suddenly dropped to zero. "But I usually let them pay something," Lutz says,—"whatever they ean. It helps retain the dignity of the family".

As with the two-car garage, the modern trend is toward the two-tree family. One tree for the main living portion of the home, another for the children or the family room.

"Tastes in trees change," he explains,—"We have to provide about seven varieties to keep up with the demand." He notes a trend toward the short needled spruee varieties as opposed to the long-needled pines. Personally, he much prefers the longer needle tree. "Spruce are first to lose their needles, followed by the Balsam, and finally, the Douglas Fir," Lutz reports.

Contrary to what many people think, growers must eut pines shortly before the first frost to assure retention of needle color. After a freeze, the sap withdraws and the long-needled varieties turn somewhat yellow in appearance. "They hold their needles well regardless of when cut," Lutz explains.

The time is long-gone when the hearty individual can take ax in hand and strike out into the forest to chop down his own tree for Chrlatmas. Michigan law specifically forblds it, other than an individual eutting a tree on his own land.

Last year, the legislature tightened an existing loop-hole that allowed the transportation of up to six Christmas trees, without a bill of sale,—reducing the number to two. Among reasons baek of the law are cases of open vandalism, where people have actually chopped down ornamental trees near homes and in eemetries.

But the difference between two stolen trees and six, is one of degree only. There are those who call for a tighter law to prohibit the movement of any Christmas tree without a bill of sale.

CHS Seniors to Present Class Play Dec. 1

After reading several plays, the senior class of the Charlevoix high school has decided on an uproarious comedy suited to the space age, "A Rocket in His Pocket", which will be presented in the elementary school auditorium Dec. 1,

The plot of the laughable farce revolves around the troubles of a young teacher from the East who has the misfortune to draw as his first teaching assignment a rough and ready high school out west.

Following try-outs held last week, John Flynn was named to play the role of the young science teacher; Elaine Martin has the role of the high school principal who is also the football coach; Connie Saltonstall, the English teacher; Ruth Schofield and Sharon Russell, a couple of romantic girls; Mick Smith and Howard Majors, a pair of typical class pranksters; John Tuomela, nicknamed 'Muscles' and Sharon Wood, his studious girl friend; Linda Neff, the school siren, and Dennis Bates, the overly-bright science student, who is the 'villian' if the production.

Ruth Ann Miller will be the student director of this hilarious performance. The production of "A Rocket in His Pocket" is sponsored by a play staff composed of H. E. Bingham, Don Carey, S. E. Coleman and Mr. and Mrs. William Ratigan

To Hold Luncheon And Bazaar at Episcapal Church

NO BEST WAY TO TEACH SAYS U-M PROFESSOR

There is no best way to teach college students, Wilbert J. McKeachie, University of Michigan Professor of psychology, declares.

There is no final answer, the U-M psychologist says.

"The lecture method produces the best results for certain students, but not for others. Student participation methods are excellent for the extroverts, but not as successful with introverts. Some students do their best work talking extemporaneously in class ;others will not volunteer the answer to a problem even if they are certain of the solution."

Student motivation is a factor that is often overlookcd in studies of teaching methods, McKeachie points out.

"Motivation differs greatly from student to student. Some prefer intensive learning; others are happiest when they just slide by and spend most of their time on extracufficular activities. Since student motivations differ so widely, no one teaching method will work equally well with all.

"Reading and writing are both vital skills for the student. Yet many who enter college are deficient in one or both of these. Similarly one who is not adept at notetaking at lectures, for instance, may miss important points while endeavoring to note down something of lesser importance, and thus lose most of the benefit of the lecture.

It does not pay to give a student work that is too easy for him," says McKeachie. "Nor will he do his best if you require too much of him. The most challenging course is one in which he has a 50-50 chance, one which may go either way for him."

"Santa used to seem old to me—now we're about the same age."

MICHIGAN FARM BUREAU

Michigan Farmers to Convene

Unlike some conventions, the huge farm gathering scheduled for the campus of Michigan State University soon, (November 7-8-9) will be a comparatively quite affair.

Although upwards of 3,000 Michigan farmers will converge on East Lansing for the 43rd annual meeting of the Michigan Farm Bureau, there is expected to be little public shouting,—little startling news for the press.

But the fact remains that in many respects this will be the most important single meeting for farmers of the state, this year. Policies endorsed (or vetoed) at the meeting will form the 1963 program of work for the 70,000 farm families represented by the organization.

A prayer,—a welcome by University President John Hannah and a thoughtful examination of the status of Michigan farmers within the economy of the state and nation will open the convention. Presiding will be Walter Wightman, Allegan County livestock and fruit farmer.

Present will be nearly 700 farmers who comprise the "House of Delegates" and who later will vote on policy matters. Present, that number of interested farm too, will be more than double people who attend in a non-official capacity.

Sure-to-be-argued issues before the sessions adjourn are such matters as a possible state income tax,—expanded foreign trade, enabling legislation for state marketing orders and similar issues.

Among speakers scheduled is Roger Fleming, outspoken head of the Washington office of the American Farm Bureau. Fleming has been plain in his criticism of the recent Congress which he feels "passed the worst possible excuse for a farm bill,—one that will hurt, not help farmers."

Interestingly, one speaker whose appearance is still in doubt, is Governor John B. Swainson who, although invited to address the group, has not "confirmed."

This reluctance has led some to speculate if the Governor, scheduled to speak on the 6th of November, is somewhat less than positive of his re-election earlier that week, on the 6th.

Mrs. Robert Mol and infant daughter are spending this week with her parents, Mr. and Mrs. Robert O. Bergmann, enroute from Duluth, Minn., to Warren where Mr. Mol has accepted a position with the General Motors Corp. He will come for them this weekend. Mr. and Mrs. Bergmann went to Duluth last weekend to help them move to their new home.

The switching station owned by the city is pictured the lower section above while the section in the background is the sub-station owned by Consumers Power Co. To the left, adjacent to the two sections, is the meter house.

Members of the line crew will continue in their present jobs.

George Smith, plant superintendent (left), and operators, Lloyd Kuebler and Harold Towsley pictured as the last muncipelly-operated engine was taken off the line and the last circuit of the plant was cut off as the city cut over from municipally-generated power to wholesale bulk power generated by and purchased from Consumers Power Co. for re-sale. Other operators who were not present when the picture was taken are Ernest Olney and Leonard Dubey.

Operators will continue in their present positions at the municipal plant.

Rayders Awarded Berths on NMCC All Conference Team

Seven members of the Charlevoix Rayders championship football squad received recognition this week as Northern Michigan Class C coaches announced their choices for the 1962 All-Conference 'dream' team.

They are Frank Curtis, senior back and top scorer on this year's team, and Tom Browe, senior guard, who were named to the All-Conference first team; John Pearl, whose quarterbacking led the Rayders to their first title since 1959, Dave Rader, tackle, and Dick Odmark, center, who won assignment to the All-Conference second team, and Al Wojan, outstanding defensive back, and Bruce Kroken, an end, who received honorable mention. All are seniors with the exception of Kroken who is a junior.

Elsewhere in the league, Gaylord and Pellston were awarded three berths each and Boyne City and East Jordan, one each, on the first team. Players from Mancelona, Harbor Springs and Grayling failed to place on the league's top team. However, all teams were represented among the 33 players receiving recognition.

Named with Curtis and Browe to the All-Conference first team were Stan Swiss of Pellston, Don Roberts of East Jordan and Larry Gunderson of Boyne City, all backs; Stan Bodzick of Pellston and Gary Beeman of Boyne City, ends; Richard Bottomley of Gaylord and Vern Hiar of Pellston, tackles; Bill Kahler of Gaylord, guard and Charlie Howe of Gaylord, center. All are seniors.

Named to the second team were Pearl of Charlevoix, Pat Dutcher of Mancelona, Bob Still of Gaylord and Randy Bricker of Pellston, backs; Art Tebo of Gaylord and Roland Lempke of Pellston, ends; Rader of Charlevoix and Dave Drenth of East Jordan, tackles; Rich Chanda of East Jordan and Jim Crothers of Mancelona, guards and Odmark of Charlevoix, center. All are seniors with the exception of Dutcher, Brinker and Crothers who are juniors.

Receiving honorable mention were Wojan and Kroken of Charlevoix; Bill Bushard, Terry Johnson and Dennis Turbin of Mancelona; John Cox of East Jordan; Randy Price and Jim Eggers of Boyne City; Gary Lucksted of Grayling; Jerry Moore and Mike Thompson of Pellston. All are seniors with the exception of Kroken, Lucksted and Thompson who are juniors and Bushard who is a sophomore.

Coaches who named the All-Conference teams were Tom St. Germaine of Pellston, Charles Paige of Harbor Springs, Paul Pfahler of Boyne City, Jim Mon-

Santa's Helpers Issue Call for Used Toys

Santa's helpers at the Charlevoix county Sheriff's Department have again issued a call for used toys.

Deputy Sheriff Philo Sumner, who with Sheriff Glenn E. Rose, is in charge of the 'workshop' at the county jail said this week that all the toys on hand had been repaired and refinished and that more were needed at once if needy children throughout the county were to receive toys under their trees on Christmas morning.

For a number of years, the sheriff's department has collected used toys. Prisoners, using a basement workshop at the jail, have repaired and refinished toys of every description ranging in size from a block to a bicycle. The toys have then been distributed throughout the county to children who might not otherwise have had a toy under the tree on Christmas morning. Names of the needy have been supplied by the Department of Social Welfare, Bureau of Social Aid, Community Nurses and residents of the county who were aware of the presence of less fortunate children in the area.

In asking for toys, Mr. Sumner said this program is not limited to the Charlevoix area but extends throughout the entire county.

At the present time there is need for a woman's touch ... the dressing of a number of dolls that have been contributed but which need doll clothes. If any individual or organization would like to take this on as a group project, please call the sheriff's department.

If you have any toys that your children have tired of or which have outlived their usefulness because of the need of repairs won't you please call the sheriff's department and someone will be sent to pick up your contribution or you may drop it off at the county jail. Please include toys with parts missing for they can be used to repair others.

Banks to Mail Christmas Club Checks This Week

Christmas Club Savings checks totaling approximately $35,000 will be mailed to club members during the week by the Charlevoix County State Bank and the Charlevoix State Savings bank.

The former is expected to close out 250 accounts with checks amounting to approximately $25,000. These checks will be mailed Nov. 19.

The State Savings bank has 175 accounts with club members receiving approximately $10,000. These checks will be mailed this week.

Club memberships for 1963 may be opened at any time with the first payment due Dec. 1.

Advertisers and Correspondents

The Courier will be printed Tuesday of next week instead of Wednesday and entered in the mail for Wednesday delivery due to the Thanksgiving holiday. Please have all news copy in by Monday night and all advertising copy in by Monday noon.

Robert Hamilton Named President Of C of C Board

Robert Hamilton has been elected president of the Charlevoix Chamber of Commerce for 1962-63 succeeding William Carey who has headed the organization for the past two years.

Other new officers who were named at the organizational meeting held at the city hall Monday evening were: Robert Lieberman, first vice president; James Alspaugh, second vice president and Frank J. Novotny, treasurer.

Newly elected directors who assumed their duties at this meeting were Thomas Loeb, Jack Erber and Mr. Lieberman. Other members of the board of directors are Katherine Fitch, John Rathburn and Robert Miles.

Mr. Miles was appointed to the board of directors to fill the unexpired term of Richard Edwards who resigned recently. The term has two years to run.

The proposed budget for the year was approved and an estimate of anticipated income made for presentation to the city for consideration at the Nov. 19 meeting of the council.

Expenditures of $1,200 for the purchase of Charlevoix folders, city maps and housing brochures were approved.

Detailed minutes of all meetings will be made available to all Chamber of Commerce members calling at the Chamber office.

Regular meetings of the board of directors will be held the second Monday of every month. Members planning to attend are advised to call the chamber office for the exact time and meeting place which are variable for the convenience of the business people serving on the board of directors, according to Paul Kohler, secretary-manager of the chamber.

Lions Club Makes Final Plans for Fruit Cake Sale

Final plans for the sale of fruit cakes to be conducted Tuesday by the Charlevoix Lions Club were made at the regular luncheon meeting of the club held Monday at the Weathervane Inn.

Teams of club members headed by Lions Robert Winchester, Robert Lieberman, Tom Carey, Thomas Loeb and Henry Felix will canvass the entire area Tuesday selling and/or taking orders for one pound and 2½ pound fruit cakes made for the club by Fairbanks Pastry shop, Alun Bevan, project chairman has announced. The club has 500 of the fruit and nut-filled cakes for immediate delivery and others may be obtained at the Chamber of Commerce building on Bridge st.

Proceeds from the sale will be used principally for the Lions International Sight Conservation fund.

Wayne Belding, chief design engineer for Paul-Reed Inc., was the guest speaker at the luncheon meeting, presenting an interesting and informative talk on the basic fundamental of art. He made several drawings demonstrating the step-by-step application of these fundamentals in creating the completed product. Lion Byron Wright, vice president of Paul-Reed Inc. stated that all of the company's products currently being produced by 35 employees were designed by Mr. Belding.

Two new names were added to the fast-growing list of members with the induction of David Patrie and Robert Ferguson.

Christmas Decor To Beautify Main Street

Charlevoix will soon be taking on its annual 'Christmas' look according to City Supt. James Tayor who said that city crews would begin this week installing the decorations that are designed to bring the holiday spirit to the community.

Mr. Taylor said that he planned to turn the Christmas decorations on at nightfall Friday, Nov. 23.

Preparations will include the strings of colored lights the length of the business district, overhead strings of lights across the north and south side hills, the overhead decoration at the street interesections in the business district, the reindeer and Santa Claus and the lighted Christmas tree in East Park.

Residents of the community are urged to start planning their home decorations in preparation for the annual Home Decoration Contest sponsored by the city. Cash prizes will again be awarded for the best decorated homes in the city's three wards and outside the city limits.

And for those who think the city is rushing the season, there are only 40 days remaining until Christmas!

Board of Education Approves Budget For School Year

The Charlevoix board of education, at a recent meeting, approved a budget for the 1962-63 school year.

Anticipated receipts for the year were set at $346,900 and estimated expenditures $355,105 with a deficit of $8,205.

Bids for a new bus were opened. Bids were received from Brown Motors Inc., Dilworth & Sons of Boyne City, Charlevoix Oil Co., Erber Auto Co. and Fletch's Garage of Petoskey and ranged in costs from $6,715 to $7,400. The bids were turned over to a committee composed of Dale Boss, Clarence Smith and Albert Smith for tabulation. The information will be presented at the Nov. 10 meeting.

Approval was given a proposal to enter into an agreement with St. Mary's school for hot lunches for the latter.

A committee composed of Mr. Boss, Albert Smith and Supt. R. G. Bennett was named to develop a practical plan for improving the entrances to the driveways to the north of the high school.

A teaching contract was offered Mrs. Katherine Hartman who has been engaged as a kindergarten teacher. She succeeds Mrs. Kathryn Smith who was forced to resign earlier for reasons of health.

A discussion of bus route changes, professional problems and board policies and a Civil Defense program for the schools were held but no decisions reached.

Current bills totaling $3,324.76 were approved.

City Closes Generating Plant; Now Buys Bulk Power from Consumers

This new sub-station, located on city-owned property adjacent to the new Street department garage, was placed in operation Friday as the city cut over from muneipally generated power to bulk power purchased from Consumers Power Co.

The cut over was the result of action taken earlier this year when the city council decided to go out of the electric generating business and purchase bulk power for re-sale to subscribers in the area. The decision to purchase bulk power for re-sale resulted from a survey made by Bernard and Cummins and substantiated by results of a private survey made by Consumers Power Co. showing that the city could purchase wholesale bulk power for re-sale for 2½ mills per kilowatt hour less than it could be generated at the municipally-operated power plant.

A complete shut-off of the seven generators at the local plant was completed at 3:30 p.m. Friday.

Power is brought to the local substation over 13 miles of lines installed by Consumers Power Co. which owns the sub-station. The city owns and operates its own switching station.

The cut-over, accomplished without incident, marked the first time in more than 60 years that the city of Charlevoix has not generated its own power.

According to council records, the village council, in 1898 voted to purchase from C. M. Heald a light plant for the sum of $8,000. In 1918, the city approved an $85,000 bond issue to underwrite the cost of purchasing the Bellaire hydro-plant which, until that time, the city had been renting, according to the records. Since then the city has purchased generators to meet its needs and remodeled the municipal plant to care for the additional equipment. However, the increased cost of diesel fuel oil, labor and equipment made it impractical to generate power when it could be purchased for less and re-sold at a profit.

The power being purchased from Consumers Power Co. is generated at company plants elsewhere and brought to northern Michigan via distribution lines. It is not generated at the Big Rock Point nuclear plant as many believe.

Area Girl Scout Adults to Hold Ellsworth Meeting

A Girl Scout Neighborhood meeting for adults from Boyne City, East Jordan, Bellaire, Mancelona, Ellsworth and Charlevoix will be held at Ellsworth at 8 p.m. Monday.

The Ellsworth high school will be the scene of the meeting which leaders and troop committee members are urged to attend.

Each person is asked to bring a sample of a craft suitable for use by Girl Scouts or Brownie Scouts complete with directions and patterns.

Deer Regulation Covers Storage

If a hunter is successful in one of 90,000 deer expected to be bagged in the state this fall, he must take storage precautions in order to comply with regulations of the Michigan Department of Agriculture.

Lucky deer hunters each year cause more than their share of problems for inspectors of locker plants.

Under the law dressed and cut up deer may be stored in commercial cold storage plants with other food supplies if the skins and hides are not included, according to Agricultural Director G. S. McIntyre.

Strict regulations govern the storage of wildlife. One of these forbids storing hides and skins except in separate storage rooms having no open passage that leads into locker rooms, chill rooms, aging rooms or sharp freeze rooms. Deer still having the hide on must be stored in separate rooms from all other provisions under regulations of the Department's foods and standards division, which is headed by J. L. Littlefield. Hides and skins cannot be stored with other provisions.

"Deer stored in other locker plants, such as refrigerators or freezers in grocery stores and meat markets, must be stored so there is no possible contamination of other foods from dust, vermin, animals or persons," Mr. Littlefield said.

Resistance

Administration spokesmen, following an old tradition, have said that the defeat of major Administration domestic measures can be attributed to the power of intrenched selfish interests along with pure political finagling which cynically disregards the public interest.

But there is another and very different side to the coin. Walter Lippmann, who has observed the national scene for a great many years and is certainly no hidebound conservative, summed it up in these words: "I do not see how it can be doubted that the resistance in Congress, which involves about a third of the Democrats and about all the Republicans, rests on powerful and stubborn feelings among the voters."

This resistance is to the further extension, at enormous cost, of the Welfare State. Among other things it made itself felt in the votes that defeated the creation of a cabinet-level department of urban affairs, and the medicare plan tied to social security payments.

The medicare matter is especially significant. It is reported that members of Congress received more than 1 million pieces of mail in opposition to it. Of the 20 senators from the 10 states with the highest percentage of elderly people, 17 voted against the final, amended version of the bill. They certainly knew the sentiments of their constituents.

Every government, like every family, must at times come to grips with a problem as old as society. It amounts to choosing between what it might like to have, and what it can afford. We can't afford more Welfare Statism, without running incalculable risks.

What is "Economical" Power?

The head of one of our government's major power systems recently visited Russia and toured power installations and facilites there. On his return he said the Russians are determined to overtake this country in power production and have set 1975 as the target date.

A nation's power capacity is among the most important of the yardsticks we use to measure industrial production, agricultural efficiency, employment, the quality of working conditions, living standards, the convenience and comfort of the home, and so on down the list. Moreover, electric power is a major weapon in the world-wide economic struggle between the communist and non-communist world, and we cannot afford to lag behind.

There is little chance of our lagging if we make the most of our abilities and opportunities. Private enterprise is far ahead of Russia in current power production. It is, according to most informed reports, installing new capacity at a greater rate. And our nuclear power program is considered the most extensive and promising on earth.

The question is what is the most "economical" way to develop power. The socialized power advocates always claim that government provides the answer. But the cheapness of government powers is a snare and a delusion. It is the result of tax freedom, tax subsidy, an assortment of special privileges and other enormously costly taxpayer-paid benefits. And any politically-dominated enterprise is commonly inflexible and wasteful. Judge on the same terms, private power—which pays 25 cents in taxes out of each dollar received and stands on its own financial feet in every respect—is more economical than socialized power.

The moral is simple enough: The surest way to keep ahead of the Soviet is to give the green light to the heavily taxed, investor-owned electric utilities.

Research Needs

EMPHASIS ON SCIENCE in education will increase in future years if an estimate of needs at Michigan State University is is any indication.

A recent MSU survey for the National Science Foundation shows the East Lansing institution needs more than $101 million for scientific buildings and equipment during the next 10 years.

Dr. Milton E. Muelder, vice president for research development at MSU, said the survey represented "an honest statement of needs reflecting the tremendous explosion surrounding scientific research."

Full impact of this tremendous money need cannot be seen, however, without a closer look at what it would include.

Muelder said the expansion in scientific research would call for nearly 100 new faculty members at MSU, representing 56 areas of special skill not now included in the faculty ranks.

About 77 per cent of the $101 million, or $78.2 million, would be used for new buildings which would contain approximately 62 per cent as much space as is now available in all academic buildings on the campus.

Where would this money come from? Muelder hopefully estimates about 33 per cent of the required building program and 38 per cent of the funds needed for scientific apparatus would qualify for federal support. This would amount to about $32.7 million, he predicted.

Insurance Covers 82%

PERSONS CONSIDERING the purchase of health insurance think of it only in terms of the cost to them and the benefits available.

The insurance industry in the state, however, views the various available health coverages in terms of the total benefits and cost to Michigan residents.

Statistics compiled by the Michigan Insurance Information Service indicates that most individuals in the state view health programs as a district benefit.

Michigan ranked among the top 10 states in percentage of the population covered by health insurance at the end of 1961, with 82.5 per cent of state residents participating in some kind of plan. This represented an increase of 2.1 per cent over the number covered the previous year.

The benefits derived by all Michigan citizens from their payments to health insurance plans also is rarely contemplated by the individual. He thinks only in terms of his personal benefits.

The industry's information service notes that Michigan residents collected almost $400 million last year for medical, surgical and hospital care and loss of income.

Special Consideration

HIGH SCHOOL AGE WARDS of the state may soon have available to them a pecial scholarship fund at several Michigan colleges and universities, according to the Department of Public Instruction.

The State Board of Education has approved a plan for granting schoiarships to deserving state wards. In addition, other state institutions of higher education have been asked to consider providing special scholarships to these youth.

Four schools, Central, Western, Northern and Eastern Michigan, are under jurisriction of the State Board of Education. The control board of Michigan College of Mining and Technology also has created a special scholarship fund for state wards, Department officials said.

Department spokesmen said a number of high school graduates who have spent part of their lives as state wards are known to be college material. Because of their "difficult living experience" up to and through their high school years, however, they frequently do not perform well on college entrance examinations and thus do not stand a good competitive chance for scholarships.

The scholarship plan established by the Board is constructed so as to give special consideration to the unique pattern of development of these young people. Department officials said, said.

Christmas Seal Campaign Begins in Charlevoix County

Charlevoix county residents have received 1962 Christmas Seals as the 56th annual campaign of the Michigan Tuberculosis and Respiratory Disease Association opened throughout the state.

Approximately 2,500 envelopes containing seals and the message that there is a "mountain of TB infection" remaining to be conquered funneled through post-offices in the county..

The 'mountain' referred to in the letter which accompanied the seals are the estimated 1,500,000 Michigan residents infected with tuberculosis. Authoritiea base this figure on national estimates that one of every five Americans harbor TB germs and it is from this mountain of infection that tomorrow's active cases of TB will come.

NOTICE

NOTICE is hereby given that the Common Couneil of the City of Charlevoix, Michigan, at a regular meeting to be held at 8:00 P.M. on Monday, Deeember 3, 1962, at the Couneil Room in the City Hall in said City will hold a publie hearing upon and take under eonsideration a proposed amendment to Ordinance Number 203, entitled "The Zoning Ordinance", wherein it is proposed to amend said Ordinanee by adding Section 408 to ARTICLE IV thereof reading as follows:

ARTICLE IV —

"Section 408. Definitions.

As used in this Ordinanee the following words and terms are intended, and shall be eonstrued, to have only the following meaning:

A. Dwelling or dwellings. The term 'dwelling", or "dwellings" or any other aspect of the word or terms used herein shall mean a permanent residenee. building of masonry and/or wooden stud eonstruetion, or any other standard form of home, house or multiple housing building eonstruction, designed for and intended for use as a permanent structure upon the premises, and shall not inelude house trailers, trailers, mobile homes, or other transient or impermanent struetures."

and also further amending said Ordinance by adding a new Sub-Seetion 3 to Seetion 701 of ARTICLE VII to read substantially as follows:

ARTICLE VII

Section 701. Uses Permitted. —

"Sub-Section 3. House trailers and mobile homes shall be permltted but only upon the following conditions:

A. Each shall have a minimum permanent living spaee usable floor area of not less than 480 square feet, not ineluding any expandable walls, partitions, or other temporarily expanded areas.

B. Eaeh shall have a separate approved sewer and water line.

C. No mobile home shall be eonneeted to a dwelling as an auxiliary thereto, nor have it's sewer, water, and utility lines eonnected thereto.

D. A Use Permit therefor shall not be granted unless the application therefor is aceompanied by the written approval thereof signed by all of the owners of the immediately adjoining property and the owners of property on the other side of the street directly opposite the lot for whieh the Use Permit is requested.

E. Said Permits shall be temporary and limited to a period of two years but shall be renewable thereafter for a two year period at the discretion of the Common Counell upon eonsent of a majority of said owners of adjoining and opposite property.

F. Said Use Permits shall be eonfined to a partieular house trailer or mobile home and shall not be transferable to another house trailer or mobile home.

G. The uses and provisions herein set forth shall not earry forward and shall not be permitted in the sueeeedingly named districts ln this Ordinanee, notwithstanding anything hereinafter set forth in the Ordinanee, it being intended to eonflne the provisions of this sub-section to this partieular distriet."

The effeet of the proposed ehanges is to define the word "dwelling" as used in the Ordinanee so that it shall not be eonstrued to include house trailers or mobile homes, thereby prohlbiting the same in all districts down to Commercial Distriet II, and then expanding the uses permitted in Residentlal Distriet III to allow house trailers or mobile homes therein upon the conditions above set forth.

By Order of the Couneil.

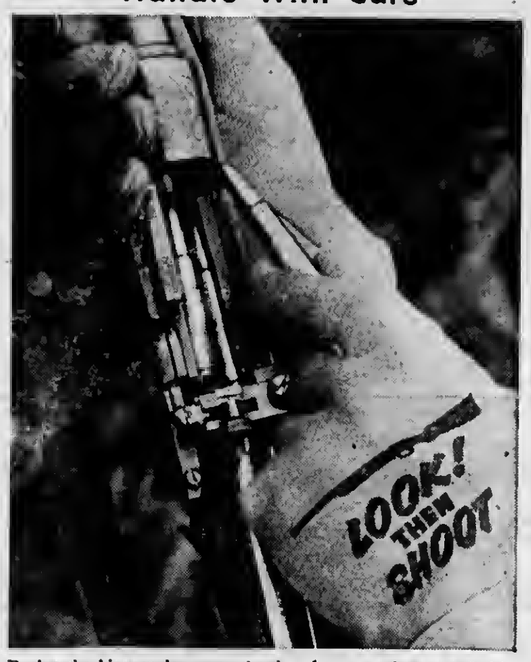
Handle With Care



Posing the biggest danger to the deer hunter each season is his own gun and the rifle of his hunting companion. Half of all deer season accidents occur when 10 yards or less separate the gun from its victim---about the tange of a pes-shooter. Carelessness and horseplay are the major causes of accidents. Don't carry loaded weapons in cars or into camps; don't lean your rifle against a car or trailer, or anyplace where a bump can make it fall easily. Always be sure of your target. Deer hunting is a pretty safe sport in Michigan. You can make it safer.

Agriculture ... *in Action*

U.S. Versus U.S.S.R.

Konstantin Georgiyevich Pysin has come to the United States. Furthermore, he knows exactly why he is here. Konstantin is Commissar of all Russian Agriculture,—the U.S.S.R. version of our Secretary of Agriculture.

He came seeking the answer to the repeated Russian farm failures that again has brought embarrassment to the Soviet Union. Furthermore, Pysin has personal reasons,—the understandable desire to remain in the good graces of Khrushchev and prevent the same demotion that recently happened to his predecessor.

All this against the backdrop of another crop failure in the Kazakhstan region,—the pioneer "virgin" farm lands that supposedly were to be the answer to Russia's food problem.

Unfortunately, Pysin could better have stayed at home. The secret of American farm success he will not be allowed to believe, —or to copy if he did understand or believe it. Pysin must believe that Lenin was right,—that our Republic is a fading failure, and that our peoples are oppressed and hag-ridden by Wall Street.

He must not believe in God.

How then can we explain why farmers in America work so hard, —and do it for the hope of profit? How to explain that American farmers work even harder to make extra money so they can give some of it to their church?

Instead, he will believe that our tremendous productivity comes from better soil, or better seed, or better mechanical ideas. This, of course, is not true. The Soviets took our seed, our ideas, and put them to work with their matchless soils and came up with near zero.

People and policies. Free people, and policies that allow freedom to plant, to plan, to be boss of their own operation. These are what have allowed our American production.

How ironic that the very week Pysin came to visit is the week that the Senate passed the 1982 farm bill, containing "compensatory payments" to farmers direct from the federal treasury, —bringing with them greatly strengthened, centralized government authority, the very thing that placed Russian agriculture in chains.

Former Ellsworth Couple Observe 50th Anniversity

Ellsworth—Mr. and Mrs. John VanStraten, former local residents who have lived in Grand Rapids since 1944, were honored at a reception on the occasion of their golden wedding anniversary, Friday. The event was marked by a reception given at the Eastern Avenue Christian Reformed church in Grand Rapids by their son and daughters.

Mr. Van Straten and the former Dora Osterbaan were married in Ellsworth Nov. 7, 1912, and lived here until 1944.

They have four daughters, Mrs. Jack (Anne) VanderArk, Mrs. Robert (Jennie) Holwerda, Mrs. Frank (Cornelia) Huizenga and Mrs. Gerald (Doris) Vander Lugt and one son, John Van Straten Jr., all of whom live in Grand Rapids. They also have 17 grandchildren and six great-grandchildren.

Going to Grand Rapids to attend the reception were Mr. and Mrs. Peter John Drenth, John Drenth ,Sr. and sons, Gerrit, Henry and Arthur, Mr. and Mrs. Melvin Essenberg, Mrs. Bernie DeYoung, Mrs. Kate Cooper, Cornelius Klooster and Mr. and Mrs. John Osterbaan.

"Since women began carrying thoae big purses, more and more homes are being built without attics."

Edwin J. Madill U.S. Consul Talks On Foreign Policy

Edwin J. Madill, U.S. Consul at Calgary, Alberta, spoke recently before the Lethbridge Rotary Club on the "Background on a Segment of U.S. Foreign Policy," the Cuban Situation.

He outlined the United States' foreign policy over the past 150 years, bringing out the background of the Monroe Doctrine adopted in 1823 and calling attention to the ways this country has carried out its obligations since its adoption.

He went on to present excerpts from the Last Will and Testament of Peter the Great of Russia in which the ruler outlined Russia's plans for subjugating Europe and eventually the world.

He went on to say that the Monroe Doctrine has only two basic concepts, to any non-American action encroaching upon the political independence of the U. S. under any guise and to the acquisition in any manner of the control of additional territory in the western hemisphere by any non-American power.

He concluded by saying that the U.S. is deeply puzzled as to why the Soviet Union has embarked on a policy so dangerous and reckless to the pace of the world. It is inconceivable to the U.S. government how Soviet leaders could have made so gross an error of judgment with respect to this country's necessities, strength and will.

"If I seem to be pointing my finger at the Soviet Union rather than at Cuba, it is because Cuba is considered to be the victim of this situation." he cantinued. The U.S. does not consider or regard the quarantine action taken against Cuba as an act of war. He added that all allied governments were informed of the United States' plans for the quarantine.

As a footnote to his talk, he said the United States government was not going to be reticent on one point. This was that obsession with secrecy, which so far has blocked so much hope in the disarmament field, will not be imported into this hemisphere.

BETWEEN YOU AND ME

- By Harold E. Kohn -

Two Kinds of Learning

There is a crucial difference between learning about Nature and learning from her. Learning about Nature may mean collecting information, reading the necessary books, taking the requisite walks, using the required instruments—binoculars, telescopes, mieroseopes—keeping the important records on the birds one has seen, the plants one has collected, the rocks one has found. In all these ways, and many more, one can learn about Nature.

Learning from Nature, on the other hand may mean finding in the natural world valuable clues to the meaning of our existence. For example, we learn much about the seasons while studying Nature. Our notion that winter comes when earth moves away from the sun will be corrected. Actually, on January 2nd northern Michigan will be about three million miles closer to the sun than it was on July 2nd, but the North will be much colder in spite of it. Winter eomes when earth tilts on its axis as it revolves around the sun so that the rays fall obliquely on those portions of the earth that, at a given time, are tilted away from the sun. The slanting rays are not as warm as direct sunlight, thus comes cooler weather. The scientists can tell us this much about the changing of the seasons. But what do we learn from it? This, at least: there is a built-in dependability about the universe that we can count on. We can be certain now how the earth will tilt next year, and the year after, and a hundred years after that. We can be sure now in what order the seasons will march a century after our great grandchildren are laid to rest. The dependability that the Creator has built into His creation, a high degree of trustworthiness about God's work, we learn that from Nature. Moreover, we can take one additional step beyond this lesson and determine that if dependability in Nature is some clue to the trustworthiness of the Creator, then this quality ought to be in God's human creatures, too. What is highest and best in God's world should be a part of me, and by His grace it will be. This is the way a person of faith learns from Nature.

So with all that we learn about the world: it should be translated into lessons learned from the world. Nature is providentially impartial the "rains descending on the just and unjust." Should not Christian grace be likewise, our goodwill falling upon the deserving and the undeserving alike?

In fawn or fir tree, in tiny infant or robust adolescent boy, almost anywhere we go in the aminal and plant kingdom, strength is developed through struggle. Isn't this clue a clear one, that we should thank God for the hardships that nurture our growth, and should we not deplore the comforts and sloth that weaken us?

No tree grows by its own effort and no infant animal by sheer will. Each must have the support of the environing earth, the sun and the rain. Isn't there here a hint concerning our human situation—that each of us has, and must have, the backing of something older and bigger than we are, something and Someone that was here before we came and that will be here when we are gone, the beneficience of the sun and the soil and the waters of earth and heaven, and the power that taught the trillium to count to three, and then stop, when blossoming in the spring woods. The man of faith and the irreligious man, alike, are dependent every moment of their existence on the Someone who is in back of all things. As the Psalmist put it,

'Of old hast Thou laid the foundation of the earth, and the heavens are the work of Thy hands. They shall perish, but Thou shalt endure; yea, all of them shall wax old like a garment; but Thou art the same, and Thy years have no end."

There are people in every generation who can see no deeper than a fact and think no deeper than a statistic. It is one of the prime tragedies in international affairs and in individual experience, too, that we learn the facts about our mistakes, but we do not learn from them. We write and read exhaustive histories of wars and the diplomatic blunders and the economic, moral and spiritual failures that led to war. Be we stumble again over the same old snags. We do not rid ourselves of the faults that make war likely, if not inevitable. The theme of Winston Churchill's book, "Triumph and Tragedy," a history of World War Two, Churchill declared to be,

"HOW THE GREAT DEMOCRACIES
TRIUMPHED,
AND SO
WERE ABLE TO RESUME
THE FOLLIES
WHICH HAD SO NEARLY
COST THEM THEIR
LIFE."

In personal life learning from undesirable experiences is rarer than learning about them. Often one hears a man regretfully relate his behavior while stupidly drunk. (His wife has filled him in on the details.) He knows about his messy conduct. But he hasn't learned from it, for it is the uncommon man, indeed, who gets staggeringly, coarsely, vulgarly drunk, but once.

It is not difficult to find a married person who has had an illicit love affair. But it is a rarity to find a person who has had only one such affair.

One time when Frederick the Great was discussing plans for a military campaign, he expressed slight confidence in a general who had been recommended to head a strategic division. One of the emperor's staff protested that the general must be capable of command since he had been through ten military campaigns. The old emperor rejoined, "Yes, and that mule over there has also been through ten campaigns, be he knows no more of war than when he began." The general had learned a good deal about war, having a mind that recorded experiences, but he had learned little from war, being none the better for his experiences.

One of the chief traits of a good mind is the capacity to learn the meanings beneath the facts, to learn from as well as about,

hardship,
nature,
our acquaintances
Christ,
God.

Use Islands To Prove Value Of Anterless Deer Seasons

Sceptics are still saying it can't be done, but three isolated islands in lake Michigan and Huron are proving otherwise:

When and where deer are in surplus to winter food supplies, hunters can take some does and fawns and still have good buck shooting.

Backing this up with solid facts are Beaver, Bois Blanc, and Drummond islands. Their hunting season figures are not estimates; they come from actual counts made by Department game men of deer taken off the islands.

Here is the before-and-after story of antlerless deer seasons on these islands, released by the Conservation Department.

Beaver island hunters took over three times as many deer in the four years after special seasons started than they did during the same period before that. What about the island's buck kill? It has improved nearly 40 percent during the "after" period.

In the five years since any-deer hunting was introduced on Bois Blanc island, hunters have upped their buck take almost 53 percent compared to the preceding five years. Besides that, they have harvested 518 antlerless whitetails.

On Drummond island, the buck kill dropped only 36 despite a harvest of 667 antlerless deer. Over-all, hunters have killed 2,126 deer on the island during five years of any-deer shooting. This compares with 1,495 bucks shot in the five years leading up to special seasons.

Ample seasons have passed to show that buck hunting won't suddenly "go to pot" because of the antlerless deer seasons.

Conservation Department game men are not surprised by what has happened on this trio of islands.

The principle of antlerless deer seasons has been tried and similarly proved in several special deer study areas on the state's mainland. It also has been demonstrated elsewhere in Michigan and in other states.

Results from the islands prove the point more convincingly, however, because they deal with captive herds; there is no chance that buck hunting has remained good because more animals have moved into these islands. Also, it has been easy to get an accurate count of deer removed from the islands by hunters.

On Michigan's mainland as well as on these islands, special seasons are geared to the taking of only surplus does and fawns—animals which will be lost during the winter for the lack of food and because of other causes of mortality.

These seasons take nothing away from buck hunting. The facts speak for themselves—and Beaver, Bois Blanc, and Drummond islands have'em.

Name Lancers to All Conference Football Team

Ellsworth—Two Ellsworth Lancers won berths on the 1962 Northern Six Class D all-Conference football team named last week by league coaches.

They are Bernie DeVries, Senior end, who was second highest scorer in the six-man football league with 89 points, who was awarded a place on the All-Conference first team and Steve Elzinga, junior quarterback who won a place on the second team.

Others who received recognition were Charles Brown of Inland Lakes, end; Greg Moyers of Bellaire, center and Dan Steiner of Bellaire, Richard Allen of Central Lake and John Cottrell of Vanderbilt, backs. All are seniors with the exception of Steiner who is a junior. Steiner is also the top scorer in the league, having scored 141 points including 17 touchdowns on runs, one on a pass, 14 conversions on kicks which count for two points each and five on runs for one point each. DeVries was second with 89 points including 13 touchdowns scored on passes and Brown was third with 81 points.

With Elzinga on the second team were Larry Austin and Warren Clark of Bellaire, ends; Dean Wilson of Central Lake, center and Gary Stillwell of Mackinaw City and Bruce Dennings of Inland Lakes, backs. All are seniors with the exception of Elzinga and Dennings who are juniors.

Receiving honorable mention were Reed Beal of Central Lake, Ben Darrow and Pat Darrow of Mackinaw City and Jerry Ash and Ray Burns of Bellaire.

Coaches also named outstanding defensive players. They were Cottrell of Vanderbilt, DeVries Mackinaw City, Wilson of Central Lake, Dennings of Inland Lakes and Moyers and Clark of Bellaire.

Coaches making the selection were Les Oswaarde of Mackinaw City, Bill Case of Inland Lakes, Bob McGregor of Vanderbilt, Tom Shipp of Central Lake, Vern Reed of Bellaire and Tom Roberts of Ellsworth.

Michigan's record whitetail deer was shot near Trout Creek in 1919 by Albert Tippett of Flint. It weighed 354 pounds dressed, and was estimated at 425 pounds live weight.

Tomorrow is the greatest labor-saving device of today.

Washington Jungle?

"There are those who call the market-price system the 'law of the jungle'—but as one who has operated in Washington for a number of years, I would like to suggest that our market system is much less of a jungle than is Washington."

With such pungent remarks, Roger Fleming, Secretary-Treasurer of the American Farm Bureau Federation, and head of its Washington office, caught and held the close attention of nearly 1,000 persons gathered recently at Michigan State University. The occasion was the annual banquet session of the 43rd annual meeting of the Michigan Farm Bureau.

Fleming struck at those who degrade the market system, and who would replace it with some new economic theory. "Supply-management is the latest," Fleming said, "the controllers call it new, but it is the same old 'supply-management' of all farm production, by government."

Despite recent setbacks, objectives of those who would manage the farms of America by edict from Washington, have not changed. Fleming said.

"The central question now at issue is whether we, as a people, are to try to perfect the market system or whether we are to let the political planners take over.

"Farmers make it clear that we believe in this economic system of ours whereby production and consumption are brought into balance. Relative prices guide production and distribution. If consumers want more of a product than is supplied currently, prices go up. Farmers and ranchers respond by producing more," Fleming declared.

"If consumers want less, prices go down and farmers produce less."

Fleming said that the impersonal operation of the market system is in sharp contrast to political planning and price fixing. "Economic freedom and political freedom are the Siamese twins of the American way," he said.

"You can't have one without the other."

OPERATION TELEPHONE!

Doctors will soon be able to transmit medical data direct from a patient's body to remote recording instruments anywhere in the country—by telephone. It'll be possible with special DATA-PHONE sets, now under development at the Bell Telephone Laboratories. Transmissions of x-rays and electrocardiograms by telephone have already been tested successfully. Termed a major advance in medical communications, this system means, for example, that consulting specialists in distant cities could receive instant data on a patient's heart performance—even during an actual operation.

TAKE A TURKEY with all the trimmings, add the family 'round the table, and what do you have? A Happy Thanksgiving! But even if someone in the family can't be with you, there's one sure way to keep the day joyful. A Long Distance telephone call, of course. It's the next best thing to being together . . . spreads holiday cheer at both ends of the line. Rates are lower all Thanksgiving Day and, on calls within Michigan, lowest after 9 p.m. when you can call any place within the state for 50 cents or less, excluding taxes.

DOWN WITH RUST! Michigan Bell has recently developed a new rustproofing method for its 4,600 trucks and cars. The new method is designed to prevent car rust caused by corrosives used on icy streets. Developed by our motor equipment maintenance people, the process uses a new protective coating on metal surfaces and is expected to save $40,000 a year in the operation of our motor fleet. It's another Michigan Bell cost-cutting technique that helps us keep the price of telephone service low.

Dickens Study Club Observes 50th Anniversary

Courier Photo

★ ★ ★

The golden anniversary of the Charles Dickens Study Club was celebrated at a dinner meeting held Monday at the V.F.W. post home for members, former members and guests.

The club colors, yellow and blue and red geraniums decorated the dinner table where places for 41 members and guests were laid. Attractive programs covered in gold and bearing a picture of the great English author marked the places. Yellow was the author's favorite color and red geraniums his favorite flower.

Mrs. Charles Duerr as toastmistress introduced the president Mrs. Robert Gill. Mrs. Gill welcomed the guests to the dinner meeting and outlined briefly the history of the club which was organized in 1912 by four local residents, Mrs. Peter (Gail) Vandermade and Mrs. Lynn (Marian) Purdee, both of whom now make their homes in Lake Worth, Fla., and the late Mrs. Albert (Mable) Goddard and Mrs. Ralph (Louise) (Rachow) Wilkinson. A communication from Mrs. Vandermade was read.

Mrs. Clinton G. Cooper, who now lives in Boyne City, told of her experiences after joining the club when she came here in 1914. She said that during its first four years no records were kept but that when it was formally organized in 1916 she became the first secretary.

A scrap book of club activities and photographs depicting skits and plays presented by the club were on display. During the program, Mrs. Charles Bleha showed photographs on the opaque projector highlighting the history of the club during the past 30 years.

A musical toast to the past presidents of the club was sung by Mrs. Chester Belfy, accompanied by Mrs. Leonard Burns. Mrs. Harold Totten, the immediate past president, responded.

Past presidents were then presented with a single yellow rose and Mrs. Gill, the present president, with a corsage of yellow roses in behalf of the club by Mrs. Malcolm MacDowell.

The meeting closed with the showing of a film, "Charles Dickens, a Background for his Work".

Arrangements for the observance were made by a committee composed of Mrs. Franklyn Curtis, Mrs. Duerr, Mrs. William Paddock, Mrs. Robert Anderson, Mrs. Ross Alexander, Mrs. Terry Rice and Mrs. Max Hosmer.

To Hold Workshop Relating to Fall-out Shelter

A workshop relating to fall-out shelters will be held at Gaylord Friday, Nov. 23, for architects, engineers, builders, contractors and other interested persons, Gen. George B. Ely, Charlevoix county Civil Defense director, has announced.

The workshop, to be held at the Otsego county courthouse in Gaylord from 10 a.m. to 3 p.m., is for the purpose of instruction on shelter construction and improvisation of family shelters and located shelters in existing buildings.

Persons in the above interested fields are urged to attend.

New Winter Sports Map Lists 83 Ski Centers in State

With falling temperatures heralding the approach of winter, the Michigan Tourist Council has announced that the 1962-63 edition of the statewide winter sports map-guide is ready for distribution.

Some 75,000 copies of the publication—the eighth annual edition—will be distributed to winter sports enthusiasts throughout the midwest and the nation. The facilities offered by the state's 83 winter sports centers, including six areas operating for the first full season, are described and located on the map-guide.

Single copies or quantity supplies of the "Michigan Winter Sports Guide" are available, without charge, from: Michigan Tourist Council, Lansing 26.

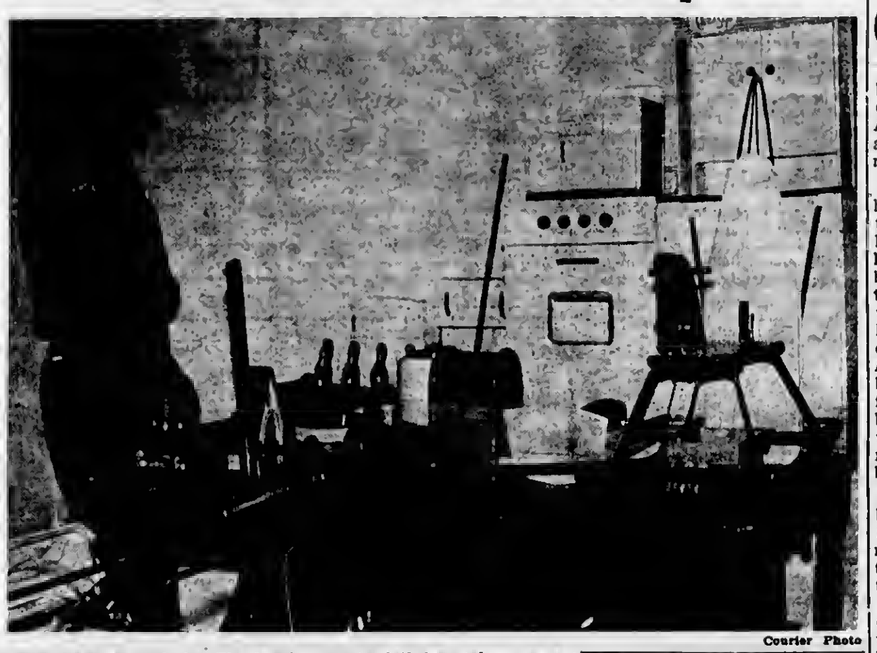
Jail Becomes Santa's Workshop



Courier Photo

The basement of the Charlevoix county jail has taken on a look of a miniature Santa Claus workshop as prisoners repair and paint used toys that will be distributed throughout the county at holiday time.

Here Deputy Sheriff Philo Sumner looks over some of the items which have been restored in preparation for Christmas when they will be given to less fortunate children who might not otherwise enjoy a visit from Santa Claus.

Anyone having toys of any kind including dolls, games, or any other items a child might enjoy may leave it at the sheriff's office or call the office and the contributions will be picked up.

Municipal Airport Expansion To Get Underway This Spring

Work on an expansion and improvement program at the Municipal airport here is expected to begin in the spring following the announcement that $152,500 in federal and state aid had been approved, according to City Supt. James Taylor.

The announcement was made in Lansing last week. Under the plan the city of Charlevoix will provide $57,000 as its share of the overall cost of $210,500 with $105,000 coming in federal monies and $47,500 in state funds.

The city has already set aside its share which is approximately 27 per cent of the total cost.

Work will include the construction of a 3,500 ft. east-west runway which will be 75ft. wide, a 75 by 100 ft. taxiway and 50 by 100 ft. apron. The latter will be located at the East end of the new runway. The project also includes the installation of runway lights and beacon.

Mr. Taylor said that bids for the project would be accepted within the next three months with work to begin as soon as weather permits in the spring.

The new 3,500 ft. runway will require complete re-grading of the present airfield with the new runway extending across the Norwood road which will be permanently closed at that time. The runway will be of concrete construction to permit a load up to 15,000 pounds per wheel.

The new construction will be part of an overall plan drawn up by Brewer Engineering of Owosso which calls for the construction of a north-south runway, to be located on Carpenter ave. construction of a terminal building and other lesser improvements at some future date.

New construction for the next year will not necessitate purchase of additional property. This was done earlier this year by the council when it acquired the Thorp property and entered into an agreement with the Crescent Stone Co. for the property on which its railroad right-of-way is located.

The adoption of a master plan for airport expansion and improvement and the proposed new construction follow several years of study by the city council.

C. William Sucher Former Summer Resident Passes

News of the death of C. William Sucher, 67, in Detroit Tuesday has been received here.

Mr. Sucher, who with his brother built a coal and fuel oil business into the Speedway Petroleum Corp., had been a summer resident here for many years and built the beautiful summer home on Park ave. which he later gave to the Charlevoix hospital.

Mr. Sucher was a member of Temple Beth El and a director of Manufacturers National Bank of Detroit, DWG Cigars, the Jewish Home for the Aged, Sinai Hospital board and Standard City Club. He was also a trustee of the Redford Community Hospital and a member of the Franklin Hills Country club. He was president of Speedway for 30 years before it was sold. He then became chairman of the board of the Tulsa Oil Co.

His wife, Edith, died a year ago. Four brothers who had been associated with him in Speedway also pre-deceased him.

Surviving are a son, Richard; three daughters, Mrs. William Zupner, Candace and Kathy and seven grandchildren.

Services were held Wednesday at the Brown Chapel of Temple Beth El with burial in Clover Hill Park cemetery.

The Courier is anxious to have the news from Bay Shore and this week Mrs. Frank Baker has been appointed a correspondent to report the activities. We ask you to give her your support by reporting to her your guests and your trips as well as local social activities. Mrs. Baker's telephone number is DI 7-3012.

Boyne City H.S. To Host Senior Government Day

The senior class of the Boyne City high school will host the seniors from all high schools in Charlevoix county at the fourth annual Charlevoix County Senior Government Day Tuesday.

Designed to acquaint the citizens of tomorrow with the operations of the government on a state, county and municipal basis, the one-day event will feature panel discussions relating to courts and law enforcement, Transportation, Education and the responsibility of a citizen, Industrial and resort development, Civil Defense and Public Health, Taxation, legislation and the proposed new State Constitution and Conservation.

The event will open at a general session with Boyne City mayor, Arthur Speltz greeting the assembled students and their guests. The keynote address will be given by State Senator Thomas F. Schweigert of Petoskey; Charles A. Robinson, Charlevoix county Superintendent of Schools will speak briefly and David Lick of Boyne City will speak in behalf of the seniors in the county. A question and answer period will be moderated by Charles Dittmann of Hillsdale College.

Following a luncheon at the bigb school, students will divide into groups where they will meet with resource persons to discuss the above mentioned topics and to ask questions relating to them.

Among the local students who will serve as discussion leaders or recorders will be Jerry Boss, Elaine Martin, Steve Faculak and Lorraine Boss.

The Senior Government Day is organized and directed by approximately 200 seniors in the county under the leadership of their government teachers, Hillsdale College Leadership Training program headed by Mr. Dittman and the Education Division of the State Association of Supervisors. Mr. Robinson assisted in coordinating the plans.

U.S.C.G. Accepting Bids for Rental of Island Property

Sealed bids for the rental of U.S. Coast Guard property on Middle Island, Lake Huron, offshore from Rockport will be accepted at the District office in Cleveland until 10 a.m. Dec. 6, according to an announcement made this week.

Located on 10.47 acres are a 2½ story, three-family brick dwelling with full basement, 12 rooms and three baths, oil heat; a one-story frame garage and a fog signal building.

Terms of the lease will remain in effect for five years.

Prospective tenants who desire to inspect the property should contact the CG Group Commander at Charlevoix. Bid forms may be obtained at the District office in Cleveland and at the office of the Charlevoix Group Commander.

Form 70 Piece Concert Band

A 70-piece concert band has been formed within the 02-piece Charlevoix high school band, C. A. Odmark, director of bands at the local high school, has announced.

This is the first time in the history of the band program in the local schools that such a step has become necessary. Due to the large enrollment in the Senior band, 92 members in grade 10 through 12, the smaller group was formed to facilitate rehearsals and organizational procedures, Mr. Odmark explained. As plans now stand, the concert band will rehearse daily and the full marching band of 92 members will rehearse once a week with additional small sectional rehearsals planned for the members not in the concert band.

Membership in the concert band will be determined through individual auditions with a marching band member eligible to join the concert group at any time.

The instrumentation of the concert group as announced this week following auditions is listed below:

Flutes: Teri Freedman, Roberta Hiller, Leslie Lyons, Marsha McCall, Shirley Stoel, Sandra Sunberg; oboes; Mary Harrison, Richard Odmark; bassoon: Connie Saltonstall.

Clarinets: Warren Belding, Robert Bergmann, Martha Coleman, Mary Ann Cummings, Marilyn Lesher, Marilyn Majors, Elaine Martin, Ruth Ann Miller, Linda Neff, Nancy Novak, David Novotny, John Oebs, Sherrell Smith, Nancy Snider, James Pearsall, Ruth Schofield, David Stewart, Barbara Sugden, Janice

Ministerial Ass'n. To Sponsor Annual Union Services

Residents and visitors of the community are invited to observe Thanksgiving Day by attending the annual Union Thanksgiving worship service at Christ Episcopal church at 10 a.m. Thursday.

The service, a tradtional one in the community, will be held under the sponsorship of the Charlevoix Ministerial Association.

The Rev. Raymond J. McBratnic of the First Metbodist church will deliver the Thanksgiving message.

Others participating will include the Rev. Harold E. Kohn and Rev. A. Robert Harrison of the First Congregational church, the host pastor, Rev. Alexander Wood of Christ church, Rev. Jack Harris of the First Baptist church and the Rev. George Majors of the Community Church of God. A representative of the Charlevoix City Council will read the President's Thanksgiving Proclamation. Music will be by the choir of Christ church directed by Mrs. Chester Belfy with Mrs. S. E. Coleman at the organ.

The offering will be given to the Church World Service and the Traverse City State Hospital Chaplaincy.

Hunters Bag Bncks In Charlevoix Area

Gordon Himebauch, 15-year-old son of Mr. and Mrs. Clarenee Himebauch, was the first to report to the Cbarlevoix Courier on opening day. He filled his license while hunting near the family home in Marion township.

Other successful hunters include Nate Harriman, Leon Pease, Wilbur Wells, Frank Curtis who got a spikehorn while hunting in Hayes township after an unsuccessful trip to the U.P. earlier; Dave Smith who filled his license before reporting for school on Thursday; Bob Waffle who brought homo a seven-point buck from the Barnard area.

Others include Joe Kortan who brought home a spikehorn from the swamp south of East Jordan and Tom Johnson and George Smith who filled their licenses in the same area; Meivln Holborn, Packey Warner, Cal Gould, Tim Shores Jr. who took a six-pointer Saturday enroute from Boyne City to Charlevoix, Fritz Puffpaff who filled a license for the very first time while hunting near the Burke farm in Hayes township.

City to Adopt Program for Waterfront

Plans to adopt a long-term planning program for Charlevoix's waterfront including Round Lake and Lake Charlevoix was discussed at the regular meeting of the city council Monday night.

The re-zoning of the property at Michigan ave. and West Dixon ave. from Residential II to Commerical I at the request of Robert Dyksterhouse was tabled after the committee had reported on the results of its survey.

It was decided to again offer $10.00 in prizes for the best decorated homes in the city and Charlevoix township using city power. Prizes of $15, $10 and $5.00 will be offered in each of the city's three wards and $10 for the best decorated home in the township.

Dec. 15 was set as the tentative date for the arrival of Santa Claus to distribute boxes of candy and nuts to the children of the area. The Charlevoix fire department will be in charge of the event.

Bills totaling $16,090 were approved and ordered paid. The figure includes $3,118.50 payment for diesel fuel oil; $3,796.19 for accounts purchased from the sewerage and water departments and $6.110.51, payroll.

Funeral Services Held Saturday for Mrs. Joseph Howard

Mrs. Joseph F. Howard, 79, lifelong resident of this community, died late Wednesday at the Charlevoix hospital where she had been a patient for two months.

Funeral services were held Saturday at St. Mary's church with the Rev. E. Francis Denay officiating. Burial was in Brookside cemetery. The Rosary was recited at the Winchester Funeral Home Friday evening.

Born in Charlevoix June 1, 1883, the former Rose N. O'Neill was married to Mr. Howard Jan. 6, 1007. They had always made their home at 406. E. Dixon ave. She was a member of St. Mary's church and St. Mary's Rosary Altar Society. Mr. Horward who retired in 1957 served as harbor master here for many years.

Besides her husband, she is survived by one sister, Mrs. Emery Pierce of Brimley and a nephew, Dr. James Pierce of Sault Ste. Marie.

NMCC Teams Open Cage Season Against Non-Loop Opponents

Five of the eight teams of the Northern Michigan Class C league will open their 1062-03 cage seasons during the week against non-loop opponents before the entire eight teams of the conference launch their league schedule Nov. 30.

Boyne City will host Petoskey Friday in the traditional Thanksgiving game which annually opens the basketball season in the area while on Tuesday Gaylord will entertain Cheboygan, Grayling will host Roscommon, Mancelona and Kalkaska will meet on the Ironmen's court and Harbor Springs will take on Petoskey St. Francis on home territory.

The league season which officially opens on Nov. 30 will find Charlevoix hosting Harbor Springs, Boyne City playing at Mancelona, Pellston traveling to Gaylord and East Jordan entertaining Grayling.

Meanwhile, league coaches are practicing daily in preparation for the forthcoming season. Several have returning veterans or lettermen around which to build this year's squads while others are depending on newcomers from last year's J-V squads to take over the duties of the Varsity teams.

At Boyne City, Coach Paul Pfahler has only one regular from last year's squad, Larry Gunderson, a 6 ft. senior guard who also did some of the team's scoring, and one letterman, Verlin Thompson, 6 ft. senior forward, who backed up the starters on the '61-62 team.

Coach Pfahler said this week that he would be depending on another senior, Randy Price, 6-1 forward, Bill Darbee, 6-1 center and John Braun, 5-8 guard to round out his starting five though he may call on a group of juniors including Jim Hartwell, Pete Conkie, Bruce Lawson, potential guards, Jim Mitchell and Herb Stanhope, who might back up the center spot, and Gary Beeman. Jerry Holly and Ken Ruback, candidates for the forward positions, Mitchell is 6 ft. and Stanhope 6-1 and the others less than six feet so the team will lack any great height.

Coach Jim Mongeau will have three regulars from last season in the line-up when his Blue Devils go against Cheboygan on Tuesday.

They include Dick Bottomley, 6 ft. forward, Art Teboe, 6 ft. center and a 5-6 guard, all of whom are seniors and two lettermen, Charles Howe, 6-1 senior forward and Ron Snell, 6 ft. junior forward.

He is also counting heavily from some help from Tom Lick, a 6 ft. 8 in. sophomore center, who could give the team much needed strength under the baskets.

Others who will be working for starting positions will be one senior, Jim Sharp, Bill Borst, Mike Smith and Tom Measell, both juniors and Bill McBride, a sophomore, who shows promise. Sharp, who is 6 ft. 1 in. is a candidate for the center or forward positions and Smith for a forward slot while the others are guards.

Grayling is another of the teams that boasts three veterans including Tom Wright and Tim Neal, 8-1½ seniors who will fill either the center or forward spots and Chris Kroll, a forward or guard who is 6 ft.tall according to Coach Bruce Smith.

Returning lettermen include Harvey Merrithew and Walt Fallon, a forward and guard respectively. All are seniors.

Up from the J-V's to give the team depth will be Jerry Smith, a sophomore, Bill Joseph, Steve Dawson, John Ingalls, Gary Luckstead, Les Halstead and Jim Young, all juniors.

Mancelona will count only one veteran, Pat Dutcher, a junior guard and two senior lettermen, Leroy Hood and Terry Johnson. Hood, a center, is 0-2 and Johnson, a 6 ft. forward.

Other starters will come from among Steve Ottgen, Denny Turbin, Barry Mieke and Bob Dean, all guards, George Stradinger, a center and Dave Pruden, a forward.

Other candidates are Harry Gordon, Jerry Patton, and Paul Propech, according to Coach Jake Schurmann.

At Harbor Springs, Coach Charlie Paige has three outstanding players returning including 6 ft. 4 in. center, Paul Raney, 6-2 Cecil John and Tom Pifer, a guard, from last year's squad.

Dave Reyner and Don Heinz, 6 ft. senior forwards who lettered last season will also be on hand along with other candidates including Mike Lauer, George Lauer, Jerry Burns, Mickey Phillips, Bernie Corpe, Jim Meyer and Tom Smith up from the reserves.

Other teams will have several days more before coaches will have to select starting line-ups.

At Charlevoix, Coach Don Carey is working out with John Pearl, Frank Curtis and Dave Rader who might be considered regulars from last year's squad along with Dan Pearl who was in and out of the line-up, Dwight Boss and Bruce Murray, seniors who saw limited action and others up from the reserves including Jim Uhrick, Rick Miller, Bruce Kroken, Pete Ance, Brenden LaBlance, Gary Stutzman, Jim Stewart, Steve Kroll and

Give Thanks for Your Freedom

On this Thanksgiving day we might pause a moment to take stock of our blessings as did our forefathers. In fact, we might pause many moments when we visualize the drudgery, hardship and saerifice they paid to establish a society of free people with unlimited opportunity—a society and government based on free enterprise—not based on business by government in competition with free enterprise.

An editorial entitled, "What is 'Economical' Power" which appeared in the Courier November 15, apparently has lead one of our city aldermen to believe that it was a premeditated "slap" at the city being in the power business. This fact should be made clear, the editor commends the city administration for the effieient job it has done in furnishing power in recent years. I believe this is the exception and not the rule. Granting exceptional eases, I still stand by the statement, "any politically-dominated enterprise is commonly (or substituting the words "generally" or "usually") inflexible and wasteful".

Readers of the Courier or any other publieation should always bear in mind that the editorial ideas expressed are only the opinion of the editor, one person, who is expressing his personal thinking. By the same token, a letter submitted for publieation is only the thinking of the writer. Only history will reveal whieh thinking proves the most benefieial to mankind.

So again, let's be thankful there is freedom of the press, not only for the editor, but for the individual who wishes to express his views in a letter to the Courier without slander and vicious personal attaeks on those who might not agree.

Shout It from the Housetops!

The Russian diplomats and high officers of state, at every opportunity proclaim the superiority of communism over our capitalistie free enterprise system. By comparison, our own public offieials are woefully silent in broadeasting the merits of our private enterprise economy.

Commenting on this shorteoming David Lawrence says: "What is needed is a courageous avowal of the merits of the Amerieau system and a constant reiteration of the fact that, with all its faults, it still has produced a higher standard of living and greater personal freedom for more human beings than has any other system for any other people in the history of the world."

Instead of exaggerating our faults, let's lay a much heavier emphasis on our virtues.

Guild Notes...

The fifth annual Thrift shop sale sponsored by the Women's Guild of the Charlevoix hospital was the most successful in the history of the event which benefits the hospital, Mrs. G. B. Saltonstall, general chairman, reports. The one-day sale netted the Guild $700.64 to be used to purchase equipment for the hospital.

The sale is made possible by the contributions of good used clothing and other items by summer and local residents. Mrs. Harry Gebeau, Guild president, expressed her appreciation to Mrs. Saltonstall, Mrs. Floyd Brown, the Ways and Means committee, the Polly Kay Shop and all others who joined in making the sale a success.

Clothing not sold at the sale was packed and turned over to the Charlevoix Retarded Children's Association for its sale Nov. 30 and Dec. 1 at the new Center on E. Garfield ave.

In answer to inquires regarding membership in the hospital guild, Mrs. Gebeau said that both active and inactive memberships were available. The cost: $1.00.

At the recent monthly meeting of the Guild, Mrs. Don DeMoor was named chairman of the Christmas decorating committee which will trim the trees at the hospital and also various parts of the hospital including the exterior, the lobby, dining rooms, solarium and nurses' stations at holiday time.

Plans were also made for the December meeting scheduled for Dec. 11. A social hour will follow this meeting with Mrs. Robert Neff, chairman of the hospitality committee, planning refreshments.

Clever favors have been appearing on the patients' trays during the autumn months with a committee composed of Mrs. Marion Miller, Mrs. Lloyd Bruee and Mrs. Sylvia Gilson providing special favors for Columbus Day, Hallowe'en and Veterans' day.

Miss Frances Milner and Mrs. Gordon Freedman have been busy stocking the library and notions cart with holiday goodies in addition to the usual supply of writing and toilet articles for the convenience of the patients. The cart is always placed in a special place so patients may purchase small items or obtain a variety of reading meterial at all times. The cart is taken to the patients' room three times weekly by regular 'pushers'. Mrs. Arthur Skelton, Mrs. T. R. Weldman and Mrs. Gebeau who is doing this for the fourth year.

The nursing scholarship committee for the coming year was named recently by Mrs. Gebeau. It will be chaired by Mrs. Jeff Novotny with Mrs. E. K. Shanahan, Mrs. Alfred Gill and H. E. Bingham, high school principal, serving with her. The Guild annually awards a $300 scholarship to a high school graduate in the area served by the hospital who is entering the field of professional nursing.

Mrs. E. D. Hawley, chairman of gifts and memorials committee, reports that $23.00 in gifts had been contributed recently in honor of friends' birthday anniversaries. This is one of the services offered by the Guild to residents of the area who might want to make a contribution in honor of or in memory of a loved one. Cards are sent to the honoree or the family bearing the contributor's name.

Lighting the way of man to betterment is the finest profession known.

Christian Science Church to Hold Rites Thanksgiving Day

A special Thanksgiving Day service, traditional in Christian Science churches all over the world, will be held in this area by Christian Science Society of Charlevoix.

Everyone is welcome to the services, which begins at 11:00 a.m., Thanksgiving morning, in the church edifice at 205 Clinton St.

Hymns, prayers, and a specially prepared Bible Lesson-Sermon are all a part of the service, which also includes a period for spontaneous expressions of gratitude by church members in the congregation.

The entire congregation will join in reading these Bible verses included in the Responsive Reading: Now therefore, our God, we thank thee, and praise thy glorious name ... O Lord our God, all this store that we have prepared to build thee an house for thine holy name cometh of thine hand, and is all thine own" (i Chron. 29:13,16).

Twenty-five guests including members of their family and friends from Ellsworth, Petoskey, East Jordan and Charlevoix gathered for a social hour and refreshments, including a wedding cake.

Mr. and Mrs. Houghton were married here Nov. 19, 1933, Mrs. Houghton is the former Jennie Nowland. They have always made their home here. Mr. Houghton is employed at the Charlevoix Cooperative Co.

Joining them in observing the anniversary were their daughters, Mrs. Gerrit (Bertha) Potter and Mrs. William (Bernice) Macy, both of Charlevoix and their sons, William Habel of Ellsworth, Robert Houghton and Albert Houghton of Charlevoix. Their several grandchildren and their respective sons-in-law and daughters-in-law and were present.

Shakespeare Club Hears Mrs. Ratigan

Mrs. William Ratigan spoke on the subject of "illustrators of Children's Books of a Century Ago" at the regular meeting of the Shakespeare Study club held Monday at the home of Mrs. Thomas Carey. Mrs. S. E. Coleman was co-hostess. Twenty members and one guest were present for the interesting meeting.

Following the business session refreshments were served at a table decorated with seasonal flowers. Mrs. Jack Rayder, club president, presided at the tea table.

Betrothed

Mr. and Mrs. Leonard W. Burns have announced the engagement of their daughter, Janice L. to Michael A. Raecke, BM 3/c, U.S. Coast Guard.

The prospective bridegroom is the son of Mrs. Helen Raecke of Chicago.

The wedding will be an event of early spring at the First Methodist church.

The bride-elect is a graduate of the Charlevoix high school and attended Northern Michigan College and North Central Michigan College before enrolling at Olivet College. The bridegroom is a graduate of Lyons township high school in Chicago and is a veteran of three years in the U.S. Coast Guard. He is presently stationed at the Charlevoix Lifeboat Station.

SUNDEW REPORT

With the exception of a few routine service runs to a number of buoys, the CGC Sundew has been home in Charlevoix for much of the past month. During this 'rest' period, the ship maintained her daily schedule of house cleaning and minor repairs.

The 28th of October, we made our periodic "round robin" wherein we checked and serviced all lighted buoys in our area. It was while we were returning home that we received the call for assistance from CG 84 307, a small Coast Guard 64 ft. tug which had been driven aground by high winds and seas on the southern end of Beaver Island.

It was something of a disappointment to turn away from Charlevoix just two miles from home but in no time at all we were in an area two miles south of the grounding. The night was black and the Sou'wester was still blowing pretty hard so LCdr. Francis J. Mann, Commanding Officer of the Sundew, decided to wait until daylight to begin the difficult operation.

As gray dawn chased night's shadows from the decks of the Sundew, we were ready to begin our task. The wind had hauled around to the north, putting us conveniently in the lee of the island.

At daybreak Coast Guard helicopters from the Traverse City Air Station were standing by in case a rapid removal of personnel from the stranded tug seemed advisable. But as the wind shifted, it became increasingly apparent that the hazard to the tug occasioned by the storm was decreasing.

The Sundew spent a long day atempting to refloat the tugboat by towing her off the gravel bar on which she was resting. But the tug was hard aground and the first day ended with three 10-inch hawsers parted.

At daybreak the following day, the CGC Mesquite was standing by the scene to render assistance as required. Her ship's boat aided ours in the long and tedious job hauling the messinger and 2000 feet of hawser from the Sundew to the tugboat. Throughout the previous day's attempts, the Sundew had edged closer and closer to the stranded vessel, in order to shorten the length of cable required to span the distance, This day our efforts would not be in vain, we said to ourselves.

Two parted tow lines later, notions of doubt were apparent as the men of the Sundew bent to their task.At this point LCdr. Mann decided wire rope was the only answer as its breaking point is considerably above that of manila rope.

On the other hand, the Sundew has a little over 1000 ft. of it on board. The question was: "Could we move in close enough without oursevles going aground?" The sun was past its zenith and on the way down so that any more attempts that day would have to be quick. This eliminated the time-consuming idea of splicing two lengths of cable together.

The decision by LCdr. Mann was to creep in until the cable would just reach the tug. This made all of us anxious lest we end up in much the same predicament the 04 footer found itself.

With a leadsman forward constantly sounding out the depth of the water, we inched our way in closer and closer to the tug. "By the mark three, sir" sang out the landsman. That was six feet under the keel. With four feet of water 'neath the keel, the cable was finally secured to the tug. We could almost taste success. The wire rope could do it.

We took a strain on the wire. CG 64307 radioed that they were moving. Then, "Hold it! our two bitt is pulling out" the 04 footer called anxiously. The sun was going down fast. Personnel from the Sundew raced over to the tug in ship's boats. A towing brindle of 7/8 in. buoy chain was improvised on the tug's bow. Sunset. We took a strain on the cable. Our searchlight cast an eerie glow about the 84 footer. "She's moving" her crew radioed. We could all see the movement now her typically stubby bow, previously cocked in an impertinent attitude toward the island, was slowly slewing toward us. Then she started sliding, like a ship coming off the ways, bow on, into deeper water. The tug heeled well to starboard, her gunwale was almost awash. "We're afloat," then "We're under our own power". Sure enough the tug was following us off the beach. The Sundew's damage control party gave the final inspection and pronounced the vessel reasonably safe and sound considering her ordeal. Two and a half hours later, we were moored in Charlevoix.

Nine days later, Nov. 9, the Sundew and CG 64307 departed Charlevoix in company. We escorted the vessel to a point off Alpena, where the CGC Bramble from Detroit assumed the remainder of the escort. The CG 64307 finally arrived at her original destination, Detroit, none the worse for wear. The boat had originally set out for Detroit from Milwaukee to be sold.

The CGC Sundew, meanwhile, proceded to Cheboygan, working a buoy just south of Presque Isle enroute. In Cheboygan, the Sundew loaded a length of armored cable to be used at the Charlevoix Lifeboat Station. This was a back-breaking Saturday for the crew because the cable was 6000 ft. long and weighed 15 tons.

Name Committees For Catholic Bazaar And Smorgasbord

Plans for the Christmas bazaar and smorgasbord at St. Mary's school hall on Sunday, Dec. 2, are taking shape under the direction of Mrs. Don Johnson, chairman, and Mrs. Leo Norton and Mrs. Frank Bourgoin, co-chairmen.

Mrs. Bourgoin is in charge of the smorgasbord which will be served from 11:30 a. m. until all have been served; Mrs. Norton will head the dining room committee and Mrs. Joseph Etienne the kitchen committee.

Among the other features of the event will be the Christmas bazaar with booths displaying Christmas candies, gift items, doll clothes, Christmas candles and decorations, toys and games and religious gift items.

Among those who will assist with the booths will be Mrs. Richard Gridley, Mrs. Ralph Dohn, Mrs. Eugene Diedzic, Mrs. Robert Lucas, Mrs. Robert Woolney, Mrs. Willis Peters, Mrs. Ronald Peterson, Mrs. Leo Fairbanks, Mrs. C. D. Geiken and of advertising and tickets.

Mrs. Elmer Gibson is in charge Miss Mary Michel.

Arriving at Charlevoix late Saturday night, the crew took a break on Sunday to prepare for cable and a smaller cable had the real work ahead. The large to be laid in Round Lake from the new Lifeboat Station to the site of the old Lifeboat Station. These cables act as remote control connections to the fog horn and pierhead lights, while, the armored cable connects Charlevoix Lifeboat Station by telephone to the offshore light stations in northern Lake Michigan.

Sundew Scuttlebutt

Wayne Asheraft, BM2, departed the Sundew for his new duty assignment at Niagara Lifeboat Station, Youngstown, N.Y.

Three new faces are now among the Sundew company: Robert Schwan, CS2; Frank Pedersen, EN3 and Mike DeRosia, Seaman.

Versions of 1st Thanksgiving

Thanksgiving is always a happy time for youngsters for it gives them an opportunity to express in pictures their version of the first Thanksgiving when Pilgrims gathered to give thanks for their first successful harvest in the new land. The traditional holiday fare, turkey, introdueed as a food by their friends, the Indians, played as an important a role in the first Thanksgiving dinner as it does in American homes today.

In these pictures taken in the early elementary grades of the Charlevoix public school can be seen the children's versions of the first Thanksgiving.

Courier Photo

Eight members of the Mrs. McRay's kindergarten class display their colorful Indian head-dresses similar to those worn by the friendly Indians when they attended the first Thanksgiving dinner as guests of the Pilgrims.

Holding their works of art are (l to r) Della Wolgamott, Joy Whitley, Judith Wertman, James Sundberg, Margo Stoneham, Linda Smith, Jeff Rice and Paula Potter.

Courier Photo

Rosita Young and Rachel Webster are pictured here putting the finishing touches on their colorful turkey. They are students in Mrs. Bleha's first grade.

Courier Photo

The youngsters in Mrs. Moeller's first grade made miniature Indian drums from oatmeal boxes and then painted them in gay colors

Here Larry Arkenburg, Norman Empey (hidden from view) Susan Boss, Carl Parrish and Richard Elzinga paint their drums while Terri Lee Stoel displays her completed drum.

Courier Photo

These little ones in Mrs. Snider's first grade are intent on their drawing of the model turkey displayed on the table.

They are: Debra Puffpaff, Debra Sarasin, Steven Sitzema and Gary Novotny.

In the background are the colorful paintings of Thanksgiving turkeys made earlier.

Courier Photo

The third graders in Mrs. Novotny's room selected as their Thanksgiving subject the Pilgrims and in these pictures displayed on the wall of their room show their version of the Pilgrims preparing for the first Thanksgiving dinner.

In the foreground are four members of the class completing their art work. They are Mike Mol, Vicki Skelton, Debra Bond and William Carey

BETWEEN YOU AND ME

- By Harold E. Kohn -

Brief Thoughts on a Big Subject: Gratitude

Animals, upon finding food, do not pause for thanksgiving, but begin devouring it at once. Man is the one creature that is aware of the Great Goodness beyond him that grants him life's necessities. Man can pause to praise the Source. Let us act like men, not only on Thanksgiving Day, but throughout the year.

* * *

Maybe one season we forget to thank people for their goodness to us is that we are too busy honking for service.

* * *

I like what Kin Hubbard once said, "A true lady or gentleman remains at home with a grouch same as if they had pneumonia".

* * *

Our restless longings for the glamorous and far away are usually symptoms of too little appreciation for commonplace blessings that are found near at hand.

* * *

Be thankful for the faults of your friends. Without their mistakes and blemishes your own imperfections would make you unbearably uncomfortable in their presence. Besides, what would you do for conversation material at club meetings?

* * *

When giving thanks we might well speak a word of praise for our troubles. Souls grow, as do plants, in rain as well as in sunshine.

* * *

It is easy to identify the people who have found life a bed of roses. They are the ones who are grumbling about the thorns.

* * *

One of the loveliest brief prayers I've ever heard is an old Scottish grace:

"No ordinary meal, a sacrament awaits us
On our tables daily spread,
For men are risking lives on sea and land
That we may dwell in safety and be fed."

Catholics Stage Annual Used Clothing Drive

"Give thanks by giving" is the plea, issued this Thanksgiving week by parishes of the Western Michigan diocese to its members and friends as the fourteenth annual Catholic Bishops' Thanksgiving Clothing Collection opened Sunday.

The collection which started Sunday will continue through Dec. 1 as the parish collects clothing of all kinds for the needy overseas.

Clothing for men, women and children, shoes and bedding, all clean and in good repair, are acceptable. Persons contributing clothing are asked to have buttons sewed on or zippers in working order and to make sure that shoes needing laces have good used or new laces in them.

Last year the 20 counties of the diocese contributed 160,000 pounds of clothing, shoes and bedding to the drive.

Contributions are sorted and packed at St. Mary's school hall. They are then shipped to a diocesan warehouse in Grand Rapids in prepartion for shipment to a coastal port for transportation overseas. As in the past, trucking lines will transport the cartons gratis to the Grand Rapids depot.

Contributions may include heavy clothing, light clothing, blankets and bedding, bolt goods, remnants, etc. and shoes which should be of low-heeled, practical type. They should also be tied together.

The collection is not limited to members of St. Mary's parish. Anyone having good used clothing, etc., may contribute to the clothing drive.

Youth to Benefit From Kiwanis Club Maple Syrup Sale

If you're looking for something new and different in the way of a family Christmas gift, the Kiwanis club suggests you give Charlevoix-made maple syrup now being sold by the club.

"By doing this you'll be giving someone a treat and at the same time will be helping the youth of Charlevoix" E. K. Shanahan, chairman of the Kiwanis maple syrup project, said.

To back up his statement, he reported on the monies spent for various youth organizations and all youngsters in the community during 1962.

Of the total of $1,321.18 spent, the Girl Scouts received $223.30 to help underwrite the cost of sending two Senior Scouts to the International Roundup in Vermont; Boy Scouts Troop 1, $148.00 for the Camporee held at Mio and a camping trip through the upper peninsula for the troop; Sea Scouts, $70.00 for repairs on their boat; Charlevoix high school science award, $25.00; Babe Ruth baseball team, $179.68; Softball, Boy Scouts, entry fee, $32.00; Explorer Scouts, stove, $31.00; Candy for Kids fishing derby sponsored by the club during Michigan week, $28.60; Bus to transport Cub Scouts to Camp Greilick for a one-day outing, $15.00; Camp Daggett flag pole, $94.08; Cost of sending boys and girls to Camp Daggett for two weeks camping, $139.45; Cub Scouts Pack 111, $154.32; Hallow'en party for elementary school children, $130.60; Retarded Children center, three months rent, $150.00.

It will be remembered that the Kiwanis club processed the maple syrup now being offered for sale, tapping the community's many maple trees, collecting the sap which was then made into the delicious, golden liquid now being offered in various sized containers.

The Syrup may be purchased at Neff's Grocery, Edwards IGA, Charlevoix Dry Cleaners, Charlevoix Abstract & Engineering Co., Charlevoix Laundromat, Self's Gulf Service or from your favorite Kiwanian.

Programs Mark Thanksgiving at Public Schools

The Charlevoix public schools will observe Thanksgiving at special assemblies at both schools before classes adjourn at 2:30 p. m. Wednesday for the holiday weekend, Supt. R. G. Bennett has announced.

A special assembly has been scheduled at the junior-senior high school at 10:30 a.m. Wednesday with the Rev. George L. Majors delivering a brief Thanksgiving message, according to H. E. Bingham, high school prineipal..

Special music in keeping with the holiday will be played by the Charlevoix high school band directed by C. A. Odmark who also will direct group singing.

At the elementary school the more than 575 students will gather in the auditorium for a program at 1 p.m., Glenn B. Snider, elementary school prineipal, has announced.

The Rev. Charles A. Stoppels will present a Thanksgiving message..

The third grade will sing Indian songs reminescent of those heard by the Pilgrims at the first observance of Thanksgiving; the fifth grade will present a choral reading in the Thanksgiving theme and the grades will present a variety of holiday songs.

Cathy Wood of the sixth grade will be mistress of ceremonies for the program.

County Agent Cites Need for Peace Corps Volunteers

How would you like to serve as a Peace Corps volunteer in Guatemala?

Now is your opportunity to do just that if you are between the ages of 18 to 25; have a farm background, 4-H or FFA experience; have experience or training in farm cooperatives or have taken a course in agriculture or home economics in college, according to Ed Rebman, County Extension director for Charlevoix county, who added that if your answer is "yes" to the first two questions and one or more of the others you should apply now.

Volunteers in Guatemala, will not be required to demonstrate very high proficiency in any specific technical field but must be qualified to show the Guatemalans how to better their way of life by encouragement, gentle hints, convincing demonstrations and friendship. The volunteers will try to get the people to experiment for themselves and ON THEIR OWN to utilize the human, financial and technical resources which the country possesses.

Volunteers will find broad opportunities in teaching agricultural and homemaking techniques through 4-H type clubs to the farm families who live in the Indian heartland where anceient traditions and ignorance have restricted the people from developing into a productive force for their country. Through demontstrations, it would be possible to introduce better seeds, fertilizers, pesticides and fungicides, better nutritional practices, sewing and homemaking, better livestock management, breeding and vaccination and better use and maintenance of farm machinery.

Volunteers will live and work in villages located about 4-5 hours via jeep from Guatemala City, a metropolis of 350,000 population.

Persons in Charlevoix county interested in applying for Peace Corps service in Guatemala should contact Mr. Rebman at his office in Boyne City as soon as possible.

Profit from Dinner To be Used to Buy Band Uniforms

The most successful dinner sponsored by the Charlevoix Band Parents Association was held at the Charlevoix high school cafeteria Wednesday evening, according to Jerold Murdiek, president of the sponsoring group, who reported that 650 dinners were served in 1¾ hours.

Total gross receipts are expected to reach $750.00, leaving a net profit of approximately $450 when the final tabulation is made. The net receipt ineludes the $1.00 per band parent donation which accounts for $130 of the profits. Included also are several gifts from local residents who could not attend the dinner but contributed to the cause.

Mrs. Clifford Riley, general chairman, had as helpers some 50 band parents and senior band members. Mrs. Marie Blissett and Mrs. A. D. Cuningham, regular school cooks were engaged to prepare the dinner. They were assisted in the preparation and serving by band mothers, Mr. Murdiek lined up a crew of 15 band fathers who formed a most effieient dish-washing and clean-up crew.

Proceeds from the dinner will be used to furnish an additional 12 uniforms for the high school marching band whose membership now numbers 93.

The Band Parents Association would like to acknowledge the cooperation of the school administration and especially the assistance of Marvin Sugden and Ilo Helms.

Nobody ever gets anything for nothing, but a lot of people keep trying.

Bible Baptists to Stage Hymn Sing

The Bible Baptist church will sponsor a hymn-sing at the church on May St. during the 7:30 p.m. service Sunday evening according to the pastor, the Rev. James Lugibihl.

This week's will be the second of a series to be held on the last Sunday of every month.

The hymn-sing for members and visitors alike will feature the singing of old and new hymns by the congregation with special numbers by individuals or groups. Request selections will be included in the service which will include an opening hymn and prayer and a brief message by the pastor.

This week's prayer meeting and Bible study will be held at 7:30 p.m. Friday instead of Thursday because of the holiday.

Cub Scouts Plan Special Pack Meet

The November meeting of Cub Scout Paek 111 will be held at the Community Room of the City hall at 7:30 p.m. Wednesday, Nov. 28, according to Cub Master Robert L. Hooper.

Cub Den No. 2 will present a skit following the theme of the month, "Buckskin Pioneers" featuring early explorers, adventurers and farmers. Den No. 1 will be in charge of group singing.

Uno Suomela, awards chairman, will present awards to parents who will then pin them to their Cubs' uniforms. At least one parent is urged to be present to participate in the awards presentation.

Don Anders, president of the Cub Scout committee, has urged that all parents accompany their sons to the pack meeting and thus learn more about the program and its benefits to the youngsters.

NOTICE

NOTICE is hereby given that the Common Counell of the City of Charlevoix, Michigan, at a regular meeting to be held at 8:00 P.M. on Monday, December 3, 1962, at the Counell Room in the City Hall in said City will hold a publie hearing upon and take under consideration a proposed amendment to Ordinance Number 203, entitled "The Zoning Ordinanee", wherein it is proposed to amend said Ordinance by adding Seetion 408 to ARTICLE IV thereof reading as follows:

ARTICLE IV —

"Section 408. Definitions.

As used in this Ordinanee the following words and terms are intended, and shall be construed, to have only the following meaning:

A. Dwelling or dwellings. The term 'dwelling", or "dwellings" or any other aspeet of the word or terms used herein shall mean a permanent residenee building of masonry and/or wooden stud eonstruetion, or any other standard form of home, house or multiple housing building eonstruetion, designed for and intended for use as a permanent structure upon the premises, and shall not inelude house trailers, trailers, mobile homes, or other transient or impermanent struetures."

and also further amending said Ordinanee by adding a new Sub-Seetion 3 to Seetion 701 of ARTICLE VII to read substantially as follows:

ARTICLE VII

Section 701. Uses Permitted. —

"Sub-Seetion 3. House trailers and mobile homes shall be permitted but only upon the following conditions:

A. Eaeh shall have a minimum permanent living spaee usable floor area of not less than 360 square feet, not ineluding any expandable walls, partitions, or other temporarily expanded areas.

B. Each shall have a separate approved sewer and water line.

C. No mobile home shall be conneeted to a dwelling as an auxiliary thereto, nor have it's sewer, water, and utility lines eonnected thereto.

D. A Use Permit therefor shall not be granted unless the applieation therefor is aeeompanied by the written approval thereof signed by all of the owners of the immediately adjoining property and the owners of property on the other side of the street directly opposite the lot for whieh the Use Permit is requested.

E. Said Permits shall be temporary and limited to a period of two years but shall be renewable thereafter for a two year period at the diseretion of the Common Counell upon consent of a majority of said owners of adjoinlng and opposite property.

F. Said Use Permits shall be eonfined to a partieular house trailer or mobile home and shall not be transferable to another house trailer or mobile home.

G. The uses and provisions herein set forth shall not carry forward and shall not be permitted in the succeedingly named districts in this Ordinanee, notwithstanding anything hereinafter set forth in the Ordinance, it being intended to eonfine the provisions of this sub-seetion to this partieular district."

The effeet of the proposed changes is to define the word "dwelling" as used in the Ordinance so that it shall not be eonstrued to inelude house trailers or mobile homes, thereby prohibiting the same in all districts down to Commereial District II, and then expanding the uses permitted in Residential District III to allow house trailers or mobile homes therein upon the eonditions above set forth.

By Order of the Counell.

Cadillac

TAKE A LOOK AT THE BEST-LIKED CADILLAC OF ALL TIME!

There's no question about it—America has fallen in lovo witb tbis one.

It's tbe Cadillac car of 1963—and it is already attracting more attention—and more owners—than any other motor car in Cadillac history. And to be perfectly honest with you, we aren't a bit surprised.

You see, good news about cars travels fast. And the news about Cadillac has never been better . . . nor its owners more vocal.

Give a new Cadillac owner half a minute and he'll tell you bow much he likes tbe new Cadillac look. Clean. Majestic. Substantial. Elegant.

Give him a full minute and he'll talk about tbe car's new luxury and comfort—and about the incredible range of models, colors and interior appointments.

Show just a little more interest and be'll havo you in the driver's seat and out on the highway—reciting tbe roll call of Cadillac's engineering feats. A smootber, quieter engine. A new true center drive line. A triple braking system.

We're glad our owners are demonatrative. And even if you subtract the usual new car fervor—you'll find that what's left over is reason enougb to visit your dealer without delay.

If you see him fast—maybe you can be the first in your neighborhood with a 1963 Cadillac.

An early move, you know, gives you a full year at tbe wheel.

Outdoor Survival Kit

The Items laid out above may not look very important, but they could help save your life if you became lost in the wilds of oorthern Michigao during thls time of the year. Except for the knife and rifle, thase articlas cao be packed into a anug, easy-to-carry kit (right photo) waighing only about 1½ pounds. Included as basic survival aquipment are a compass, stick matchas in a waterproof contelner, a small tin or aluminum pot, a strong-backed belt knifa, a few packets of dehydrated soup or potatoes, a spoon, 40-50 feet of eighth-inch nylon line, an axira pair of wool socks, and a 10 X 10 foot plece of four-mill polyethylene. This light, flimsy plastic material can he used to make a small tent or windbreak. There is, of course, mora ro surviving in the woods than just having thesa thinga handy. The best survival kit a man can take afield is carried in his head; the lost outdoorsman who thinks his way out of a altuation is tha one who will survive. The person who panics and over-exerts himself is bis owo worst enemy.

Ministers Speak At Kiwanis Meet

The Kiwanis club met Monday at the high school cafeteria for its regular dinner meeting.

The Rev. Jack Harris, new pastor at the First Baptist church and the Rev. A Robert Harrison of the First Congregational church spoke briefly on their backgrounds, relating interesting experiences they had while studying for the ministry and while serving in various churches before coming here.

The remainder of the meeting was devoted to club business with Glenn B. Snider presiding.

Lions Club Hears Russell Curtis

Russell J. Curtis, director of the Charlevoix county Assessment and Equalization department, gave an interesting and informative talk on assessment prosedures and methods of determining property valuations at the regular luncheon meeting of the Lions club held Monday at the Weathervane Inn.

He said that a detailed form on the location of the property complete with a description of the land, its accessability, buildings and other pertinent information is made out and supplemented by photographs. All of these faetors are taken into consideration when the estimated valuation is set.

Mr. Curtis also explained the favorable tax strueture in the city of Charlevoix as compared with other eommunities in the county as a result of the recent state equalization program. A lively question and answer period followed.

Kenneth Cellner, program chairman, introduced Mr. Curtis.

Alun Bevan, chairman of the Lions Club fruit cake sale, gave final instruetions to team captains for the house to house canvass and sale Tuesday evening.

C H S Senior Class to Present "A Rocket in His Pocket" Sat.

Utillzing the timely theme of outer space travel, the Senior Class of the Charlevoix blgb school will present the hilarious comedy "A Rocket in His Pocket" at the Elementary school auditorium at 9 s.m. Saturday.

The 'spaceman' tn this production will be Dennis Bates, an inventive senior at Blue Rimrock located off the beaten path in the far West.

Others in the cast are Elaine Martin, who plays the role of Mrs. Matchett, the rugged principal and football cosch; Mr. Agnew (John Flynn), the first male teacber at the high school in 10 years and Miss Chisle (Connie Saltonstall), an English teacher who talks like a textbook and looks just about as glamorous.

Other students in the cast are Mick Smith, Howard Majors, Ruth Scbofield, John Tuomela, Sharon Wood snd Linda Neff who combine their talents to make this one of the funniest plays to be presented here in recent years.

In addition to the dramatic rockets used in the plot, there witt be a rocket on the stage thst has been built in the Chartevoix high school mansl arts shop and that has the potential of being fired with solid rocket fuel. The rockets in the plsy will be "touched off" by space fuel put together in the chemlstry and physics lab of the high school.

Another touch of space authenticity will be the sound track which was spliced and toned in high school's modern tanguage taboratory. This sound track, which will add much authentic sound reproduction at dramatic moments in the play, features the trail-blazing beepbeep of Sputnik I, an atom bomb explosion at Bikini and tbe countdown and liftoff into orbit of America's most recent man in space.

Ruth Ann Miller is student director of the play which has been produced under the guidance of Mr. snd Mrs. William Ratigan, H. E. Bingham snd Don Carey. John Pearl is stage manager and Martba Coleman will give the welcome address.

Phil Martin Takes Over North Side Service Station

Phil G. Martin has been named manager of the Standard Oil company's north side service station formerly operated by Edward P. Hansen it was announced tbis week.

The station will be known as Martin's Standard Service and will offer lubrications, oil chsnges, car wsshes as well as tire and bsttery service.

Mr. Msrtin, a native of this community, was formerly with the Fishing Site Division of the Michigan Conservation Department and teft this employment when the Division was discontinued by tbe Conservation department on July 1.

The service station is located on US 31 across from the first hole of the Municipat golf course.

Ten Year Oid Giri Spots Deer, Dad Fills License

The sharp eyes of a 10-year oid girt resutted in a t0-point buck that will weigh about 200 pounds hanging in the Cecil Drost yard according to Mr. Drost.

It seems that he took his children for a ride through Hayes township when his daughter, Connie, spotted a deer which no one else could see for sometime she contended she coutd animal and its sizable honrs. Her father finally took his gun from its case snd worked his way along the woods within shooting distance of the hsndsome animsl. He brought it down with one shot. He said the deer had only three legs and had evidently lost one a year or two ago. This happened Friday after Mr. Drost had been ln the woods every dsy since the season opened without even spotting a buck.

Another successful hunter who reported his success was George Plumm who filled his license early in the season.

Ray MacLaughlin To Speak at MEA Dinner Meeting

Ray MacLaughtin, president of the Michigsn Education Association will be the guest speaker at the quarterly meeting of the Chsrlevoix District chspter of the M. E. A. to be held st the Charlevoix high school cafeteria at 6:30 p. m. Tuesday, Dec. 4.

His topic will be the "Professional Practices Act" relating to the up-grading of the teaching profession.

Mrs. Louis Courtade will preside at the dinner meeting which will be attended by teachers from througbout the county.

Mrs. Julius Gilbert Named Annual Harmony Award Winner

Unexpected bonors came to Mrs. Julius Gilbert, prominent Detrolter and local resident, recently wben she was presented the ninth annual Harmony Award given by the Detrolt chapter of the Society for the Preservation and Encouragement of Barbershop Singing in America.

The award is given, not for proficiency in singing, as one might think, but to a person who has contributed the most to the harmony of living, someone wbo is not particularly in the public eye.

The award was presented in conjunction with the SPEBSQSA annuat concert in Ford Auditorium and carried with it a $100.00 check made out in the name of the honoree's favorite charity. In the case of Mrs. Gilbert it was given to Motor alde which brought her the honor.

Mrs. Gilbert said that during World War II she joined the American Red Cross Motor Corps in Detroit and served from 1951 to 1945. After the war the Red Cross found it must limit its motor corps to service trips connected with men in the armed forces or veterans and their families.

Mrs. Gilbert, feeling there were many civilians in the growing city of Detroit who needed motor transportation to local hospitals, in 1947 founded Motor Aide to drive for the agencies of the United Community Services.

Today the groups boasts more than t00 men and women, all volunteers, who drive for the Torch Drive-supported agencies and public hospitals like Receiving and Herman Keifer. She relatea that the organization has such a great demand that only patients recommended by a social worker can be accepted.

Mrs. Gilbert has been a resident of Detroit since her marrigae to Mr. Gilbert. A native New Yorker, she haa lived in Hamburg, Germany and attended scbool in Shanghai.

Charlevoix has found Mrs. Gilbert a versatile person with many interests. Last summer she 'broke' into print with a series of artictes on entertaining which she soid to a ayndicate. More recentiy she was asked to write another series on holiday entertaining which should appear shortly under her name.

In addition, she is an ardent worker for the Charlevoix hospital, its Hospital Guild and for the city itself.

The Charlevoix Association for Retarded Children will sponsor a rummage sale at the new center at 205 E. Garfield ave. Fridsy and Saturday.

Mrs. Frank Oleksy and Mrs. Witliam Bergman are co-chairmen of the event which will begin at 9:30 a.m. and continue until 5 p.m. on both days.

A large selection of clothing for men, women and children in a variety of sizes, shoes and other items will be offered for sale.

The Center, operated by the association for retarded children in the area, will benefit from the sale.

Charlevoix Oil Awarded Bid For School Bus

The Charlevoix Oil Company's bid for a new school bus was accepted by the Charlevoix Bosrd of Education at a recent meeting.

The bid for the Chevrolet bus with Supperior body (with a 80 amp. Del-Ka-Tron for a reduction of $225) was for $8,550.10 complete.

Supt. R. G. Bennett and Albert Smith were named to a committee to see that a section of the curb to the north of the new bigh school be removed to facilitste snow plowing this winter. The dirt is to be placed on the elementary school grounds.

The program for the retarded, non-acbieving less capsble and otherwise weaker students was discussed with the idea of establishing such a program and receiving assistance through the Special Education bill approved recently.

Teacher needs for the 1963-64 school year were discussed with special emphasis on the overcrowded elementary ctassrooms and the needs of the Junior and Senior high schools.

Bills totaling $2,751.18 were approved snd ordered paid.

Careless Hunter Mistakes Pet Dog For Small Deer

How heartless csn a hunter be?

Mrs. Bert Middler of Norwood township has proof that a certain unhnown hunter has little compassion.

This is evidenced by a story told this week by Mrs. Middter regsrding their German shepherd dog.

The dog, a family pet that was usually kept confined, accompanied a youngster, boarded by the Middlers, on an excursion through the woods on the Middler farm which was posted against hunters. The boy returned home later in the day but it was the following dsy before the dog, wounded by a rifle bullet, came crawling home.

Upon exsmination by Dr. Christian Jensen at the animal hospital where the pet had been rushed, it was revealed that the bullet, apparently from a high-powered rifle, had passed through the dog's body. He remains in critics1 condition at the bospital.

It is believed that a hunter, mistaking the dog for a small deer, had shot at the animal and then left it for dead when he discovered his error.

The business session will begin st 7:45 p.m. Mr. Congrove will begin his talk at 8 p.m. and will speak for t¼ bours.

Boyne City Wins First Cage Game With Petoskey

The Boyne City Ramblers launched the 1962-83 basketball season in northern Michigan by dumping Petoskey 57 to 40 in the traditional Thanksgiving weekend game played at Boyne City Friday night.

In a game which saw the Ramblers tead the visitors all the wsy, Boyne City was outscored t9 to 18 from the floor but connected from the free throw line to chalk up the lopsided victory.

The box score showed the Rambters had t8 field goals, 21 of 35 free throw attempts and nine personat fouls which the visitors bit for 19 field goals but had only two out of nine free throw attempts while collecting 25 personal fouls.

Boyne City held a slim 9 to 8 first quarter lead which was increased to 3t to 18 at halftime and 44 to 34 going into the final period. At one time Petoskey cut the Ramblers margin to eight points before the latter pulled away for the 17-point win.

Randy Price had 19 and Larry Gunderson 17 points for the victors. Roger Spencely and Terry Ellis with 10 points each shared scoring honora for Petoskey.

Mrs. James Clark Purchases Milli's House of Charm

The purchase of Milli's House of Charm from Mrs. Milli Kling has been announced by the new owner, Mrs. James Clark of RR Chartevoix who has been associated with the shop for the past month.

The shop, tocated at 409 Bridge st., has been operated by Mrs. Kling aince 1950. It will continue to carry the name of Milli's House of Cbarm though Mrs. Clark assumed operation of the business last week.

Mrs. Clark, a veteran operator, came to northern Michlgan from Milwaukee, Wis., in 1936. Earler she had operated shops in Harbor Springs and Petoskey and in 1955 was employed at the local shop. She has lived in the Charlevoix area for tbe past 15 years.

Mrs. Merritt (Mary Ann) Clark and Pam Korth will continue as operators st the beauty shop.

The shop will be open daily except Sunday, Monday and holidays.

Mrs. Kling has not announced her future plans.

Home Game With Harbor Springs To Open Basketball Season

Tbe Charlevoix Rayders will launch their 1962-03 basketball season Friday when they host the Harbor Springs Rams in the first of an 18 games schedule.

Elsewhere in the Northern Michigan Class C league, Boyne City wilt invsde Mancelona, Grayting wilt ptay at East Jordsy snd the defending champions, the Pellston Hornets, will travel to Gaylord.

As the season opens, esch team in the toop will be defending its top spot or attempting to better itself. Pellston is a strong contender for the title it now holds but will find plenty of opposition from Grayling and Harbor Springs who finished in second place last season and who boast a host of veteran plsyers as well as from Chsrlevoix who finished in fourth place with a 7-7 record and Gaylord who finished with a 5-9 record for a fifth place in the standings.

Though they may not took like stronger contenders st this early date, the Boyne City Ramblers who finished in third plsce, Mancelona who had a 4-10 record and East Jordsn who finished in the league cellar could well play the role of 'spoilers' as the season progresses.

Teams in this league have shown in the past that anything ean happen and usually does. As a result fans are looking forward to lots of good basketball during the coming months.

At Charlevoix, Coach Carey would make no committments about his starting line-up in the game with Harbor Springs.

Chances sre it will include the Pearl twins, John and Dan, who have been practicing in the forward positions, Dave Rader, 6-4 center and Frank Curtis, experienced guards. From there on the line-up might include Jim Uhrick, Dwight Boss or Bruce Murrsy, all of whom saw very limited action last season or players up from the reserves inciuding Bruce Koken, Nick DeYoung, Pete Ance, Gary Stutzman, Steve Kroll, Jim Stewart, Brenden LaBiance, Rick Miller or Bill Marme.

Elsewhere coaches sre expected to utilize returning veterans and lettermen to best advantage in line-up which, in most instances, will be atudded with young and inexperienced players.

To Install Mail Collection Box Opposite P. O.

A new 'courtesy' collection box will be instalted across the street from tbe Charlevoix postoffice to accomodate patrons driving east on Mason st., Postmaster Peter H. Timmer has announced.

Since the instaltation of the 'courtesy' box on the north side of Mason st. directly in front of the postoffice, the police have been gravely concerned because patrons have continuously driven on the wrong side of the street to deposit mail in this box. Tbe erection of the additional box, to be installed between the Earl Miller-Brown Motor driveways, will elinate this dangerous practice, Mr. Timmer explained. Collections will be made from this box in time to meet all outgoing dispatches of mail.

The 'courtesy' box has been removed from the corner of Michigan and Dixon aves. on the north side and has been replaced by an ordinary collection box across the street in front of the Weathervane Lodge. Mail deposited in this box wilt be collected at 5 p.m. daily except Saturday so that delivery may be affected in any city in the lower peninsula the next day.

Former Norwood Resident Dies In Ann Arbor

News of the death of a former Norwood township resident, Mrs. Harrison L. Smith, 72, at Ann Arbor on Nov. 20 has been received here.

Mrs. Smith died Tuesday at the home of her daughter, Mrs. Sam Labunes, in Ann Arbor.

A native of Norwood township, the former Mayme Stafford waa married to Mr. Smith at Charlevoix. They made thetr home near Petoskey. He preceded her in death about 1942. Since then she had made her home with ber daughters.

Besides Mrs. Labunes, she is aurvived by another daughter, Mrs. Nicholas Graganta, also of Ann Arbor; a son, Chartes, of Detroit; two grandchildren and a brother, Robert Stafford, of Charlevoix.

Funeral services were held Friday at the Muehling Funeral Home in Ann Arbor with graveside services at Greenwood cemetery in Petoskey Saturday.

3 NMCC Teams Post Wins Over Non-loop Rivals

Three teams of the Northern Michigan Class C leagtue posted victories over non-loop opponents Tuesday night while s fourth, tbe Gaylord Blue Devils, bowed to Cheboygan 47 to 39.

Posting wins were the Harbor Springs Rams who dumped Petoskey St. Francis 74 to 42; the Grayling Vikings who defeated Roscommon 77 to 52 and Mancelona who won over Kalksska 51 to 39.

Paul Rsnney led the way for the Rams as Harbor Springs led Petoskey St. Francis 19 to 8; 39 to 20 and 62 to 31 by quarters. Tom Pifer added 15 points, Cecil John 12 and Dave Reyner 11 for the victors. Tom Stewart had t7 points for the Crussders.

Tom Wright and Tim Neal scored 19 points each and Chris Kroll t7 for the Grayling Vikings who romped over Roscommon 11 to 10; 3t to 26 and 5t to 37 by quarters for the victory. Walt Connatt had 18 points for Roscommon.

The Mancelona Ironmen took an early 13 to t0 lead over Kalkaska and increased it to 32 to 23 at halftime snd 40 to 30 at the three-quarter mark before taking the game. Pat Dutcher scored 19 points for the tronmen. Fraser Vipond had 13 for the losers.

At Gaylord, the Blue Devils took a 19 to t8 halftime tead after trailing 13 to 1t at the first quarter but the Cheboygan Chiefs took command as the game went into the second half with a 36 to 28 advantage going into the final period. Jon Maxwell had 21 points for the Chiefs. Ron Snell snd Art Tebo shared scoring honors with 10 points each for Gaylord.

BETWEEN YOU AND ME

- By Harold E. Kohn -

A few words to the broken-hearted

Not every broken thing is irreparably hurt by its wound.
Sometimes broken things yield a hidden splendor.
This glorious earth, the scientists now tell us,
Is but a scrap of the central sun
That was broken off countless eons ago.
In such a way
God creates a world.

★ ★ ★

The light of the blazing sun is broken into bits
By falling drops of rain, and, lo,
A rainbow hangs suspended in the sky!

★ ★ ★

When the bark is broken on a maple tree,
And a spile is driven deep, in the tree's firm flesh,
Then the maple exudes its sweetness.

★ ★ ★

Flowers "burst" into bloom.

★ ★ ★

The shell must be be broken
Before the birdling hatches.

★ ★ ★

Only God knows
What great good
May soon break
From your broken-heartedness.

Voice of Our Readers . . .

Editor Charlevoix Courier:

Anent your editorial in the November 22 issue reviewing your former editorial "What is Economic Power", wherein you mention that one of the city aldermen felt that you were taking a "slap" at the city being in the power business, and wherein you then commend the city administration for the efficient job it has done in furnishing power in recent years.

Perhaps you should have asked this alderman if the city was operating efficiently when it was credited with the highest electric rate in the State of Michigan. And why it was necessary for Councilmen Donaldson and Staley, along with interested citizens, to battle for a whole year to get these rates lowered.

Perhaps the plant may have been operating efficiently within its own limits, but its limitations was the most expensive type of power generation, namely deisel-oil. Is this efficient management?

At long last the council finally discontinued trying to compete with an out-moded, expensive type of generation in favor of purchasing power. Now here was an efficient move.

Efficiency of operation should mean being able to furnish power at competitive rates along with keeping the distribution system in highest repair, and building a nominal cash reserve, and making enough profit to offset earnable interest on its capitalized value.

The need of some fund to turn to in time of low cash reserve is recognized in city administration. But you might have asked if it was necessary at these high rates to have built up a reserve of some $300,000, really indirect taxation and of questionable legality, and keeping this sizable nest egg in one bank at a low rate of interest and entirely unprotected beyond the $10.000 limit of Federal Deposit Insurance. Should this really be rated as efficient operation?

Very truly yours,
Ted R. Miller

Deer hunting tales are the topic of the day. Most of the hunters can spin a good yarn about how they got their buck or how the big one they have been trying to get for years got away.

But the latest tale is about bear. The question is, "who killed the bar" brought back by the Staley, Hilton, Cunningham and Staley camp. One version is that Orville Hilton shot the bear in the leg. The bear charged Orlin Cunningham who placed a well-aimed shot in the bear's head, or visa verse.

There are other versions too. Anyway, they got the bear and authoritative reports are to the effect the bear was shot once in the paw, once in the leg and twice in the head.

Nothing has been said about Bert Staley or Clare Staley doing any shooting. So if you want a good hunting story, ask any one of the group, "Who killed the Bar?"

Gov. Proclaims December 2 to 8 Leader Dog Week

The Lions Club, known for its sight conservation and blind work, announced that the week of Dec. 2 to 8 has been proclaimed Leader Dog Week by Gov. John B. Swainson.

During Leader Dog Week attention is called to the important rehabilitation program being conducted at Rochester, Michigan. Leader Dog School which provides dogs, without charge, to all elegible applicants.

Founded in 1939 by Llons of Michigan, the non-profit school has trained nearly 2,000 Leader Dog 'teams' (Leader Dog and blind person).

A Leader Dog enables its owner to enter fully, despite a handicap, into the life of the community, to live an active and contributive life of his own. Llons arrange the enrollment of every eligible person who expresses an interest in obtaining a Leader Dog. Lions sponsor projects that are largely responsible for the success and growth of the unique school that provides happiness and confidence to blind men and women.

In addition to furnishing operating funds, Lions are always on the lookout for good friendly German Shepherds, Labrador and Golden Retrievers between the ages of one and two years for the Leader Dog program. All dogs are contributed, none are purchased.

Anyone knowing a blind person interested in the program or anyone who might contribute a potential Leader Dog contact a member of the local Lions club headed by Dean Davenport or write to Leader Dogs for the Blind, Rochester, Michigan.

Canada Goose Hard To Down Says U. of M. Prof.

A hunter lucky enough to get a Canada Goose haa bagged himself a reai "status symbol," says George Hunt, University of Michigan assistont professor of wlldlife management.

"As a trophy, this handsome game bird is practically on a par wlth a well-anticred buck deer," says Hunt.

The large, spectacular bird is gray-brown in color with block tail. A broad white patch extending from the chin region up into the front side of the black head has given this bird one of its common nanes, "white-cheeked goose."

They may weigh onywhere from seven and one-half to thirteen and one-half pounds and are good eating.

Strong flyers, Canada geese can cover many miles without having to stop. They orc also good runners and strike powerful blows with their wings when attacked.

"The incubation period is usually four weeks ond from five to six eggs are laid," Hunt says. "The male stays ncar the female through this period and helps with the raising of the brood during the rest of the summer.

"The nest, made of grasses and down from the bird's breast is cup-shaped. Sometimes they will use abandoned nests of hawks or eagles or even an old beaver house placed above the surrounding vegetation so danger from predators can be spotted readily.

"Gregarious in habit, these birds form family units, with male and femole often remaining motes for life. They are migratory birds and fly as a family."

The Canada geese that pass through Michigan have a breeding range extending to the middle of Hudson Bay and over to Lake Ontario and into manitoba. Some migrate as for south as the Gulf Coast; a few even get into Mexico.

"With the development of agriculture and the establishment of scveral reservations in the north central part of the country many of these birds now remain as far north as Illnois, Wisconsin and Michigan.

"Southwest Michigan has o wintering population of as many as two to three thousand Canada geese." Hunt adds.

Bomb 'Warning' Prompts Closing Petoskey School

A bomb scare, which Assistant Chief of Police James H. Jensen of Petoskey now terms as a hoax gave the 2,855 students who attend Petoskey school system an unscheduled holiday Wednesday.

The Petoskey Police Department called in the Michigan State Police, Petoskey Fire Department and Emmet county Sheriff's officials to assist in searching the six buildings incluiding the high school.

A careful check reveoled nothing but, as Chief Jensen said, "we couldn't afford to take a chance".

An anonymous call came just as classes were to convene shortly before 9 am. Wednesday. In order to prevent panic among the students, the schools were evacuated in a Civil Defense drill and the studcnts returned to their respective homes via schooi bus

Late Wednesday, Mr. Jensen said it was the opinion of the law enforcement officers that someone had gotten the idea from a similar scare at Cadillac mentioned on a television newscast Tuesday night and thought it would be a good way to get a 'free' day from school.

Efforts, of course, are being made to apprehend the prankster.

Injured Youth Flown from B.I. To Traverse City

A 18-year old Pontiac youth, Robert Tricker Jr., was flown from Beaver Island to Traverse City by a helicoppter from the Traverse City Air Base Saturday for treatment of an eye injury suffered Friday nigbt.

The youth ,one of a party of nine from the Pontiac area, was unloading his bolt action gun when a cap exploded. A fragment of the cap struck young Tricker in the eyebail, resulting in a small puncture. He was treated by Dr. H. B. Hayes, island physician, who advised that he be removed to the mainland for further treatment.

"Home for the Holidays" is just a dream to a majority of foreign students here in the United States; yet through an unusuol program, a lucky few will share the Christmos Season with Michigan host families, many of them farmers.

Bringing them together is a non-profit group that operates under the titie of Christmas Adventure in World Understanding." Through it, 80 to 100 carefully selected foreign and ten American students representing about 50 countries of the world and nearly as many Universities, are brought together at Kellogg Center, East Lansing.

Michigan Farm Bureau Women are typical of the sponsors who join in the belief that in today's confused world, others often wrongly blame America for their troubles, both real fancied. Funds for the project are contributed by private firms and individuals who seek improved communleations.

For eleven days, from December 21 through January I, the students fan out in pre-arranged visits to farms and faetories. They hear talks by community leaders and observe our free enterprise system in action.

Each student spends the afternon of December 24 in the home of his host family. Many arrive wearing native dress. They join In family meals and religious observance. Christmas Eve they are expected to attend Church services together.

They do more than observe and receive. Each is asked to take part in the information-flow. They tell of their homes, their families and customs. Many bring pictures and small gifts to exchange.

Later they will become hosts themselves at a "sponsor's dinner" followed by a period of amateur entertainment in a display of talent, games and stunts unique to their background.

Throughout the entire "adventure" flows the true apirit of Christmas.

How better could one observe it than by sharing it with others in sacred memory of the birth of One who shared His all?

A man whose normal weight Is 150 pounds would weigh about 50 pounds if all the water in his system were dried up.

One agricultural commodity for which demands generally exeeeds supply is the agricultural college graduate. Two or three good jobs are available to every graduate.

T.C. State Hospital Issues Plea for Christmas Gifts

Wanted: Christmas gift items for the patients at the Traverse City State Hospital.

The Community relations department of the hospital has issued this appeal for Christmas gitts to be sent to the hospital as quickly as possible.

Many, many of the 3,000 patients at the hospital would receive no gifts, no cards, or remembrances if it were not for the generosity of the citizens of the hospital's committing area.

Church groups, civic clubs, schools, social groups and other are again invited to participate in this extemely important program.

Gifts need not be expensive. They must, however, be new for used items cannot be given to patients as Christmas gifts. Such items as inexpensive prieces of clothing, Jersey gloves, work gloves, shaving preparations for men, cosmetics of all kinds for both men and women, candy, cigarettes, cigars, smoking tobacco, pipes, stationary, games, books, puzzles, toys for children, shampoos, soaps and similar toiletrics are just a few of the many acceptable Christmas gifts. Gifts should not be wrapped but should be accompanied by a sufficient amount of wrapping material.

All gifts should be addressed to the Community Relations Department, Box C, Traverse City. A return address should be clearly marked on the outside of the box with a copy inside so that the hospital may acknowledge the contribution.

Gifts should be sent as soon after Dec. 1 as possible when the long task of sorting and wrapping begins.

American Legion Auxiliary Hears Mrs. L. E McGhan

Members of the American Legion Auxiliary wrapped 60 Thanksgiving remembrances for patients at Grandvue Medical Facility at their regular meeting held Monday at the home of Mrs. John Johnson.

The gifts were delivered to the facility for distribution on Thanksgiving Day. The distribution of gifts is one of the organization's public service Projects.

At the business meeting plans were made to send Christmas remembrances to shut-ins and others in the community and Christmas cards to out of town members.

Three new members, Mrs. L. E. McGhan, Mrs. George Shearer and Mrs. Margaret Howard were inducted and presented with membership pins.

Mrs. McGhan then spoke on her visit to the Moral Re-Armament headquarters at Mackinae Island.

A social hour and refreshments concluded the meeting attended by 13 members.

Poets and Poetry Theme of Dickens Study Club Meet

"Poets and Poetry" was the theme of the lesson at the regular meeting of the Dickens Study club held Monday at the home of Mrs. Clark Coulter.

Mrs. Coulter presented the lesson which featured recordings of works of Elizabeth Barrett Browning and Robert Frost.

Refreshments served at a table decorated with seasonal flowers concluded the meeting.

Plans were made for the Christmas party to be held at the home of Mrs. Harvey Campbell on Dec. 10.

Kiwanis Club Holds Dinner Meet

Plans for a Lieutenant Governor's training meeting at Cheboy gan Monday were announced at the regular dinner meeting of the Kiwanis club held Monday at the high school cafeteria.

Harold Totten, editor of the Charlevoix Courier, substituting for the engaged speaking, gave an impromptu program on mistakes that get into print.

P. O. Launches Early Mailing Drive

The 1962 "Mail Early for Christmas" campaign at the Charlevoix postoffice was launched this week by Postmaster Peter H. Timmer who offered the following helpful suggestions to guide patrons in planning their Christmas mailings this year.

Bring your Christmas cards and gift list up-to-date immediately. Be sure each address is complete with full name, street and number, city, zone and state.

Send your Christmas eards by first class mail, using the 4e Christmas stamp, to seeure priority of dispatch and delivery, forwarding without additional charge, and return to you without cost, providing you put your return name and address on the envelopes. Also, Christmas cards sent First Class may be sealed and carry written messages.

Separate your Christmas eards into "local" and "out of town" bundles, using the handy labels you can secure from the post office or your letter earrier.

Stock up on the 4e Christmas postage stamps, thus dressing up cards and gift packages.

Schedule your Christmas mailings so that your cards and gift packages going to distant points are mailed by Dec. 10. Mail Christmas packages for local destinations by Dec. 15 and cards at least a week before the holiday.

Use Air Mail for Christmas cards and gift parcels for distant points, especially for your last minute mailings.

John Sutherland Feted on Birthday

John S. Sutherland, president of the Charlevoix Retarded Children's Association, was honored at a surprise party held during the regular meeting of the organization Wednesday night.

A lighted birthday eake was a feature of the refreshments served during the social hour following the business meeting held at the Center of on Garfield ave.

Ford ideas so contagious they started a new trend in cars!

If you think today's cars have a lot in common, credit the Ford sketches above. For these ideas sparked a revolution in car design that's reflected wherever you look on the American road.

Ford ideas have a habit of being exciting—practical, too. Consider the innovations found only in our '63s. There is Ford Galaxie's smooth new velvet ride. It cost Ford $10 million to bring it to you, but costs you not a penny extra to enjoy. There is Ford's *full* twice-a-year or 6,000-mile maintenance* schedule that cuts service worry and expense to a minimum. There's a new manual transmission that lets you shift down from second to first *without* coming to a stop. And for '63, there's the biggest choice of models ever offered—44 in all!

Only Ford offers all these advantages now. Other cars will eventually catch up—but if you can't wait, here's a tip. See your Ford Dealer *today!*

Here's America's most contagious roofline as seen on the 1963 Ford Galaxie 500/XL.

NOTICE

NOTICE is hereby given that the Common Council of the City of Charlevoix, Michigan, at a regular meeting to be held at 8:00 P.M. on Monday, December 3, 1962, at the Council Room in the City Hall in said City will hold a public hearing upon and take under consideration a proposed amendment to Ordinance Number 203, entitled "The Zoning Ordinance", wherein it is proposed to amend said Ordinance by adding Section 408 to ARTICLE IV thereof reading as follows:

ARTICLE IV —

"Section 408. Definitions.

As used in this Ordinance the following words and terms are intended, and shall be construed, to have only the following meaning:

A. Dwelling or dwellings. The term 'dwelling", or "dwellings" or any other aspect of the word or terms used herein shall mean a permanent residence building of masonry and/or wooden stud construction, or any other standard form of home, house or multiple housing building construction, designed for and intended for use as a permanent structure upon the premises, and shall not include house trailers, trailers, mobile homes, or other transient or impermanent structures."

and also further amending said Ordinance by adding a new Sub-Section 3 to Section 701 of ARTICLE VII to read substantially as follows:

ARTICLE VII

Section 701. Uses Permitted. —

"Sub-Section 3. House trailers and mobile homes shall be permitted but only upon the following conditions:

A. Each shall have a minimum permanent living space usable floor area of not less than 360 square feet, not including any expandable walls, partitions, or other temporarily expanded areas.

B. Each shall have a separate approved sewer and water line.

C. No mobile home shall be connected to a dwelling as an auxiliary thereto, nor have it's sewer, water, and utility lines connected thereto.

D. A Use Permit therefor shall not be granted unless the application therefor is accompanied by the written approval thereof signed by all of the owners of the immediately adjoining property and the owners of property on the other side of the street directly opposite the lot for which the Use Permit is requested.

E. Said Permits shall be temporary and limited to a period of two years but shall be renewable thereafter for a two year period at the discretion of the Common Council upon consent of a majority of said owners of adjoining and opposite property.

F. Said Use Permits shall be confined to a particular house trailer or mobile home and shall not be transferable to another house trailer or mobile home.

G. The uses and provisions herein set forth shall not carry forward and shall not be permitted in the succeedingly named districts in this Ordinance, notwithstanding anything hereinafter set forth in the Ordinance, it being intended to confine the provisions of this sub-section to this particular district."

The effect of the proposed changes is to define the word "dwelling" as used in the Ordinance so that it shall not be construed to include house trailers or mobile homes, thereby prohibiting the same in all districts down to Commercial District II, and then expanding the uses permitted in Residential District III to allow house trailers or mobile homes therein upon the conditions above set forth.

By Order of the Council.

'63 Chevrolet Trucks

THEY'VE ALWAYS BEEN TOUGH BUT NEVER STRONGER THAN NOW!

You can be sure that new engines, frames, suspensions that licked Mexico's Baja Run will work for you long, faithfully and at traditionally low Chevrolet cost.*

A Chevrolet truck has always been a sound investment because of its quality construction. This is what makes it give you an honest day's work every day at very low cost and—when you are finished with it—return more resale money to your happy pocket.

This year stronger frames, engines that can pull more, and practically tailor-made suspension systems make Chevrolet trucks a better buy than ever. If you're in the market now, we'd welcome the chance to tell you about, and let you drive, the new trucks. Just give us a call.

Retarded Center Recieves Gift From Police Organization

Courier Photo

Mrs. Robert Bergmann, teacher of the Retarded Childrens Center, this week received a surprise Christmas gift of $200.00 from the Little Traverse Lodge, Fraternal Order of Police. Presenting the check is Clayton Morgan of Alanson, president of the Order. On hand for the presentation at the newly built center are (l to r) Chief of Police Evert Hadix of Boyne City, Chief of Police Joe Smith of Charlevoix, Mrs. Bergmann, John S. Sutherland, president of the Charlevoix Association for Retarded Children Inc., Chief of Police Martin Kelly of Petoskey and Sgt. Glenn Dafoe, commander of the Michigan State Police post at Petoskey.

Rayders Drop First Game To Harbor Rams

The Charlevoix Rayders dropped their opening game of the season to the veteran Harbor Springs quintet by a score of 55 to 45 in a tilt which saw the visitors lead all the way after the first 5½ minutes.

This week the Rayders will invade East Jordan in their second game of the season.

Starting for the Rayders were the Pearl twins, John and Dan, in the forwards positions; Dave Rader at center; Frank Curtis and Jim Uhriek on the guard positions. Rick Miller and Bruce Murray joined the lineup in the second period and Gary Stutzman, Brenden LaBlance and Pete Ance in the final period.

With 8:55 remaining in the first, Rader scored the first point of the game. Cecil John countered with a field goal for the visitors before Curtis and Rader put the Rayders out in front 5 to 2. John Pearl added one to the total for 7 points before the Rams closed the gap and then went ahead 18 to 11 as the period ended.

The Rayders did an excellent job of controlling the ball but were unsuccessful in their attempts to make their efforts pay off as they were outscored 14 to 12 in the second period as the Rams scored six field goals and two free throws. Esch of the Pearl twins scored two field goals each and Murray added four more on a field goal and the Rayder scoring.

As the game went into the second half, the Rams continued two free throws to account for to outscore the Rayders, this time by a 12 to 9 margin with Rader scoring three points and the Pearls and Curtis one field goal each. The visitors, however, had five field goals and two gift sbots for a 44 to 33 third period lead.

Though the Rams starting lineup played throughout the game, Coach Don Carey started to substitute early in the final period. Despite this, the Rayders had their best scoring period outscoring the opposition 13 to 11. Stutzman scored five points, Uhriek four and Dan Pearl and Curtis one field goal each while the Rams scored five field goals and a gift shot.

Paul Ranney paced the game with 22 points, Cecil John had 16 and Dave Reyner 10 for the victors.

The Pearls and Rayder scored eight points each, followed by Curtis and Uhriek with six each; Stutsman with five and Murray with four.

Christmas Decor Adorns City Streets

Cedar garlands wrapped around lamp posts and hanging baskets containing miniature lighted Christmas trees have added a holiday touch to the business district.

The decorative touches are the results of the hard work of Boy Scouts, working under the direction of Louis Edwards, and the Sea Scouts directed by Robert Somerville.

Frank Novotny, representing the Chamber of Commerce which sponsors the project, is general supervisor of the decorating committee.

The Boy Scouts have completed their decorating project of placing the garlands, baskets and trees on the west side of Bridge st. The Sea Scouts plan to decorate the Lamp posts on the east side of Bridge st. this week.

This project sponsored by the Chamber has done much to bring Christmas to Charlevoix.

The city light crew has decorated the evergreen tree in East Park, placed Santa and his reindeer on the wall of the band stand, strung colored lights the length of the business district and aeross the street at the north and south side hills. They have also strung lighted Christmas greetings and other decorations over the street.

Residents of the area are urged to erect their Christmas decorations in preparation for the holidays which are less than three weeks away.

PTA Goers to Hear John K. Cosgrove On Life in Russia

John K. Cosgrove, who spent three weeks earlier this fall behind the Iron Curtain under the sponsorship of the People to People Goodwill Ambassadors of the State Department, will be the guest speaker at the Des. 12 meeting of the Charlevoix P.T.A. to be held at the elementary school auditorium at 7:45 p.m. Wednesday.

Mr. Cosgrove, a Grand Traverse county cherry grower and retired educator, does not know by what method the 'ambassadors' were chosen but every member of the party was cleared by the F.B.I. before being invited to participate in the program sponsored by the U.S. State Department under the chairmanship of President Eisenhower.

The group spent 21 days in Russia during which they visited and carried on research projects in both the urban and rural areas they visited collective and state farms. Mr. Cosgrave said that the trip was a fact-finding piece of research rather than a tour.

Mr. Cosgrove's talk wbich will be illustrated with slides taken on the trip, will embrace culture, religion, education, agriculture, housing, juvenile delinquency school buildings, higher education and other phases of life in Russia. His talk will start at 6 p.m. and run for approximately two hours. A 15-minute business session will begin at 7:45 p.m. according to Mrs. Robert O. Pearl. Mrs. Dorris Pierce is chairman of the program committee.

City Council Marks Zones For Trailers

The resolution regarding the parking of trailers within the city was approved at the regular meeting of the city council held Monday night.

Under the new resolution trailers may be parked and used as a dwelling in zones designated as Residential III and Commerical II. However, permission must be obtained from property owners in tbe adjacent area and certain qualifications included in the resolution must be met. The permit must also be renewed every two years.

The council entered into a contract with United Associates, an engineering firm located in Cheboygan, for a three year period. The initial contract was for $800 to be applied to work over this time period. The firm will draw up preliminary plans for a boat launching ramp and improvements at the Ferry ave. beach area.

Approval was given the proposal to pay the entry fee for an independent basketball team in the Petoskey league. A second team will be sponsored by local businesses.

Bills totaling $13,136.27 were approved and ordered paid. The figure includes the first payment to Consumers Power Co. in the amount of $4,329.47 for the purchase of power for re-sale and a payroll of $6,405.02.

Surprise Order Starts Reorganization Move

The 310th Ordnance Company with headquarters in Charlevoix is one of the units caught in the sweeping reorganization of Army Reserve and National Guard Forces ordered into effect Tuesday by Secretary of Defense Robert S. McNamara, Capt. Robert Vratanina of Petuskey, commanding officer of the local unit, announced Wednesday.

The 310th Ordnance co. has a complement of six officers and 91 enlisted men.

In announcing the de-activation of the 310th whose membership is eomposed of men from Emmet, Antrim and Charlevoix counties, Capt. Vratanina said that the personnel would revert to the inactive Reserves unless reassigned or requested reassignment to the closest unit which, in this case, is located at Traverse City.

The necessary processing in preparation for the de-activation of the 310th will begin at once according to Capt. Vratanina who added that no termination date has been established at this time.

Two small units with headquarters in Traverse City will be de-activated. However, a larger unit will remain active.

The revamping plan involves breaking up eight low-ranking divisions and reforming them into more mobile brigades geared to respond quickly in emergencies.

It also calls for cutting from the Reserve list more than 36a company and detachment size units. The 310th Ordnance Co. is one of these smaller groups.

The 310tb has its headquarters in a leased building at 106 Antrim st. where Staff Sgt. Lawrence G. Krausman serves as enlisted advisor. Little equipment is involved in the deactivation of the unit which is attached to the 365th Ordnance Battalion in Muskegon. The parent unit is not one of the western Michigan units to be de-activated.

Officers attached to the 310th include Capt. Vratanina; Lt. Lewis B. Rizzolo of Petoskey; Lt. Gerald A. Greer of Boyne City; W/2 Ronald S. Freel of Vanderbilt, W/2 Byron D. Stockwell of Charlevoix and W/1 Robert W. Brugger of Elk Rapids.

The 310th, which was organized in the late 1940's, has made Charlevoix its headquarters almost since its inception. The unit was located in Boyne City a short time after it was activated but after several months moved to Charlevoix where the former ward school on Petoskey ave. served as its headquarters until moving to its present location.

Last summer the unit spent two weeks on maneuvers in Utah.

On the Editor's Desk

Charlevoix is having its second spring of 1962, according to Walker Miles. His spring shrubs have been fooled by the weather and bloosomed out for a summer in December.

Reports come that other early spring plants are following suit.

The exceptionally mild weather for December can only mean a loss of business to the many ski slopes in the area as well as to the motels and hotels that furnish accomodations for skiers. But their loss is a gain for those of us who are beyond the skiing age and good skiing snow only means more shoveling for us.

Shopping to fill a grocery order has always been a headache because I had to spend so much time trying to locate the most common items. Sometimes this hunting leads to a discovery. It did this week when I discovered a safe and sane "beverage for the road." It's a product of Bernard Food Industries, Inc., labeled "Dehydrated Water". Directions: Empty contents of quart can into one gallon of water, stir until dissolved, chill and serve. Most satisfying drink ever concocted for man. Try it.

BETWEEN YOU AND ME

- By Harold E. Kohn -

Why Find Fault? Why Gossip?

Why do we find it easier to believe the worst about others than to believe the best?

Why do many people more readily find fault with their fellows than they do find virtue in them?

Why is it that we so often make an ugly interpretation of another's innocent behavior, especially if that person is prominent?

Fault-finding and gossip, two methods of lowering another's stature are among the commonest of human faults. Why?

One reason we criticize is that destructive disparagement comes easier than constructive praise, being lower in the order of our development. Complaint takes less intelligence and less effort than does praise. A baby cries its impatient protests against the world before it learns to say "Thank you." An infant can knock over his older brother's bridge of blocks long before he can build one of his own. Almost any fool can find fault. It takes a higher intelligence to create and to find reason for commending another's creation.

One time, the naturalist, Luther Burbank, was discussing animals with a friend, describing their outstanding traits. With mixed whimsy and wisdom he declared, "The chief characteristic of monkeys as I have watched them is their mania for tearing things to pieces. Throw anything to them—food, a book, a newspaper, or a magazine—and the first thing they do is to tear it to pieces. No matter how valuable a thing is, the first thing a monkey will do when he gets hold of it is to pick or tear it to bits." Some human beings are like that. Toss the name of any person in the community before them and they will pounce upon that name and try to demolish it. Speak a good word for a person of community prominence or national eminence and they will say, "He seems like a good fellow, but——." Then follows devastating criticism or a reputation-searing rumor. The monkey-mind is naturally destructive. The immature infant mind finds it easier to knock down a reputation than to help build one.

Secondly, fault-finding and gossip comes easily to some people because of their own inner feelings of inadequacy and smallness. We measure our powers and our size as do children—testing ourselves against others. "I've got more muscle than you have." "I'm taller than you are." We do not so much see ourselves as strong or weak as we see ourselves stronger than Ed or weaker than Henry. We are not likely to think of ourselves as tall or short, but rather as taller or shorter than those around us. We visualize ourselves in relation to others. There are two ways to feel we stand tall in the world. One way is to feed our souls on the good things that contribute to growth. We then actually become bigger. The other way is to diminish those around us, cutting them "down to size" until we seem tall in comparison with them.

If a person can imagine that a very well-known, prominent (tall, reputation-wise) public figure is actually small in character, then his own ego gets a big boost. The ego declares, "Why, I wouldn't be little enough to do some of the things that fellow does," which is another way of saying, "In some respects I am bigger than he is."

Many years ago the inmates of Eastern State Penitentiary in Philadelphia received a beautiful dog, a black retriever, from Pennsylvania Governor Gifford Pinchot. Mr. Pinchot explained his gift saying, "My idea was that it would be a fine thing for the prisoners to have a dog to play with, and I was right. The dog became a great favorite of the convicts." But the Governor's generous gift was misunderstood.

As Pinchot told it, "Some newspaperman, drawing strictly and solely in his imagination, wrote a story to the effect that the dog had been condemned to prison because he had killed a cat. That wretched tale went, literally, all over the world. I got letters from every quarter of the globe, denouncing my inhuman cruelty in condemning the poor beast to imprisonment merely because he had followed his instinct'. Denials were useless. The letters, mostly from women, kept coming through the rest of my term. I have never seen a better illustration of the impossibility of catching up with a lie. . . ."

Why was this wild tale so easily believed? Because it was reported in newspapers? No. Everyone knows that false rumors appear in newspapers almost as readily as they are spoken over the back fence. We grasp so eagerly at a rumored fault of the great or near-great because of the psychological satisfaction we find in it. "I wouldn't do a thing like that" the ego says proudly. "I'm better than that." And our feelings of inadequacy are quieted for a while.

If a person feels only fairly inferior, finding fault with the prominent people may suffice to support his ego. But if he feels inferior to everyone around him, then he may be prompted to find flaws in everyone and believe the worst about everyone, for until everyone is made small and weak, he cannot feel big and strong.

Thirdly, fault-finding and gossip result from projecting our own inner nature upon others as a film projector casts its inner image upon a screen. We do not see people as they are. We see them through what we are. A liar believes everyone lies. The philanderer believes most men are unfaithful to their wives. The thief thinks every man will steal if he has a chance. The hostile person sees everyone around him as a potential threat. Often the opinion we hold of others is our secret opinion of ourselves.

Strickland Gillilan loved to tell of a fellow who was found early one morning lying in a drunken stupor on the floor of a hotel lobby. A practical joker slipped out to an all-night restaurant and returned with a bit of limburger cheese which he brushed into the drunk's mustache. After a while the old soak staggered to his feet and lurched toward the door. He walked about the street for awhile, breathing in great draughts of fresh air and then came back to the hotel lobby, sat down dejectedly, and complained bitterly, "Ain't it awful? Ain't it awful?" Finally someone asked, "What's so awful?" The drunk responded, "Why, the whole world smells!"

The drunk's fault is altogether too common. When there is something about us that is wrong, we imagine the whole world is wrong. Many a fault-finder is unaware of what he reveals about himself by his carping criticism. Many a gossiper does not realize that her neighbors are not as dirty as she thought. The dirt is on her own spectacles or her own soul. Let's say it again: we seldom see others as they are: we see others through what we are.

Fourthly, carping criticism and rumor-mongering are often perversions of one of human nature's highest virtues—a concern for other people. Fault-finding or gossip may be a personal interest in others that has become twisted and warped. When nobly used such an interest is shown in sympathy, compassion and good works. When corrupted, personal interest becomes devastating, harmful, prying, suspicious of the worst, censorious, tale-bearing. A warped concern shows no profound regret for another's failures, no eagerness to help him, no brooding awareness of the common danger of stumbling that engulfs us all. A wholesome interest is protective of another's welfare and reputation, and if criticism must be spoken, it is done in grief rather than glee.

When tempted to find fault or to spread gossip, ask yourself these questions:

1. Is it really true what I am about to say? Would I be willing to swear in court that it is true and that I am an eye-witness to the truth of it? (The courts demand but a minimal morality, not Christian charity.)

2. Would I be willing that the person under consideration and everyone else knew that I said what I am tempted to say? If not, why should I say something of which I might be ashamed?

3. Does the saying of this thing give me emotional relief or pleasure? If so, am I not really indulging myself at another's expense?

4. Will what I am tempted to say improve the person under consideration or redeem the situation in which he is involved? If it does not improve matters, why say it?

If applied, these simple rules will keep us from many an unkind blunder.

There are two classes of people we ought not to disparage, either by slurring them to their faces or by gossiping behind their backs: they are friends and strangers. We love our friends too dearly to hurt them, and we don't know strangers well enough to say with certainty what their real faults are.

So, why find fault? Why gossip?

Salutatorian of his class when he was graduated from the Charlevoix high school, he was named last June to receive the first Harold E. Kohn scholarship awarded to a student from the Charlevoix area who is planning to enter some phase of the Protestant ministry. He is the son of Mr. and Mrs. Ronald Koteskey of Hortons' Bay.

The nation's cows produce over 317 quarts of milk for each of us this past year—about half was used as milk, the rest was made into butter, cheese, icecream and other processed dairy foods.

Less than 4% of a steer is sirloin steak, and only a little more than half is meat.

King Lion Gives His Dog, Nipper, to Leader Dog School

In true Lion club fashion, the King Lion of the Charlevoix club. Dean Davenport, has given his dog, Nipper, a 1½ year old Shephord-Boxer dog to the Leader Dog School for the Blind at Rochester, Mr. Daveuport told of his contribution at the regular luncheon meeting of the club held Monday at the Weathervane Inn.

Sight conservation and aiding the blind are the club's main objectives. One of the projects they support is the Leader Dog program whereby dogs are trained to lead the blind. The recipient of a dog then goes to Rochester where he is trained, with his dog, to become a team.

Anyone having a dog, such as the one Mr. Davenport has given to the school, may obtain more information regarding the qualifications by contacting Mr. Davenport or the school. Friendly German shepherd, Labrador or Golden Retriever dogs are most desirable as prospective leader dogs.

The new club bulletin, the Lion's Purr, edited by Tom Loeb, made its initial appearance at the meeting.

Alun Bevan, chairman of the first cake sale, repoprts the project was very successful and that 200 more one-pound fruit cakes have been ordered to fill orders and to be sold before the holidays.

Three new members, Wayne Belding, Don Kowbel and Lyle Miles were inducted as members.

Budgets were established on a pereentage hasis for the fund-raising activities planned for 1963. Mr. Davenport named committees for the forthcoming club year.

There are more than 1,500 daily and 10,000 weekly newspapers produced in the United States.

Coach Terry Rice's young Rayders made an impressive appearance their first time out as they romped over the visiting Harbor Springs Reserves by a score of 65 to 43.

Starting for the local quintet were Jack Uhrick, Ken Parrish, Dave Smith, Warren Belding and Chip Terrill with John Bleha, Doug Winnell, Dave Norton, Jerry Uhrick, Mike Crain, John Duerr, John Ferguson, Edward Holm, Tom Maxwell, Skip Young and Mike Arbuckle joining the line-up later in the game.

Charlevoix got off to a fast stert to take e 14 to five first querter leed with Belding scoring three field goals and Parrish and Jeck Uhrick two each. The visitors were held to five points.

In the second period both teams scored 13 points as Charlevoix remained ahead 27 to 16. Parrish and Smith scored two field goals each, Uhrick three free throws and Belding one field goal. The young Rams had four field goals end five free throws.

In the third period, Parrish started to hit and dumped in five field goals as the local lads scored 22 points for a 49 to 29 third period leed. Uhrick, Smith and Winnell had four points each. Harbor Springs had three field goals and five free throws.

Though the line-up was changing fast, the young Rayders continued to outscore the visitors 16 to 14 as they coasted to victory. Young had three points and Uhrick, Parrish, Smith, Norton, Dave Smith, and Bleha two points each end Belding one.

Parrish paced the scoring with 16 points, followed by Deve Smith with 14 and Jack Uhrick 13. Bob Sayan had 16 for the Rems.

Last Week With Class C

The N.M.C.C.C. cage season got off to a fast start Friday night with Mancelona winning over Boyne City 47 to 44; the defending champions, the Pellston Hornets, defending their title against Gaylord by e score of 39 to 37; Greyling rolling over East Jordan 50 to 24 and Charlevoix dropping its opener to Harbor Springs 55 to 45.

Mancelona 47, Boyne City 44

The Mancelona Ironmen edged into an 11 to 10 first quarter lead over the visiting Boyne City Ramblers and stubbornly increased their advantage as the geme progressed, taking over 19 to 16 at halftime and 34 to 27 going into the final period.

Dave Pruden came through with 16 points followed by Leroy Hood with 11 and Pat Dutcher with 10 points for the victors. Larry Gunderson led the scoring for the game with 16 points followed by Randy Price with 11 for the Ramblers.

Waiting to take the ball is Dan Pearl (52) while in the background Dave Redar (50) awaits the outcome of the action. Pictured (fer left) is peul Ranney (51) top scorer for the Rams.

Pellston 39, Gaylord 37

The Pellston Hornets had to come from behind after trailing for three periods to post a win over the Gaylord Blue Devils who ran out of steam in the final period.

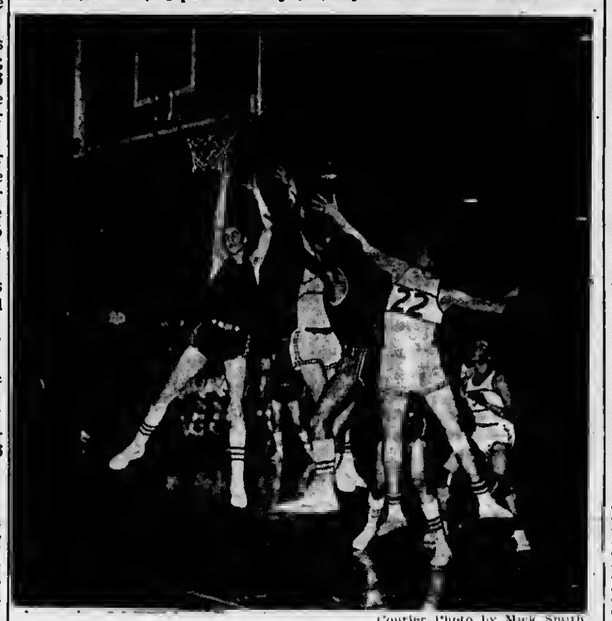
The defending champions trailed 12 to 6 et the quarter; 23 to 11 at halftime and 26 to 16 at the three quarter mark before catching fire to outscore their hosts 21 to nine for the win.

The Hornets depended on their ebilities from the free throw line to account for the victory after being outscored 17 to 15 from the floor. They collected nine of 25 attempts while drawing only five personal fouls while Gaylord scored on three of six attempts while piling up 17 personal fouls.

Ron Snell was top scorer for the Blue Devils with 15 points. Stan Bodzik had 16 for the Hornets.

At East Jorden, Grayling forged into an 11 to 2 first quarter lead, romped to a 24 to 6 halftime advantage and remained ahead 33 to 16 going into the final period for the win.

The Vikings' mighty three accounted for the lion's share of the total points with Tim Neil scoring 16, Christ Kroll 16 and Tom Wright 13. Mickey Bell had six for the Jordanites.



Courier Photo by Mick Smith

Harbor's top scorer, Paul Ranney (51) uses his height to edvantage to take the ball off the backboards in the Rayder-Ram geme Friday as Dan Pearl, Cecil John (41) end Pete Ance (22) try in vain to gain possession. Poised for ection at the circle is Gery Stutzman.

This Week With Class "C"

Four Northern Michigan Class C teams will put their first place standings on the block this week as they go against each other in games that will leave two teams with unblemished records when the smoke fades away.

Top battle of the week will find Harbor Springs hosting Grayling with the meeting between Pellston and Mancelona on the former's floor also drawing plenty of interest. In other games, Gaylord will play at Boyne City and Charlevoix will play at East Jordan.

The Harbor Springs-Grayling meet will pit two of the strongest teams in the league against each other in a game which is expected to be close from the opening tip off to the final whistle. The Rams's big guns, Paul Ranney end Cecil John will find close competition in the Vikings' Tom Wright, Chris Kroll and Tim Neal in the scoring department. However, this game may well be decided by the defensive teams and by the team capable of taking edvantage of the breaks.

Pellston, with a veteran squad, will take on the young, inexperienced Mancelona quintet who won over Boyne City last week by a three point margin. Though the Hornets racked up a win last week over Gaylord, they hed to come from behind in the final period to eccomplish the feat. Unless they shape up fast, it may be Mancelona who will remain in the win column despite the inexperience.

The Gaylord-Boyne game will be another hard fought game which could go either way. The Blue Devils have experience but whether or not they will be able to stop the Ramblers' Larry Gunderson remains to be seen. On their home court, the Ramblers are always dengerous. Chances ere they will make their way into the win column for the first time but by a slim margin.

Charlevoix will travel to East Jordan to take on the Red Devils who were dumped by Grayling in their first game of the season.

The Rayders with more experienced players in the line-up will be favored in this game but they will have to correct the many errors they made against the Rams last week if they hope to get into the credit column and remain there.

Change Election Day?

A LATER PRIMARY ELECTION WILL BE proposed to the Legislature next year with the backing of Secretary of State James M. Hare, Michigan's chief elections officer.

His staff which eonducts the eleetions, however, is not wholeheartedly behind his proposal. The elections divislon of Hare's office is headed by Robert M. Montgomery and Hare, despite their different political learnings, usually see eye to eye on ways to improve the eleetion system in Michigan. Hare prides himself on this bipartisan cooperation in the elections office, one of the most important in the state government.

• • •

....**On the question** of primary dates, however, the two administrators hold opposing views.

Hare contends Michigan should return to a September primary to cut down the length of campaign time required of a candidate. He sees if from the candidate's point of view primarily. He points out that with the exception of the war years, the primaries from 1940 througb 1950 were conducted in mid-September rather than the early August dates now set.

Montgromery argues that a September election, with the present number of voters and eomplications which could arise from a statewide recount, would present a hardship to the people. His main argument is that elections are set to suit the needs of the voting public, not the candidates.

• • •

"Candidates, who may be worthy, get overexposed in the eurrent 90-day eampalgns," says Hare. "They lose friends and fail to influence people. The campaigns are needlessly expensive too, and few candidates can really afford them."

Montgomery argues that the eandidates "sbould bave the sense" not to eampaign the full period. "If they were wise they would eampaign for the primary, then take a brief rest after that before starting the eampaign for the general election.

On the otherside, Hare says, Hare says, attaaoo kionhp modern communieations and machines eliminate the problems predieted by Montgamery if the primary were pushed baek to September.

Big Week

PLANS ARE PROGRESSING rapidly for the 1963 Miehigan Week observanee, still some 6 months away, according to General Chalrman Herbert G. Daveman.

The general themle "Scienco and Research for Our Future" will be applied to eaeh of the participating areas: education, industry, business, and other interests.

The emphasis on the future impact of science and research on our state is expeeted to draw eonsiderable interest, Daverman said. This should be partieularly true in light of the many demands being plaeed on Miehigan industry to look to the future trends for survival.

Need Bigger Share

MICHIGAN COMMUNITIES seem to be getting a good share of Federal funds appropriated as job-creators under the aeeelerated public works pprogram, but state officials hope more effort will bring new rewards.

During the first few weeks of local project, word came from announcements of awards for Washington that more than $15 million in grants is earmarked for Michigan communities.

Now the State Economie Development Department is putting forth an all-out effort to help outstate communities qualify for funds under the gigantie appropriation program.

• • •

To help Michigan eommunities qualify for the grants, and thus gain immediate employment in labor surplus areas, the Michigan department is holding a series of meetings with loeal offieials throughout the state.

Representatives of the regional offiees of the Community Facilities Administration and Area Redeveloppment Administration are eooperating with state offieials in conducting the workshops in the outstate area.

• • •

"Early experience under the program has indieated many loeal officials did not have suffieient information to prepare applications fully," said Robert J. Byers, acting direetor of the Michigan department. "Half or more of the early applications were returned to communities for more information.

"It is to eliminate this delay that the workshops are being held," he said. "Time is of the essence if the program is to achieve its goal and if Michigan people are to be provided jobs.

Ellsworth Spotlight

By Mrs. John Osterbaan

The Ellsworth Extension will join the county group at Bellaire, December 7, at the Christmas Tea.

Mr. and Mrs. Grant Hastings went to midland for her mother Mrs. Sophia Fatlock, who will spend the winter here.

Jerome Albright, principal of the Ellsworth Community school attended a principal's conference in East Lansing last week.

Recent visitors at the home of Mrs. Charles Edson were her sister, Mrs. Raymond Stafford of Norwood, Mr. and Mrs. Ethan Edson and son, Brian of Indian River and Mrs. Sy Blake and daughter. Mrs. Rose Lewis of Bellaire.

Egbert Wynsma accompanied his brothers, Tom, Henry and Andrew Wynsma to Grand Rapids Thursday to attend the funeral of their sister, Mrs. John (Jennie) Hennip. Mr. and Mrs. Hennip formerly lived on a farm near Ellsworth. She is survived by one son, Peter John, and two daughters. Mrs. David (Johanna) Busler and Mrs. William (Ella) Hoffman.

Rev. L. Baker of the Rudyard Christian Reformed Church conducted the services at the Ellsworth Church Sunday. He was a weekend guest at the John Kooyer home. Mrs. Kate Kooyer returned to Rudyard with him and will visit her son, George Kooyer and family for a few weeks.

Jake Klooster has returned home from Blodgett Hospital and is slowly improving.

Mrs. Roger Sitzema was taken to Charlevoix Hospital Sunday morning for observation.

Miss Thelma Drenth of Grand Rapids spent the weekend with her parents, Mr. and Mrs. Gerrit G. Drenth.

Mr .and Mrs. Bernie DeYoung have as their guests Mr. and Mrs. Robert (Charlene) Van Hoven and daughter of Grand Rapids.

Mr. and Mrs. George Kuiper returned last week from a three weeks visit with relatives in Gary, Ind. and Grand Rapids.

Miss Lois Boss of Kalamazoo visited her parents, Mr. and Mrs. William Boss and grandparents, Mr. and Mrs. Herman Heeres this weekend.

Miss Martha Postmus of Grand Rapids spent 5 days this week and visited her father August Postmus and was a house guest of her brother, Myron and family. On Sunday Henry Heeres and children joined the family for dinner there.

Mrs. Samuel Bosch, 68 the former Tracey Glass died November 24, in Denver, Colo. She was a sister of Edward Glass of Ellsworth. The family formerly lived in the Bentley Hill area.

Mr. and Mrs. Richard (Janet) Doctor of Muskegon spent the weekend with her mother, Mrs. Kate Kooyer.

To those who might have tried to telephone news last Monday and received no answer, ye scribe and husband rode to Grand Rapids Thursday morning with the Melvin Essenberg family, visited in Palos Heights, Ill. on Sunday and returned home by bus Monday night, too late to write news.

Mr. and Mrs. Kenneth Finnacle, have purchased the home of Mrs. Winnie Hoffman. They will take possession next spring.

Mr. and Mrs. Harm Fielstra and Mr. and Mrs. James Heeres left Monday to spend the week with relatives in Grand Rapids.

Mr. and Mrs. Nathan Carpenter returned Sunday night from Muskegon and Grand Rapids, where they made the acquaintance of their two new grandsons.

Bernette, daughter of Mr. and Mrs. Peter Jake Drenth, who spent 4 weeks at home and her friend, Grace VanderKamp of of Grand Rapids left Thursday for Grand Rapids and will take a trip to St. Petersberg, Fla.

Bernie DeYoung's mother, Mrs. Elizabeth DeYoung, who is making her home with her daughter, Mrs. Clarence (Josie) Eckhoff in Paw Paw fell and fractured her hip and is a patient at Lakeview hospital in Paw Paw. Her address is Lakeview Hospital, Room 4.

Lancers Dump Elk Rapids in First Cage Game

Ellsworth—The Ellsworth Lancers launched their current basketball season Friday night by dumping Elk Rapipds 54 to 45.

Bernie DeVries dumped in 15 points and Chet Boss added 13 more as the Lancehs pulled the game from the fire in the last half trailing 14 to 10 at the quarter and 25 to 23 at halftime.

Ellsworth caught fire in the third period as they outscored the Elk Rapids outfit 20 to 6 for a 43 to 32 lead going into the last period.

Jack Reilly had 12 points for Elk Rapids.

Ellsworth Couple Marks Anniversary

Ellsworth—Mr. and Mrs. John Klooster were guests of honor at a silver anniversary party held November 24 at the American Legion hall.

Fifty-five guests attended the party hosted by the couple's daughters, Mrs. Bill (Donna) Wynsma, Bonnie of Grand Rapids and Darlene. Refreshments which included an anniversary cake baked by Mrs. Duane Seelye of East Jordan followed a short program.

Those attending from out-of-town were Mr. and Mrs. George Brooks, Mr. and Mrs. Gerrit Helmus, Mr. and Mrs. Ronald Helmus and family of Grand Rapids; Mrs. Thresa Rozeboom and her niece, Karen, of Muskegon; Mr. and Mrs. Ronald Sitzema and family of Charlevoix.

Mr. and Mrs. Versile Klooster were master and mistress of ceremonies.

To Hold Rebekah Rites Saturday for Mrs. Charles Munyon

Mrs. Charles R. Munyon, 89, resident of this community for more than 50 years, died Tuesday at Grandvue Medical Facility near East Jordan where she had been a patient for 14 months.

Rebekah rites will be held at the Winchester Funeral Home at 1 p.m. Saturday. Burial will be in Brookside cemetery.

Born in Lapeer county Nov. 18, 1873, the former Sharazada Hubel was married to Mr. Munyon at Harrison on May 8, 1908. They always made their home here. Mr. Munyon preceded her in death in 1941. She attended the First Congregational church and was a member of its Pilgrim circle. She was also a member of the Charlevoix Rebekah lodge No. 293.

Surviving are a step-daughter, Mrs. George Johnston of Long Beach, Calif., and several nieces and nephews.

Mrs. George O'Brien Dies Unexpectedly, Rites Wednesday

Mrs. George A. (Bessie) O'Brien, 72, a resident of Charlevoix county since childhood, was found dead at her home at 108 Wood st. Monday. Death was due to natural causes according to acting corner, Dr. Robert G. Martin.

Funeral services were held Wednesday at the Winchester Funeral Home with the Rev. George Majors officiating. Burial was in Brookside cemetery.

Born at Lowell Nov. 9, 1890, the former Bessie Koteskey came to the Hortons Bay area as a child of two years. In 1910 she was married to Frank Hamlin who preceded her in death in 1929. In 1933 she was married to Mr. O'Brien who died in 1942. She lived in Hayes township until moving to her present home in 1944.

Surviving are a daughter, Mrs. Maxwell (Blanche) Reid of Alba; two grandsons, three great grandchildren and a brother, Charles Koteskey of Hortons Bay. Another daughter, Mrs. Peter B. (Edythe) Scott preceded her in death earlier this year.

Mr. and Mrs. Robert Miller returned home Saturday from Mishawaka, Ind., where they were called by the death of the former's grandfather, Lawrence Miller. They were accompanied on the trip by Mr. Miller's mother, Mrs. Paul Miller of Traverse City.

Independent B. B. Opens; Two Local Teams Participate

The Petoskey Recreation Independent Basketball play got underway Tuesday night with both local teams, the Charlevoix Merchants and Charlevoix playing in the opening games.

The Charlevoix Merchants posted a 67 to 54 win over David's Men's Wear of Petoskey while the Charlevoix Independents lost to Boyne City 99 to 70.

The teams of the league play Tuesday and Thursday at the Lincoln school gymnasium at Petoskey with the first game starting at 7:30 and the second game at 8:20 p.m.

The two Charlevoix teams will play each other in a game scheduled for 8:20 Tuesday.

In Tuesday's action, the local Merchants led David's Men's Wear 15 to 10 at the quarter only to have the Petoskey team tie the score 28-all at halftime. The local, however, pulled away for a 44 to 39 third period lead before outscoring them 23 to 15 in the final period for the victory.

Bill Poquette and Joe Beaudoin shared scoring honors with 14 points each for the victors. Tom Sheets had 15 for Petoskey.

The Charlevoix Independents trailed Boyne City all the way as the latter held leads of 28-19; 60-28 and 82-42 by quarters with Gary Coon pacing the scoring with 27 points. He was followed by Alan Somerville with 17 and Rick Casper with 16. Jim Alger had 21 for Charlevoix.

There are now over 19 million dairy cows in the U.S.—about one for every nine Americans.

Approve City Hall As Fallout Shelter

Courier Photo

★ ★ ★

Gen. George B. Ely, Charlevoix county Civil Defense director, points to the marker on the Charlevoix City Hall which designates the building as an approved Fallout Shelter in Category 8 or the top bracket.

Pictured with him are City Supt. James Taylor and Kenneth Staley (right) Civil Defense chairman for the city and second ward alderman.

Following a survey made last week by the U. S. Army Corps of Engineers, the city hall was placed in Category 8, the highest protection factor of any surveyed in the county. This was made possible by the addition of an exhaust fan obtained earlier through Civil Defense channels for the Charlevoix Fire Department and the acquisition of a standby generator through the same channels. The generator was obtained for Boyne City whose officials did not plan to use it.

The addition of the exhaust fan and generator makes it possible to house 340 persons in the huilding which will now be stocked with survival supplies.

Community fallout shelter areas have been located in several local buildings including the Charlevoix county jail building and the Charlevoix State Savings bank basement. The recent survey reflects that there are 501 possible shelter spaces in the three buildings in the city.

These shelter spaces are being donated for public use. License arrangements executed with one building owner and county Civil Defense officials are continuing negotiations with additional building owners.

Shelter areas designated by the survey provide protection from radio-active fallout from a nuclear attack. Each meets space and ventilation requirements.

General Ely urges area residents to build their own fallout shelters. Information regarding these may be obtained at the Civil Defense office in the county building.

Trapper Sells Mink Pelts At Annual Fall Auction

Clayton A. Smith of Smith's Little Acre, local trapper, pictured with the 18 wild mink pelts which he offered for sale at the annual fall auction sponsored by the Michigan Trappers Association of Region II which embraces the northern half of the Lower Peninsula. The auction was held at Central Lake.

Prices offered at the sale where only two buyers appeared because of inclement weather were the lowest in several years. As a result many of the trappers withdrew their pelts.

Thirty-five trappers sold 285 wild mink which sold for $12 to $13 for males and $6.00 to $6.50 for female pelts; 2,700 muskrat hides which averaged from 80 to 85 cents each; 102 fox furs which sold for $100 each; 138 racoon furs sold for $1.50 to $3.00 and four weasel hides which sold at $1.00 each. The prices depended on the condition and size of the fur and the sex of the animal.

The auction opened with inspectors sorting and classifying the pelts which were then tagged and placed in bins. The auction then began with the buyers making their bids. This year there were only two buyers and as a result the prices offered were far below other years.

Mr. Smith said that very few of the pelts are used in this country where furriers prefer ranch mink and other pelts for use in milady's fine fur garments. He went on to say that furs sold at the auction Saturday would eventually reach New York where they would be exported to Europe. He said that 90 per cent of the furs trapped in the area are exported.

The majority of the trappers do it for sport rather than as a profession.

David Stoel of Norwood is the only other trapper in the immediate area. However, there are two in East Jordan, three in Petoskey and several in Otsego and Antrim counties.

The Michigan Trappers Association was organized several years ago in an effort to give the trappers a better market for their furs, Mr. Smith said. Region II has approximately 225 members, only a few of whom attended Saturday's sale.

A similar auction will be held in the spring. Beaver and otter pelts will be offered for sale at that time.

Former Resident Dies In West Indies

News of the death of Mrs. Donald F. Herrick, former local resident, at St. Johns Island in the West Indies on Nov. 24 has been received here.

Mr. Herrick served as city engineer in the early 1940's. They had lived in the West Indies for the past 10 years.

Besides her husband, she is survived by two daughters, Roxanne and Jackie; a son, Donald of Gardena, Calif.; 10 grandchildren and her mother, Mrs. Barry of Albion.

Funeral services and burial were in the islands.

Elmer Poole Sr. remains in serious condition at the Northwest Community Hospital in Arlington, Ill., where he is in Room 303. He was hospitalized after suffering a stroke while visiting in Oak Park, Ill. Mrs. Poole is at 028 Ontario, Oak Park, Ill.

County Bank Votes Stock Dividend To Shareholders

Stockholders of the Charlevoix County State Bank have voted approval of a Stock Dividend of 4000 Shares from Surplus and Undivided Profits Accounts. An additional 1000 shares of Stock have been sold to present Stockholders on the basis of one new share for each five shares held. Approval of this action has been received from the Commissioner of the State Banking Department.

The stock dividend and sale of new stock will increase the Common Capital Stock of the bank from $100,000.00 to $200,000.00 The Surplus Account will remain at $125,000.00 and with the Undivided Profits Account will give the bank a total Capital Account of over $350,000.00.

The last Stock Dividend paid by the bank was in 1956.

Charlevoix Co-op Names Directors At Annual Meet

Four directors were elected to the board of the Charlevoix Co-operative Co. during the annual meeting held Monday at the community room of the City Hall.

Elected for terms of two years each were Russell Dohm, Robert Potter, Joseph Stutzman and Frank Sneathen. Mr. Dohm and Mr. Potter were named to succeed Rowley Williams, a member of the board for 18 years and Carlton Smith, who were not candidates for re-election. Mr. Stutzman and Mr. Sneathen were re-elected to succeed themselves.

George Smith, president of the board of directors, thanked Mr. Williams and Mr. Smith for their years of services and said that their wise counsel would be greatly missed by the board.

Mr. Smith also presented the annual report in which he said that the volume of business transacted during the past fiscal year was the same as last year with a slight increase in the net savings to patrons.

He reported that the company has spent $13,000 for new equipment and improvements including a new dump truck, a new grain pit with truck hoist and elevator leg to facilitate the handling of bulk grain and a new feed truck body with which to deliver bulk feed to area farms.

The Charlevoix Co-operative is now receiving and shipping grain in bulk form and also receiving feed concentrates direct from Hammond, Ind., by bulk truck delivery thus saving a great deal in labor and bag costs.

A four per cent cash dividend was paid on all outstanding common and preferred stock of the company. The board also authorized the retirement of $5,000 worth of the oldest outstanding stock in the corporation.

Howard King, store supervisor for the Farm Bureau, accepted the financial statement for the fiscal year and the proposed amendment to the by-laws regarding the distribution of patronage dividends to comply with a new federal law adopted this year and becoming effective in 1963.

M. J. Buschlan, manager of the farm supply division of the Farm Bureau Services, gave an interesting talk on changing agriculture.

Fifty-five members and 15 visitors were present for the annual meeting.

Fred Willis is manager of the company.

New Library Hours Become Effective

The Charlevoix public library is now open every day except Sunday, Miss Florenz Milner, librarian, has announced.

The library, located on State st. at Clinton st., is open from 2 to 5 p.m. daily except Sunday and 7 to 8:30 p.m. Monday and Wednesday evenings.

Mr and Mrs. Arnold Potts left recently and are now at Fort Lauderdale, Fla., for the winter months.

To Hold Class C District Tourney In Boyne City

The 1962 Class C district tournament scheduled for the first full week in March will be held in Boyne City this year.

The Charlevoix Rayders will be among the area Class C teams appearing in this tourney.

Petoskey will be the site of a Class D tourney in which 10 teams will participate. The Class B district meet will be held at the Alpena Catholic Central gymnasium.

Other Class C teams participating in the tourney at Boyne City are expected to be the home team, the Ramblers and Harbor Springs.

The Pellston Hornets, members of the Northern Michigan Class C league, will play in the Class D tournament. This is possible because of the school's enrollment. Other schools participating in Class D will be Alanson, Bellaire, Boyne Falls, Central Lake, Ellsworth, Inland Lakes Mackinaw City, Wolverine and Petoskey St. Francis.

The Class D tourney will be divided into two brackets with a winner being named from each bracket thus two entries in the regional tournament will come out of the Petoskey tournament.

Petoskey will have a Class C regional tournament following the district tournaments with winners of district meets at Grayling, Frankfort, Traverse City, Gaylord and Boyne City being assigned to the meet.

School Board Approves Final Settlement

The Charlevoix board of education, at a special meeting Monday, approved the final payment on the new Charlevoix junior-senior high school.

The board approved a resolution authorizing the payment of $12,994.31 to the Peerless Insurance Co., bonding company for the general contractor, Wallace N. Bjorklund, as the final payment on the contractor's bid which was in the amount of $603,062.13.

The payment was ordered paid to the Peerless Insurance Co., which as the contractor's bonding company, has assumed the obligations of Wallace N. Bjorklund, general contractor. The amount of the payment covers the remaining amount due on the original contract plus any change orders approved by the school and accepted by the contractor.

The payment necessitated the transfer of $2,050.49 from the general fund to the building and site fund to make up the balance due the Bjorklund company. The remainder of the payment or $10,042.82 was the amount held back by the school district until the final approval was given the project.

In other action, the board of education, at an earlier meeting, had approved the purchase of a second school bus, a Chevrolet with a Superior body identical to the one approved Nov. 19 at a price of $6,345.10 or $100 less than the original price. The purchase was made from the Charlevoix Oil Co. and was approved by a five to two vote with Albert Smith and Joel Martincheck voting the proposal.

The request of David Potter that the school bus route be changed to stop at his house thus eliminating the one-half mile walk for this student from his home and the bus stop was turned down by a vote of four to three. The Hiram Klooster home would also have been on the route had the proposal been approved.

A pay increase for the hot lunch cooks was approved, in view of the fact that their work load has increased as a result of preparing food for St. Mary's hot lunch program. The salary raises are to remain in effect so long as this program shall continue.

Supt. R. G. Bennett was asked to present salary schedules from area schools for a comparison with Charlevoix in preparation for considering a salary schedule for the 1963-64 school year.

Max Novak Elected President Of Rod and Gun Club

Max Novak was elected president of the Charlevoix Rod and Gun Club for 1983 during the annual election held Thursday evening. He will succeed O. V. Cunningham who has served several terms in the office.

Mr. Cunningham was elected vice president; Fred Jeffery, secretary and Larry Mitchell, treasurer. Frank Zednick and Clare Staley were named to the board of directors for terms of three years.

On Saturday night the club and its auxiliary enjoyed a turkey dinner attended by 80 members of both organizations and their respective families. The dinner was given by the Auxiliary.

Santa Claus Is Coming To Charlevoix

"You better not pout, you better not cry, I'm telling you why—Santa Claus is coming to town".

Just like in the familiar Christmas song, Santa Claus is coming to Charlevoix Saturday with a gift for all boys and girls in the Charlevoix area, according to John Curtis, chief of the Charlevoix volunteer fire department, which is sponsoring his preholiday visit to the community.

He is scheduled to arrive via plane at the Charlevoix airport where he will be met by the Charlevoix fire department and escorted to East Park in the downtown business section at 2 p.m.

There he will greet the boys and girls and present each and every one with a box of Christmas candy and nuts. If the weather is very cold and stormy, then he will be at the city hall.

Santa will also pay a visit to the Charlevoix hospital and call on any boys and girls who are confined to their homes. If you know such a child, would you please call the fire department and tell them about it?

Volunteer firemen will assist Santa when he arrives.

Remember: the time is 2 p.m. in East Park if you want to see Santa during his annual pre-Christmas visit.

George Donat, 69 Ex-Beaver Island Resident Dies

George Donat, 89, former Beaver Island resident who had lived here for the past three years, died Tuesday at the Charlevoix hospital where he had been a patient for three weeks.

The body was returned to the Brookman Funeral Home in Peru, Ind., late Tuesday. Funeral services will be held at St. Charles church in Peru at 9 a.m. Friday with burial in St. Charles cemetery. The Rosary was recited at the Winchester Funeral Home here Tuesday evening.

Born at Madison, Ind., Feb. 14, 1893, Mr. Donat was employed by the Chesapeake & Ohio Railroad Co. until he was forced to retire because of an eye injury. Later he operated a farm and a nursing home at Peru, Ind., before retiring and moving to Beaver Island in 1952. He had lived here for the past three years. In May 1051 he was married to the former Marguerite Dillmon at Peru, Ind.

He was a member of St. Mary's church here and St. Charles church in Peru, the Knights of Columbus, the Eagles and the Loyal Order of Moose lodges.

Besides his wife, he is survived by two sons by a former marriage, James and Joseph of Peru, Ind.; nine grandchildren; three great-grandchildren; a brother, Charles Donat of Herford, Ariz., and a sister, Mrs. Earl Holland of Peru, Ind.

According to the U.S. Department of Agriculture, a record of over five billion dollars worth of US. farm products was shipped to customers overseas last year.

Mt. McSauba Ski Club To Open Saturday

The Mt. McSauba Ski club will open at 1 p.m. Saturday for the current winter season, Chuck Meier, club manager for the third year, has announced.

If present snow conditions continue, the slopes and the main tow will operate under the following schedule: Noon until 5 p.m. Sunday; 7:30 to 10 p.m. Tuesdays and Thursdays; 1:30 to 5 p.m. Wednesday and 10 a.m. to 5 p.m. and 7:30 to 10 p.m. Saturday.

The ski club will be open during the forthcoming holidays but will be closed on Christmas Day, according to present plans.

At present, the large tow will be operated with plans to operate the beginner's tow and the northwest tow pending completion of the work started earlier, Mr. Meier said.

The ski resort has been operated by the Charlevoix-Mt. McSauba Recreation Corp. since 1956. The group is headed by Robert Goss as president. Jack Rader is vice president and Ralph Gillam, secretary-treasurer. Other members of the board are Mr. Meier, M. J. Foster, Robert Livingston, Gregory G. Shadko, George Lusk and Robert Pearl.

Palace Theatre To Open Jan. 4 With "The Music Man"

The Palace Theater, Charlevoix, is scheduled to open Jan. 4 on a weekend schedule, L. H. Taylor, manager, announced this week.

Booked for the opening three days is "The Music Man", one of the outstanding movies and showing for the first time in Northern Michigan at regular prices. Other popular pictures booked for the current winter season include "Whatever Happened to Baby Jane", "The Chapman Report", "Big Red" and "Bon Voyage".

"There has been considerable criticism during the past year because the Palace Theater did not operate during the winter months," Mr. Taylor explained. "We are going to give it a try in 1963 to determine if patronage will warrant winter operation."

BETWEEN YOU AND ME

- By Harold E. Kohn -

A Lasting Thoughtfulness

One December, several years ago, at the Mohawk Central School in New York, an appeal was made for contributions for Santa Claus Anonymous, an organization which supplies gifts for New York's unfortunate children. A thirteen year old Paines Hollow boy heard the appeal and began saving his pennies. By the Friday before Christmas vacation he had fifteen cents. The youngster planned to turn in his money that day, but a blizzard swept the state, and the Mohawk school buses could not run. So the boy trudged through great snow drifts across country to the school and gave his fifteen cents to the principal.

When Mr. Rankin, the principal, accepted the lad's fifteen cents a lump in his throat threatened to choke off his expression of thanks. The man's emotions were understandable—for the boy was one of those on the list to receive a Christmas gift from Santa Claus Anonymous.

At the Christmas season we are most likely to forget our own woes while remembering another's need. We need to stretch that spirit over the entire year. During slavery days it was the custom to permit colored children to celebrate the Christmas holiday as long as the Yule Log burned. Small wonder, then, that the children chose the largest Yule Log they could find, and they then soaked it in the swamp before taking it to the fireplace. They aimed to keep that log burning as long as possible.

May all of us soak our souls in the Christmas spirit of thoughtfulness concerning others, so that we can give light and warmth to the world all through the year—until Christmas comes again.

Betrothed

Mr. and Mrs. Orva Richardson have announced the engagement and approaching marriage of their daughter, Sandra, to Joseph B. Beaudoin.

The prospective bridegroom is the son of Mrs. Edith C. Beaudoin of Charlevoix and Lyle C. Beaudoin of Franklin Village.

The wedding will be an event of late December at the Community Church of God.

Both are 1960 graduates of the Charlevoix high school. The bride-eleot attended Davenport Institute and the McConnell Airline School. Mr. Beaudoin attended Ferris Institute and Pontiac Business Institute.

Ace Credit Union Amends By-Laws

The Ace Credit Union, organized by the members of the Michigan Farmers Union, has amended its by-laws to permit full participation and membership by all members of Granges located in Antrim, Charlevoix, Emmet, Cheboygan and Otsego counties together with their families, Archie M. Murphy of East Jordan, president of the credit union, has announced.

The move was made possible after the Michigan Banking Department changed its concept of rural credit union organizations. Heretofore it has been limited to one group.

Until Jack Luebke of the Grange returns, inquiries may be directed to the county deputy of the Grange or to Mr. Murphy.

Kiwanians Stage Guest Night; Hear Dr. C. Jensen, D.V.M.

Dr. Christian Jensen, D.V.M. of Petoskey, spoke on his experiences while on the recent "People to People" tour through Russia and Central Europe under the sponsorship of the U.S. State Department at the regular dinner meeting of the Kiwanis club held Monday at the high school cafeteria.

Dr. Jensen, who was introduced by E. K. Shanahan, program chairman, illustrated his interesting and informative talk with slides taken on the trip.

Guests at the dinner meeting were the wives and friends of members who were welcomed by R. G. Bennett, past lieutenant governor.

Plans for a round table meeting at the Weathervane Lodge on Dec. 24, in lieu of a dinner meeting because of the holiday, were announced.

Local Couple Give Pet to Leader Dog Training School

A second local dog has been given to the Leader Dog Training School at Rochester, King Lion Dean Davenport announced at the regular luncheon meeting of the Lions Club held Monday at the Weathervane Inn.

The dog was a 13-months old German Shepherd named Ceasar given by Mr. and Mrs. Sylvester Welslek, propritors of the Town House. Caesar was shipped Monday to join Nipper, given by Mr. Davenport. Nipper has been accepted and has already started the training which will teach him to become a Leader Dog for the blind.

Fruit cakes ordered during the recent sale will be delivered Thursday evening and calls will be made on those residents who were not contacted during the initial sale. Lynn Porter was inducted as a member during the business meeting.

Rebekahs Re-elect Mrs. Eldred Ostrum

Mrs. Eldred Ostrum was re-elected Noble Grand of the Charlevoix Rebekah Lodge No. 293 at the annual election of officers held during a recent meeting attended by 17 members.

Other officers elected at the same meeting were Mrs. George Hallem, vice grand; Mrs. Lawrence Swanson, recording secretary; Mrs. Sims Baker, financial secretary; Mrs. Jerold Murdick, treasurer.

Miss Frances Durance was recommended as a candidate for the office of District 18 deputy president.

Installation of the new officers will be held early in January. Appointive officers will be announced at that time.

Mrs. Beryl Lee of Petoskey, District 18 deputy president will attend the Dec. 18 meeting of the lodge which will be followed by a Christmas party. Members are reminded to bring a 50c gift for exchange and a dessert for refreshment.

Present Program of Christmas Music at Shakespeare Meet

Christmas music was the theme of the program presented at the annual Christmas party of the Shakespeare Study Club held Monday at the home of Mrs. Glenn Kenney.

The delightful program included the familiar 'I Wonder as I Wander", sung by Mrs. Lee Moorland; "Christmas Lullaby" by Mrs. Richard Worfel; "Birthday of the King", Mrs. E. D. Hawley; "Cantique de Noel" with solos by Mrs. Alun Bevan and Mrs. Wayne Woods, "Sweet Little Jesus Boy", Mrs. Robert Tollas and "Shepherds Awake" by an ensemble composed of the above soloists.

At the business session the 30 members present contributed $30 for the Community Christmas project.

Red and white carnations centered the refreshment table. Assisting the hostess were Mrs. Lyla Arvilla, Mrs. Robert Neff and Mrs. Arthur Skelton.

Dickens Study Club Stages Annual Christmas Party

Decorating for Christmas was the theme of the lesson presented by Mrs. David Fowler at the annual Christmas party of the Dickens Study club Monday at the home of Mrs. Harvey Campbell.

Mrs. Fowler illustrated her talk with decorations she had used to decorate the Campbell home for the party.

Winter bouquets decorated the tea table at which Mrs. Clark Coulter and Mrs. William Paddock presided.

Charlevoix Wins Over East Jordan 62 to 47

★ ★ ★

To Take On Grayling And Boyne City Next

Charlevoix's Rayders broke into the win column Friday night by dumping the East Jordan Red Devils 62 to 47.

During the coming week, the Rayders will take to the hardwoods twice, against Grayling at Grayling on Friday and Boyne City here Tuesday.

The Rayders were in control all the way after jumping into an early lead and holding on 15 to 13 at the quarter.

Starting for Charlevoix were Bruce Murray and Dan Pearl in the forward positions, Dave Rader at center and Frank Curtis and Jim Uhrick in the back court.

Jack Uhrick joined the action early in the game; Rick Miller and Pete Ance in the second period; Gary Stutzman in the third and Brenden LaBlance, Dwight Boss and Bruce Kroken in the last period. Regular John Pearl was benched for disciplinary reasons.

Curtis paced the scoring for the game with 24 points including three scored in the first perio dwhile Pearl scored two; Rader three points and Jim Uhrick, two free throws. The Red Devils had four field goals and five gift shots.

In the second quarter, Curtis accounted for 8 points, Rader five, Jim Uhrick four, Pearl and Miller two each and Jack Uhrick one as the Rayders took a 37 to 19 halftime lead. The Jordanites were held to two field goals and two gift shots.

East Jordan came back strong as the game went into the second half, scoring four field goals and three charity shots for 11 points. Charlevoix countered with a dozen points with Curtis scoring three field goals and Rader, Jack Uhrick and Stutzman one each to remain ahead 49 to 30.

The Red Devils outscored Charlevoix 17 to 13 in the final period, as Coach Don Carey changed the line-up often as he emptied the bench. East Jordan scored five field goals and seven free throws to account for their point.

Curtis and Kroken had four points each and Miller and Stutzman two each as the Rayders coasted to their first win of the season.

Dave Rader came through with 10 points for Charlevoix. Don Roberts had 16 for the Red Devils.

The Rayders racked up their first win of the seoson by a 62 to 47 score.

Charlevoix JV's Win 49 to 23 at East Jordan

With 17 players seeing action, the Charlevoix J-V's rolled to a 49 to 23 victory over the East Jordan Reserves.

The young Rayders dumped in 22 field goals while holding the Jordanites to seven. The latter, however, capitilized from the free throw line, scoring on nine of 14 free throw attempts and collecting 11 personal fouls. The Rayders hit on five of 13 and had 10 fouls.

East Jordan was held to two free throws as Charlevoix led 11 to 2 at the end of the first quarter. In the second period the opposition found the range and outscored Charlevoix 12-10 to trim the Rayder lead to 21 to 14 at halftime. As the second half got underway, the Rayders went wild, dumping in 22 points for a 43 to 20 advantage going into the last period.

Chip Terrill had 12 points; Doug Winnell, 11; Ken Parrish, 10; Warren Belding, 9; Dave Norton, 4 and Dave Smith, 3 for Charlevoix.

Mac McDonald had eight to lead the Jordanite scoring attack.

Others seeing action for the Rayders were Jerry Uhrick, Tom Maxwell, John Ferguson, John Bleha, Mike Arbuckle, Mike Crain, Neil Cross, Skip Duerr, Eddie Holm, Skip Young and Bob Bergmann.

Last Week With Class C

Only two teams of the Northern Michigan Class C league remained undefeated following Friday's games as the current season went into its third week.

They were the Harbor Springs Rams who held off the Grayling Vikings 62 to 49 and the Pellston Hornets who trimmed Mancelona 68 to 51.

Elsewhere in the league, Boyne City won over Gaylord 46 to 39 and Charlevoix dumped East Jordan 62 to 47.

Harbor Springs 62 Grayling 49

Paced by Paul Ranney, who dumped in 34 points including 15 field goals, the Harbor Springs Rams showed their strength and versatility as they came from behind after trailing 12 to 11 at the quarter to knot the score 32-all at halftime and then to go ahead 50 to 40 as the game went into its final quarter. Tim Neal had 27 points for the Vikings.

Pellston 68 Mancelona 51

Pellston remained tied for first place with the Rams after the Hornets jumped to a 13 to 5 first quarter lead and then went ahead 37 to 26 at halftime and 57 to 39 going into the final period.

Doug Lovaasen acored 19 and Stan Bodzik 18 points for the victors. Pat Dutcher had 21 for the Ironmen.

Boyne City 46 Gaylord 39

The Boyne City Ramblers had to come from behind to defeat the visiting Gaylord Blue Devils after the latter had lead 10 to 7 at the quarter and held the score to 23-all at halftime. Boyne City went ahead early in the second half and led 34 to 31 before going on to victory.

This Week With Class "C"

Teams of the Northern Michigan Class C league will find themselves playing two games in five days before halting their court activites for the Christmas holidays.

Friday will find Charlevoix traveling to Grayling; Pellston playing at Boyne City; Harbor Springs hosting East Jordan and Grayling invading Mancelona.

On Tuesday Charlevoix will entertain Boyne City; Harbor Springs will play at Pellston; Grayling will travel to Gaylord and East Jordan and Mancelona will clash on the latter's floor.

The Charlevoix Rayders will have their work cut out for them when they travel to Grayling to take on the Vikings. The Grayling forward wall composed of Tom Wright, Chris Kroll and Tim Neal will be a hard one to stop for they have height and experience plus the ability to score. They do a good job of controlling the backboards and, on their home floor, are usually a rugged team.

The Rayders, on the other hand, lack height and, thus far, have not displayed the sharpness necessary to a strong offensive team. The potential is there however, and perhaps a strong desire to win will bring it into the open.

The Vikings are favored but can be 'taken' as shown by Harbor Springs Friday night.

The Rayders' game with Boyne City Tuesday will mark the renewal of one of the greatest

Cadillac

YOUNGEST CADILLAC IN SIXTY-ONE YEARS!

Take a good look at a new 1963 Cadillac and you'll see what we're talking about.

For this one has a freshness . . . a brightness . . . a spirit . . . a flair that you've never seen before in a Cadillac car.

It's the look of youth—and it's written in every clean, crisp line . . . and mirrored in every lithe, nimble move the car makes.

And so it is not surprising that this beautiful new Cadillac is adding a host of youthful admirers to the ranks of its enthusiasts.

Nor is it remarkable that so many younger motorists can be seen this year at its wheel.

In fact, motorists of *all* ages have taken this Cadillac to their hearts as never before. The reception that has been accorded this new "car of cars"—whether measured by the praise of its followers or the number of its owners—is simply without precedent.

Why not visit your authorized Cadillac dealer soon—and see for yourself what the talk is all about?

Young in fact or young at heart—we know you'll want to make it yours!

rivalries in the north. This should be a close game and if the Raiders can halt Larry Gunderson and keep on eye on Randy Price and Verlin Thompson they could down the Ramblers.

Pellston, because of its record, will be favored when the Hornets go against Boyne City this week. But records seem to mean little to the Ramblers who are going to be hard to beat, especially on their home floor. Despite the odds this will be a toss-up.

Should Pellston get past Boyne City and Harbor Springs dump East Jordan, as expected, the game between the Hornets and the Rams will be a battle for league supremacy when the two clash Tuesday.

The Pellston Hornets will have their small gym on their credit side while the Rams will have Paul Ranney who poured in 15 field goals against Grayling last week. This game will be a real test for both teams with both battling to retain the top spot in the ratings.

The Gaylord-Mancelona game this week will be another close one as the Blue Devils attempt to get into the win column for the first time and Mancelona tries to get back into the black after losing to Pellston.

Gaylord has plenty of talent which should shape up shortly while Mancelona has a pretty fair outfit that seems to lack depth. On paper Gaylord should win but on the Mancelona floor anything can happen.

The Gaylord-Grayling meeting Tuesday should also be a good game for the two teams are rivals of long standing and there games are always battles all the way. Grayling, however, with its taller, more experienced players will be favored.

East Jordan, looking for a win, will invade Mancelona Tuesday. However, it is doubtful if the Red Devils will offer too much opposition to the Ironmen.

U. S. Coast Guard to Conduct Officers Training School

The U.S. Coast Guard will conduct a Boarding Officers Training School at the new Charlevoix Lifeboat Station beginning Jan. 14 and continuing for four days, Albert G. Bates, W-4, commanding officer of U.S.C.G. Group Charlevoix, has announced.

A Coast Guard boarding team from Ludington Group offices will conduct the training school which will be open to representatives of the Sheriff's Department, City Police, State Police and other law enforcement groups in the area and to any other interested persons interested in boating including marina operators as well as service personnel.

For those interesting in registering for the school, Mr. Bates has issued a list of topics to be covered during the four-day training course which will be held from 9 a.m. to 4:30 p.m. daily. They include: The law relating to boarding, Law enforcement duties of the Coast Guard, Speed regulations, Traffic Act, Refuge Act, Load-line control, Great Lakes Pilotage regulations and Passenger carrying vessels.

On the second day the topics will include Regattas, Boarding Manual, Numbering, Decumentation of Yachts and Life-saving devices.

On the third day the following tops will be discussed: Fire Extinguishers, Sound-producing devices, Ventilation, Flame arrestors, Navigation lights, Reckless and negligent operations, Reports and boarding procedures.

Fourth day topics will include: Boarding procedures, Coast Guard Auxiliary, Public relations, Local Area Enforcement problems and Practical application of lessons.

Couple Married In Morning Rites

Freda Walker, daughter of Mrs. Josephine Walker of Newberry and Levi Walker of this city, and Richard Schwander, son of Mr. and Mrs. Richard Schwander Sr. of Grand Rapids exchanged their marriage vows at a quiet ceremony Saturday morning.

Justice John J. Connoliy officiated at the services in the presence of their immediate families.

Yvonne Walker attended her sister as maid of honor. Robert John assisted the bridegroom as best man.

The couple will reside in Charlevoix where both are employed at the Holiday Terrace Hotel.

Mr. and Mrs. Raymond Shearer are leaving this week to spend the winter at 2023 E. San Juan, Phoenix, Ariz.

Red-headed Flicker To Winter Here

A red-headed flicker, evidently misinformed by the Birdland weather bureau of forthcoming weather conditions, is spending the winter in Charlevoix according to Mrs. Elva Gormell who makes her home with her son and daughter-in-law, Mr. and Mrs. Don Anders.

Mrs. Gormell who has a number of bird feeders well supplied with a variety of food said Monday that she couldn't believe that a flicker would remain here for the winter. That is, unless he had difficulty flying because of an injury. Anyway, he has joined the host of regular winter customers at her feeder stations.

Won't you bird lovers please join Mrs. Gormell in providing food for the birds. If you are in doubt, call her and she will help you select the proper seeds and suets.

MERRY CHRISTMAS

Council Approves Sale of Electric Plants

Community Churches Announce Special Christmas Services

The joyous birth of Christ some 2,000 years ago in the humble surroundings of the manger will be recalled in this community as it joins the rest of the Christian world in commemorating the most important day in the Gregorian calendar.

Marking another peaceful Christmas this Tuesday after the recent weeks of concern for the peace of the world, the community will observe the holy occasion in churches and in homes. While it will be a time of festive gaiety for the children, the religious observance brings out the true significance of the day.

Christians will again recall the passage: And the angels said to them: Fear not: For behold I bring you good tidings of great joy, that shall be to all people; for this day is born to you a Saviour, who is Christ the Lord, in the city of David.

And this shall be a sign unto you: You shall find the Infant wrapped in swaddling clothes, and laid in the manger.

And suddenly there was with the angel a multitude of the heavenly army, praising God and saying Glory to God in the highest: And on earth peace to men of Good Will.

Worshippers will again hear this age old story and add their prayers to those of the multitude that peace will continue throughout the world.

Services will be held in all area churches throughout the weekend and continuing through Christmas. A schedule of these services follow with an invitation by all priests, pastors and ministers to join their congregations during this holy season.

First Congregational Church

Evergreen boughs and lighted Christmas trees will decorate the sanctuary of the First Congregational church (United Church of Christ) to form a seasonal setting for the Christmas Sunday service that will be led by members of the church school under the direction of Miss Katherine Fitch.

A cross intertwined with evergreens and poinsettias will hang above the altar. Christmas carols will be sung by the congregation. Music appropriate to the Advent season will be sung by the children's choirs. Members of the church school will usher.

As in the past, the church will be the scene of the traditional Christmas Eve candlelight service which is always attended by worshippers from throughout the area. The service will begin promptly at 11 p.m. with the Rev. Harold E. Kohn delivering the Christmas Eve meditation "Heaven on Earth" and the Rev. A. Robert Harrison participating in the inspiring service.

Special music will be presented by the choirs and will include the following selections: "When the Sun Had Sunk to Rest", Old English Noel, by the Youth Choir; "Lullaby on Christmas", Christiansen; "Tell Us, Shepherd Maids", Caldwell; "Shepherds' Story", Dickenson; "Glory to God in the Highest", Pergolesi and "Birthday of a King", Neidlinger, by the Senior choir and "Coventry Carol", Treharne, by the Women's Choir.

The public is extended an invitation to attend this inspiring service.

Christ Episcpal Church

The celebration of Christmas at Christ Episcopal church will begin at 11 p.m. Christmas Eve with a Midnight Eucharist with a message by the vicar the Rev. Alexander Wood.

On Christmas Day a Holy Communion service will be held at 10 a.m.

On Sunday preceding Christmas, the church school will present its Christmas pageant entitled "The Story of Jesus Christ's Birth as Told by the Scriptures" at the church at 8:30 p.m. The pageant will re directed by Mrs. Robert O. Pearl. The organist will be Mrs. James Gallagher.

Christmas week services at the church will include a Holy Communion service at 10 a.m. Thursday, St. John the Evangeliist day.

First Methodist Church

At the 11 a.m. worship hour Christmas Sunday morning, the choir, under the direction of Mrs. Dean Davenport, will present the Christmas cantata entitled "The Manger King" by Randolph Johnson with Mrs. Leonard Burns accompanying them. Soloists will be Mrs. Lee Moerland, Mrs. Mark White, Donald Bogart and Joel Arvilla. The quartet will be composed of Mrs. White, Mrs. Moerland and Mr. and Mrs. John Kroken.

The Rev. Raymond J. McBratnie will have a meditation on the subject, "The Christmas Star".

At 7 p.m. Sunday evening, the Sunday school will present a Christmas program of songs and a pageant of the first Christmas.

After the program the children will receive Christmas candy.

The young people of the church will go caroling later in the evening and return to the church for refreshments. Nancy Bogart is in charge of the group.

Everyone is welcome to attend the services at the church.

Community Reformed Church of Charlevoix

The first Christmas services will be held in the new Community Reformed church Sunday when the pastor, the Rev. Charles A. Stoppels devotes his sermon to the Christmas theme "Emmanuel, God with Us".

The choir, under the direction of Mrs. John L. Boss, will sing special Christmas anthems, seasonal hymns and carols.

The children of the Sunday school will present their traditional Christmas program during the hour of the evening service beginning at 7:30 p.m. Sunday.

During the winter months the evening worship services will be set ahead to 7:30 p.m. for the convenience of members, Rev. Stoppels said.

U.S.C.G. Promotes LCDR F.J. Mann To Commander

LCDR Francis J. Mann, U.S. C.G., commanding officer of the Cutter Sundew, stationed at Charlevoix, Wednesday was promoted to the rank of Commander.

This promotion makes him the ranking buoy tender captain on the entire Great Lakes.

Commander Mann, whose Coast Guard services spans a period of 21 years, took over as commanding officer of the Sundew on July 5 this year. His previous services included the command of three other vessels, the frigate Shreveport, the destroyer escort Foster and the cutter Chincoteague.

Commander and Mrs. Mann are now residing at their new home on Oak st. in Charlevoix which they tentatively plan on making their permanent home.

Assembly Friday To Mark Holiday Season at CHS

A special Christmas assembly at the new Charlevoix high school gymnasium at 10:30 a.m. Friday will mark the forthcoming holiday for the junior and senior high school students.

The Rev. Jack Harris will present a brief Christmas message at the assembly which will also feature special Christmas selections by the Charlevoix high school band, appearing under the direction of C. A. Odmark, and the singing of traditional Christmas carols.

The program will be primarily for the students and faculty. However, visitors may attend.

Mr. Van Dusen, 76 Norwood Township Resident Dies

Lawrence VanDusen, 76, lifelong resident of Norwood township, died Sunday at the Charlevoix Hospital where he had been a patient for 10 days.

Funeral services were held Wednesday at the Winchester Funeral Home with the Rev. George L. Majors officiating. Burial was in Brookside cemetery.

Born in Norwood township Sept. 20 1886, Mr. VanDusen was a farmer. In recent months he had lived with his grand-niece, Mrs. Robert Stillwell and Mr. Stillwell.

Other survivors include a sister, Mrs. Roy (Laura) Hannaford of Willoughby, Ohio; a brother, Oscar VanDusen of Yale, Michigan, and several nieces and nephews.

No Parking in Drive At Gym Entrance

Effective at once and continuing until further notice, parking will not pe permitted in the drive at the entrance to the gymnasium.

The narrow drive off May st. will be kept free of cars to permit motorists to drive to the area, discharge passengers opposite the gym door and then park their cars in the area designated for this purpose.

The decision to close the drive to parking was made by the board of education at its Monday meeting.

Charlevoix J V's Tilt Boyne City 41 to 25

Charlevoix's J-V's rolled to a 41 to 25 victory over the Boyne City Reserves Tuesday night for a perfect record thus far this season.

The Rayders got off to a slow start and trailed 10 to 9 at the quarter before taking a ailm 21-20 advantage as the first half ended.

In the third quarter the local lads outscored the visitors 10-2 for a 31-22 lead as the game went into the final period.

Doug Winnell had 10 points to leading the scoring for Charlevoix. He was followed by Ken Parrish with nine; Dave Smith with eight; Warren Belding, Chip Terrill and Don Smith, four each and Dave Norton, two points. Others who played were John Bleha, Mike Crain, Eddie Holm, and Tom Maxwell.

Pete Hall had nine for Boyne City.

Judges will be Mrs. Harley Ochs, president of the Garden Club, Mrs. Jack Rader, president of the Shakespeare Study Club and Mrs. Robert Gill, president of the Dickens Study club.

Prizes of $15, $10 and $5.00 will be offered in each of the city's three wards and $10.00 will be given to the owner of the best decorated home outside the city limits using city utilities.

Schools to Close for Holidays

The Charlevoix public schools, St. Mary's parochial school and other area schools will close at 2:30 p.m. Friday for the annual Christmas recess.

Classes will be resumed at the usual hours on Wednesday, Jan. 2.

To File Nominating Petitions by Dec. 31

Office seekers are reminded that the deadline for filing nominating petitions for all city offices is 4 p.m. Monday, Dec. 31.

On Tuesday, incumbents E. D. Hawley, mayor; Annabelle Cunningham, treasurer, and Hugh Mayne, clerk, had filed petitions at the office of the city clerk. Third ward supervisor, Harry Gebeau, had announced his intention of seeking re-election to the post.

Richard Donaldson, second ward alderman for several terms, has announced that he will not be a candidate for re-election.

Other aldermen whose terms will expire in Arpil are Robert Neff and Jack Grubaugh of the first and third wards, respectively.

Kit Carson, first ward supervisor, and John A. Uhrick, second ward supervisor, are also expected to seek re-election to their respective posts.

Nominating petitions for any of the above mentioned offices may be obtained at the office of the city clerk in the city hall.

Conncil Meeting Postponed to Jan. 7

The next meeting of the Charlevoix city council was postponed from Dec. 31 to Jan. 7 by the council at its regular meeting held Monday.

The meeting was postponed because of the forthcoming holiday.

In other action at Monday's meeting, the council discussed raising its salaries. The issue, however, was tabled until a later date. Electors to Vote on $1,000,000 Offered By Consumers Power

Consumers Power Company's offer of $1 million for Charlevoix's municipal power system was heard by the city council at its regular meeting Monday night.

Robert Hilty, division manager and Gerrit Elenbaas of the company's Traverse City office appeared before the council to present the company's offer for the entire electric utility facilities and property of the city, located in or out of the city, including the hydroelectric property and electric transmission facilities, but not including the ornamental street lighting system, subject to certain terms and conditions as follows:

That the municipal electric system shall be conveyed to Consumers free of all claims, liens and encumbrances; that Consumers' offer be subject to granting Consumers Power Co. of an irrevocable 30-year franchise to furnish electric service to the city and that said franchise and sale of the plant to Consumers by 3/5 of the electors voting on these questions at a regular or special municipal election; that the consideration of $1 million to be paid for the system shall not be increased for any additions or improvements made to the system between the date of this offer and the date upon which the system is conveyed to Consumers; the city shall retain title to the accounts receivable of the system and shall be responsible for payment of any claims or debts associated with the system, which arise, directly or indirectly, out of the operation or ownership of the system prior to the date that the system is conveyed to Consumers; that Consumers will offer employment somewhere in the company's operating area to the present employees of the municipal electric system who can qualify with respect to health and ability and that the city and Consumers will enter into an agreement providing for the conveyance of the city's municipal electric system to Consumers in accordance with the provisions of this letter.

The council decided by a four to two vote to consider Consumers Power Company's offer with Alderman William Fochtman, Richard Donaldson, Kenneth Staley and Jack Grubaugh voting for it and Robert Neff and Edward P. Hansen opposing the move.

The issue will be brought to a vote of the residents of Charlevoix in a local election at a date to be set later.

In December 1961, the council, by a four to two vote, turned down Consumers' offer of $750,000 for the municipal electric system.

At that time the council voted to purchase bulk power from Consumers for re-sale to its subscribers. A new sub-station was constructed and placed in operation earlier this month.

Rites Friday for Elmer M. Poole, 78 Retired Painter

Elmer M. Poole, 78, lifelong resident of this community and retired painter and decorator, died Tuesday at Northwest Community Hospital at Arlington Heights, Ill., where he had been a patient since Nov. 30 when he suffered a stroke while he and Mrs. Poole were visiting his daughter, Mrs. Almeda Rheingruber of Oak Park, Ill.

Funeral services will be held at the Winchester Funeral Home at 2 p.m. Friday with the Rev. Raymond J. McBratnie officiating. Burial will be in Brookside cemetery.

Born in Charlevoix Jan. 14, 1864, Mr. Poole had resided here all his life. He was a painter and decorator. In 1922 he was married to the former Margaret Simpson. They made their home at 208 Clinton st. He attended the First Methodist church.

Besides his wife, he is survived by seven daughters, Mrs. Rheingruber of Oak Park, Ill., Mrs. Calvin (Wilma) Kuebler of Conway, Mrs. Hugh (Patricia) Lamb of Erie, Pa., Mrs. John (Joan) McKenney of East Jordan, Mrs. Leonard (Nancy) Niswander of Petoskey, Mrs. Bill (Margaret) Busher of Wayne and Mrs. Ivan (Elaine) Whitley of Charlevoix; four sons, Elmer Jr. of East Jordan, William of Reed City, Wallace of Muskegon and Lewis of Charlevoix; 24 grandchildren; one great-grandchild; a sister, Mrs. Charles Martini of Charlevoix and Stuart, Fla., and a brother, Cecil of Detroit.

One thing leads to another and, first thing you know, you wonder how you ever got involved.—William Feathers.

Three Injured In Auto Accident

Mrs. Joseph Stutzman, her son, Gary, 18, and daughter, Janice, 20 and a senior student at Michigan State University escaped serious injury Sunday when their car was struck by another at the intersection of US-27 and 21 at St. Johns.

The trio, with Gary at the wheel, were traveling north when a motorist made a left turn into the path of their car at the intersection.

Mrs. Stutzman received severe lacerations of the forehead and minor cuts and bruises; Janice, lacerations of the forehead, a sprained back and bruises and Gary, bruises. Mrs. Stutzman and her daughter were hospitalized at Clinton Memorial hospital for treatment and x-rays. They were discharged Monday. Gary was given emergency treatment and discharged.

Mr. Stutzman went to St. Johns for them.

The Stutzman car was demolished.

BETWEEN YOU AND ME

- By Harold E. Kohn -

A Christmas Prayer

O God,
Who once made a star to shine
In the darkness of a dismal world,
So that Wise Men might know
The Saviour had come,
Give to us now
Wisdom and alertness of mind
To see stars of hope
Still shining.

Help us
To see that
The most hopeful Event in human history,
Christ's birth,
Came amidst hopelessness,
and
The greatest Miracle of all
Was wrought amidst the commonplace
Of a lowly manger,
And that, even yet,
No darkness can dim His light
and
No heart is too humble
To shelter Him.

Help us
To see that the blessed life that began
In a Babe in Bethlehem
Is still alive,
Still here,
Still real,
Still needing a home.

Help us
To see that
The Word made flesh in Christ
Can still express itself
In flesh today,
Our flesh,
Our lips,
Our hands

Help us
To see that
One day brimming full of joy,
Kindness, generosity and self-forgetting
Can overflow into all our other days.
Help us
To see that
For those who seek Thy light
All darkness makes Thy stars shine brighter.
So give to us, now and always,
The upward look.
Open our eyes,
Open our minds,
Open our hearts,
This Christmastime.
Keep them open
All our days.

Amen.

Since an issue of paramount importance is now to be presented to the electors, I want everyone to know where I stand right off the bat.

I am against the proposed sale of Charlevoix's electric business because in my judgment it is not for the best interests of the people of Charlevoix.

NORMAN D. ANCE

It's Christmas

. . . and time to wish old friends and new the happiest of holiday seasons and the best of everything in the New Year.

Because this is an impossibility for many reasons, I'd like to take this means of saying just that to all of you and to thank you for your friendship and your many kindnesses to me.

Voice of Our Readers . . .

We are a group of sixth grade girls who would like to be active in Girl Scouting, But we need a leader for our troop before we can do so.

We had an enthusiastic group last year but because our leader's husband was transferred to a new project, it left us without a leader.

We have been told that there will be training for any adult who is new to Girl Scouting and have been assured that help and suggestions will be available.

Won't you help us by volunteering to be our leader? You can do so by calling Mrs. Lloyd Arnold at LI 7-2667.

The people in Charlevoix have been kind to me. I have been in many homes here and in the surrounding country and have been treated well.

I want to thank the doctors for helping me get places to nurse. We are very fortunate in having three good doctors not forgetting the good doctors who have gone before, Doctors Armstrong and McMillan whom I knew best.

Dr. Armstrong in the horse and buggy days, traveling miles through cold and storm and Dr. McMillan, during the war, when help was not available.

We know our doctors go tears" by night or day to keep through "blood and sweat and our loved ones here. When they do not have the necessary equipment they take or send the patients where they will get the very best of treatment.

We often see 'Thank You' notes in the paper to show how much the people appreciate what the doctors do for them and not forgetting our good nurses. Doctors spend several years of their young lives learning to serve humanity and dedicate themselves to this most noble task.

At this season of the year I know all will join with me in grateful acnnowledgment for all our doctors do for us.

Mrs. A. C. Hansen.

Rayders Bow To Boyne City 64 to 53

The Charlevoix Rayders dropped their third game of the season Tuesday night when they bowed to the Boyne City Ramblers by a score of 84 to 53.

The Ramblers jumped into a 17-5 first quarter lead, increased it to 33-18 at halftime and held on 50-37 as the game went into the final period.

Vernil Thompson and Larry Gunderson each scored 10 field goals as the former scored 28 and the latter 22 points for the game.

John Curtis had 15 and Dave Rader 14 for the Rayders followed by Bruce Kroken with nine, Jim Uhrick with six, Pete Ance four, Dan Pearl three and Frank Curtis one. Jack Uhrick, Rick Miller and Brenden LaBlance also saw action.

Pellston Gains League Lead

Pellston took over the league lead Tuesday following the Hornets 54 to 43 victory over Harbor Springs while elsewhere Gaylord was upsetting Grayling 85-82 in an overtime game.

In other games Mancelona dumped East Jordan 62-38 and Charlevoix lost to Boyne City 84-53.

At Pellston the Hornets trailed the visiting Rams 11-9 at the quarter but snatched the lead in the final second of the half to take over 20-19. They managed a slim lead for the remainder of the game before coasting to victory behind the scoring of Ed Clear who shared honors with Harbor's Paul Ranney who also had 20 points.

The lead changed countless times at Gaylord as first the Blue Devils and then Grayling went ahead. Gaylord held an 18-18 quarter lead only to lose it to Grayling 26-25 at halftime. In the third period the Blue Devils snapped back with a 44-42 advantage but trailed as the game went into the final 30 seconds when Art Tebo knotted the score as time ran out. In the overtime Ron Jenkins put Gaylord ahead and Charlie Howe scored the clincher with 20 seconds remaining.

Tim Neal paced the scoring with 24 points for the Vikings. Young Tom Lick came through with 20 for the victors.

At Mancelona Pat Dutcher dumped 28 points as he led his team to 14-7; 30-17 and 48-29 leads by quarters. Mickey Ball was top scorer for the Jordanites with nine points.

Christmas Carols Have Long History

Today's Christmas carol is a domeaticated descendant of a lively folk dance.

The carol started out in the Middle Ages as a circular country dance, called a "carole" in French, according to World Book Encyclopedia. Some of the early Christians looked askance at dancing, however, and the carol soon lost its steps.

The lyrics of the songs that had accompanied the dance began to change, too, and eventually the "macaronic" styla appeared. Thia consisted of tacking a Latin phrse on the popular lines, so that the people sang: "Make we joy now in this feast In qua Christus natus est." Tbey didn't necessarily understand the Latin, although it carried on the sense of the song, but the stately Latin words gave them a religious image.

In 1223 St. Francis of Assisi started the custom of placing a creche, or minlature Nativity scene, in the church at Christmas time. People began to act out the events of the Nativity—one of the steps in the development of mystery plays—and tben to compose carois to sing with the plays. These led to the French noels, strictly Christmas songs, which, in turn, inspired the English carol.

Carols, both secular and reiigious, flourished in England untii the Puritans substituted their more spiritual hymns. These carried aiong their less earthy messages for more than a century, until a demand for better Christmas musie brought back the earoi.

Methodist Church To Be Site of Live Nativity Scene

The First Methodist church will be the site of a live Nativity scene from 7 to 8 p.m. Friday and Saturday.

Members of the seventh and eighth grade Sunday achool classes will portray the Nativity acene in an area immediately in front of the church proper on State st.

The scene will be apot-lighted with an intermission mid-way in the hour-long showing when the stage will be in darkness.

The ambitious showing is being planned by a committee headed by Mr. and Mrs. Joseph R. Williams. Donald Bogart will be in charge of lighting.

Brownie Scouts to Carol Friday Eve

Brownie Scouts will carol at the Charlevoix hospital at 7:30 p.m. Friday it has been announced.

The Brownies are to meet at the Elementary school for transporation to the Charlevoix hospital where they sing carols for the eighth year.

They will then be guests of Miss Anne Baumgartner, superintendent of the Charlevoix hospital, for hot cbocoiate before returning to the school where parents are asked to pick them up.

Approximately 90 youngsters from four Brownie troops, accompanied by their leaders and Senior Girl Scout aids, will participate.

Parents are reminded to have their Brownies at the elementary school at 7:30 and to pick them up at 8:30 p.m. Friday.

It might interest some person who wants to chasb this writing business that, on the average, it takes about half an hour, sometimes much more, to write as mueh as is printed in this sentence.—Wm. Feathers.

SUNDEW REPORTS

Since the middle of November when the Coast Guard Cutter Sundew laid the cables in Round Lake for the pierhead lights, fog signal, and telephone connection to the crib lights, we have been in and out of Charlevoix withdrawing buoys as their decommissioning dates came due.

The winter buoy removal program is performed by the Coast Guard on the Great Lakes and other waters, where, during winter, massive, steel-crushing field of ice destroy the navigability of the water for most vessels. The tremendous shearing force of a large field can rip the sturdy lantern and cage mount from a lighted buoy. Or it can squeeze a smaller buoy above the ice surface and carry buoy and moorings to far away places.

Only key danger spots are marked with a small unlighted buoy called a winter-marker, whose bottom is designed so as to minimize the lifting effect of the ice.

As it happens, the winter decommissioning season occurs when the weather is at its worst. Cold, relentless northwest winds sweep down the lengths of Lake Michigan and Lake Huron. During these storms it is not unusual to encounter 10 to 12 foot seas out on the unroctected lake. Removing these buoys under such conditions is an annual routine that is rugged and dangerous, particularly to the men on the bouy deek who perform the actual bouy pick up. The Sundew, like any other bouy tender, has learned to take advantage of iulls in the weather. But there simply are not enough good weather days during the withdrawal season to permit all of these aids to be removed.

The first week in December provides a good illustration. The week began with a lake flat and shiny as a fine plate mirror, but by early Wednesday the weathervanes began to point toward the northwest. Four witbdrawn aids later our radio antenna and rigging were humming a high pitched tune witb winds gusting to gale strenth.

After a night in Mackinaw City, we headed for Charlevoix. Steaming west from the Mackinac Bridge, windswept seas exploded over the bow shooting white sheets of spray over the pilot house. All loose gear was lashed securely but an occasional crash followed closely by a shout of dismay from the vicinity of the mess deck indicated that somcone's bowl of hot soup wasn't going to be consumed.

Three miles from the Charlevoix pierheads all that could be seen was dense fog and driving white snow. Eight to 10 foot seas bolstered by 50 knot winds were speeding us on our way to the pierheads. We decided not to enter Charlevoix. In order to maintain even the minimum rudder effect neccssary to steer through the pierheads with a heavy following sea our speed would have been too high to make a safe entrance without the risk of shearing into the pierheads themselves. We came about and two hours later we were moored across the dock from the S/S John L. A. Galster at Harbor Springs.

In order to keep up the schedule of busy withdrawals it was our hope that the storm would blow itself out by Friday morning. It didn't. By mid-morning, CDR Francis J. Mann decided "time was a-wasting" and we set out for Grand Traverse Bay. The lighted buoy off South Fox Island was out of the question but the buoys at Lee Point and Traverse City were in semi-sheltered waters. We got them both, but it took some doing. Although bouy work is an everyday job for the men of the Sundew, it is still a source of thrills to us.

The basie method of removing a bouy from the water, in words, is simpie. The ship merely draws alongsidc tbe aid. When the bouy is situated at the bouy port, the boom hook is connected and the bouy is hoisted aboard. However, the actual effecting of a withdrawai ean at times provide much evcitement. Most of our lighted bouys weigh about 15,000 pounds. Their moorings may add another three or four tons. Handling this mueh weight on an unstable platform requires skill and experience. The fact that bouys are stationed to mark shoal areas and other dangers to navigation requires that the ships working these bouys must sometimes operate in treacherous waters. With these things in mind, let us foiiow the actuai withdrawal of a lighted bouy.

Approximately half a mile from the aid, the conning officer maneuvers the ship so that the wind and sea are close on the bow on the side opposite the pick-up side of the ship. Onec this approach is started it must be adjusted in aecordanee with the not so obvious set of the current. How these factors will affeet the ship with respect to the shoal and the aid are the concern of tbe conning officer.

As the vessel draws eloser, speed is reduced to bare steerage way. The noise of the engines thus reduced, there is silenee, a lull before the storm. The boom is rigged out, hook and tag lines ready, the buoy crew waiting tensely. Closer now, the random clank of the gong can be heard as the buoy bobs in the sea, tossing this way and that. The aid is almost to the buoy port, a few iast minute adjustments are made on the boom and hook positions. A tag line is rove through the metal hoop ealled a lantern guard just below the light. This line helps to steady the buoy and hold it alongside until it ean be hooked. Thc ship goes up, the buoy goes down, the lantern guard is transferred nito a guillotine as it scissors along the side of the ship. The buoy port is no place for a hesitant hand or foot. Using a special hook, a line is rove through the lifting bale of the buoy. This line is then used to gulde the boom hook into the lifting bale. There's lots of acciviy around the buoy port now. One man is leaning over the side coaxing the lifting hook into the bale on the buoy's body; another, grasping the first individual's belt is steering him away from the lashing, angrily struggling buoy. Five men at the buoy port break from what appears to be a football huddle. A split second later, the thrashing structure crashes into the buoy port shooing them on their way. In a few moments, they're back again taking up where they left off.

The buoy hooked, the signal is given to lift if from the water. Three seaman struggle with the tag line to prevent the buoy from swinging out of control. Now the aid is swung across the buoy deck slowly, and close to the deck so that is can immediately be lowered to the deck if anything goes awry. Lowering the buoy into a special set of chocks called a cradle prevents the buoy from rolling on the deck. Another line is snapped on the aid and its mooring chain is disengaged. Up to this point if anything had caused the ship to move unexpectedly, the 7½ ton buoy might have been dragged by its moorings off the deck, taking heavy bulwarks and buoy deck personnel with it.

With the buoy lashed securely, the crew may now devote its attention to pulling up the chain and sinker. The ship handling ability of the skipper is very important, for the chain is hoisted aboard in 30 foot lengths, each of the two purebases on the boom successively taking a bite of chain, "two blocking" it and lowering it to the deck. If in holding the ship's position against wind and current, the conning officer moves too far ahead, the chain tending aft could flip the boom into tbe pilot house bringing damage and personnel disaster with it. Also in this somewhat poor bargaining position the skipper must concern himself witb the ever present shoal. But, once the job is completed, the ship sets out for the next buoy and the crew files into tbe mess deck for some steaming hot coffee and a laugh or two about the experiences on the last aid worked.

With the exception of those of you who own snowplows, iittle need be said about the snow storms lasting through Dec. 10. Just as the drifts kept many cars in their garages, so the Sundew remained moored through Monday.

To catch up with our acbedule, we pulled a record 17 buoys on Tuesday and Wednesday. By early Friday morning we had the remaining eight of our buoys out and were making our rounds of the light stations.

The personnel on these lights, miles from land, completely shut down these isolated masses of concrete and turn on a "winter light" which is a battery-operated affair with a candle-power output somewhat higher than that of a lighted buoy. About a dozen of these men live in Charlevoix with their families. This accomplished, the Sundew expects to remain in Charlevoix until the end of January when we will trade our buoy tender's duties for that of an icebreaker's.

Sundew Scuttlebutt

Jim Wright, Fireman Apprentice, bid adieu to Charlevoix Dec. 9. The ticket on his bage read "To Group Detroit" And the "Twist King" of the Sundew, Terry Burrington, was transferred to the CGC Mackinaw in the north country . . . Recent newcomers to Charlevoix include Larry Heite, Seaman Apprentice, and Herb Spille, Electronic Technician second class. Larry comes straight from boot Camp at Cape May, N.J., while Herb had but little change in scenery, coming from Traverse City to join us .... Larry Armstrong, Engineman third class, moved here from Base Milwaukee the middle of December with his wife, Rose, and 13 months old daughter, Beth. .., Also Ernesto Andalis, Stewardsman Apprentice, came all the way from the CG Receiving Center in Almeda, Calif., to join our crew ... The 19th of December was an important date for our ship, for just after the stroke of 12 early that morning, Lieutenant Commander Francis J. Mann became Commander Francis J. Mann. Our ship now outranks all tbe other buoy tenders on the Great Lakes .... Last, but far from least, another new member of the ship's company has recently "reported aboard" .. a female at that .. "Shackles", our new mascot. She is a six-weeks old pure bred Huskey and is sure to be a welcome addition to the Sundew's crew.

MODERN ELECTRONIC MARVELS that help give you dependable telephone service are wonderful, but they'd be of little use without telephone *people*. For example, telephone engineers must plan the buildings and equipment to provide this service. Plant technicians install and maintain the equipment. When you call about your service, our Commercial personnel provides the information you need. Long Distance and Information operators help you with your calls. Accounting personnel prepare your bills and record payments. And our Marketing people keep your directories up to date and give business customers expert communications advice. All work together to make sure your telephone service meets your needs—24 hours a day, 365 days a year.
IT'S FOR YOU! IT'S CHRISTMAS!

High School Band Presents Christmas Concert Wednesday

The Charlevoix high school concert band directed by C. A. Odmark presented a Christmas concert at the high school gymnasium Wednesday evening.

Included in the program presented by the 70-piece organization were several traditional holiday numbers including "Christmas Rhapsody" by Long; "Christmas Suite", Walters; Berlins' "White Christmas"; "Sleigh Ride", Leroy Anderson and the popular "Frosty, the Snowman". Also performed were the overture to Mozart's opera "Impresario" plus several well known marches.

The concert was scheduled hurriedly when it was found that it would be impossible to schedule rehearsals for the annual Vesper Concert by the Charlevoix Community Concert, according to Mr. Odmark.

The Christmas concert presented Wednesday evening was substituted for the Vesper Concert inasmuch as there is no vocal program in the high school as the result of activities curtailment.

Because of the late scheduling there was little time for publicity, a fact Mr. Odmark regrets.

Past Noble Grand Club Holds Annual Christmas Party

Fourteen members af the Past Noble Grand Club met Thursday at the home of Mrs. Glenn Rose for a cooperative turkey dinner and a Christmas party.

After a brief business meeting, members revealed the names of their 'secret pals', exchanged gifts and drew names for 1963. Everyone present signed a card to be sent to a member, Mrs. Luther Hannah, who is a patient at the Charlevoix hospital.

Those present were Mrs. Floyd Ilkens, Mrs. William Ager, Mrs. Georgo Cook, Mrs. Earl Blood, Mrs. Birdie Gleason and her guest, Miss Lillis Flanders, Mrs. Leroy Allers, Mrs. Jeroid Murdick, Mrs. Fred Gill, Mrs. Grace Geneit, Mrs. Raymond Seymour, Mrs. Rasmus Hendrickson and Mrs. Rose.

Vikings Control Play And 69 to 47 Victory

Playing at Grayling Friday night, the Charlevoix Rayders did not have what it took to stop the Viking forward wall as they led the visitors all the way.

Charlevoix trailed 19 to 10 before outscoring the Vikings 17 to 13 to trim the margin to 31 to 27 going into the second half. The Vikings, however snapped back with 16 points to nina for the Rayders to assume a commanding 47-36 advantage going into the final period when they poured in 22 points.

Starting for Charlevoix were Frank Curtis and Dan Pearl in the forward positions, Dave Rader at center and the Uhricks, Jim and Jack, in the guard positions. John Pearl joined the action early in the game with Rick Miller seeing action before the period ended. Bruce Murray replaced Rader in the second period and alternated with him throughout the remainder of the game.

Charlevoix scored 19 field goals, nine free throws on 13 attempts and collected 13 personal fouls. John Pearl paced the scoring for Charlevoix with 20 points followed by Dan Pearl and Jim Uhrick with eight points each; Curtis with five; Miller with four and Murray with two.

Grayling was paced by Tom Wright with 22 points followed by Christ Kroll with 21 and Tim Neal with 16 points as the Vikings dumped in 27 field goals; 15 of 23 free throw attempts while collecting only 11 personal fouls.

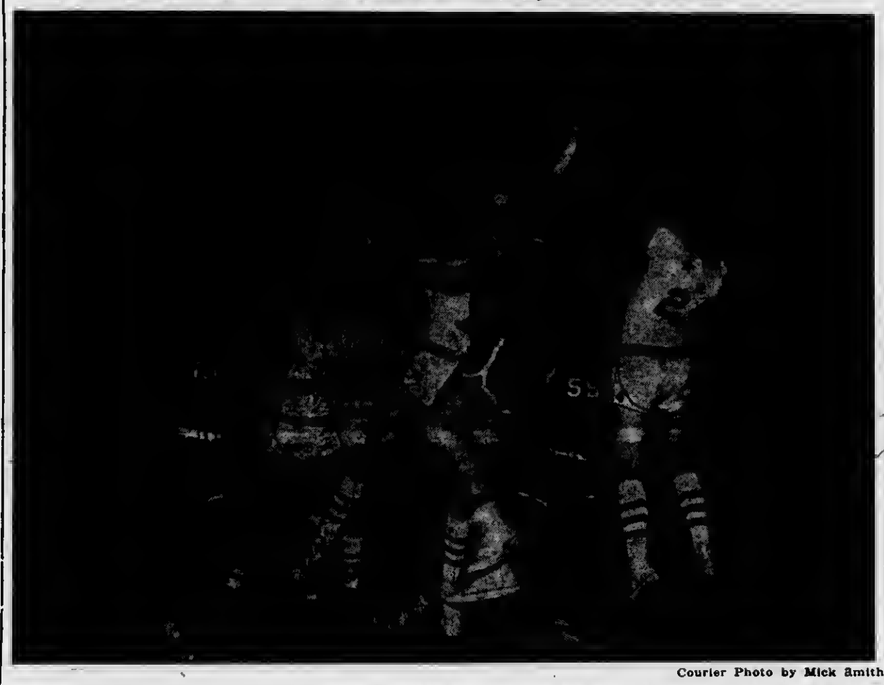
The Rayders big Dave Rader (51) tips the ball over his shoulder only to have an unidentified Viking stretch for it in the meeting between Charlevoix and Grayling on the latter's floor Friday night. The act Dan Pearl, Frank Curtis (45) and Jim Uhrick (21) poised for the outcome.



Courier Photo by Mick Smith

In a mad scramble for the ball under the basket at Grayling Friday night, seven of the 10 players got into the act. Rayder Jim Uhrick (21), Frank Curtis (45) and Bruce Murray (55) are among the players in on the action. The Rayders dropped the game 69 to 47.

Last Week With Class C

Harbor Spprings and Pellston continued their league lead following Friday's games after the former had trimmed East Jordan by a lopsided 69-36 score and the Hornets had edged Boyne City 57 to 42.

Elsewhere Grayling took over second place with a 69-47 win over Charlevoix while Gaylord made its way into the win column for the first time by edging Mancelona 52 to 47.

Harbor Springs 69 East Jordan 36

Paul Ranney popped in 26 points including 10 field goals and Cecil John contributed 16 points as the Rams rolled to a 20 to 10 first quarter lead which they increased to 36 to 17 at halftime and 62 to 30 at the three quarter mark before rolling to victory as Coach Charlie Paige emptied the bench. Don Roberts was top scorer for the Jordanites with 13 points.

Pellston 57 Boyne City 42

The Boyne City Ramblers stayed with the Pellston Hornets for two quarters, trailing by only a few points until the third quarter when they were out scored 20 to 7 thus losing ground as the game went into the final quarter. The Hornets led 19 to 15 at the quarter; 28 to 21 at the half but dropped far behind during the third period, trailing 46 to 28 going into the final period. Ed Clear scored 19 and Stan Bodzik 11 points for the winning cause as the Hornets scored 22 field goals, 12 out of 17 field goal attempts while collecting only seven personal fouls. Boyne City scored 20 field goals, two of seven field goal attempts while collecting 21 personal fouls. Larry Gunderson was top scorer for the game with 20 points for the Ramblers.

Gaylord 52 Mancelona 47

At Mancelona the Gaylord Blue Devils trailed the Ironmen 13 to 9 at the quarter; 29 to 21 at halftime and 40 to 35 at the three quarter mark when they found the range, knotting the score 45-all at the three minute mark.

The Ironmen were able to score only one more field goal as Gaylord assumed command to roll to their first victory of the season.

Ron Snell paced the victors, scoring 20 points followed by Art Tebo with 11 points. Pat Dutcher accounted for 20 points for the Ironmen followed by Leroy Hood with 12.

Charlevoix JV's Top Grayling 68 to 52

Charlevoix's Reserves continued their winning ways at Grayling Friday night, dumping the young Vikings 68 to 52 in a game in which they trailed until last minute of the half when they took a slim 31-30 lead.

The two teams battled a 47-46 advantage going into the final period when the Rayders started to hit to outscore their hosts 21-6 for the victory.

Starting for Charlevoix were Doug Winnell, Ken Parrish, Dave Smith, Wayne Belding and Chip Terrill with Dave Norton joining the line-up in the first period and Tom Maxwell, John Ferguson, Tom Bleha, Mike Crain and Don Smith seeing action in the final period.

Parrish paced the game with 26 points including 11 field goals, five of which were scored in the final period. Belding had 16; Terrill and Norton, seven each; Winnell and Dave Smith, four each and Don Smith two points for the victors.

John Roberts and Richard Smith had 14 points each for the young Vikings.

James Porter Speaks At Lions Club Meet

James Porter, public relations director of the Top-O'-Michigan Rural Electric Co. was the guest speaker at the regular luncheon meeting of the Lions club held Monday at the Weathervane Inn.

He gave an interesting and informative talk on rural electrification and its impact on farm operations and the tremendous expansion of rural electric companies throughout the nation. He was introduced by the program chairman, Henry Fellx.

More than 500 fruit cakes were sold during the recent sale, according to Alun Bevan, project chairman, who said more were available and may be obtained by calling him, any Lions club member or Paul Kohler at LI 7-2101.

During the luncheon there was a Christmas gift exchange.

It was announced that the Lions club would again have Christmas boxes at the check-out counters of local stores. Groceries and other items collected in this manner will be distributed by the club to needy families on Dec. 24. To prevent spoilage of frozen foods, donors should call attention of the store-keeper to their donation.

Income Tax Topic At Kiwanis Meeting

Ralph S. Hamilton spoke on the subject of Income taxes at the regular dinner meeting of the Kiwanis club held Monday at the high school cafeteria.

He was introduced by the program chairman, Fred Willis.

Plans for the next dinner meeting of the club and for two round table meetings were announced by the president, Glenn B. Snider. The next dinner meeting will be a mid-week event at the cafeteria at 6:30 p.m. Thursday. Roundtable meetings will be held at the Weathervane Lodge on Christmas Eve and New Year's Eve.

Ten members received perfect attendance pins. American Student Shares Impression of East Berlin

The experiences of an American student attending a German University and her impressions regarding a trip to East Berlin and of the Wall were told recently in a letter from Ann Martin to her parents, Dr. and Mrs. Robert G. Martin.

After two years at Northern Illionis College at Naperville, she is attending the university which was established in 1527 by Philip, Count of Hessen, and which today bears his name. The University is located at Marburg, approximately 60 miles north of Frankfort and for this reason is called the University of Marburg.

Recently another student at the University ,Volker, who had escaped last summer from East Germany, arranged for Ann and another American student, B.J., to meet two of his friends in East Berlin during their trip.

Her story of the preparations and the trip are told in the following paragraphs taken from her letter.

"Friday night Volker came over and gave us complete instructions (regarding the trip)... showed us pictures of the boys and said not to talk with anyone til we were sure it was they, where to meet them, not to let it look like we were meeting someone, not to discuss the meeting with the communist party members with badges on their shirt pockets, not to answer anymore than was asked at the check point, not to take the map he drew for us on the trip, ... most of the precautions were for the boys we were to meet.

Nothing much can happen to us as Americans. However, the people (in East Berlin) live in constant fear of arrest over there for even the suspicion of wanting to escape. Volker's father lives there too but he can't meet us. He doesn't dare have anything to do with the West because he thinks he's being watched. He failed to escape with the rest of the family on the 13th of August.

Sunday afternoon we left for Bonn by chartered bus and arrived at 4 p.m .I'm rooming with a German and American whose parents are German and they speak it at home. Our hotel room is the nicest I've been in so far. The only thing it lacks is a private bath.

This morning we saw the Bundestag and Bundesrat chambers (comparable to the House of Representatives and Senate, respectively). They weren't in session. Then we heard a lecture on German aid to the development countries which I didn't follow. Late this afternoon we heard another lecture on the question, "Is the German Bundesrepublik a democratic state?" The speaker was a member of the minority party SPD (socialist) which had the overwhelming majority in Hessen. The Hessen election was yesterday, incidently a big thing!

On Wednesday morning we set out at 7 a.m. from Hannover to cross the East Sector to get to Berlin. It's hard to describe how it feels to have to drive through that land to get to another part of free Germany. We all stared out the windows like a bunch of monkeys at the Russian soldiers. All around were big propaganda signs saying that the DDR was for peace. As we droved through the countryside, the workers in the fields would stop and all wave as we went by. We went through one village, old and sleepy-looking, with only dirt roads.

Berlin has a surprisingly big surrounding area that is also free. I had always though the people were just trapped in the big city. But there are pretty lakes and woods where the people can go to get away from it all. The only trouble is, that everyone has the same idea at once when it's nice weather.

Downtown Berlin is fabulous! It's so modern ... new buildings, broad streets, almost as many neon signs as Times Square. I was really amazed. You get the feeling that Berliners are just packing all the life and merriment possible into their little island. They're so close to the misery and crueity of the border, they feel every little thing ... you see signs everywhere ... and yet they're much gayer as a rule than the other West Germans. That I've heard from many different people, and I could notice it a little myself. Berlin is said to have a special atmosphere that is found nowhere else, independent of the division. It'a quite exciting to be a part of it.

The wall itself is the ugliest thing I've ever seen. The area in West Berlin along the wall is not much different fro East Berlin. They probably haven't gone to too much trouble to rebuild it because of the continual danger of fighting on the border.

The first spot we saw along the wall was the place where Peter Fletcher was shot as he tried to climb over last August. There'a a monument to him there with a cross, wreaths and flowers. Similar monuments can be seen along the wall where people have lost their lives in trying to escape. People have painted things on the wall too. Over and over we saw "Wie lange noch?" (How much longer?) painted in big white letters. Then we would see other things such as 15,000 women separated from their "there is only on Berlin!"

The wall is built out of old bricks and I think someone said it was six feet tkick, but it doesn't look quite that thick to me. It's high enough so you can't see over without standing on something, and across the top there is also barbed-wire, sometimes in long straight lines and sometimes just tangled. There are certain places where people used to stand and wave to their relatives on the other side, but now they've put up big boards as blinders, so that's also impossible.

The East Berliners aren't allowed to come with I think it's a hundred meters of the wall. Thus any buildings in that area must be evacuated. Among the buildings is a church, the entrance of which is cut off by the wall. The post in front with scripture and announcements on them are right in the wall now and face the West. It's quite an odd sight, to say the least.

East Berlin is just about like I had pictured it. It's just sort of gray and old-looking. It has very few neon lights, or new buildings. A lot of the war wreckage has not been cleared away. The main streets Unter den Linden, Stalinalee and Friedrichstrasse are quite broad, but colorless. There aren't nearly as many shops, and what they have are inferior and expensive. The shoes, for instance, were all round-toed, thick-heeled and horrible shades of brown and gray mostly. East German marks are worth 1/6 of West marks but when they change our money they change it one to one, so westeners don't come over and prices. (I said they were high take advantage of the lower but that's when you change the money one to one).

As for the people there, from all outward appearances life moves on just like it does here .. they can laugh and joke too. You have to get behind the scenes a little to know how they really feel. Therefore we really enjoyed visiting with Volker's friends there. Unfortunately our time was too short. We want to go again some time.

Oh yes, all over the place in East Berlin you see big red signs with white lettering saying that the DDR is the first German republic that is really for peace, and that socialism will bring peace and prosperity to the people. We've learned so much about the life over here that I can tell you, but I couldn't begin to write it all. You'll just have to pump me with questions when I get home.

The group of foreign students whom I traveled with were really sweil kids and we've established some very good friendships. I roomed in Berlin with Sally from Egypt and Rosa from Spain. We had such good times together. The whole group is so friendly. I think an international group can sometimes become more closely knit than one from a single country.

Saturday night we saw "My Fair Lady" in German. I really enjoyed it. Even the songs were translated but they didn't sound quite as pretty in German. Cockney English was translated into Berlin dialect and "The rain in Spain stays mainly on the plain" became "ES grunt so grun, wenn Spaniens Bluten bluhen". The actors were good and comparable to our Broadway stars in fame.

Sunday morning we got up at 5:30 and after breakfast started back. There was no trouble as we passed the first control entering the Soviet Zone. Most of us slept all the way through the zone, but when we got to the last control, we had a rude awakening. They decided they wanted to search our baggage. So we all had to get out, all 35 of us, and wait in line as they called us in one by one. The whole process took two hours, and we came out minus well over a hundred dollars' worth of books, pictures and slides! You never saw such a sick bunch in your life as we were when we pulled out of there! We had each received a lovely picture book of Berlin costing 10 marks apiece free from the Berlin Senate. Unfortunately, it had four pictures of the wall in it so almost all were taken away. I was one of about five lucky smugglers. All they took from me were three postcards which I had already written and only not mailed for lack of money to buy stamps. One was a great big one to you with a picture of the Brandenburg Gate and the wall and barbed wire across the front of it. Too bad. But some kids really suffered monetary losses. Really we found the whole thing quite dumb of them. They were really kidding themselves if they didn't think we didn't have the same type of pictures on the film in our cameras, and that we wouldn't descibe what we saw ourselves. There was nothing that they took away that wasn't already common knowledge in the West. They certainly made themselves more unpopular by this act than anything we might have brought back could have done. And do you know what they do with all those books? They burn them! We were really angry.

Volker was quite pleased to hear that the communists had made such good propaganda against themselves for all of us who will take the word back to our respective countries ... especially those countries in Africa and Asia which they are supposedly trying to impress. Anyway, we got home Sunday evening much wiser and sorry for the week had flown so fast.

Local Churches Plan Christmas Services

(Continued from page 1)

Sunday School hour of 10 a.m. Sunday when the Sunday school classes will study the lesson entitled "The Virgin Birth and Names of Jesus Christ".

The 11 a.m. worship service will feature special Christmas music and congregation singing with a Christmas message, "What's in a Name" by the Rev. James Lugibihl.

The Sunday school will present its traditional program at 7:30 p.m. Sunday. The entire Sunday school will participate in a Christmas play entitled "Home for Christmas". At the close of the program there will be treats for the children.

The public is invited to attend these services.

St. Mary's Church

The observance of Christmas at St. Mary's church will begin at 11:30 p.m. with the girls' robed choir singing Christmas carols.

Midnight Mass, the first of three Masses on Christmas Day, will be celebrated by the pastor, the Rev. Fr. E. F. Denay with the Men's Choir singing "The Mass of the Holy Family" by J. V. Dethier, accompanied by Mrs. Frank M. Oleksy.

Masses on Christmas Day will be celebrated at 8:30 a.m. and 10 a.m. with the Children's choir singing the Christmas hymns.

Confessions in preparation of Christmas will be heard from 6 to 7 p.m. Sunday and from 4 to 5:30 and 7 to 8 p.m. Monday.

This year the vigil of Christmas will not be a day of fasting and abstinence Rev. Fr. Denay has announced.

Community Church of God

The presentation of the Sunday school program at 7:30 p.m. tonight (Thursday) will open the observance of Christmas at the Community Church of God. The program, consisting of songs, drama and recitiation, will be presented under the direction of Mrs. Mike Veenstra and Mrs. James Bearss. A treat for the young folk will follow.

Miss Delora Richardson has arranged for the decorating of the sanctuary of the church and the Young Adult class, under the direction of Mr. and Mrs. William Kerr, have arranged for the trimming of the Chistmas tree.

On Sunday a special Christ's Birthday offering for the missions will be received during the Sunday School devotional period under the direction of Mrs. John Fratrick.

At the morning worship service at 11 a.m. Sunday, the pastor, the Rev. George L. Majors, will be speaking on the subject, "Beneath the Wrappings". The choir, under the direction of Glen Bearss, will be singing "A Saviour Christ the Lord" and "Christmas Night".

On Sunday evening, the young people of the church will present their annual Christmas play, "Come, Ye Faithful Wise Men" by Mark E. Clark. Mr. and Mrs. David Clark will direct the presentation. Kenneth Boss will lead in the song service.

Assembly of God Church

The Assembly of God church at 203 East Upright Ave. will be the scene of the annual Christmas program to be presented by the Sunday school of the church at 8 p.m. tonight (Thursday).

The program will feature a play entitled "And There Found They Christ", a story of a city family who, while snowbound in the country at Christmas time, find some real values in life. The young people will present the play under the direction of Mrs. Arthur Austin. The children of the Sunday school will present recitations.

At the Sunday morning worship service at 11 a.m., the Rev. Mr. Austin will deliver his Christmas sermon which he has entitled "Values". Special music will be presented by Mr. and Mrs. Ted LaCroix of East Jordan.

Special musical numbers in keeping with the Christmas season will be presented at the 7:30 p.m. Sunday evening service.

Ironton Congregational Church

Christmas at the Ironton Congregational church will begin at 7 p.m. Friday when the choir and others interested in joining them meet at the church to go caroling.

The pastor, William H. Harman will deliver his Christmas message at 11 a.m. worship service Sunday. The choir will sing the traditional "What Child is This?" and the organist, Terry Nielsen, will play a solo, 'O Holy Night".

The Sunday school will present its annual Christmas program at the church at 7 p.m. Sunday evening.

The traditional Christmas Eve candlelight service has been scheduled for 7 p.m. Monday evening.

Norwood and Barnard Methodist Churches

Christmas will be the theme of the sermons to be presented by the Rev. Harold Cox of East Jordan, who services these mission churches, when he appears in the pulpit of the Norwood church at noon and at the Barnard church at 2 p.m. Sunday.

There will also be special music at the Barnard service.

Members of both churches and the community are invited to attend the annual Christmas Eve candlelight service at the East Jordan Methodist church beginning at 11 p.m. Rev. Cox will present a brief message. The choir will present several seasonal selections and the choir will sing traditional carols.

Bethany Lutheran Church

Members of the Bethany Lutheran church will observe Christmas at a special worsbip and communion service at the church at 9 a.m. Christmas Day. The pastor, Rev. Albert Engler, will deliver a sermon in keeping with the Christmas season.

The Sunday School of the church will present its annual Christmas program at the church at 7:30 p.m. Christmas Eve.

First Baptist Church

Christmas will be the theme of Rev. Jack Harris' aermon at the 11 a.m. worship at the First Baptist church Sunday. The choir will present special music in keeping with the season.

The Sunday school will present its annual Christmas program at 7:30 p.m. Sunday.

The Sunday school will meet at the usual hour of 10 a.m. and the young people at 6:30 p.m. Sunday.

The choir presented its Christmas cantata at the church last Sunday evening.

Christian Science Society

Christmas will be the theme of the lesson at the Christian Science church at the regular service at 11 a.m. Sunday. Music will also be in keeping with the season.

Sunday school will be at the usual hour of 9:30 a.m.

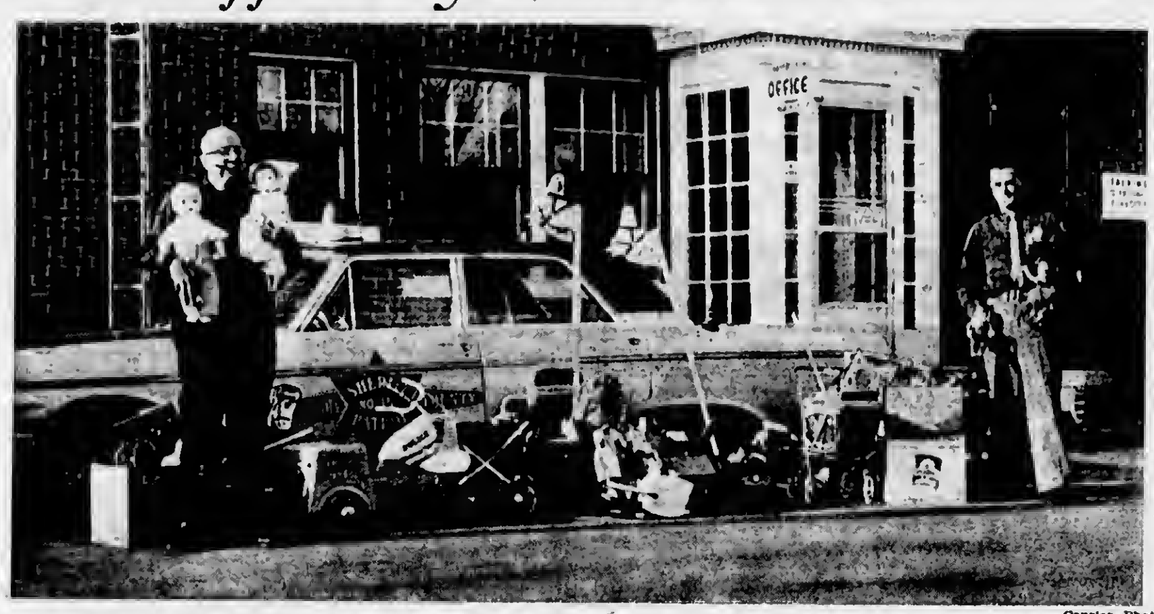
Sherriff Plays Santa Claus



Courier Photo

★ ★ ★

Most people are under the impression that Santa Claus visits good little boys and girls garbed in the traditional red suit with white trim. In Charlevoix county, however he can and does wear the uniform of the sheriff's department and in place of the raindeer and sleigh he makes his visits in the departments patroi car.

And above is evidence for those who doubt this statement.

Pictured are Sheriff Glenn E. Rose (left) and Deputy Philo Sumner with some of the 'reclaimed' toys that were refinished and rebuilt by prisoners at the county jail. Area residents assisted by making doll clothes and assisting in other ways with the project which has been sponsored by the department for a number of years.

The toys are then distributed under the direction of Mr. Sumner to children throughout the county who might not find a gift under their tree were it not for this program. Approximately 540 toys of every description were distributed to needy children this Christmas.

Abandoned toys of all kinds are collected during the year and rebuilt, painted or utilized for parts by prisoners and then given at holiday time to families referred by various agencies and individuals including community nurses in the county.

Famlly Fiees From Burning Home In Night Clothes

Fire of an unknown origin forced the William Maxfield family to flee in their night clothes in 20 degree temperatures at 2 a.m. Monday, according to Fire Chief John Curtis.

Earlier in the evening, Mr. Maxfield had played the role of Santa Claus at a Sundy school program in East Jordan.

The family had retired when they were awakened by smoke which filled the small rented furnished home at 200 E. Lincoln owned by Aubrey Block. As they fled, the living room where the fire had apparently started burst into flames. Mr. Maxfield hurried his family to the home of neighbors from where he called the fire department.

The fire departmene extinquished the blaze before it consumed the frame structure but the couple lost all their personal belongings and clothing. Most of the furnishings were destroyed and badly damaged by smoke and water.

Emergency assistance was given the couple and their two children, three weeks old Stephen and 14 months old Kathy, by the Goldman Meyer fund the Community Christmas project and local residents who responded with funds, food, clothing and furnishings.

The family is presently being housed in an apartment in the former Kraknke building.

Mrs. Keith Miles, community nurse, said Wednesday that the family's immediate needs include a furnished home or apartment plus fuel for such a place. Anyone wishing to aid the family may contact Mrs. James Shaw, Mr. Maxfield's mother or Mrs. Miles.

Five Incumbents Fiie Petetitions For Feb. Eiection

Five incumbents had filed nominating petitions for the February primary election at noon Wednesday according to Deputy City Clerk Herbert Campbell.

However, other incumbents are expected to file petitions before the deadline at 4 p.m. Monday with the exception of Richard Donaldson second ward alderman, who announced earlier he would not be a candidate for re-election. Little interest has been shown in the office and no petitions were out, Mr. Campbell said.

Incumbents who have filed petitions include: E. D. Hawley, mayor; Hugh Mayne, clerk; Annabelle Cunningham, treasurer; Robert Neff, first ward alderman and Harry Gebeau, third ward supevisor.

Five Inches of Snow Falls on Christmas

This northern Michigan community had a white Christmas with approximately five inches of the 'white gold' falling on Christmos day to give the area a storybook look.

Unseasonable weather last week melted much of the snow that had fallen earlier. However, a storm over the weekend brought some new snow. The five inches added Tuesday has attracted hundreds of holiday skiers to northern Michigan.

All main highways were open though they were slippery in spots and most county roads were passable Wednesday, according to the county road commission.

Rites Heid Sunday For Mrs. Ada Budd Well Known Here

Funeral services for Mrs. Ada Budd, 94, mother of Mrs. Agnes Fairbanks former resident now living in Grand Rapids, and grandmother of Mrs. Clifford Riley, were held in Traverse City Sunday. Burial was in a Troverse City cemetery.

A lifelong resident of Grand Traverse county, Mrs. Budd had often visited here when her daughter resided in Charlevoix.

Rayders to Meet Northmen Friday Night

The Charlevoix Rayders will travel to Petoskey Friday to take on the Northmen in the traditional holiday contest between the two squads.

The Rayders will enter the game with a one-four record while the Northmen boast a two one-loss record for the season.

Petoskey is expected to start Jerry Hand, a 8 ft. senior; Gale Sheldon a 6-2 junior in the forward positions; a 6-4 sophomore Fred Rice in the center spot; Terry Ellis and Roger Spencley or Ron Clancy in the guard positions. Steve Bergmann, a former Charlevoixan, may also see action but is not expected to start.

Coach Don Carey is expected to start John Pearl, Frank Curtis or Dan Pearl in the forward positions; Dan Pearl or Dave Rader at center and in the guard positions, Curtis or Jack Uhrick and Jim Uhrick. Others may see action.

Mrs. Otis Thiel, 51 Dies in Reed City

News of the unexpected death of Mrs. Otis Thiel, 51, daughter of former local residents, Mr. and Mrs. George Clark, at Reed City Dec. 15 has been received here.

Besides her parents the former Eva Clark is survived by her husband; a son; two daughters; several grandchiidren and two brothers.

Services were beld Wednesday at the Evangelical church of which she was a member. Burial was in Reed City cemetery.

In Reed City for the service were Mr. and Mrs. Clifford Gennett and sons, Max and Richard, Mrs. Lawrence Korth, Mrs. Russell Curtis and Mr. and Mrs. Charles Rinehart.

State Chamber Invites Officials To Research Parley

Local officials have been invited to participate in one of the Research Conferences to be held next month under the sponsorship of the Michigan State Chamber of Commerce, Paul Kohler, secretary-manager of the local Chamber of Commerce, has announced.

Among the seven cities designated as locations for the conferences, all aim at securing defense and research work for Michigan, is Traverse City where a meeting will be held Jan. 8. Others will be held in southern Michigon.

Object of the conference is to bring business and industry leaders up to date on current research for use in planning, new product development and industrial diversification.

Ironton Ferry Closes for Season

Unseasonably low temperatures causing ice to form on the cables of the Ironton ferry caused an early discontinuance of traffic across the South Arm of Lake Charlevoix at Ironton late Sunday, George Granger, superintendent of the Charlevoix county road commission has announced.

The ferry which transports traffic across the 550 ft. channel usually operates until noon on Dec. 31, weather permitting. It has been in operation since Apr. 16 this year.

The ferry links M-60 with Boyne City via the county road along the south shore of Lake Charlevoix. Travelers must now go through East Jordan or use the county road on the north shore of Lake Charlevoix.

Cribbage Tourney To Start Jan. 3

The first round of the annual winter cribbage tournament between the Oddfellows and Masons is scheduled for Thursday January 3rd at 8 p.m.

Play will continue for ten weeks in the I.O.O.F hall over Williams News Stand.

An invitation has been extended by both fraternal organizations to anyone who enjoys playing cribbage.

To Raise $6,000 for Episcopal Church On Beaver Island

A campaign to raise $8,000 to help underwrite the cost of construction of a new St. James Episcopal church and vicar's cottage on Beaver Island is currently underway according to a communication received from the Rt. Rev. Charles E. Bennison, Bishop of the Diocese of Western Michigan.

The property for the church site has been given by Warren Townsend of Holland. A total of $5,000 has already been earmarked for the building program on America's Emerald Isle.

Dr. Paul Nelson of Grand Rapids has been appointed warden of St. James mission on the island. Rev. Alexander Wood will serve as clergyman-in-charge during the fall, winter and spring months with other clergy in the diocese serving on a two or three week basis during the summer, according to Bishop Bennison.

The proposed new church and vicarage will be of log atructure and will replace the old house which has been used for services since 1954.

The mission has a membership of 20 year-around members and more than 40 during the summer months. It is the only non-Roman Catholic church on the island.

Judges Name Annual Yule Prize Winner

Prize winners in the annual Christmas decorating contest sponsored by the Charlevoix public utilities have been announced following the judging Friday night by a committee composed of Mrs. Harley Ochs, Mrs. Robert Gill and Mrs. Jack Rader.

Mrs. Gill, speaking in behalf of the committee, said that their task was not an easy one and that they had retraced their route several times before naming the winners. They commended home owners who had put forth the effort to decorate their homes to make Charlevoix more beautiful at holiday time.

Winners in the first ward where many homes were decorted were: first place, Robert Goss, 803 Dixon ave.; second, Rex Davis, 708 Dixon ave.; third, Frank Zednicek, Petoskey ave.; honorable mention, Dr. G. Wilson Assigned Wing Officer of 220th ROTC Unit

Scott C. Wilson, Air Force ROTC Senior Cadet at Purdue University, has been assigned to the post of wing officer in the 220th Air Force ROTC cadet air division at Purdue University Col. M. A. Kempton, professor of air science, has announced.

Cadet Wilson has received this assignment on the basis of outstanding achievement and demonstrated capabilities in the military field. In this position, he will receive command experienca which will be applied upon entering the U.S. Air Force following his graduation.

He is the son of Mr. and Mrs. Scott Wilson. He has orrived here from Lafayette, Ind., to spend the holiday recess with his parents.

Christmas Tree Has Unusual Trim

Most Christmas trees have to be decorated but one tree in the community arrived with an unusual decoration according to Lorroine Heise.

She and her fother Edward Heise Jr. were decoroting their Christmas tree when they found a tiny bird's nest with one speckled egg in it. The nest and its contents became a focol point among the decorations, Lorraine said.

City Superintendent Reviews Projects Completed in 1962

A year-end report on the accomplishments of the various departments of the city for 1962 has been compiled by City Supt. Jomes Taylor and relased by Mayor E. D. Hawley.

The report which follows, lists the diversified projects completed by the various diviaions of the city departments. They are not listed according to their importance but in the order in which the information was compiled.

In releasing the report Mayor Howley and Mr. Taylor joined in praising the work accomplished during the year and added that it presented a picture of progress for a rapidly growing community.

A great deal of work was done on the streets during the year including the following: widening of Park ave. from Bridge to State st.; widening of Clinton st. from Bridge st. west to the alley; installation of 479 lineal feet of new sidewalk between Antrim and Clinton sts. on the east side of Bridge st. and installation of a sodded terrace between the above sidewalk and curb. The department also initiated, encouraged and participated in cost of the instaliation of 2,979 lineal feet (or 19,395 square feet) of new sidewalk and installed 1,108 lineal feet of curb.

The regrading and application of new bases and hard surfaces to all of Meadowlane, Central ave. Oak st. and parts of Elm and Cherry sts. was completed; hard surface applied to 32 private driveway approaches and five alley approaches finished with concrete; Elm st. between Central and Meech sts. was regraded and graveled; 2,563 ft. of new street east of Mercer Blvd. and north from Petoskey ave. in the property recently annexed to the city was platted and roughly graded; a section of the yard and parking lot at the new Street department garage was hard-surfaced.

This department is to be commended for the job the men did in keeping the streets clear of snow last winter when a total of 110 inches of snow fell.

Work on the docks and harbor, being done as part of a long range program, continued through the year. Steps, dock sheeting and catwalks along Round Lake north of the Model home laundry were rebuilt; two new 80 ft. and three new 45 ft. boat slips installed; a 12-pile cluster at the south end of the commerical dock was replaced with new piling and a new floor installed in the loading ramp at the commerical dock where the Beaver Island boat docks and the area repaired.

The city moved closer to solving some if is parking problems by building and paving a new parking lot to accomodate 30 cars; resurfacing regrading and paving a parking lot off East Clinton st. and negotiating for the purchase of property adjacent to the business district for use as a parking lot to accomodate 45 vehicles.

Sanitation, always a problem, is one which the residents of this community hear little about for the city keeps abreast of its changing needs and thus avoids serious problems in this phase of city operation.

During the past year a contract, following much negotiation and discussion, was entered into with a private sonitary land-fill operator for all city refuse. The former city dump was sealed off and closed after an exterminating firm had completed its job.

At the Sewage Treatment plant, the chlorine room, at the request of the Michigan Department of Health, was sealed off from the remainder of the plant, windows removed, glass block installed and a new influent meter installed.

Twenty-one new sewer taps and 28 new water tops were installed; eleven of the former and 18 of the latter were put to immediate use and 10 new sewer and water taps were installed beneath the pavement on Meadowlane opposite vacant lots for future use.

A total of 1,060 ft. of six-inch water main was installed east of the Paul-Reed plant on Petoskey ave. to serve three industries.

Two new catch basins and extended water and sewer service was installed to the new Retarded Children's center on East Garfield ave.

Many new changes were made in the electric department, one of the oldest and most active in the city's operation.

City officials successfully negotiated a purchase power contract with Consumers Power Co. whereby all electricity consumed in the area comes from this source, excepting that generated at the Bellaire hydro plant. A new switching station was constructed and lines installed to connect it with the existing distribution system. A total of 3.4 miles of primary circuiting was replaced with wire three times the capacity of the old primary lines, thereby improving service to the community.

Two secondary systems, one between Central and Meech sts. north of Dixon ave. and a second south of Meadowlane and east of May st., were built. Four other secondary systems in various parts of the city and a primary line around the west side of the cemetery were rebuilt.

Twenty-five new costumers were added to the electric system; 19 old services changed to newer and larger services; 54 new electric water-heaters and three new home space-heating installations were connected and placed in operation.

The Fire Department is one of those important departments which everyone in the area hopes

Discontinues Watch at Former Lifeboat Station

For the first time in the memory of anyone in the community, the tower at the Lifeboat station overlooking the entrance to the harbor and Lake Michigan is unmanned.

This move became effective this week, according to Albert G. Bates, W-2, commanding officer of U. S. Coast Guard Group Charlevoix who added that it was doubtful if the tower would ever be manned again.

The Lifeboat station itself was abandoned Oct. 1 when the new Lifeboat Station off Chicago ave. on the north shore of the channel between Round Lake and Lake Charlevoix was commissioned.

The fate of the old Lifeboat Station on Pine River at Lake Michigan is unknown but chances are it will eventually be razed. The adjacent two-story garage, however, will remain intact.

In announcing the discontinuing of a watch in the Lofeboat tower where crewmen have scanned the horizon during the navigation season since the building was constructed approximately 70 years ago, Mr. Bates said that the majority of lake craft now have radio equipment aboard and use this means of requesting assistance when it is needed. With the increased use of such facilities there is no longer a need for a 24 hour watch in the tower.

Assistance calls are taken over the shortwave radio in the communications room of the new Lifeboat Station. Patrol boats berthed at the new basin on the waterfront adjacent to the station can reach a distress area as quickly as in the past. Once heavy ice forms, the smaller craft are stored for the winter and the Cutter Sundew answers distress calls. However, boating is over for the season and only commercial vessels are still on the lakes.

Within the week light stations in northern Lake Michigan and Lake Huron will be closed for the season and most Aids to Navigation will be removed from waterways by the Cutter Sundew which replaces the buoys with what is known as 'winter buoys' to mark the buoy stations, the various types buoys are placed during the navigation season.

The cutter Sundew departed Monday to complete the bone-chilling task of picking up approximately 25 buoys in northern Lake Huron, the Straits area and northern Lake Michigan and removing crews from light stations.

The Beaver Island Mooring Station, manned by a five-man crew from May 1 until early in December has been closed for the season.

The Cutter Sundew is scheduled to remove crewmen from light stations at Spectacle, Poe and Martins Reefs in northern Lake Huron Dec. 13; from White Shoal and Greys Reef light stations Dec. 14 and from Lansing Shoals at the west entrance to the Straits of Mackinaw on Dec. 18. On the same day the Cutter Acacia will remove the crew at Thunder Bay Light station located four miles off Alpena in Lake Huron.

Like other cutters along the Great Lakes, the Sundew will answer any distress calls during winter storms, to serve as an Ice breaker for oil tankers and other craft which ply the waters throughout the winter or to do any of a number of kinds of work it might be called on to do.

Meanwhile, lighthouse crewmen will be re-assigned for the winter months when the work on bouys, special schooling and other work continues around the calendar so that the service will be prepared to live up to its motto, "Semper Paratus".

School Board Discusses Salary Schedules 1963-64

A variety of issues were discussed at the regular meeting of the Charlevoix board of education held recently.

Salary schedules and possible changes to make it meet the current needs were discussed at length with C. A. Odmark, chairman of the teachers' professional problems' committee, present. Salary schedules for area schools were presented, general trends discussed along with such related issues as fringe benefits such as insurance, expenses for additional training, released time for professonal improvement, increments based on a percentage basis connected with costs of living accumlative sick leave, aditional pay for additional training and other issues. Definite recommendations will be prepared for the Jan. 7 meeting.

A lengthy discussion of Junior high problems, a part of the overall study of direct educational problems in the school, were presented by H. E. Bingham and D.R. Terrill. Among the phases discussed were coordination of subject matter through elementary and junior high grades, special emphasis on the field of science, physical education and guidance; the physical plant the need for providing shelving in rooms for more library service and special arrangements for visual education.

David Potter appeared to request a change in the bus route to include driving to the Potter home for their daughter, an elementary student, because of the exposed cold walk necessary. No decision was reached but plans were made to study the entire bus program to determine whether the existing policy should be changed.

A letter to the State Tax Commission regarding its allocation of funds to the county and the schools after an appeal by the County Board of Education of the decision of the County Allocation Board was read. The letter was from the Boards of Education in the county and is to be mailed to the Tax Commission with copies going to the offices of the Attorney General and the Department of Public Instruction.

Among the other issues discussed were personnel problems regarding qualification of non-teaching employees and possible changes in staff assignments; snow removal and the most feasible way to handle the problem; parking in the east driveway of the high school with the recommendation that no parking be permitted in the area.

The payment of interest in the amount of $20,958.60 plus fees and postage in the amount of $49.00 or a total of $21,007.80 to the City National Bank of Detroit from the Debt Retirement Fund, 1958 issue, was approved.

Bills in the amount of $2,991.89 were approved.

Visiting Scouts Entertain Day Center Children

As a community services, Girl Scout troop 272 of Bay Shore, accompanied by their leaders, Mrs. Floyd Wheeler of Petoskey and Mrs. Earl Grams of RR 3 Petoskey, entertained the children at the Retarded Children's Center at a Christmas party recently.

The 10 Scouts brought place mats and favors they had made plus holiday refreshments which they served.

For entertainment they held a twist contest and showed the youngsters how to do the popular dance.

They presented the school with 12 "See and Tell" books they had made.

Bring'am back alive every time you drive.

Warm wishes for the New Year and a deeply-felt "Thank you" to all of our wonderful patrons, whome we have so happily served.

Mr. & Mrs. A. Howard Have Returned From Wedding Trip

Lawrenee Hartrick of Trenton has announced the marriage of his daughter, Mrs. Lucille McSweeney, to Averill Howard.

The wedding was an event of Wednesday, Dec. 19, at the office of Probate Judge John Makel who officiated at the ceremony in the presence of their attendants, Mrs. Ralph Wood and Fred O'Neil.

The bride selected a gown of light blue lace over taffeta, navy accessories and a corsage of white mums for her wedding.

Mrs. Wood, as her only attendant, wore an aqua brocaded satin gown, beige accessories and a corsage of yellow mums.

A wedding reception for more than 50 guests followed at the bride's home. A tiered wedding cake made by Mrs. David Dutcher centered the reffreshment table where the buffet dinner was served. A Christmas motif and white wedding bells decorated the room.

Following the wedding trip to southern Michigan, the couple has returned home to make their home at 211 Lewis st. For travel-semble and navy accessories coming the bride wore an aqua enplimented with a pink corsage.

How can you account for those people who lie awake all through the night and then go to sleep when it's time to get up?—I.T.M.

Guild Purchases Heart Machine For Local Hospital

The Women's Guild if the Charlevoixx Hospital has purchased a heart machine known as a Pacemaker-monitor at the cost of $1,550.75 for the Charlevoix hospital, Mrs. Harry Gebeau, Guild president, has announced.

Orders have also been placed for two hi-lo beds costing $430 each for the hospital.

Funds raised by the Guild through various projects were used to underwrite the cost of the equipment.

Mrs. Gebeau announced that the heart machine had arrived at the hospital when the Guild met recently for its regular meeting and Christmas party attended by 17 members.

Following the business session, the group enjoyed a social hour and refreshments planned by Mrs. Robert Neff of the hospital committee. Each one present received a gift, a small decorated tree ornament, from Mrs. Gebeau.

The hospital has taken on a festive look as the results of holiday decorations arranged by a committee headed by Mrs. Don DeMor assisted by Mrs. James Biggs, Mrs. Gordon Freedman and Miss Frances Milner

Patients in the hospital on Christmas Day will receive a small gift from the Guild. Trays will also bear favors on Christmas Eve and Day made by the favors committee composed of Mrs. Marion Miller, Mrs. Sylvia Gilson and Mrs. Lloyd Bruce. Favors made by the Garden club will also decorate the trays on Christmas.

Plan New Years Eve Watch Night at Church of God

A candlelight watch night service will be held at the Community Church of God on New Year's Eve, the Rev. George L. Majors, pastor of the church, has announced.

Activities for the evening will begin in Fellowship hall at 8 p.m. with a game time followed by a showing of slides by Elanie Martin. The slides were taken during her visit to Europe last summer as an exchange student to Germany. Refreshments will be served by a committee headed by Ann Cunningham.

At 11 p.m., the church bell will ring out on the night air, announcing the service to be held in the sanctuary of the church. A brief message by Rev. Majors, timely thoughts by various members of the congregation and vocal selections by a quartet composed of Thomas Maxwell, Kenneth Boss, Glen Bearss and George Majors Jr. and a duet by Mr. and Mrs. Glen Gearss will be features of the service.

As the hour of midnight approaches, the group will unite in prayer concluding with the bell ringing in the New Year.

Independent Jobbers Offer Scholarships

Independent Jobber Suppliers of Northern Michigan will again make scholarships available to students of four northern Michigan colleges in lieu of the usual Christmas gifts to customers, L. W. Fochtman of Petoskey and Garry Arnold of Traverse City have announced.

Since the jobbers scholarship program was established approximately 10 years ago, 153 students have been assisted including many who have become teachers, certified public accountants, skilled technicians and other vital jobs and professions.

Among the companies making these scholarships possible are Mr. Fochtman of Fochtman Motor Co. of Traverse City, Petoskey, Alpena, Gaylord, Cheboygan and Charlevoix; Mr. Arnold of Northern Auto Parts of Traverse City, Petoskey, Manistee and Bellaire, Lawrence Vandenberg and Howard Fenton of A & A Service of Manistee; R. K. King of the W. L. Morris Co. of Cadillac; Sam Gust of the Automotive Parts & Supplies of Grayling.

Scholarships are awarded to students in North Central Michigan College, Petoskey; Alpena Community College, Ferris Institute in Big Rapids and Northwestern Michigan College in Traverse City.

Mr. Fochtman summed up the sentiments of the other jobbers when he said, "This scholarship program has been a happy experience for us, our customers, the colleges and the 153 young people we have helped on their way to higher education.

Ordinance number 286 was offered by Alderman Donaldson and supported by Alderman Fochtmnn.

Ordinance Number 286

An Ordinance to amend Article IV by adding a new section 408 thereto, and Section 701 of Article VII by adding a new Sub-Section 3 thereto, and renumbering sub-section 4, of the Zoning Ordinance, being Ordinance number 203 of the Ordinances of the City of Charlevoix, Michigan, as amended, entitled, "An Ordinnnce Regulating and Restricting the Height and Size of Buildings: The Size of Yards, Courts, and other open spaces: The Density of Population: The Locations and Uses of Buildings and Land for Trade: Industry: Residence and other purposes: Creating Districts for said purposes and establishing the boundaries thereof: Providing for changes in regulations, restrictions and boundaries of such districts: Defining certain terms used hercin: Providing for enforcement: Establishing a Board of Appeals: and imposing penalties for the violation of this ordinance."

The City of Charlevoix Ordains:

Section 1. ARTICLE IV of Ordinance No. 203 of the Ordinances of the City of Charlevoix, as amended, is hereby amended by adding thereto a new Section 408, to read as follows:

ARTICLE IV
Section 408. Definitions.

As used in this Ordinance the following words and terms are intended to, and shall be construed, to have only the following meaning.

A. Dwelling or Dwellings. The term "Dwelling", or "Dwellings" or any other aspect of the word or terms used herein shall mean a permanent residence building of masonry and/or wooden stud construction, or any other standard form of home, house or multiple housing building construction, designed for and intended for use as a permanent structure upon the premises, and shall not include house trailers, trailers, mobile homes, or other transient or impermanent structures."

Section 2. Section 701 of ARTICLE VII of said Ordinance No. 203, as amended, is hereby amended to read as follows:

ARTICLE VII
Residence District III
"Section 701. Uses Permitted.

In Residence District III no building, structure or land shall be used and no building shall be hereafter erected or structually altered, unless otherwise provided in this Ordinance, except for the following uses:

1. Uses permitted in "Residence Districts I and II".
2. Group housing.
3. House trailers and mobile homes shall be permitted but only upon the following conditions:

A. Each shall have a minimum permanent living space usable floor area of not less than 360 square feet, not including any expandable walls, partitions, or other temporarily expanded areas.

B. Each shall have a separate approved sewer and water line.

C. No mobile home shall be connected to a dwelling as an auxiliary thereto, nor have it's sewer, water, and utility lines connected thereto.

D. A Use Permit therefor shall not be granted unless the application therefor is accompanied by the written approval thereof signed by all the owners of the immediately adjoining property and the owners of property on the other side of the street directly opposite the lot for which the Use Permit is requested.

E. Said Permits shall be temporary and limited to a period of two years but shall be renewable thereafter for a two year period at the discretion of the Common Council upon consent of a majority of said owners of adjoining and opposite property.

F. Said Use Permits shall be confined to a particular house trailer or Mobile home and shall not be transferable to another house trailer or mobile home.

G. The uses and provisions herein set forth shall not carry forward and shall not be permitted in the succeedingly named Districts in this Ordinance, notwithstanding anything hereinafter set forth in the Ordinance, it being intended to confine the provisions of this Sub-Section to this particular District.

4. Other incidental and accessory uses as permitted in "Residence Districts I and II", provided the same limitations are observed."

Section 3. All Ordinances or parts of Ordinances inconsistent with the provisions hercof, are hereby repealed.

Section 4. This Ordinance shall take effect twenty days from and after the date of its adoption.

C.M.U. to Offer Credited Art Course Here

Central Michigan University will offer a course listed as Art 103 in the Charlevoix school for area teachers and interested persons if a minimum of 20 students register for the course, Glenn B. Snider, who is heading the program here, has announced.

The course will offer two semester hours of credit for those who might want to take if for credit. It may also be taken without credit.

The classes will probably begin in early February and meet 12 times for 2½ hours each time. It will include, among other phases of art, Ceramics I.

In announcing plans for the course, Mr. Snider said approximately 15 persons had said they would register for the course. At least five more are needed before Central Michigan University will arrange to send a qualified instructor. The classes will be held in Charlevoix.

Anyone interested may obtain more information or register by calling the school office, LI 7-6583.

Cost of the course will be $34.00 for the 12 weeks.

never to call on but is grateful for the foct that Charlevoix has an efficient department on call 24 hours a day every day in the year.

The past year speaks well for the safety-mindedness of area residents who made only 44 calls to the fire department during the year. This number includes 14 general alarms including eight urban and six rural; 14 grass fires including eight in the city and six in the county; two car fires including one each in the city and rural area and 12 'still' alarms, i.e., standy-by, smoke and similar alarms.

The Police Department is another department which most people seldom call but which is on duty around the clock throughout the year.

During the year the department received 1,631 calls; issued 92 snow removal tickets; made 188 arrests including 84 traffic arrests and 104 other arrests; investigated 101 accidents and 124 liquor investigations; issued 551 vehicle operators licenses and drove 43,245 miles while on patrol duty in the community.

Charlevoix's recreation program has been greatly expanded and placed under closer supervision during the past year. A resume of the program reveals the following facts: 409 people participated in the softball program; 184 received swimming lessons from qualified instructors; 28 people received tennis lessons; three beaches and two shuffleboards were supervised The department sponsored and chaperoned two teen-age dances; two track and field days and two water field days.

During the winter months, the department maintained and supervised an ice skating rink and a sliding hill.

A new golf club house was completed and dedicated in June. To mark the opening af the new club house, a program of 10 days of free golf to encourage use of the course was initiated and proved very successful. During the season, from June through Labor Day, approximately 121 season tickets and 4,279 daily tickets were sold.

It is estimated by the recreation director that, accumulatively, some 28,989 people participated in the complete program.

New facilities added to those already in use include four new picnic tables, two new jungle gyms, one diving platform and a new floor on the Ferry ave. beach pier. The picnic building off Park ave. at Lake Michigan was rebuilt and re-roofed.

Other pertinent information reveals that 402 different boats were greeted and registered into the Round Lake yacht basin.

That 60 burials were made in the local cemetery (Brookside and St. Mary's) and that a new veterans' section was platted and opened for use.

A total of 80 building permits were issued during the year including 18 for new residents; 12 for new accessory buildings; 44 for repairs and six for dismantling residences.

The Fire Department sponsored a pre-Christmas Santa Claus visit ond the distribution of candy and nuts to the children of the community.

The City Clerk's office posted 1,824 tax notices in July and December; mailed 1,793 utility statements every month plus 247 miscellanous bills. The majority of those were caollected or an effort made to collect them.

Former Resident Is Victim of Crash

★ ★ ★

Hold Rites Thursday For Mrs. Robinson

Mrs. Korl E. Robinson, 23, the former Margot G. Davenport, was killed outright in a headon collision on US-131 within the city limits of Harbor Springs early Tuesday, New Year's Day.

The young mother of two children was a passenger in a car driven by her husband when the car collided with a second vehicle driven by Stanley Johnston, 20, of Petoskey which had driven onto the highway from Hoyt st. at the crest of the hill at the entrance of the city.

Injured in the crash were Mr. Robinson, 27, who is in satisfactory condition at Little Traverse Hospital in Petoskey where he is being treated for a dislocated left hip, multiple rib fractures, concussion and severe laceration of the left knee. Passengers in the Robinson car were Dale W. Beatty, 24, and his wife, Melissa, 23, both of Petoskey who received facial lacerations ond contusions. Both are in good condition according to attendants at the Little Traverse hospital.

The driver of the second car was uninjured. His brother, John Johnston, 15, a passenger in the car, was admitted to Lockwood General Hospital In Petoskey for treatment of a severe head laceration but was in good condition.

Funeral services for Mrs. Robinson will be held at the Winchester Funeral Home here at 2 p.m. Thursday with the Rev. Raymond J. McBratnie officiating. Burial will be in Brookside cemetery.

The former Margot Davenport was born here Apr. 25, 1939, and was a graduate from the Charlevoix high school in 1957. She attended Central Michigan College prior to her marriage to Mr. Robinson in January 1959. They lived briefly in Kalamazoo where Mr. Robinson was enrolled in Western Michigan College. Later they resided in Petoskey where she was employed in the business office of the Michigan Bell Telephone Co. Since July they had resided in Traverse City where Mr. Robinson was employed by the Montgomery Ward Co. as a manager. She was a member of the First Methodist church here.

Besides her husband, she is survived by two children, a daughter, Lisa, three and a son, Paul, four months; her parents, Mr. and Mrs. Dean Davenport of Charlevoix; a sister, Mrs. Gene (Mona) Warren of Phoenix, Ariz., and a brother, Dean Davenport Jr. of Traverse City.

The couple had visited ot the Davenport home Sunday and part of Monday before going to Petoskey late Monday to visit Mr. Robinson's parents, Mr. and Mrs. Gerald Robinson, planning to return to Traverse City New Year's Day.

The two young couples had left the Senior Robinson's home in Petoskey about 11:30 p.m. New Year's Eve, had gone to Nub's Nob near Harbor Springs for a short time and were enroute to Harbor Springs to see Mr. Beatty's father who owns the Pier, at the time of the accident which occurred between 1:30 and 2 a.m.

Investigation into the cause of the accident was being continued Wednesday according to the city police of Harbor Springs and the State Police of the Petoskey post.

Former Motel Operator Stricken At Ironton Home

Ironton—Ray E. Canfield, 66, retired motel operator, died late Wednesday enroute to the Charlevoix hospital after being stricken at his home.

The body was returned to the Wilson Funeral home at Montpelier, Ohio, where services were held Saturday. Burial was in Riverside cemetery.

A native of Reading, Michigan, he had lived in Ohio as a child and for many years was employed by the Singer Sewing Machine Co. in Indiana and southern Michigan. He later operated a motel at Niles for 20 years prior to his retirement two years ago when he came to this community.

His only survivor is his wife, Pauline.

Lions Club Views Wings to Alaska At Luncheon Meet

A movie, "Wings to Alaska", o trip to this country's most northerly state, was enjoyed by the members of the Lions club who gathered at the Weathervane Inn Monday for their regular luncheon meeting. The film was shown by Robert Winchester, program chairman.

Joseph Liston, chairman of the Community Christmas project of collecting groceries for Christmas baskets for less fortunate families, reported that an excellent variety of groceries of all kinds were contributed by the residents of the community during the pre-season Christmas drive making it possible to give between 25 and 30 boxes of food to needy families.

The club then assisted the committee headed by Mrs. Keith Miles, community nurse, in delivering gifts and baskets of food to approximately 20 families in the community.

Serving with Mr. Liston on the committee were Alun Bevan and Jack Erber.

Mr. Liston and his committee expressed the appreciation of the club to the residents of the area who responded so generously that others might enjoy a happy Christmas.

Morweld Steel Given New Contract By Ordinance Dept.

Ellsworth—A $75,000 contract for the manufacture of component parts of an under water sound signal has been awarded Morweld Steel Products by the Naval Ordnance plant at Macon, according to Maurice M. Taylor, president of the firm. In addition to the new contract, the company is presently in production on contracts totaling $1,000,000.

The Ellsworth firm has been awarded four naval contracts for manufacture of submarine classification and tracking devices. The first contract in October amounted to $247,860. In November three contracts were awarded totaling $350,000.

These contracts have increased employment at the plant to 200 persons.

Two Men Bound Over to March Term of Court

During an examination held before Justice John J. Connolly Friday, sufficient evidence was found to bind William E. Baumgartner, 39, over to the March term of Circuit Court on a charge of rape.

He had demanded the examination following his arrest Dec. 17.

A cash bond of $250, furnished at that time, was continued.

Robert W. VanDorn, 23, of RR 2 Boyne City, waived examination and was bound over to the March term of Circuit Court on a charge of issuing three insufficient fund checks to the Weathervane Lodge within a 10-day period in November 1961. He was arrested recently when he returned to the state. He was remanded to the county jail after failing to furnish $1500 bond.

New Postage Rates Effective Monday, Jan. 7

Chamber Compiles Housing List for SAC Group Due Here

No definite information on the proposed relocotion of Detachment 12 of the 10th Radar Bomb Scoring Squadron (SAC) is available at this time according to Lt. Col. Joseph C. King, commanding officer of the group which is scheduled to be transferred from Ironwood to Charlevoix in 1963.

This information was received by Paul Kohler, secretary-manager of the Charlevoix Chamber of Commerce, who has been in touch with officers of the group since the initial announcement last summer that the unit was to be relocated in the Charlevoix area sometime this year.

In behalf of the Chamber of Commerce and residents nf the community, the Chamber of Commerce has compiled a list of housing available to the military personnel which make up the detachment and has offered the services of the chamber in assisting in other ways in the relocation of the group.

City Band Stages Annual Dinner

The Charlevoix city band gathered at the high school cafeteria Wednesday night for its annual dinner.

More than 65 members including the adult nucleus of the band, the college students home for the holidays high school students who play with the group, their respective husbands and wives ond several guests gathered for the event which has, in the past, been held in the early fall following the lost of the weekly "Concerts in the Park."

C. A. Odmark, director of the group, greeted the members and their guests wishing everyone the greetings of the season and inviting everyone to attend the 'fun' rehearsal of the band that followed the dinner.

The band averages 40 pieces and rehearses througbout the year in preparation for the 10 week summer series of concerts in East Park every Wednesday evening throughout the summer and for special concerts. Members contribute their time and talents without remuneration to the musical organization one of the few community bands in the area.

Rayders to Meet Pellston Here Friday Night

The teams of the Northern Michigan Class C Conference will return to the hardwoods to open the 1963 division of the schedule Friday with the league-leading Pellston Hornets invading Charlevoix, Boyne City playing at Harbor Springs, Grayling hosting Mancelona and Gaylord playing at East Jordan.

The Rayders will have their work cut out for them when they host the league-leading Pellston quintet Friday. The Hornets will be favored in the meeting against the Rayders whose line-up may be re-shuffled because of illness and injuries.

The Harbor Springs Rams, in second place in league standings, will be favored over the invading Boyne City Ramblers who have a two-two record for the season.

Groyling and Mancelona have identical records of two wins and two losses but the Vikings, with a sure-fire combinaton in Tom Wright, Chris Kroll and Tim Neal will be favored.

Gaylord, also with a two and two record, will have the upper hand when they invade East Jordan for a game with the Red Devils who have yet to post their first victory of the season.

Funeral services were held at St. Mary's church here Wednesday. The body will be returned to Beaver Island for burial in Holy Cross cemetery. The Rosary was recited at the Winchester Funeral Home Tuesday evening.

Born on Beaver Island Dec. 4, 1887, the former Alice J. Johnston was married to Mr. Belfy Oct. 23, 1912. They had always lived on the island. She was a member of Holy Cross church.

Besides her husband, she is survived by a daughter, Mrs. Edna McCann of St. James; two sons, John D. and Erwin of Detroit; eight grandchildren; two sisters, Mrs. Elizabeth Dunlop of Boyne City and Miss Mary Johnston of Orlando, Fla., and a brother, Peter Johnston of St. James.

Rayders Bow to Northmen In Annual Holiday Battle

The Charlevoix Rayders dropped their fifth game of the current season to the Petoskey Northmen by a score of 40 to 35 Friday night as the two teams met at their annual mid-holiday game.

Coach Don Carey started a new combination in this holiday classic in an effort to come up with a winning combination

In the forward positions were Gary Stutzman and Ken Parrish, a freshman up from the J-V squod, regular center Dave Rader, and in the back court Jim Uhrick who has been starting regularly and Rick Miller, a junior guard who has seen limited action thus far.

Chip Terrill, a sophomore up from the Reserves, joined the action in the first period, Bruce Kroken, Pete Ance, Fronk Curtis and Dwight Boss joined the line-up in the second period.

Charlevoix trailed the Northmen 12-10 at the quarter but came back strong in the second period as they outscored their hosts 14-9 for a 24-21 halftime lead.

In the third period, however, they were outscored 10-5 as they trailed 31-29 going into the final period when the Northmen scored seven of their nine points from the free throw line as the Rayders battled for the ball.

Charlevoix outscored Petoskey 14 to 10 in the field goal department but lost the game from the free throw line where the Northmen hit on 20 of 31 attempts while collecting 15 personal fouls. Charlevoix connected on seven of 20 attempts and had 23 personal fouls.

Parrish, making his first appearnace with the Varsity, paced the scoring for the game with 20 points followed by Stutzman with five; Ance, four Uhrick, three; Miller, two and Rader, one.

Jerry Hand and Ron Clancy shared honors for Petoskey with eight points each.

BETWEEN YOU AND ME

- By Harold E. Kohn -

A Prayer at the Door Of the New Year

Eternal God,
We thank Thee that Thou hast made each of us
Equal with all others
In the gift of time,
None of us having more
Than twenty-four hours in a day,
None of us less,
Each of us possessing sixty seconds
In his minutes,
No one cursed with less,
No one blessed with more.

No matter how short we may be
In life's other goods,
May we always know
Thou hast made us all time-rich,
With time enough,
If we will use it,
To laugh and play with little children,
With time aplenty to reassure
The ill and anxious,
To strengthen the infirm,
To remember the half-forgotten,
With time enough to be kind,
With time enough for the upward look and
For laying every secret wish
At Thy feet.

— Amen —

Censorship

Seven weeks after the Cuban crisis arose, Government censorship policies adopted then remain a subject of daily controversy. Numerous press groups, including NEA, have protested bitterly but the Kennedy Administration has shown few signs of retreating to any major degree.

NEA recently received national publicity in this connection. At the St. Louis convention last month, NEA adopted a strong resolution urging the President to "abandon these misguided efforts to control the American press."

One of the key figures in the controversy, Assistant Secretary of Defense Arthur Sylvester, had been invited to defend his position before the NEA convention. He declined the invitaton but when Ted Serrill transmitted the text of the censorship resolution, he responded by letter. NEA released the text of the Sylvester letter, leading to wire service stories in many dailies.

With refrence to the Defense Department directive requiding Pentagon personnel to report all conversations with newsmen to the Sylvester office, Sylvester wrote NEA: 'There has been a great deal af twaddle" written on the subject.

The NEA resolution had termed the Sylvester directive 'a giant step toward a controlled press." Sylvester, an alumnus of the Newark News, contended "there has been no 'giant step' or any midget step by anything we have done toward a controlled press. The only controls that I know of any segment of our press are exercised in the editorial offices of each individual component of that press. Let's keep it that way. One way to do it is to keep our facts straight."

After a 10-week interval, President Kennedy finally held a press conference on Nov. 20. He was bombarded with censorship questions but stoutly defended the Sylvester directive. It remains in effect, although the State Department suspended its parallel order, on orders of the White House.

Also lifted were the 12 "security guidelines" hurriedly announced when the Cuban crisis boiled over. No editors or publishers were consulted befort this code was released, olthough a group of wire service executives and broadcasters were summoned to the White House and given a preview of the voluntary restrictions.

NEA promptly protested the failure to consult with publishers or editors. After a delay of 3½ weeks, Presidential Press Secretary Salinger responded on November 20 with a note to Ted Serrill. He said the ASNE head was invited but was out of the country at the time. Salinger added: "I will certainly bear your letter in mind should any such circumstances take place again."

The House Government Information subcommittee headed by Rep. John E. Moss(D., Calif.) is checking on the whole situation. Whether there will be hearings in 1963 remains to be seen. NEA has been in touch with staff members of the Moss subcommittee.

Advertising

A supposed secret draft of a report by a study group appointed by President Kennedy has stirred up a controversy over the Federal Trade Commission, four of the five members of which are Kennedy appointees. FTC violently opposes recommendations in the report, so one group of Kennedy men is fighting another.

The report suggests that in the area of deceptive advertising, FTC should concentrate on "policing the national media of advertising—television, radio and the periodicals with national circulation." State and local enforcement agencies would be encouraged to take over policing of local media.

The report was drafted by Prof. Carl A. Auerbach of the University of Minnesota law school. He is staff director of a committee of the Administrative Conference of the U.S., a top-drawer study group set up by the White House to probe ways of improving law enforcement.

One recommendation of the Auerbach report that horrifies the bureaucrats of FTC is that businessmen should replace lawyers in key spots on the FTC staff. This suggestion, coming from a law professor, is regarded as little short of heresy. One FTC member wrote 100 letters of protest, which served to turn the spotlight on the heretofore secret draft by Prof. Auerbach.

Institutional advertising by electric utilities attacking public power must be paid for from profits and cannot be classed as an operating expense to be considered in setting rates. The Supreme Court has so ruled by upholding a lower court victory won by the Federal Power Commission in the Alabama Power Company case.

Refusal of the Supreme Court to review the decision of the lower court concludes one aspect of a long-standing controversy resulting from the Electric Companies Advertising Program. ECAP's magazine campaign has also been challenged by Internal Revenue Service which has declared costs of certain ads to be non-deductible.

Expense Accounts

A tough new law on tax deductibility of travel and entertainment expenses took effect on January 1, 1963. Every publisher and editor will be affected. A furore has been raised by scores of business groups who are protesting stringent rules proposed by the Internal Revenue Service on record-keeping.

IRS published six pages of proposed rules on record-keeping alone, and called a one-day hearing on the subject. More than 2,000 protests were received, the hearing had to be stretched to two days, and moved to a larger hall. Over 700 attended the opening session, and more than 50 spokesmen testified. An NEA observer attended.

IRS Commssioner Mortimer Caplin attempted to deflate the opposition by announcing some softening of the rules, including an increase in the $10 figure for complete records of all expenses. Business spokesmen expressed gratitude for the slight consessions but pointed to dozens of other provisions that need to be eased.

Eight IRS staffers listened for two days, asked a few questions, and took the record-keeping rules under advisement. A final set of rules, on record-keeping alone was promised by Christmas. It will be January before rules, on wat is deductible will be issued. Meanwhile every NEA member will have to examine his accounting procedures to make sure they comply with the law.

To be deductible, business expenses must not only be "ordinary and necessary" but either "directly related" to business or "if directly proceeding or following a business discussion" they must be "associated with the active conduct" of business. The new tax form will require separation of entertainment expenses, which cannot be labeled as "sales expenses" or "customer relations" or "advertising."

Business lunches remain deductible so long as held in a place conducive to a business discussion, and convention expenses can still be written off so long as "ordinary and necessary." The so-called "Cohan rule," allowing estimates of expenses that cannot be proven in detail, has been repealed and if a deduction cannot be justified in full it will be disallowed in toto.

Combining business and pleasure trips will be difficult under the new law. If the time away from home exceeds one week, and personal activities consume 25 percent or more of travel time, transportation costs must be pro-rated with only the business portion deducted.—Bert Mills

State Traffic Record Breaks All-Time High

An estimated tll-time high traffic record of 107,500 injured and 231,500 accidents in Michigan in 1962, a projected road death toll of 1,575, a one per cent increase over 1961, establishment of a round-the-clock expressway patrol merger of the state office of civil defense with the State Police, and a new "trooper of the year" award were major developments in the annual summary of State Police activities reported by Commissioner Joseph A. Childs.

The projected record highs in injured and accidents were increases of 15 and 16 per cent, respectively, over 93,350 and 199,973 in 1981.

Also projected were estimated three percent gains in mileage to 32.8 billion and in registered motor vehicles to 3,498,758 and a two per cent rise in licensed drivers to 4,205,245.

The Michigan office of civil defense was merged August 1 with the State Police by executive order. Commissioner Childs also became director of the agency and named Capt. Richard L. Nicolen as deputy director.

Tpr. Hubert C. Rosema, of the Rockford post, became the first winner of the new "trooper of the year" award donated by Dr. Carl A. Gerstacker, Midland, chairman of the board of the Dow Chemical Co. The award is given for outstanding community service.

Patrol mileage for the year was over 14 million out of a department total of more than 23 million. Other patrol activity included verbal warnings to motorists, 332,477; cars assisted, 88,755; cars investigated, 140,743; property inspections 156,300; and liquor inspections, 35,695.

At year's end, the 24-hour expressway patrol inaugurated by the State Police July 1 was covering about 823 miles of Michigan's 1,000-plus miles of interstate and high type limited access trunklines.

Rural school bus accidents in 1961 numbered 496 and resulted in deaths of two children and injury to 347 persons. Compared with 1960, there were one less death and 62 fewer accidents while injuries were up one.

The fire marshal division reported that Michigan had 65,191 fires in 1961 which claimed 235 lives and did an estimated damage of $45,549,436. The deaths included 166 adults and 67 children but no firemen. Compared with 1960, there was one fewer death but 4,155 more fires and property damage increased $4.5 million.

Provisional water accident figures for the year showed 235 persons drowned and 195 were injured in 455 mishaps, compared with 262 deaths and 231 injuried in 560 accidents in 1961.

The department's enlisted strength was 1,112 at the beginning of the year and 1,110 at the close. Fifty-two officers were promoted and 20 retired. One active and three retired officers died.

One award for bravery during the year went to Cpl. Frank P. Lyon, of the Bad Axe post. Eleven other officers earned citations for meritorious service.

Churches Sponsor Blanket Drive Under CROP Program

Michigan Protestant Churches, with the help of Councils of Churches and United Church Women, are conducting an intensive campaign to collect good used and new blankets for Algerian relief, according to Mr. Russell M. Hartzler, Michigan CROP Director. The slogan "bring a blanket and a quarter to Church on Sunday", is part of the promotion being used in more than 2,000 Protestant Churches in Michigan.

Seven years of war have left hundreds of thousands of Algerian people destitute. Many of them have lived as refugees in neighboring countries but are now returning to their homes and nothing, according to John Van Hoogstratten of Church World Service. He said, "the people have survived the war, greeted independence with joy, but now their physical and psychological resources are exhausted".

"In view of the bitter winter ahead the need for blankets and warm clothing is desperate", Mr. Van Hoogstratten said. 650,000 blankets are being sought. 10,000 were shipped by air in late November. Other shipments have followed but many more are needed.

From January 7 to 12 Church World Service trucks will collect the blankets from some 40 designated collection depots in Michigan and take them to the Church World Service Center in Nappanee, Indiana where they will be sorted, baled and quickly sent on their mission of mercy.

Sunday, January 6, is the last Sunday in the current appeal to take your blanket (and a quarter for processing costs) to Church. Your pastor can tell you whether your Church is participating. The blanket appeal is being coordinated by Michigan CROP, Box 208, Lansing.

Campus Comments

Two students from the Charlevoix area have been named to the Dean's list at Davenport Institute in Grand Rapids for the fall term.

They are Sharon Abfalter and Mary Jean DeGroot.

The student must earn a "B" grade average or better in his college work or by the point system, a 3.0 point average.

Regular Exercises Recommended by Heart Association

"I will exercise regularly."

This was the New Year's resolution recommended this year by the Michigan Heart Association, as announced by its president, Dr. Muir Clapper of Detroit

The Association, however, suggested several common-sense modifimations. Dr. Clapper, a professor of medicine at Wayne State University, said these included:

1. Select an exercise compatable with your age and physical condition.

2. Choose an exercise you enjoy. If you exercise like a spartan, you will fall by the wayside. The Association said the idea is to fit an exercise like hiking or calisthenics into a daily routine, while adding a weekly sports activity, like swimming, golf, or bowling.

3. Once you get a routine of exercise, try hard to let nothing interfere.

4. Be prudent. If you have not exercised since you were in school, don't try to start where you left off. If your age and condition warrant strenuous activity, work up to it gradually.

5. Walk more; ride less. If you can, walk to work and walk when you shop.

6. Get a physical examination and ask your doctor what forms of exercise should be avoided.

7. With intensity and determination practice that most difficult of all exercises, namely, pushing away from food in time to avoid obesity.
